Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

In his powerful examination of spiritual warfare, Richard Ing discusses the rulers and hierarchies of the demonic kingdom. For instance, he reveals the Jezebel and Ahab spirits that plague today's churches, destroying even the most effective ministries through controlling women and passive men. Discover how to overcome Satan's insidious tactics by learning the techniques and strategies available in your full arsenal of weapons, including: The proper use of binding and loosing The anatomy of a deliverance Satan's legal rights Spiritual war games Winning spiritual strategies Victorious spiritual warfare is possible only as the Holy Spirit empowers individuals in the body of Christ.

Your enemy is strong. The battle is real. Prepare for victory. Fear, discouragement, loneliness, anger, temptation. These struggles are common to every human. Yet not all circumstances or negative emotions originate within. They could be the result of a willful, coordinated assault of Satan. In *When the Enemy Strikes*, best-selling author Dr. Charles Stanley explores the often-overlooked reality of spiritual warfare—the tactics used by Satan to taunt, confuse, slander, and harm. Your adversary wants to crush your will, delay your promise, hinder your destiny, destroy your relationships, and lead you into sin. Dr. Stanley reveals how you should respond. The most important component of warfare, says Dr. Stanley, is the supremacy of God—both His sovereignty and His power. Practically, this means the battles you face are ultimately allowed by

God to bring you to a place of greater reliance on Him. His strength crushes the enemy. This is a world of conflict between good and evil, of powers beyond the merely human. The battle is unavoidable, but take heart! God has given you the strength to stand. I WANTED TO GET CLOSER TO JESUS...BUT I DIDN'T KNOW HOW As Christians, we sometimes struggle to have a close relationship with Jesus. We want to be close, but our habits and anxieties seem to keep us far away. And if we did get close, would God really want us? This book will show you that God has made a way for you to be very close with Jesus. He is waiting to know you on a more intimate level, if only you will ask Him. God wants you to be his friend and will help you. Author Dan Lancaster was struck by how eight pictures of Jesus helped believers grow in their faith during his time as an international missionary in Southeast Asia. Loving God was never intended to be complicated. The truth is that Jesus showed His disciples how to love God and He wants to show you how to love too. The author brings 40 years of his personal experience to the pages of this book, but most importantly, he looks to the Word to

unearth how Jesus loved and how you can, too. With beautiful simplicity, Dr. Lancaster offers tangible methods to reshape your relationships beginning today. By opening your heart to these actionable techniques, you will begin to experience the true power of love in your relationship with God, in your community, and in ways you could never have imagined. Patterns, they're everywhere. Sometimes though, unless someone points out the pattern, it can pass by unnoticed. In his book, Good lays out the pattern and then expertly overlays it with amazingly parallel arrangements of the past, and of those to occur. Each chapter of the Book of Esther is set out and described with some detail. Characters are introduced; they're connected to their legacies and linked to events within other books of the Tanach (Old Testament). Customs, history, and lore of the time are taken into account serving to construct the events of those days. Finally, the Book of Esther concludes with a great victory, but the story is far from over. Joseph Good continues to shake out patterns from the world's own current history. Suddenly, prophecies, codes and mysteries overlooked become easily visible. Words in the Hebrew text are seen with new eyes, open to the variances of the letters, their placement and some peculiar features. The satisfaction in reading Good's book is not only his shared insight, but how much it opens understanding in general for the reader, both in this and other books of the Bible. The Creator Most High distinguishes Himself through patterns. Man as a pattern of G-d, the world as a pattern of His Kingdom, and His Word, a pattern of His Way. Just as His patterns are multi-dimensional, Good has brought much to the table for readers to avail themselves of during their own Bible studies. This most recent addition has been updated and includes additional material and illustrations not found in earlier releases. ¿Cómo sabemos que la Biblia es la Palabra de Dios? ¿Qué es el pecado y de dónde vino? ¿Cómo es que Jesús es completamente Dios y completamente hombre? ¿Qué son los dones espirituales? ¿Cuándo y cómo volverá Cristo? En algún momento de su vida, todos los cristianos nos enfrentaremos a un ataque satánico: un asalto enérgico del diablo con el propósito de dañar nuestro espíritu, alma o cuerpo. Dios quiere que los cristianos estén bajo su control, pero el enemigo nos quiere bajo su influencia, y hará todo lo posible por destruir todo lo bueno en nuestras vidas. Así que la pregunta no es cómo evitar los ataques satánicos, sino cómo vencerlos. Satanás no es omnipotente, aún así, es un adversario muy poderoso. Sin embargo, Dios no nos abandona a nuestra propia defensa, y quiere que entendamos su poder sobrenatural y su habilidad ilimitada para ayudarnos. El doctor Stanley mostrará a los lectores cómo alcanzar la victoria: Identificando al enemigo Vistiéndonos con toda la armadura de Dios y resistiendo Liberando la energía de Dios, su divino poder y protección a través de la oración Detectando los avisos de prevención de los ataques satánicos en las áreas de las finanzas, la familia, las relaciones o la salud La guerra espiritual se pelea diariamente en el campo de batalla de su mente. El adversario sabe que si puede influir en sus pensamientos y dirigirlos, es sólo cuestión de tiempo para que usted sea vulnerable a la seducción del pecado. El doctor Stanley enseña que para resistir los ataques de Satanás, usted debe meditar en principios bíblicos y tomar cada pensamiento cautivo, armándose con la espada del Espíritu: la Palabra de Dios.
