Life is all about risk. Sometimes you embrace it. Other times, fate forces your hand. A. C. Burch's powerful collection of eight short stories transports the reader from Private Quarters, where a young musician must negotiate the competing demands of two strong-willed women, to a luxurious yacht in the Caribbean, where an embittered detective finds himself rejecting his Last Chance at love. A Book of Revelations is all about the cliff'the tipping point'the instant we must roll the dice or succumb to the status quo. Burch's characters face life with courage and humor in a tenacious search for meaning and fulfillment. Set in Provincetown, Palm Beach, Boston, Maine, Carnegie Hall, and the Caribbean, these memorable stories span not just distance but the range of life's experiences.

Do you ever feel like a second-class citizen in this world? Do you wonder how God could possibly use you to change lives? For women in Bible times, these weren't even questions they thought about. Being overlooked, marginalized, having your contributions discounted because you're a woman...it's just the way things were. In this 10-lesson workbook, Max Lucado tells some of his favorite accounts of women in Scripture and the remarkable way God broke down cultural barriers to use them in the unfolding of His story. You will discover... Sarah, the woman whom God promised would give birth to a nation, but who tried to rush things when God's promises didn't seem to be coming to pass. Rahab, a prostitute in the Canaanite city of Jericho, who would save herself and her family through her faith in the one true God of the Israelites. Abigail, a woman forced to play peacemaker by the barbaric behavior of her husband. Esther, a young queen whom God placed in the Persian court for "such a time as this" to prevent the genocide of the Jewish people. Mary, the young virgin pledged to Joseph, whom God would choose to give birth to Jesus, the promised Messiah who would save the world. The Samaritan Woman, who would meet this Messiah at a well one day. His words would forever after change her life. The Canaanite Woman, who made God smile with her wit and faith, and who received from Jesus an answer to her prayer. Mary of Bethany, a friend of Jesus who witnessed the resurrection of her brother, Lazarus, and then anointed Christ in anticipation of his death and resurrection. Mary Magdalene, who followed Jesus despite the injustice of a world that judged her for her past and said she would always be considered a failure. Sapphira, a woman in the early church who, along with her husband, made the unfortunate (and deadly) decision to lie to the Holy Spirit. These stories show us there is a God who sees us where we are and loves us for who we are. He is the one who hovers over all the pages of the Bible, shaping lives, rescuing hearts, healing sicknesses, raising what was dead to life, and passing out high callings to those who choose to follow him and have faith in him. Each lesson includes: 5 Daily in-depth Bible studies to help you explore the stories in Scripture Daily points to remember to help you summarize the key points Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God's word in your heart Additional notes to help you lead a group through the study Ten Women of the Bible is a standalone workbook, ideal for both individual use and for study in a small-group setting.

The book of Revelation is a book that contains the revelation of Jesus Christ, which God gave to him for one specific purpose. What is that? To show unto his servant John things which must shortly come to pass. Revelation, despite what many people believe or say, is not the revelation of John. The Word tells us point blank that the book of Revelation is the revelation of Jesus Christ. John was only the vessel that Jesus used to write the warning to the churches and to the saints of what the future holds for the world. Jesus is coming back. The scripture says that He is coming with clouds, every eye shall see Him, and all the people of the earth shall wail. Jesus tells us who He is: the Alpha and Omega, the beginning and the end, the Almighty.

This encomium is a thoughtful and respectful, compression of the one and only, Holy bible. Compiled in an attempt to enlighten those who get lost reading the lengthy, but all-important, Word of God; but most importantly, this book conveys the coveted dream of our Almighty God.

Bible scholar and teacher, Dr. John R. Hargrove has designed a wonderful, year-long course for the individual Bible student and for the classroom. Spread out over twelve courses, each book is a wonderful and insightful introduction to the Word of God. From Genesis to Revelation, Dr. Hargrove hopes to help you grow in the Lord and to understand his Word at a deeper, more profound level. An intimate level. Ideal for small group study and for the individual, the Biblical Studies 101 program is, we think, ideal for you, too. Excellent Beginnings: Course One Let's go back in time to the story of Creation and a study of the earliest men in the Book of Genesis. The question is: did God create us or did we come from a sort of cosmic soup billions of years ago? Since Creation has obviously taken place, I believe there is a Creator. He is God. In the Bible, we will see that God does not speak verbally to everyone, but chooses specific people to talk to, and asks them to go forth as prophets for Him. Those were usually men of great faith. We will soon learn that the Bible is not a story of great men, but of a great God. Yes, the Lord still communicates with us today, and I want to show you how. In this study, Course One of the "Biblical Studies 101", we will assume the Creation story is the true one. If you are not sure about that, I invite you to settle in and read what God has to say about it.

We all want our life to change for the better. These 366 inspirational daily devotionals were written for that purpose. You will notice that the date coincides with the chosen scripture. If you prefer to read them at night, just read the devotional for the next day. These inspirational messages have endured the test of time. They have been sent on a daily basis for some ten years to around 30,000 people worldwide over the internet. While the author plans to continue this practice, some people prefer to have them all together in book format since the internet is not always available or convenient. God bless you and God bless us all on our journey day by date to arrive some day in the future at our Glory Home. The Bible's story of creation in Genesis names Adam as the first human in history. His story with Eve in the Garden of Eden is widely known-but what if he actually played a larger part in the story of humanity? In The Gospel of Adam, David L. Bishop takes well-known stories and characters from history and presents them through the eyes of Adam, as though he were living throughout all time on a mission to restore fallen humanity to a place worthy of returning to perfection. Following Adam through his profound interactions with Noah, King David, Jesus of Nazareth, and even Adolf Hitler, this book shows how Adam struggles not only with his mission to help humanity but also his own internal doubts as a man of faith. In the vein of works like The Da Vinci Code and The Last Templar, Bishop's The Gospel of Adam weaves history, philosophy, religion, and politics throughout a thought-provoking first-person narrative that both challenges and inspires the reader to consider what it really means to be human.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

On May 25th, 2006 an IED exploded in Bagdad instantly killing Army Captain Doug DiCenzo. The book of Exodus is foundational in understanding the importance and the uniqueness of the nation of Israel. Genesis tells us how the Israelites came to be Egyptian citizens, Exodus tells us how God miraculously extracted them from Egyptian control to become a unique nation in their own right. It also tells us about the first passover and the fact that that month became the first month of the Jewish calendar. This account of the choosing of Moses and his singularly unique training for the role of Leader, his calling by God at the burning bush and the way in which he came to grow into the role and develop

into an astounding leader is both interesting and absorbing. The most significant moment for the nation was in their spiritual betrothal to God on Mount Sinai. The moment when God Himself spoke to the people direct from the mountain. It is an event that has never been repeated by any other nation. As the Old Testament, particularly the five books of Moses, provided the basis for all Paul's teaching after he had been set aside and taught by the Spirit of God during his time in lodgings in Straight Street Damascus, this and the other books of Moses should be essential reading and study material for all modern day believers. Studying them in order to write my books has been both eye opening and absorbing. Greatly beneficial.

In this powerful mini-handbook Bishop Sinegal brings revelation and insight to walking in financial integrity as it relates to scriptural giving. Bishop breaks the back of the misconception of the tithe, frees the believer from tithing under the law, and teaches Kingdom principles for a better covenant especially as it relates to giving. This book will release the Kingdom Citizen from fear concerning giving and produce the spirit of mature sons. Malachi 1:6 says if He be our father, He is owed honor. That is the substratum of every principle of Kingdom giving, HONOR. The law is a school master or governor for the immature babe; however for mature sons the Holy Ghost becomes the governor.

Using a storytelling style and biblical truth to encourage practical aspects of faith, LEAPING THE WALL investigates ways to empower our faith during difficult times. Written with compassion, honesty and truth, this book explores the deeper questions of faith that haunt us. Why does a loving God allow pain and suffering? Through practical suggestions, encouraging stories, and Scripture, Kloster gently encourages readers to focus on grace, peace, joy, and hope to empower faith during sorrow and pain.

Why were people in the first century so drawn to Jesus of Nazareth? His powerful miracles and challenging teachings, for sure. But it was also His character. Humanity had never witnessed someone who is loving, joyful, peaceful, patient, compassionate, generous, faithful, humble, and self-controlled all the time. It was as if God Himself had become a human being to demonstrate the life that is possible—a life beyond amazing. The traits that Jesus demonstrated in His life were traits empowered by the Spirit of God who filled Him. When Jesus returned to heaven, He sent His Spirit to indwell all His true followers so they could display the same character in their lives—not for their benefit alone but to show the world the kind of life God intended us to enjoy. The apostle Paul called these traits "the fruit of the Spirit" (Galatians 5:22–23). In this A Life Beyond Amazing Study Guide, Dr. David Jeremiah describes the divinely empowered life that is possible for followers of Christ. Between introductory and concluding messages, Dr. Jeremiah explores each of the nine traits of a Spirit-filled life as outlined by the apostle Paul—traits that produce a life beyond amazing. Each lesson also includes: An outline of the main subjects and Scriptures covered during the lesson An overview of Dr. Jeremiah's teaching on the topic being studied Application questions to help individuals and small groups delve into the Bible A Did You Know? section that adds a point of interest to the lesson

One of the great enigmas in the Bible is that concerning John the Baptizer. While the physical aspects of who he was are quite apparent from the Scriptures, the spiritual aspects are ambiguous. We know that he was the one who was ordained to "Prepare ... the way of the Lord," "to make ready a people prepared for the Lord." There is, however, another aspect of John's identity that is often overlooked. On at least two separate occasions Jesus indicated that John was more than just someone who was born to be His forerunner. This short study not only examines many of the details of John's life, but also attempts to unravel the mystery about who he really was. Finally, by using the example of John the Baptist, this book also looks at how the Faithful God fulfills His promises and purposes despite having to deal with unbelieving man.

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

The world is more interesting when you look at both ordinary and profound things in new ways. What will archaeologists think of us far into the future? Where is heaven? What can I learn from children and from cats? What's up with the syllable "mor"? Whether playing with words, relating "aha!" moments, or posing metaphors, the author shares his odd thoughts with the intention to entertain and to inspire you to see beyond the ordinary.

Escape the Coming Night Thomas Nelson

There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news. We hear increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. How do we explain so much chaos? How do we live with such turmoil? And is there any hope for peace in our time? As one of the world's most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions. And in *Escape the Coming Night*, Dr. Jeremiah walks through the perfect Scripture for these uncertain times: The Book of Revelation. In Dr. Jeremiah's hands, this exploration of Revelation is shocking and eye-opening, but also consistently uplifting—and a vital message for our time.

Bestselling author Dr. David Jeremiah explores the book of Daniel, finding comfort in God's specific and powerful promises for the future. The book of Daniel offers some of the most vivid and descriptive portions of prophecy in all of God's Word. And through the instruction of world-renowned Bible teacher Dr. Jeremiah, Daniel's visions come alive like never before. In *The Handwriting on the Wall*, Dr. Jeremiah uses his clear and approachable style to help readers see Daniel's incredible accuracy in prophesying about events in human history that have already come true, find comfort in God's specific and powerful promises for the future, place their trust in the reliability of God's Word rather than the instability of today's headlines, be assured that evil is on a leash and God is in control, and much more. For Christians of every generation, understanding the truth of biblical prophecy offers confidence and hope for the future. But that's not all—to know the book of Daniel is to open a pathway for dynamic, faithful living today.

In this six-session video Bible study (DVD/digital downloads sold separately), bestselling author Dr. David Jeremiah reminds us that the Christian life is to be lived looking forward and with our eyes fixed on the race in front of us—not looking back over at our shoulder at the other runners or the past. In the Bible, the apostle said as much when he wrote, "Not that I have already attained, or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me. Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus" (Philippians 3:12-14 (NKJV)). Dr. Jeremiah draws on this key verse to show that while it is good at times to look back, we need to make sure that we don't go back and allow the past to dictate our future. We need to celebrate our good memories but also celebrate our bad memories with finality—thanking God for the lessons that He has taught us through the experience and committing to use those lessons to make positive changes in our lives. We then need to allow our past memories to cultivate our dreams—boldly stepping into the mission God has for us and allowing Him to continually transform us to be more like Christ. Now is the time to step past our comfort and our failure. Now is the time to move forward in following God. Designed for use with the *Forward Video Study* (sold separately).

No one can deny that the world is in trouble. Tragedy stalks our streets. Violence and bloodshed fill the news. How do we explain so much chaos? Is there any hope for peace in our time? Dr. David Jeremiah's dramatic narrative on the Book of Revelation answers these and many more challenging questions, by unraveling the imagery and explaining the significance of the events described in the last book of the Bible. Within its pages are the hope and encouragement we need to lift us from the gloom of present events to the promise of a brilliant future.

The midnight hour refers to the short season before the second coming of our Lord Jesus Christ. It also refers to the season of life when the pursuit of the vision and assignment is no longer possible. This is the season Jesus was referring to when He said the following John 9:4, "I must work the works of Him who sent Me while it is day; the night is coming when no one can work." This book, *Midnight Cry* is to sensitize believers to fundamental preparations that we must engage in if we want to fulfill our destinies and not fall victim to the end-time events. The story of the ten virgins in the Bible provides us with critical wisdom to help us live a victorious life during that midnight hour. I believe that God has a plan for us in His program, and that is why you are opportune to hold this book in your hand. I encourage you to read through and allow the Holy Spirit to interpret His word to you. My desire is that you will rise up and be all what God created you to be before He comes back. Amen.

It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.

In the New York Times best-selling book, *What in the World Is Going On?*, Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. Through poetry and story, *Daydreams and Night Visions* moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.
