Note to readers: In the UK, this book is published under the title *The Love Letter*. In this suspenseful and heart-pounding novel from New York Times bestselling author Lucinda Riley, an ambitious young journalist unravels a dangerous mystery that threatens to devastate the British monarchy. Keeping secrets is a dangerous game. When Sir James Harrison, one of the greatest actors of his generation, passes away at the age of ninety-five, he leaves behind not just a heartbroken family but also a secret so shocking, it could rock the English establishment to its core. Joanna Haslam, an up-and-coming reporter, is assigned to cover the legendary actor's funeral, attended by glitzy celebrities of every background. But Joanna stumbles on something dark beneath the glamour: the mention of a letter James Harrison has left behind—the contents of which many have been desperate to keep concealed for over seventy years. As she peels back the veil of lies that has shrouded the secret, she realizes that she's close to uncovering something deadly serious—and the royal family may be implicated. Before long, someone is on her tracks, attempting to prevent her from discovering the truth. And they'll stop at nothing to reach the letter before she does. Full of salacious scandal, shocking twists, and captivating romance, and written in Lucinda Riley's signature "vividly drawn and lushly atmospheric" (RT Book Reviews) prose, *The Royal Secret* is "a full-throttle escapist adventure" (Lancashire Evening Post).

When Private Matt Duffy wakes up in an army hospital in Iraq, he's honored with a Purple Heart. But he doesn't feel like a hero. There's a memory that haunts him: an image of a young Iraqi boy as a bullet hits his chest. Matt can't shake the feeling that he was somehow involved in his death. But because of a head injury he sustained just moments after the boy was shot, Matt can't quite put all the pieces together.

Eventually Matt is sent back into combat with his squad—Justin, Wolf, and Charlene—the soldiers who have become his family during his time in Iraq. He just wants to go back to being the soldier he once was. But he sees potential threats everywhere and lives in fear of not being able to pull the trigger when the time comes. In combat there is no black-and-white, and Matt soon discovers that the notion of who is guilty is very complicated indeed. National Book Award Finalist Patricia McCormick has written a visceral and compelling portrait of life in a war zone, where loyalty is valued above all, and death is terrifyingly commonplace.

ou nos meios de comunicação. Diante desse apagamento, há anos a escritora Jarid Arraes tem se dedicado a recuperar — e recontar — suas histórias. O resultado é uma coleção de cordéis que resgata a memória dessas personagens, que lutaram pela sua liberdade e seus direitos, reivindicaram seu espaço na política e nas artes, levantaram sua voz contra a injustiça e a opressão. A multiplicidade de histórias revela as mais diversas estratégias de sobrevivência e resistência, seja na linha de frente — como Tereza de Benguela, que liderou o quilombo de Quariterê — ou pelas brechas — como a quituteira Luisa Mahin, que transmitia bilhetes secretos durante a Revolta dos Malês. Este livro reúne quinze dessas histórias impressionantes, ilustradas por Gabriela Pires. Agora, cabe a você conhecê-las, espalhá-las, celebrá-las. Pakistan, Malala made a wish for a magic pencil. She would use it to make everyone happy, to erase the smell of garbage from her city, to sleep an extra hour in the morning. But as she grew older, Malala saw that there were more important things to wish for. She saw a world that needed fixing. And even if she never found a magic pencil, Malala realized that she could still work hard every day to make her wishes come true. This beautifully illustrated volume tells Malala's story for a younger audience and shows them the worldview that allowed Malala to hold on to hope even in the most difficult of times. "This is a wonderful read for younger students that will also provide insight and encourage discussion about the wider world. ... The simplicity of Yousafzai's writing and the powerful message she sends, make this book inspirational for all." -- School Library Journal

A man went to knock at the king's door and said, Give me a boat. The king's house had many other doors, but this was the door for petitions. Since the king spent all his time sitting at the door for favors (favors being offered to the king, you understand), whenever he heard someone knocking at the door for petitions, he would pretend not to hear . . ." Why the petitioner required a boat, where he was bound for, and who volunteered to crew for him, the reader will discover in this delightful fable, a philosophic love story worthy of Swift or Voltaire.

A NEW YORK TIMES BESTSELLER! "The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist *Lord of the Flies* about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous. They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to their story, to their life at Raxter, than she could have

Neste livro, a mais jovem ganhadora do prêmio Nobel da paz conta sua história de migração e dá voz a garotas que estão entre os milhões de refugiados pelo mundo. Ao longo de sua jornada, a paquistanesa Malala Yousafzai visitou uma série de campos de refugiados, o que a levou a pensar sobre sua própria condição de migrante — primeiro dentro de seu país, ainda quando criança, e depois como ativista internacional, livre para viajar para qualquer canto do mundo, exceto sua terra natal. Em Longe de casa, que é ao mesmo tempo um livro de memórias e uma narrativa coletiva, Malala explora sua própria trajetória de vida e apresenta as histórias de nove garotas de várias partes do mundo, do Oriente Médio à América Latina, que tiveram que deixar para trás sua comunidade, seus parentes e o único lar que conheciam. Numa época de crises migratórias, guerras e disputas por fronteiras, Malala nos lembra que os 68,5 milhões de deslocados no mundo são mais do que uma estatística — cada um deles é uma pessoa com suas próprias vivências, sonhos e esperanças.

This National Book Award nominee from two-time finalist Patricia McCormick is the unforgettable story of Arn Chorn-Pond, who defied the odds to survive the Cambodian genocide of 1975-1979 and the labor camps of the Khmer Rouge. Based on the true story of Cambodian advocate Arn Chorn-Pond, and authentically told from his point of view as a young boy, this is an achingly raw and powerful historical novel about a child of war who becomes a man of peace. It includes an author's note and acknowledgments from Arn Chorn-Pond himself. When soldiers arrive in his hometown, Arn is just a normal little boy. But after the soldiers march the entire population into the countryside, his life is changed forever. Arn is separated from his family and assigned to a labor camp: working in the rice paddies under a blazing sun, he sees the other children dying before his eyes. One day, the soldiers ask if any of the kids can play an instrument. Arn's never played a note in his life, but he volunteers. This decision will save his life, but it will pull him into the very center of what we know today as the Killing Fields. And just as the country is about to be liberated, Arn is handed a gun and forced to become a soldier. Supports the Common Core State Standards.

tinha apenas dez anos quando o Talibã tomou conta do vale do Swat, onde ela vivia com os pais e os irmãos. A partir desse dia, a música virou crime; as mulheres estavam proibidas de frequentar o mercado; as meninas não deveriam ir à escola. Criada em uma região pacífica do Paquistão totalmente transformada pelo terrorismo, Malala foi ensinada a defender aquilo em que acreditava. Assim, ela lutou com todas as forças por seu direito à educação. E, em 9 de outubro de 2012, quase perdeu a vida por isso: foi atingida por um tiro na cabeça quando voltava de ônibus da escola. Poucos acreditaram que ela sobreviveria. Hoje Malala é um grande exemplo, no mundo todo, do poder do protesto pacífico, e é a pessoa mais jovem a receber o Prêmio Nobel da Paz. Nesta autobiografia, em que ela conta sua história inspiradora para outros jovens como ela, Malala mostra que todos podem mudar o mundo.

a brilliant, infuriatingly elusive South American writer and author of the masterpiece, *In Praise of Lying*. But the accounts of those in his circle of friends, lovers, and enemies become increasingly contradictory, murky, and suspect. Is everyone lying, or just telling their own subjective version of the truth? As the literary investigation unfolds and a chorus of Bevilacqua's peers piece together the fractured reality of his life, thirty years after his death, only the reader holds the power of final judgment. In *All Men Are Liars*, Alberto Manguel pays homage to literature's inventions and explores whether we can ever truly know someone, and the question of how, by whom, and for what, we ourselves will be remembered.
