Mary Oliver, winner of the Pulitzer Prize, celebrates love in her new collection of poems "If I have any secret stash of poems, anywhere, it might be about love, not anger," Mary Oliver once said in an interview. Finally, in her stunning new collection, *Felicity*, we can immerse ourselves in Oliver's love poems. Here, great happiness abounds. Our most delicate chronicler of physical landscape, Oliver has described her work as loving the world. With *Felicity* she examines what it means to love another person. She opens our eyes again to the territory within our own hearts; to the wild and to the quiet. In these poems, she describes—with joy—the strangeness and wonder of human connection. As in *Blue Horses*, *Dog Songs*, and *A Thousand Mornings*, with *Felicity* Oliver honors love, life, and beauty.

Bridget Christie is a stand-up comedian, idiot and feminist. On the 30th of April 2012, a man farted in the Women's Studies Section of a bookshop and it changed her life forever. *A Book For Her* details Christie's twelve years of anonymous toil in the bowels of stand-up comedy and the sudden epiphany that made her, unbelievably, one of the most critically acclaimed British stand-up comedians this decade, drawing together the threads that link a smelly smell in the women's studies section to the global feminist struggle. Find out how nice Peter Stringfellow's fish tastes, how yoghurt advertising perpetuates rape myths, and how Emily Bronte used a special ladies' pen to write *Wuthering Heights*. If you're interested in comedy and feminism, then this is definitely the book for you. If you hate both then I'd probably give it a miss. "Christie is adept at turning on a sixpence between being comical, or serious, or both at once, and at pricking her own earnestness." Telegraph 'Christie piles derision and tomfoolery upon everyday sexism, while never pretending that jokes alone will solve the problem.' Guardian

The Liars' Club brought to vivid, indelible life Mary Karr's hardscrabble Texas childhood. *Cherry*, her account of her adolescence, "continued to set the literary standard for making the personal universal" (*Entertainment Weekly*). Now *Lit* follows the self-professed blackbelt sinner's descent into the inferno of alcoholism and madness—and to her astonishing resurrection. Karr's longing for a solid family seems secure when her marriage to a handsome, Shakespeare-quoting blueblood poet produces a son they

adore. But she can't outrun her apocalyptic past. She drinks herself into the same numbness that nearly devoured her charismatic but troubled mother, reaching the brink of suicide. A hair-raising stint in "The Mental Marriott," with an oddball tribe of gurus and saviors, awakens her to the possibility of joy and leads her to an unlikely faith. Not since Saint Augustine cried, "Give me chastity, Lord—but not yet!" has a conversion story rung with such dark hilarity. Lit is about getting drunk and getting sober; becoming a mother by letting go of a mother; learning to write by learning to live. Written with Karr's relentless honesty, unflinching self-scrutiny, and irreverent, lacerating humor, it is a truly electrifying story of how to grow up—as only Mary Karr can tell it.

Mario Bellatin's complex dreamscape, offered here in a brand-new translation, presents a timely allegorical portrait of the body and society in decay, victim to inscrutable pandemic. In a large, unnamed city, a strange, highly infectious disease begins to spread, afflicting its victims with an excruciating descent toward death, particularly unsparing in its assault of those on society's margins. Spurned by their loved ones and denied treatment by hospitals, the sick are left to die on the streets until a beauty salon owner, whose previous caretaking experience extended only to the exotic fish tanks scattered among his workstations, opens his doors as a refuge. In the ramshackle Morgue, victim to persecution and violence, he accompanies his male guests as they suffer through the lifeless anticipation of certain death, eventually leaving the wistful narrator in complete, ill-fated isolation.

This is the story of a woman who dared to dig, explore, and discover. This is the story of Dinosaur Lady. Mary Anning loved scouring the beach near her home in

England for shells and fossils. She fearlessly climbed over crumbling cliffs and rocky peaks, searching for new specimens. One day, something caught Mary's eye. Bones. Dinosaur Bones. Mary's discoveries rocked the world of science and helped create a brand-new field of study: paleontology. But many people believed women couldn't be scientists, so Mary wasn't given the credit she deserved. Nevertheless, Mary kept looking and learning more, making discoveries that reshaped scientific beliefs about the natural world. Dinosaur Lady is a beautiful and brilliant picture book that will enlighten children about the discovery of the dinosaurs and the importance of female scientists. It also includes a timeline of Mary Anning's life and lots of fantastic fossil facts! Includes a separately paged section "Repertorio bibliográfico clasificado por materias" which also appears in Libros nuevos.

Purity and Danger is acknowledged as a modern masterpiece of anthropology. It is widely cited in non-anthropological works and gave rise to a body of application, rebuttal and development within anthropology. In 1995 the book was included among the Times Literary Supplement's hundred most influential non-fiction works since WWII. Incorporating the philosophy of religion and science and a generally holistic approach to classification, Douglas demonstrates the relevance of anthropological enquiries to an audience outside her immediate academic circle. She offers an approach to understanding rules of purity by examining what is considered unclean in various cultures. She sheds light on the symbolism of what is considered clean and dirty in relation to order in secular and religious, modern and primitive life.

This biography of the man Stefan Zweig viewed as "the most perfect Machiavelli of modern times" was written in 1929, before the full impact of Nazism and Stalinism was understood. In this gripping case study of ruthlessness, political opportunism, intrigue, and betrayal, Zweig portrays Minister of Police Joseph Fouché (1759-1820), a "thoroughly amoral personality" whose only goal was political survival and the exercise

of power. Zweig traces Fouché's career, beginning with his stint as a math and physics teacher in provincial Catholic schools and evolving into a moderate and then radical legislator. Fouché cultivated every political movement du jour, holding no convictions of his own. After preaching clemency for Louis XVI, Fouché voted to send the King to the guillotine. After writing "the first communist manifesto of modern times" he became a multi-millionaire. He led the brutal repression of an anti-revolutionary movement, earning him the nickname "le mitrailleur (butcher) de Lyon". After serving Robespierre, Fouché engineered his overthrow and rose to Minister of Police under the Directory, which he then helped to overthrow before putting his network of informants in Napoleon's service as his Minister of Police. After turning against the Emperor, Fouché served the new King Louis XVIII – whose brother he had helped send to the guillotine. Thus, Fouché served the Revolution, the Directory, the First Empire and the Restoration.

It is well-understood that the consumption of goods plays an important, symbolic role in the way human beings communicate, create identity, and establish relationships. What is less well-known is that the pattern of their flow shapes society in fundamental ways. In this book the renowned anthropologist Mary Douglas and economist Baron Isherwood overturn arguments about consumption that rely on received economic and psychological explanations. They ask new questions about why people save, why they spend, what they buy, and why they sometimes-but not always-make fine distinctions about quality. Instead of regarding consumption as a private means of satisfying one's preferences, they show how goods are a vital information system, used by human beings to fulfill their intentions towards one another. They also consider the implications of the social role of goods for a new vision for social policy, arguing that poverty is caused as much by the erosion of local communities and networks as it is by lack of possessions, and contrast small-scale with large-scale consumption in the household. A radical rethinking of consumerism, inequality and social capital, *The World of Goods* is a classic of economic anthropology whose insights remain compelling and urgent. This Routledge Classics edition includes a new foreword by Richard Wilk. "Forget that commodities are good for eating, clothing, and shelter; forget their usefulness and try instead the idea that commodities are good for thinking." – Mary Douglas and Baron Isherwood

Visions of Hell... In *A Divine Revelation of Hell*, over a period of thirty nights, God gave Mary K. Baxter visions of hell and commissioned her to tell people still alive on earth to reject sin and evil, and to choose life in Christ. Here is an account of the place and beings of hell contrasted with the glories of heaven. Follow Mary in her supernatural journey as she enters with Jesus into a gateway to hell and encounters the sights, sounds, and smells of that dark place of torment, including its evil spirits, cells, pits, jaws, and heart. Be an eyewitness to the various punishments of lost souls and hear their shocking stories. This book is a reminder that each of us needs to accept the miracle of salvation before it is too late—and to intercede for those who do not yet know Christ. Time is running out.

Her story reflects the experiences common to many Indian communities in Latin America today. Rigoberta suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechist work as an expression of political revolt as well as

religious commitment. The anthropologist Elisabeth Burgos-Debray, herself a Latin American woman, conducted a series of interviews with Rigoberta Menchu. The result is a book unique in contemporary literature which records the detail of everyday Indian life. Rigoberta's gift for striking expression vividly conveys both the religious and superstitious beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

From Mary Karr comes this gorgeously written, often hilarious story of her tumultuous teens and sexual coming-of-age. Picking up where the bestselling *The Liars' Club* left off, Karr dashes down the trail of her teen years with customary sass, only to run up against the paralyzing self-doubt of a girl in bloom. Fleeing the thrills and terrors of adolescence, she clashes against authority in all its forms and hooks up with an unforgettable band of heads and bona-fide geniuses. Parts of *Cherry* will leave you gasping with laughter. Karr assembles a self from the smokiest beginnings, delivering a long-awaited sequel that is both "bawdy and wise" (*San Francisco Chronicle*).

This first full-scale account of *Leviticus* by a world renowned anthropologist presents the biblical work as a literary masterpiece. Seen in an anthropological perspective *Leviticus* has a mystical structure which plots the book into three parts corresponding to the three parts of the desert tabernacle, both corresponding to the parts of Mount Sinai. This completely new reading transforms the interpretation of the purity laws. The pig and other forbidden animals are not abhorrent, they command the same respect due to all God's creatures. Boldly challenging several traditions of Bible criticism, Mary Douglas claims that *Leviticus* is not the narrow doctrine of a crabbed professional priesthood but a powerful intellectual statement about a modern religion which emphasizes God's justice and compassion.

In recent years, as environmentalists have examined the link between women's subordination and the degradation of our natural world, the relationship between feminism and ecology has become a crucial one. In *Feminism and Ecology*, Mary Mellor, tracing ecofeminist activism from the Love Canal demonstrations to socialist ecofeminism, provides a comprehensive introduction to the ecofeminist movement and its history. Mellor examines the connections between feminism and the Green movement, outlining the contributions of major participants while contextualizing them within a wider range of debates. Looking past the shortsighted assertion that women and men stand in equal relation to the natural order, Mellor discusses the association of women with biology and "nature," illustrating how the relationship between women and the environment can help further our understanding of the relationship between humanity and the natural world. Against trends toward radical economic liberalism, global capitalism, and postmodern pluralism, she argues that within the feminist and Green movements is the basis of a new radical movement.

A collection of essays from the beloved Pulitzer Prize winner and New York Times bestselling author encourages readers to keep moving, to lose themselves in the awe of the unknown, and to give power and time to the creative and whimsical urges that live within.

This book was written in 1949 following a personal visit of some months to Fatima to visit the locations and to personally interview Sr. Lucia. Its description of the apparitions and children are the most complete of any of the many books on Fatima. Dr. von Peters has edited the work, put it into more modern American English, and added a number of additional materials including a Timeline of the Third Secret, what happened to Sr. Lucia and her travails with the hierarchy, both before and after the Fatima apparition was recognized by the Church, the Errors of Russia, and others. It is a fast moving book, reading almost like fiction due to Dr. Walsh's great story telling ability. If you wondered what all the to do was about Fatima, this is the book for you.
