A funny, transporting, surprising, and poignant novel that was one of the highest-selling debuts of recent years in Korea, *Love in the Big City* tells the story of a young gay man searching for happiness in the lonely city of Seoul. *Love in the Big City* is the English-language debut of Sang Young Park, one of Korea's most exciting young writers. A runaway bestseller, the novel hit the top five lists of all the major bookstores, went into twenty-six printings, and was praised for its unique literary voice and perspective. It is now poised to capture a worldwide readership. Young is a cynical yet fun-loving Korean student who pinballs from home to class to the beds of recent Tinder matches. He and Jaehee, his female best friend and roommate, frequent nearby bars where they push away their anxieties about their love lives, families, and money with rounds of soju and ice-cold Marlboro Reds that they keep in their freezer. Yet over time, even Jaehee leaves Young to settle down, leaving him alone to care for his ailing mother and to find companionship in his relationships with a series of men, including one whose handsomeness is matched by his coldness, and another who might end up being the great love of his life. A brilliantly written novel that takes us into the glittering nighttime of Seoul and the bleary-eyed morning after with both humor and emotion, *Love in the Big City* is a wry portrait of millennial loneliness as well as the abundant joys of queer life.

Looking for the best Korean reading material for beginner learners?

My Daily Routine In Korean is a picture dictionary designed to help you learn everyday Korean words and expressions through convenient visual aids.

This book is a complete guide for people who want to learn the Korean language, starting from the very beginning, and learn the alphabet and the correct sounds of vowels, consonants, and diphthongs. It was written for people who want an easy but systematic approach to the language. The writer is a non-native speaker who started learning the language from ZERO, just like you and spent years in Korea trying to reach a better level of proficiency in Korean. After a few weeks of study, you will study to recognize words, make sentences, and have simple (but miraculous) conversations with other Korean speakers!

Korean From Zero! is a fun, innovative, and integrated approach to learning Korean created by professional interpreter George Trombley, Korean linguist Reed Bullen, Professor Myunghee Ham, and Sunhee Bong. Using up-to-date and easy-to-grasp grammar, *Korean From Zero!* is the perfect course for current students of Korean as well as absolute beginners. Features of the book: * Integrated Workbook with Answer Key * MP3 Audio * Online Support * Over 600 New Words and Expressions * Learn to Read and Write Hangul * Extensive Grammar * 90 Adjectives and Verbs Detailed * Bilingual Glossaries with Hangul and English ...and much more!

This book is the culmination of educational know-how and systematic grammar organization acquired by the three authors from their experience actually teaching

Korean to foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand.

Do you want your Korean language skills to shine? Then Essential Korean Grammar offers exactly what you need to finally understand and express which grammar option is best. Having a solid understanding of grammar is essential to effectively learn Korean. Essential Korean Grammar gives you excellent examples that lay out the best grammar options for communicating, and when to use each option. The grammar items are cleverly rated so you can determine what's most useful for you to study, based on your Korean knowledge level and your plans. There is a star rating system, from 5 stars ("critical"; with these under your belt you can communicate almost everything you need to say) to 1 star (don't worry about this unless there's some reason you need to know it—for example, the TOPIK exam). Essential Korean Grammar is a toolbox to help you form correct and natural-sounding sentences, and determine which grammar you need for reading or writing Korean. It details: How to combine grammar points with each type of word. How it is similar to and different from related grammar points. Commonly used expressions. Things for learners to watch out for. The example sentences for each grammar point use simple vocabulary that even a beginner will know. A perfect supplement to any Korean language textbook!

This user-friendly Korean language book pushes readers towards greater fluency in spoken and written Korean. With Essential Korean Vocabulary you will learn to speak Korean the way that Koreans do by learning key words and expressions they use everyday in their natural contexts. You'll also learn closely-related vocabulary together, which will help you remember and use a wider vocabulary. Each word in this book is clearly explained and useful sentences are given to demonstrate how it's used. Author Kyubyong Park also provides tips on Korean grammar and modern colloquial usage in South Korea, so you can learn to speak like a native speaker. Essential Korean Vocabulary presents the 8,000 most common Korean words and phrases organized into 36 different subject areas. Beginning students can focus on the most basic items, which are clearly marked. As you progress to greater fluency, you can pick up more complicated words and expressions to bring your overall vocabulary and understanding of Korean up to an advanced level. With Essential Korean Vocabulary, you will: Upgrade your Korean skills in stages by learning the most useful words in sequence along a graded spectrum from beginner to advanced. Learn how real Koreans speak in authentic sentences by native speakers. Get special tips about tone, nuance, and correct usage of terms. Learn the vocabulary needed to pass standard Korean proficiency tests.

Free audio files available here: <http://www.podbbang.com/ch/1771572> Song Won's Korean Grammar for Speaking is the quintessential text for learning how to speak and write Korean. As a proven, passionate, and dedicated teacher, Song Won has perfected his language learning system in the classroom. Now, he's finally put those same methods into an informative, easy-to-understand textbook. Korean Grammar for Speaking is methodically organized and broken down into separate units. In the beginning, students will build a foundation by learning how to read, write, and pronounce Hangeul (the Korean alphabet). From there, students will learn everything from the counting systems and present tense verbs, to more complex and complicated grammatical concepts. Within each unit, there will be

vocabulary lists, a wide variety of practice problems, and end-of-unit quizzes. This comprehensive language learning textbook will have you speaking, reading, and writing Korean in no time! Along with Korean grammar, this textbook will teach students important vocabulary words that are useful in many common, everyday situations. It will also highlight Korean slang and colloquialisms, as well. Song Won's language learning method is different from classic, traditional textbooks. This book will have students thinking and responding organically in Korean. The goal of Korean Grammar for Speaking is to make students fluent in Korean within six months. Although learning Korean will be a challenge, it's a challenge that will reward students many times over. Free audio files available here:

This workbook accompanies the thoroughly revised third edition of Integrated Korean: Beginning 2, the second volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the second edition, this new third edition features an attractive color design with new photos and drawings and lesson and vocabulary exercises that have been fully reorganized. Each lesson contains a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook—available online as well as in paperback—provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korean Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, A Resource for Korean Grammar Instruction, and Selected Readings in Korean. Audio files for this volume may be downloaded in MP3 format at <https://kleartextbook.com>

A practical, user friendly study aid containing essential Hanja characters that can be understood by most Korean adults, are commonly used on signs and in advertisements, and are sometimes still used in formal or traditional writing and art. Learning and understanding Hanja will not only help you when reading Chinese characters, but it will also help you expand your Korean vocabulary and make conversing in Korean just that little bit easier.

Advanced Korean offers a complete, systematic, and streamlined third-year course in Korean. It is ideal for university students and adult learners with plentiful reading texts and written exercises, all in Korean Hangul. Concise Korean grammar notes in English, extensive glossaries, and an answer key make this book suitable for those studying alone, as well as for classroom use. There are 20 comprehensive lessons, each with a reading text in which new language is introduced in context, followed by vocabulary, grammar points, and exercises. Lessons 5, 10, 15 and 20 are short reviews of the key

structural patterns introduced. The focus is on written Korean, but the reading texts are not academic, they are breezy, chatty, and amusing, with illustrations. The textbook comes with a downloadable supplement entitled Sino-Korean Companion. It is for those learners wishing to commence the study of Chinese characters as they are used in the Korean language. The 20 lessons build on the content of the lessons in the main textbook to introduce 500 Chinese characters in their Sino-Korean readings. The emphasis is on giving students the tools they need to decipher unfamiliar Chinese characters on their own, and also on Sino-Korean vocabulary acquisition. Each lesson introduces approximately 25-30 new Chinese characters along with related vocabulary items, and builds on previous characters and vocabulary introduced, demonstrating the cumulative effect on one's vocabulary of paying systematic attention to Sino-Korean. My Korean 2, 2nd Edition is a follow-up to the first volume of My Korean which introduces learners to the Korean alphabet and some everyday situations to help them acquire 'survival' Korean. This book consolidates and extends the work begun in the first volume by helping learners continue to develop their ability to communicate in routine social situations. Key features include (1) authentic spoken Korean language examples; (2) authentic styles of speech appropriate to each situation; (3) situation dialogues presented in two modes: colour comics and text-only mode; (4) grammar explanations in plain English; (5) many types of exercises; and (6) extra learning materials available online <http://talking2koreans.com>).

Modern Korean breaks new ground in the field of Korean studies by providing students with a skillfully constructed text for intermediate-level Korean-language study. The text emphasizes the development of reading proficiency, but its exercises, which employ a communicative approach emphasizing student-student and student-teacher interactions in real-life scenarios, reinforce skills learned through conversation practice. Its twenty-four lessons are divided into two groups of twelve lessons each. A single lesson consists of a main text, written in expository or descriptive prose that often incorporates a conversational style; a dialogue; a discussion of new word usage and structural patterns; substitution and grammar drills; exercises; and a vocabulary list. Lessons in the second half of the book introduce Chinese characters. Along with improving their language skills, students will gain from this volume the means to better understand Korean society and culture. Among the text topics covered are Korean history, geography, holidays, literature, customs, and people. Used either for classroom instruction or for self-study, Modern Korean guides the student through a critical transition in the learning process, from the ability to carry on a conversation to the acquisition of intermediate skills needed to read the written language.

your grasp of the wonderful Korean language. How Korean Short Stories for Beginners works:

- Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Korean culture.
- Having trouble understanding Hangul? No problem - we provide you with the same story twice - one version fully in Korean and the other version with English translation added below each paragraph, allowing you to fully grasp what you are reading!
- The summaries follow a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about.
- At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance.
- Finally, you'll be provided with a set of tricky questions in Korean, giving you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Korean; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! The revised second edition of Basic Korean: A Grammar and Workbook is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language.

Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.

This book is an introduction to contemporary Korean, with special emphasis on spoken usage for everyday situations. It introduces learners to the Korean alphabet and everyday situations in Korean culture to help them acquire 'survival' Korean.

This is a thoroughly revised edition of Integrated Korean: Intermediate 2, the fourth volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the first edition, this new edition features a more attractive two-color design with all new photos and drawings and additional exercises that focus on vocabulary and grammar. Lessons are now organized into two main sections, each containing a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook, newly written, provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, Selected Readings in Korean, and A Resource for Korean Grammar Instruction.
