Scripture tells us that the words of Jesus made people uncomfortable, confused, angry, repentant, worshipful, and riotous. Today, we read the words of Christ in a steady, even tone and find ourselves wondering if maybe we're missing something. Could it be that we've lost the emotional power of Jesus's words simply because we're too familiar with them?

With incredible insight into the surprising and unsettling aspects of Jesus's parables and life, Matt Mikalatos reimagines familiar stories and parables in a modern-day setting, bringing alive for the contemporary reader all the controversy and conflict inherent in the originals. These emotional, sometimes humorous, and jaw-dropping retellings include the stories of the prodigal son, the good Samaritan, the lost coin, the feeding of the 5,000, the death and resurrection of Jesus, and more, asking provocative questions like What would be the modern equivalent of Jesus letting a "sinful woman" wash his feet? Who would be the hero of "The Good Samaritan"? How would Jesus tell the parable of the lost sheep in a city like Portland?

Cultural identities and cross-cultural engagement are not things that anyone can choose to ignore anymore, least of all Christians. Many of us want to have diverse friends and are passionate about justice. But if we are serious about cross-cultural relationships--real relationships that lead to understanding, healing and solidarity across cultural lines--we need to be willing to change. And that's not something that comes easy for any of us. In *Becoming All Things*, Michelle

Reyes offers a poignant discussion on the challenges surrounding cross-cultural relationships in America today, including the reasons for cultural difference, stereotyping, appropriation, gentrification, racism, and more. Seeking to deconstruct these things in our own lives, Reyes focuses on the concept of cultural accommodation in 1 Corinthians 9:19-23, and looks at the ways in which we need to adapt who we are in order to become all things to all people. The problems inherent in cross-cultural relationships have to do with us. We have to do better. With language that's witty, funny, and accessible, Reyes offers hope for majority and minority alike by showing what's possible when all of us are willing to try something new.

For the last hundred years, the Ravenwood women have used their gift of dreaming for hire to gather information or to assassinate. Her dilemma comes to a head when she is tasked with assassinating the one man who can bring peace to the nations, but who will also bring about the downfall of her own house. One path holds glory and power, and will solidify her position as Lady of Ravenwood. The other path holds shame and execution. Which will she choose? Jesus disciples once came to Him and asked how they should pray. He answered with the simple words most of us know: Our Father, which art in heaven. Several years ago, I began to pray the Lord's Prayer every day. As I did, I sought to know better the Father to whom I prayed. The riches of the prayer overwhelmed me. Heart to Heart is my attempt to put those riches into words. Each chapter of Heart to Heart examines another facet of who God is and what it means for us to live as His children. This book was written as an act of worship. May it move you also to the celebration of childhood and embrace of the Father.
