The Big Fat Notebook series for high school takes on Pre-Algebra & Algebra I, often a student's first high school-level math course, and a big challenge.

Gossip Girl meets Get Out in *Ace of Spades*, a YA contemporary thriller by debut author Faridah Àbíké-Íyímídé about two students, Devon & Chiamaka, and their struggles against an anonymous bully. All you need to know is . . . I'm here to divide and conquer. Like all great tyrants do. —*Aces* When two Niveus Private Academy students, Devon Richards and Chiamaka Adebayo, are selected to be part of the elite school's senior class prefects, it looks like their year is off to an amazing start. After all, not only does it look great on college applications, but it officially puts each of them in the running for valedictorian, too. Shortly after the announcement is made, though, someone who goes by *Aces* begins using anonymous text messages to reveal secrets about the two of them that turn their lives upside down and threaten every aspect of their carefully planned futures. As *Aces* shows no sign of stopping, what seemed like a sick prank quickly turns into a dangerous game, with all the cards stacked against them. Can Devon and Chiamaka stop *Aces* before things become incredibly deadly? With heart-pounding suspense and relevant social commentary comes a high-octane thriller from debut author Faridah Àbíké-Íyímídé.

During the summer of 1966, Richard Franklin Speck, a twenty-two year old Ordinary Seaman, waiting for a berth aboard a merchant ship, murdered eight student nurses inside a townhouse in South Chicago, shocking the surrounding hardworking, religious community to its very core. Twenty years later, Carly Rocket and her business partner, Mike Holtzer, find themselves inside Stateville Correctional Facility hired to cast extras for a Hollywood movie. Unbeknownst to Carly, Speck is one of Stateville's inmates. His infamous murders took place only blocks from her childhood home leaving her with deep emotional scars. Discovering that Speck is enjoying his life behind bars, Carly is outraged and conspires with a guard to make a video tape of Speck's uninhibited life in an attempt to change prison regulations. But it backfires, and suddenly Carly finds herself in danger of becoming Speck's ninth victim.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Everything You Need To Ace Math In One Big Fat Notebook covers everything to get a student over any math hump: fractions, decimals, and how to multiply and divide them; ratios, proportions, and percentages; geometry; statistics and probability; expressions and equations; and the coordinate plane and functions. Descendants of the First is the thundering sequel to Reni Amayo's epic YA fantasy, Daughters of Nri. Amayo takes us back to the ancient kingdom of Nri. With the king dead, the reunited twin goddesses must now face mythical beasts, a volatile resurgence of lost gods & unseen enemies as they fight to stop the Nri from succumbing to a looming curse. Deep cracks are forming throughout the kingdom of Nri with whispers of deadly successors lurking beneath the shadows. Despite having the same face, it seems the deepest crack is forming between Naala and Sinai, the reunited twin goddesses, who must put their differences aside as they travel through a broken Nri. Unbeknownst to the girls, their use of the mystical Ndu crystal has awakened mythical beasts and the lost gods, each returning to Nri one by one. One thing is clear, the twins will have to face enemies at every corner of the kingdom... one of whom lies hidden amongst those they hold dearest. As ongoing turmoil spreads throughout the kingdom, the daughters of Nri must unmask the true face of their enemy, as they discover that their unique blood has marked them with magic strong enough to restore true peace to the world - a task only they can complete. But with beasts lurking far and wide, will they be able to do so before the kingdom succumbs to its looming curse? Descendants of the First is the thundering sequel to Reni K Amayo's epic feminist young adult fantasy, Daughters of Nri, lauded as "literary magic" by Buzzfeed and a piece of "Excellent writing, brilliant book." by best-selling author, Dorothy Koomson.

The Big Fat Notebooks are going to high school! Published just four years ago, the Big Fat Notebooks—with nearly 4.6 million copies in print and sales escalating every year—revolutionized the study guide for middle schoolers. Now this lifesaving series is ready to graduate. Announcing the first two titles for high school students: Everything You Need to Ace Geometry in One Big Fat Notebook and Everything You Need to Ace Chemistry in One Big Fat Notebook. Designed as the natural next step for the savvy students (and stressed parents) who made Math (over 1 million copies in print) and Science (over 1 million copies in print) the bestselling titles in the middle school series, these books offer a world of help for two of the tougher classes facing most high school sophomores, geometry and chemistry. Using the same formula that made the middle school series so successful, these new high school titles tackle difficult subjects in a lively, memorable, intuitive way. Critical ideas are broken down and clearly explained. Doodles illuminate tricky concepts. There are mnemonics for memorable shortcuts, and quizzes to recap it all. Geometry, written by high school math teacher extraordinaire Christy Needham, follows along with a year of geometry class, starting with the basics, like points, lines, planes, and angles, and progressing to the beginning of trigonometry. Big Fat Notebooks are already helping millions of middle school students. Now high schoolers will enjoy and benefit from this kind of brilliant help—a set of notes, as if from the smartest kid in class, to help them study throughout the year, get ready for challenging exams, and know they have a source to turn to when they need to catch up on missed problems or understand the most difficult or confusing concepts.
