Rowdy, reckless Seamus is the last dog you'd find in a training field. Instead of obediently retrieving, he stubbornly follows his heart, wherever it may lead. Mel Miskimen's heart is heavy. Her mom, the family rock, the provider of apple pies and stubborn fan of Brett Favre, just died. Even more, her curmudgeon of a father isn't really coping. How can Mel reconnect with an old man more interested in field dog training than discussing his feelings? Enter Seamus. The hapless black lab throws their grief into joyful disarray. Mel encourages her dad to mold Seamus into a champion retriever.. But as the seasons change, and memories follow, Mel realizes she must face her own fears, and that the road to Seamus's field trials might just heal them all. At turns hilarious and heart breaking, Sit Stay Heal will touch the souls of dog lovers everything, and speak to anyone seeking a way to connect with those they've lost. This book presents a general survey of American fiddling. The author's intent is to teach the basics of fiddling by beginning with essential bowings and fingerings, and progressing from simple to more complex renditions of tunes. As fiddling is an aural tradition and fiddlers from different parts of the country play a given tune in many ways, tunes included in this book are offered only as themselves. The author has attempted to present usable fingerings, bowings and explanations of each of the 49 tunes in this book. The end result is the most widely-used fiddle method available! The CD is in split-track format, allowing the fiddler to play with the fiddle solo, guitar and/or fiddle accompaniment, or both! Contains every tune in the book.

An intimate and profoundly moving Jewish family history—a story of displacement, prejudice, hope, despair, and love. In this luminous memoir, award-winning New York Times columnist Roger Cohen turns a compassionate yet discerning eye on the legacy of his own forebears. As he follows them across continents and decades, mapping individual lives that diverge and intertwine, vital patterns of struggle and resilience, valued heritage and evolving loyalties (religious, ethnic, national), converge into a resonant portrait of cultural identity in the modern age. Beginning in the nineteenth century and continuing through to the present day, Cohen tracks his family's story of repeated upheaval, from Lithuania to South Africa, and then to England, the United States, and Israel. It is a tale of otherness marked by overt and latent anti-Semitism, but also otherness as a sense of inheritance. We see Cohen's family members grow roots in each adopted homeland even as they struggle to overcome the loss of what is left behind and to adapt—to the racism his parents witness in apartheid-era South Africa, to the

familiar ostracism an uncle from Johannesburg faces after fighting against Hitler across Europe, to the ambivalence an Israeli cousin experiences when tasked with policing the occupied West Bank. At the heart of *The Girl from Human Street* is the powerful and touching relationship between Cohen and his mother, that "girl." Tortured by the upheavals in her life yet stoic in her struggle, she embodies her son's complex inheritance. Graceful, honest, and sweeping, Cohen's remarkable chronicle of the quest for belonging across generations contributes an important chapter to the ongoing narrative of Jewish life.

(Faber Piano Adventures). *Adult Piano Adventures Classics Book 1* celebrates great masterworks of Western music, including symphony themes, opera gems, and classical favorites. The melodies of Bach, Beethoven, Brahms, and other master composers are arranged at just the right level for adult beginners and for those who are returning to the keyboard. Section 1 features piano arrangements with minimal hand position changes, and many selections include an optional duet part. Section 2 introduces the I, IV, and V7 chords in the key of C major, harmonizing themes such as Sibelius's *Finlandia*, Schubert's *The Trout*, and Mendelssohn's *Spring Song*. Section 3 presents the primary chords in the key of G major, with arrangements of Vivaldi's *Autumn* (from *The Four Seasons*), Mozart's theme from *The Magic Flute*, Liszt's *Liebestraum*, and more.

(Willis). The *Dozen a Day* books are universally recognized as one of the most remarkable technique series on the market for all ages! Each book in this series contains short warm-up exercises to be played at the beginning of each practice session, providing excellent day-to-day training for the student.

Now, for the first time, C. Paul Herfurth's original books have been completely rewritten with new music and the latest in instrument technique for a new generation of musicians. *A New Tune A Day* books have the same logical, gentle pace, and keen attention to detail, but with a host of innovations.

These easy-to-read, progressive exercises by Joanne Martin develop a student's reading skills one stage at a time, with many repetitions at each stage. *I Can Read Music* is designed as a first note-reading book for students of string instruments who have learned to play using an aural approach such as the Suzuki Method®, or for traditionally taught students who need extra note reading practice. Its presentation of new ideas is clear enough that it can be used daily at home by quite young children and their parents, with the teacher checking progress every week or two.

Strictly Strings Book 3 is an all-in-one technical and musical reference book for the advanced middle school and high school orchestra. It may be used as a follow-up to *Book 2* or independently as a quick-reference technique and musicianship manual. *Strictly Strings Book 3* features a host of suggested fingerings and bowings, emphasizes "real" music with over forty 2- and 3-part excerpts, and allows students to work on their own.
