NEW YORK TIMES BESTSELLER "A gripping journey."—People The highly anticipated memoir from hip-hop icon Rick Ross chronicles his coming of age amid Miami's crack epidemic, his star-studded controversies and his unstoppable rise to fame. Rick Ross is an indomitable presence in the music industry, but few people know his full story. Now, for the first time, Ross offers a vivid, dramatic and unexpectedly candid account of his early childhood, his tumultuous adolescence and his dramatic ascendancy in the world of hip-hop. Born William Leonard Roberts II, Ross grew up "across the bridge," in a Miami at odds with the glitzy beaches, nightclubs and yachts of South Beach. In the aftermath of the 1980 race riots and the Mariel boatlift, Ross came of age at the height of the city's crack epidemic, when home invasions and execution-style killings were commonplace. Still, in the midst of the chaos and danger that surrounded him, Ross flourished, first as a standout high school football player and then as a dope boy in Carol City's notorious Matchbox housing projects. All the while he honed his musical talent, overcoming setback after setback until a song called "Hustlin'" changed his life forever. From the making of "Hustlin'" to his first major label deal with Def Jam, to the controversy surrounding his past as a correctional officer and the numerous health scares, arrests and feuds he had to transcend along the way, *Hurricanes* is a revealing portrait of one of the biggest stars in the rap game, and an intimate look at the birth of an artist.

New York Times bestselling author Jefferson Bethke delivers a call to resist our cultural worship of connectivity and achievement before we lose the essentials that make us distinctly and deeply human. Our culture makes constant demands of us. Do more. Accomplish more. Buy more. Post more. Tweet more. And in following those demands, we have indeed become more--more anxious, more tired, more hurt, more depressed, more frantic. What we are doing isn't working because, Jefferson Bethke argues, we have forgotten the fundamentals that make us human, the things that anchor our lives, providing us with roots and meaning. In this highly anticipated new book, Jefferson Bethke delivers a wake-up call to resist our culture and embrace the slowness of Jesus. To stop doing and start becoming by proactively setting up boundaries in our lives and cultivating disciplines within them. He shows his readers how to find landmarks, anchors, and rhythms that provide depth and meaning and that push back against the demands of contemporary life. And he reveals that what the world teaches us to avoid at all costs--things such as silence, obscurity, solitude, and vulnerability--are the very things that can give us the meaning, depth, order, and the richness we are truly looking for.

From carrying camera gear on the sets of MTV's Road Rules, to pioneering the celeb-reality genre by creating such breakout hits as *The Surreal Life* and *The Flavor of Love*, and now as one of today's most prominent figures in the television industry-Cris Abrego's career has been nothing short of extraordinary. In *Make It Reality*, Abrego provides practical and motivating lessons collected from almost twenty years on the frontlines of television to help you realize there are no limits on what can be achieved.

The majority of scholarly conceptions of the Mediterranean focus on the sea's northern shores, with its historical epicentres of Spain, France or Italy. This book seeks to demonstrate the importance of economic, political and cultural networks emanating from the Mediterranean's lesser-studied southern shores. The various chapters emphasize the activities that made connections between the southern shores, sub-Saharan Africa, the lands along its northern shores, and beyond to the United States. In doing so, the book avoids a Eurocentric approach and details the importance of the players and regions of the southern hinterland, in the analysis of the Mediterranean space. The cultural aspects of the North African countries, be they music, literature, film, commerce or political activism, continue to transform the public spheres of the countries along the northern shores of the Mediterranean, and beyond to the whole of the European continent. In its focus on the often overlooked North African shore, the work is an innovative contribution to the historiography of the Mediterranean region. This book was originally published as a special issue of the Journal of North African Studies.

New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their lives and their careers. You don't need dozens of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to find your inner Boss Bitch — your most confident, savvy, ambitious self — and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of her future and embraces being a "boss" in all aspects of the word: whether as the boss of her own life, family and career, the literal boss at work, or, as the boss of her own company. Whichever she chooses (or all three), a Boss Bitch is someone who gets out there and makes her success happen — and so can you. Lapin draws on raw and often hilariously real stories from her own career — the good, the bad, and the ugly — to show what it means to be a "boss" in twelve easy steps. In her refreshingly accessible and relatable style, she first shows how to embrace the "boss of you" mentality by seizing the power that comes from believing in yourself and expanding your skillset. Then she offers candid no-nonsense advice for how to kill it at as the "boss at work" whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the "boss of your own business" from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a badass in your career is something that should be worn as a badge of honor, says Lapin. Here, she inspires us to rise to the occasion and celebrate our successes — and then keep killing it like the Boss Bitches we are!

Relates Black Freedom Movements to literacy education. Carmen Kynard locates literacy in the twenty-first century at the onset of new thematic and disciplinary imperatives brought into effect by Black Freedom Movements. Kynard argues that we must begin to see how a series of vernacular insurrections—protests and new ideologies developed in relation to the work of Black Freedom Movements—have shaped our imaginations, practices, and research of how literacy works in our lives and schools. Utilizing many styles and registers, the book borrows from educational history, critical race theory, first-year writing studies, Africana studies, African American cultural theory, cultural materialism, narrative inquiry, and basic writing scholarship. Connections between social justice, language rights, and new literacies are uncovered from the vantage point of a multiracial, multiethnic Civil Rights Movement.

The poetry within this book is an epitaph of love and friendship. The simplicity of these poems are reflections of people, current events and history. Poetry of hope and written with insight. I hope you enjoy the read.

I wrote you, my family, and it comes to the end of my ramblings. Sure, I will continue to write. I thank you for taking your time; I hope it interested you. The Longing was just my journal. I didn't know Satan put a hit on me and God get it on me to share with the world. My honor as a common man is to stay on track and write appropriately. I have been praised and offended others on the subject. The reason I'm shy about what I have shared is I was feeling like I sounded like a broken record, but my Indian name is Broken Pencil. I have, when I was younger, written inappropriately and hope and pray they stay lost and burned. I'm very ashamed of my potty mouth as I feel words on paper are greater than words spoken. I am shy as I look in the mirror with my poet's honor. My dream as I look, to be a master not to be a deaf, blind and mute. We all are, as I am, in a prison needing to be a god of war to realize the longing of myself. Love is everywhere even on the shelf. I love you, and everyone loves everybody else.

2018 PLANNER & ORGANIZER | 8.5 x 11 Inches "Think of a ship with the complete voyage mapped out and planned. The captain and crew know exactly where the ship is going and how long it will take - it has a definite goal. And 9,999 times out of 10,000, it will get there. Now let's take another ship and just like the first and only let's not put a crew on it, or a captain at the helm. Let's give it no aiming point, no goal, and no destination. We just start the engines and let it go. I think you'll agree that if it gets out of the harbor at all, it will either sink or wind up on some deserted beach and a derelict. It can't go anyplace because it has no destination and no guidance. It's the same with a human being." ~ Earl Nightingale If you want better time management and organization you're sailing in the right direction. This novel is the first book in A.J. Lape's pulse-pounding and hilarious Darcy Walker Investigations series--where Darcy leaves the Midwest for the bright lights and bustling action of Los Angeles, California. Crimes are darker, people are more colorful, but one thing remains the same—Darcy Walker solves crime one way: living life like a verb. Darcy Walker excels at lies, deception, and outthinking the bad guys. She has the résumé to prove it. While waiting to attend the police academy, she takes her talents into pizza delivery. Little does she know, life as a delivery driver isn't all pizza and wings. On a late-night run to a customer's home, Darcy's delivery turns deadly. She stumbles into a murder mystery straight out of a Hollywood script—a blood-soaked crime scene with no known witnesses except a suspicious man with a Mona Lisa smile. To compound the trifecta, the victim appears to have a past he's been trying to outrun. Uncovering his secret-filled life leads Darcy and some new friends on a high-voltage journey, intersecting with a former adversary. When shadows of this old enemy surface, Darcy realizes black and white are an absolute as sure as the sun's rotation. One wrong move could keep her from the academy, and one screw up could mean a friend of hers breathes his last breath. In *Side Hustle*, solving crime takes a backseat to the moral dilemma she's placed in: protect her dream or keep a friend alive. Readers call the Darcy Walker Series Stephanie Plum meets Veronica Mars meets *Pretty Little Liars*. Grab this humorous, nail-biting mystery today! NOTE: formerly released as *Side Hustle*, Season 1 in an episode/serial format.

Every Day I'm Hustling St. Martin's Press

The author of the New York Times Bestseller *THE \$100 STARTUP*, shows how to launch a profitable side hustle in just 27 days. To some, the idea of quitting their day job to start a business is exhilarating. For others, it's terrifying. After all, a job that produces a steady paycheck can be difficult to give up. But in a time when businesses have so little loyalty to employees that the very notion of "job security" has become a punchline, wouldn't it be great to have an additional source of income to fall back on? And wouldn't it be great to make that happen without leaving your day job? Enter the *Side Hustle*. Based on detailed information from hundreds of case studies, Chris Guillebeau provides a step-by-step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately, without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money, or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today's world, options aren't just nice to have: they're essential. You don't need entrepreneurial experience to launch a profitable side hustle. You don't need a business degree, know how to code, or be an expert marketer. And you certainly don't need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.

2019 Weekly Diary, with hustle quote cover. Perfect gift for hustlers and side hustlers to keep notes, motivate, plan and get organised.

A dynamic, game-changing guide to finding success and fearlessly outsmarting the system Too often we feel like underdogs fighting a system that stacks the odds against us. We work hard, follow the rules, and dream of a better life. But these days, working harder doesn't always lead to fulfillment. In fact, according to Gallup research, nearly 90 percent of people feel disconnected from their jobs. So how do you break free from the drudgery and achieve more success on your own terms? You hustle. The secret lies in making manageable tweaks and placing small bets on pursuits that propel you from who you are today to the person you're destined to become. In *Hustle*, Neil Patel, Patrick Vlaskovits, and Jonas Koffler--three of the nation's top entrepreneurs and consultants--have teamed up to teach you how to look at work and life through a new lens--one based on discovering projects you enjoy and the people and opportunities that support your talents, growth, income, and happiness. The authors reveal their groundbreaking three-part framework of Heart, Head, and Habits. Along the way, you will learn to redefine hustle as the optimal path to success using powerful, often counterintuitive, advice, including: • Why you must own your dreams, not rent dreams from others • Ways to create your own luck and "POP" • How to betray yourself to stay true to yourself--and develop your potential • The four major career hustles and the path that's best for you More than just an inspirational career guide, *Hustle* aims to fundamentally transform the way you work and live, and give yourself permission to thrive in today's uncertain world.

CENTERATTENTIONCENTER Pettigrew Publishing would like to announce the release on December 20, 2011 and availability of the sequel to *Chronicle That*. The author, Animus Elysian, is inspired to translate his second collection of literary works into numerology, sending to the minds of men another level of judgment and interpretation for the issues of life— ©2011 "This body of work is owned by Pettigrew Publishing" An illuminating view of prison life, as told by currently and formerly incarcerated people, from the co-creators and co-hosts of the Peabody-

and Pulitzer-nominated podcast Ear Hustle “A must-read for fans of the legendary podcast and all those who seek to understand crime, punishment, and mass incarceration in America.”—Piper Kerman, author of *Orange Is the New Black* When Nigel Poor and Earlonne Woods met, Nigel was a photography professor volunteering with the Prison University Project and Earlonne was serving thirty-one years to life at California’s San Quentin State Prison. Initially drawn to each other by their shared interest in storytelling, neither had podcast production experience when they decided to enter Radiotopia’s contest for new shows . . . and won. Using the prize for seed money, Nigel and Earlonne launched Ear Hustle, named after the prison term for “eavesdropping.” It was the first podcast created and produced entirely within prison and would go on to be heard millions of times worldwide, garner Peabody and Pulitzer award nominations, and help earn Earlonne his freedom when his sentence was commuted in 2018. In *This Is Ear Hustle*, Nigel and Earlonne share their own stories of how they came to San Quentin, how they created their phenomenally popular podcast amid extreme limitations, and what has kept them collaborating season after season. They present new stories, all with the same insight, balance, and rapport that distinguish the podcast. In an era when more than two million people are incarcerated across the United States—a number that grows by 600,000 annually—Nigel and Earlonne explore the full and often surprising realities of prison life. With characteristic candor and humor, their moving portrayals include unexpected moments of self-discovery, unlikely alliances, inspirational resilience, and ingenious work-arounds. One personal narrative at a time, framed by Nigel’s and Earlonne’s distinct perspectives, *This Is Ear Hustle* reveals the complexity of life for incarcerated and formerly incarcerated people while illuminating the shared experiences of humanity that unite us all.

How many ideas have you had over the years, but just weren't motivated at the time to act on it? Do you remember them all? Day job got you down? In need of greater flexibility, extra money, more security? If you have been thinking of starting your own side hustle, there is no time like the present. All it takes is an idea, and the perfect notebook to keep them in. Don't be left empty handed, there is no telling when the right idea is going to come along. Your ideas don't have to be great or unique. The two richest veins are 1) hobbies you already do for free, 2) stuff people are unable or unwilling to do themselves. Side hustles can not only take off and grow into some major profits, they can be good fun too. Best of all, anyone can do it. Whether you're looking to make some money on the side, or start your own business, you just have to keep pushing ahead. Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. *Every Day I'm Hustling* is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody’s going to call you and offer you that part or ask you out on that date that’s going to change your life, that you have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself. The actress provides start-today strategies for success in business and “been there” lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and always funny, Fox also tells behind-the-scenes tales from some of her biggest movies — such as Uma Thurman’s life-changing advice during *Kill Bill* and Will Smith’s downtime pep talk on Independence Day. And she maps out exactly what it took to come back with a role on the smash hit *Empire* and her own frisky show on Lifetime, *Vivica’s Black Magic*. She also shares her how-is-she-53? secrets to looking your best, no matter the age on your driver’s license.
