Soluzioni: A Practical Grammar of Contemporary Italian comprises an engaging reference grammar with related exercises in one volume. Using an appealing visual layout, Soluzioni explains the main topics of modern Italian grammar in clear and concise language. Real language examples and plenty of varied and imaginative exercises show how grammar works in practice. No prior knowledge of linguistic terminology is required. Features include: Tables and charts for easy navigation and at-a-glance comprehension Authentic material from Italian media and literature showing grammar in context Graded practice exercises with answers so learners can review their progress A comprehensive index at the back of the book Particular attention to areas of difficulty, with special sections in each chapters dedicated to clarifying problematic grammar points A free companion website at [www.routledge.com/cw/rome](http://www.routledge.com/cw/rome) offering a generous assortment of supplementary materials, including helpful appendices on spelling, pronunciation and Italian verbs, a glossary of grammatical terms, a full answer key to exercises, free interactive exercises and website links. This new and third edition has been fully revised and updated throughout and continues the accessible methodology and focus on contemporary usage that has made Soluzioni the clearest and most comprehensive pedagogical grammar available on the market today. More attention has been paid to the link between grammar and communicative functions, and those between grammar, context and register, and there has been expanded coverage of key areas of difficulty such as tense usage, the subjunctive, word order, causative verbs and verbs of perception. In addition, there are many new exercises. The companion website has also been revised to offer more resources for both students and instructors. Suitable for class use and independent study, Soluzioni is the ideal grammar reference and practice resource for all learners of Italian, from beginners to advanced students. It is particularly suitable for fast track use in ab-initio courses at university and at colleges.

New York Times bestselling author Eckhart Tolle — A key to happiness is living in the now Practice The Power of Now: If you, like many others, have benefited from the transformative experience of reading The Power of Now, you will want to own and read Practicing the Power of Now. Eckhart Tolle: Eckhart Tolle, a spiritual teacher and author who was born in Germany and educated at the Universities of London and Cambridge, is rapidly emerging as one of the world's most inspiring spiritual teachers. His views go beyond any particular religion, doctrine, or guru. In The Power of Now and his subsequent book Practicing the Power of Now, Eckhart shares the enlightenment he himself experienced after a profound inner transformation radically changed the course of his life. Your path to enlightenment: Practicing the Power of Now extracts the essence from Eckhart's teachings in his New York Times bestseller, The Power of Now (translated into 33 languages). Practicing the Power of Now shows us how to free ourselves from "enslavement to the mind." The aim is to be able to enter into and sustain an awakened state of consciousness throughout everyday life. Through meditations and simple techniques, Eckhart shows us how to quiet our thoughts, see the world in the present moment, and find a path to "a life of grace, ease, and lightness." The next step in human evolution: Eckhart's profound yet simple teachings have already helped countless people throughout the world find inner peace and greater fulfillment in their lives. At the core of the teachings lies the transformation of consciousness, a spiritual awakening that he sees as the next step in human evolution. An essential aspect of this awakening involves transcending our ego-based state of consciousness. This is a prerequisite not only for personal happiness but also for the ending of violence on our planet. Readers of other transformational self-help books such as The Four Agreements, The Miracle Morning, Braving the Wilderness, and The Book of Joy will want to read Practicing the Power of Now.
