David Freeland

Everybody Can Help Somebody Ron Hall, Denver Moore, 2013-09-10 Everybody can help somebody---even you! 'I used to spend a lotta time worryin' that I was different from other people . . . But I found out everybody's different---the same kind of different as me.

Same Kind of Different As Me Ron Hall, Denver Moore, 2008-03-09 A critically acclaimed #1 New York Times best-seller with more than one million copies in print! Now a major motion picture. Gritty with pain, betrayal, and brutality, this incredible true story also shines with an unexpected, life-changing love. Meet Denver, raised under plantation-style slavery in Louisiana until he escaped the “Man” in the 1960’s by hopping a train. Untrusting, uneducated, and violent, he spends 18 years on the streets of Dallas and Fort Worth. Meet Ron Hall, a self-made millionaire in the world of high-priced deals—an international arts dealer who moves between upscale New York galleries and celebrities. It seems unlikely that these two men would meet under normal circumstances, but when Deborah Hall, Ron's wife, meets Denver, she sees him through God's eyes of compassion. When Deborah is diagnosed with cancer, she charges Ron with the mission of helping Denver. From this request, an extraordinary friendship forms between Denver and Ron, changing them both forever. A tale told in two unique voices, Same Kind of Different as Me weaves two completely different life experiences into one common journey. There is pain and laughter, doubt and tears, and in the end a triumphal story that readers will never forget. Continue this story of friendship in *What Difference Do It Make?: Stories of Hope and Healing*, available now. Same Kind of Different as Me also is available in Spanish.

The Last Lecture Randy Pausch, Jeffrey Zaslow, 2010 The author, a computer science professor diagnosed with terminal cancer, explores his life, the lessons that he has learned, how he has worked to achieve his childhood dreams, and the effect of his diagnosis on him and his family.

If I Can Help Somebody Sheila Lawrence, 2005 If I Can Help Somebody is spiritual fuel for the traveler on this Christian journey. These God-inspired messages are reminders that every answer to any situation can be found in the Word of God and His promise is still true--His Word shall not return void. To return, the Word must first go out. To go out, there

must be a messenger. This messenger, Sheila Dene' Lawrence, shares from personal experiences, how to: Enjoy a closer relationship with God Seek in earnest God's purpose Satisfy the spiritual urging to do more for the Kingdom If these messages help only one, then Lawrence has successfully began her own walk in her predestined, foreordained purpose. IF I can help somebody...then my purpose shall be fulfilled. Foreword written by Pastor Ed Carroll, the anointed Shepherd of Rising Star Baptist Church in Birmingham, Alabama where growth is not an option for Kingdom-building.

Everybody Needs to Forgive Somebody Allen Rhea Hunt,2016-11-01 Forgiveness will unleash a power in your life that is underrated and often ignored. It is underrated mainly because it is underused. We fail to capture the power of forgiveness because we are afraid of it, because we have grown comfortable in our familiar wounds, or because we are sinfully stubborn. But the power is there waiting for us. The lesson is simple: Give forgiveness and you will unleash a flood of grace on yourself and on those around you. When you clench your fists and grit your teeth in anger toward someone, you have no room in your heart for God to place His hand in yours. Replace your clenched fist with an open hand and watch as God fills your soul to overflowing. This little book, and the twelve real-life stories in it, will help you capture the power of forgiveness in your life. Because everybody needs to forgive somebody.

Everybody's Somebody's Fool Ed Gorman,2013-12-31 There is a body in a gazebo, and the chief suspect is not long for this world Small-town lawyer and private detective Sam McCain is enjoying a cocktail party, dancing with a lovelier specimen than his five-foot-five-inch frame usually attracts, when the hostess confronts him with a problem the likes of which Good

Housekeeping has never seen. There is a corpse in the backyard gazebo, and the party is definitely over. The murdered girl was the twenty-year-old daughter of the town's Cadillac dealer, a troubled young woman with a self-destructive streak. The police focus their investigation on her drag-racing boyfriend, local bad boy David Egan, whom McCain agrees to defend. When Egan dies in a freak car accident, the case seems closed. But examining the hot rod shows a cut brake line—and a motive for a killing far more complicated than good girl gone bad.

Ladies of Soul David Freeland, 2009-09-23 American soul music of the 1960s is one of the most creative and influential musical forms of the twentieth century. With its merging of gospel, R&B, country, and blues, soul music succeeded in crossing over from African American culture into the general pop culture. Soul became the byword for the styles, attitudes, and dreams of an entire era. Female performers were responsible for some of the most enduring and powerful contributions to the genre. All too frequently overlooked by the star-making critics, seven of these women are profiled in this book -Maxine Brown, Ruby Johnson, Denise LaSalle, Bettye LaVette, Barbara Mason, Carla Thomas, and Timi Yuro. Getting started during the heyday of soul, each of these talented women had recording contracts and gave live performances to appreciative audiences. Their careers can be tracked through the popularity of soul during the 1960s and its decline in the 1970s. With humor, candor, pride, and honest recognition that their careers did not surge into the mainstream and gain superstardom, they recount individual stories of how they struggled for success. Their oral histories as told to David Freeland address compelling issues, including racism and sexism within the music industry. They discuss their grueling hardships on the road, their conflicts with male managers, and the cutthroat competition in the recording business. As each singer examines her career with the author, she reveals the dreams, hopes, and desires on which she has built her professional life. All seven face up to the career swings, from the highs of releasing the first hit to the frustrating lows when the momentum stops. Although the obstacles to stardom are heartbreaking, these singers are committed to their art. With determination and style these seven have pressed onward with club appearances and recordings. They survive through their savvy mix of talent, hubris,

and honesty about their lives and their music.
