The first complete English translation of Dirck Coornhert's 1630 Synod on the Freedom of Conscience, one of the most elaborate and powerful pleas for religious tolerance published in early modern Europe.

American-born Cardinal Aloisius Muench (1889-1962) was a key figure in German and German-American Catholic responses to the Holocaust, Jews, and Judaism between 1946 and 1959. He was arguably the most powerful American Catholic figure and an influential Vatican representative in occupied Germany and in West Germany after the war. In this carefully researched book, which draws on Muench's collected papers, Suzanne Brown-Fleming offers the first assessment of Muench's legacy and provides a rare glimpse into his commentary on Nazism, the Holocaust, and surviving Jews. She argues that Muench legitimized the Catholic Church's failure during this period to confront the nature of its own complicity in Nazism's anti-Jewish ideology. The archival evidence demonstrates that Muench viewed Jews as harmful in a number of very specific ways. He regarded German Jews who had immigrated to the United States as "aliens," he believed Jews to be "in control" of American policy-making in Germany, he feared Jews as "avengers" who wished to harm "victimized" Germans, and he believed Jews to be excessively involved in leftist activities. Muench's standing and influence in the United States, Germany, and the Vatican hierarchies gave sanction to the idea that German Catholics needed no examination of conscience in regard to the Church's actions (or inactions) during the 1940s and 1950s. This fascinating story of Muench's role in German Catholic consideration—and ultimate rejection—of guilt and responsibility for Nazism in general and the persecution of European Jews in particular will be an important addition to scholarship on the Holocaust and to church history.

Based on 70 hours of interviews with Franz Stangl, commandant of Treblinka (the largest of the five Nazi extermination camps), this book bares the soul of a man who continually found ways to rationalize his role in Hitler's final solution.

Clean of Heart is written for practicing Catholics who accept all the teachings of the Church, yet are still ensnared by pornography and self-abuse. There is hope! Through the Sacraments, God provides all the grace one needs to become pure. No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice, Our Lord can still break the addiction! What makes Clean of Heart different? First, it is written from a Catholic point-of-view. While Evangelical Christians have many books and programs for pornography addicts, there are few titles on the market for Catholics. Clean of Heart consists of forty-three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints (elements lacking in many Evangelical books). Second, Clean of Heart is a surprisingly chaste book. It contains no obscenities or explicit testimonies which may be an occasion of sin for some. The focus is on attaining a clean heart rather than recalling past sins.

Confession, Penance, Reconciliation. The ancient Sacrament of Penance is called many names but has one purpose - the forgiveness of sins. Many Catholics and other Christians are at best uncertain as to the need for confession, and many are anxious at the idea of sharing their sins with a priest. In this much-needed book, Fr. Mitch Pacwa and Sean Brown put all the confusion and anxiety to rest by answering the most common questions and objections to this indispensable sacrament. As humans, we have an innate desire to be at peace. Sin destroys this peace, leaving the soul in a weak and deprived state. In Go In Peace, the authors demonstrate that, through the power of confession,

one is freed from the burden of sin and brought to peace with God and himself. You will learn: The biblical basis of confession Why Christ gave the Church the power to forgive sins Why this sacrament is required by the Church What elements are necessary for a good confession Why some sins require confession for forgiveness The psychological benefits of confession The spiritual benefits of confession. ...and much more!

A bestselling journalist exposes the connection between the Catholic Church's sexual abuse crisis and the practice of confession.

An inclusive language version of the modern spiritual classic, an exquisitely beautiful meditation on the incarnation, on what it means to be fully human, and on finding the face of God hidden in our neighbors.

We all recognize that we are sinners. We constantly strive to do God's will, and when we fall short, we go to the confessional to experience God's healing mercy in the Sacrament of Reconciliation. Yet for all too many of us, when our sins are washed away, the shame of sin may linger on our hearts and plague us even as we resolve anew to follow Christ. This shame is one of Satan's most insidious means of separating us from God's love and forgiveness. With gentleness and wisdom, Fr. Wade Menezes of the Fathers of Mercy shows you how to overcome your shame of sin and surrender to God's mercy. Far from ignoring the reality of sin, Fr. Menezes illustrates the consequences of evil and vice, while reminding you that however great your sin may be, God's goodness is greater. At every moment, He is calling you to Himself. He seeks your love and desires you, with all your sins and all your shame.

Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

"How to Make a Good Confession" gives readers practical methods to start consistently winning their battles against sin. Fr. John Kane not only explains ways believers can determine how free from sin they really are, but he also helps them understand the devastating effects of sin and the urgent need for repentance. This down-to-earth, practical guide shows readers how to transform confession into a profound experience of God's love.

The presence of the Catholic Church in the United States reaches back to the founding days of our country through the leadership of Archbishop John Carroll, the first Catholic bishop in the United States. His story like the stories at the start of each chapter in the United States Catholic Catechism for Adults give us a glimpse into the lives of Catholics who lived out their faith throughout our country's history. Each chapter in the Catechism for Adults includes stories, doctrine, reflection, quotations, discussion questions, and prayer to lead the reader to a deepening faith. The Catechism for Adults is an excellent resource for preparation of catechumens in the Rite of Christian Initiation of Adults and for ongoing catechesis of adults.

Many of our greatest stories are about a journey. The hero, and some friends, set out on a quest to accomplish a goal, and they can't get there unless they walk the road. The Hobbit, A Whistle for Willie, Hansel and Gretel... these are just a few examples of people heading out into their world and exploring new ideas, learning new skills, and finding out more about themselves. This book is for young adventurers seeking to develop virtue in their lives. It will take child you love on a four week journey down the Virtuous Road, a road to help them to discover and refine some of the virtues that will help us all to become the person God has designed us to be. Each week we will look at our actions and choices through the lens of one the four Cardinal Virtues: Prudence, Justice, Fortitude, and Temperance. Along the way, your child will meet a few Holy men and women in the weekly Saint Spotlights, and will experience the joy of imagination in creative spaces, prayer prompts, and journaling pages to make their own!

The one book that should go everywhere with, you. Also makes a perfect award or gift.

A theology of conscience in light of the problems of contemporary Catholic moral theology, appropriate for use in college courses or adult discussion groups.

“Blessed are they that wash their robes in the Blood of the Lamb” (Apoc. 22:14). Catholics truly may be called “blessed” in the means they have of washing the sin-stained robes of their souls in the Precious Blood of the Lamb of God in the Sacrament of Penance! There is no question but that confession—especially frequent confession—is an inestimable blessing to mankind. Man can hope for no greater blessing on this earth than true peace of soul. The Sacrament of Penance is a perennial fountain of peace. It is a source of untold consolation to human hearts. This sacrament gives any and every member of the Catholic Church who has transgressed the holy laws of God, an easy and simple means to obtain full pardon, and to be restored to His friendship. This is its first and principal effect. Its second effect is to wipe out the punishment due to sin; eternal punishment entirely, and temporal punishment in whole or in part, according to the penitent’s dispositions. It closes the gates of hell, which open to swallow up in the infernal abyss souls who deliberately turn away from God by mortal sin and sunder the ties binding them to Him by preferring their own will to His. A good confession opens anew the portals of heaven, which is barred to souls as long as they remain in the state of grievous sin. It clothes souls with the beautiful nuptial garment of sanctifying grace, or renders that garment still more beautiful if the soul already possesses it. It restores past merits, which are lost by even a single mortal sin. It renders the soul capable again of performing meritorious acts, which is impossible while it is in the state of mortal sin. It confers sacramental graces; that is, powerful supernatural helps to avoid sin in the future, and to persevere in the service of God. It gives a claim to the special graces the soul needs in order to lead a God-pleasing life. Finally, it checks sinful passions and inclinations to evil. To partake in fullest measure of these blessings of the Sacrament of Penance, it is necessary for the penitent to know how to make a good confession. The present booklet is an attempt to help souls in this all-important matter by explaining the five requisites of a good confession and various points which are of vital importance for the fruitful reception of this Sacrament.

This wonderful and practical little book explains clearly and thoroughly how to make a good Confession but in much greater detail than covered in most catechisms. It includes an examination of conscience, contrition and its necessary qualities, the purpose of amendment and its necessary qualities, avoiding the near occasion of sin, the actual Confession of sins to the priest, and the penance given by the priest. **NEW YORK TIMES BESTSELLER** • “A thoughtful defense of traditional conservatism and a thorough assault on the way Donald Trump is betraying it.”—David Brooks, in his New York Times column In a bold act of conscience, Republican Senator Jeff Flake takes his party to task for embracing nationalism, populism, xenophobia, and the anomalous Trump presidency. The book is an urgent call for a return to bedrock conservative principle and a cry to once again put country before party. Dear Reader, I am a conservative. I believe that there are limits to what government can and should do, that there are some problems that government cannot solve, and that human initiative is best when left unfettered, free from government interference or coercion. I believe that these ideas, tested by time, offer the most freedom and best outcomes in the lives of the most people. But today, the American conservative movement has lost its way. Given the state of our politics, it is no exaggeration to say that this is an urgent matter. The Republican party used to play to a broader audience, one that demanded that we accomplish something. But in this era of dysfunction, our primary accomplishment has been constructing the argument that we’re not to blame. We have decided that it is better to build and maintain a majority by using the levers of power rather than the art of persuasion and the battle of ideas. We’ve decided that putting party over country is okay. There are many on both sides of the aisle who think this a good model on which to build a political career—destroying, not building. And all the while, our country burns, our institutions are undermined, and our

values are compromised. We have become so estranged from our principles that we no longer know what principle is. America is not just a collection of transactions. America is also a collection of ideas and values. And these are our values. These are our principles. They are not subject to change, owing to political fashion or cult of personality. I believe that we desperately need to get back to the rigorous, fact-based arguments that made us conservatives in the first place. We need to realize that the stakes are simply too high to remain silent and fall in line. That is why I have written this book and am taking this stand. —Jeff Flake

This work contains several examinations of conscience from Catholic classic books. It also contains Saint Alphonsus' instruction on Confession from his Catechism. Further notes are contained on modern sins and on conversion. One examination of conscience distinguishes between mortal and venial sins. In preparing for the Sacrament of Confession it is easy to get into a rut, using the same examination of conscience for every Confession. These examinations are from various sources and are provided to help us shake up our spiritual life. By varying our routine, we can more easily identify our sins and bring them to the tribunal of Penance where we can present them before the Divine Physician and His human representative, the duly authorized priest. In this way our confessor can prescribe the remedies for our sins, so that we can heed the advice of Jesus: "Go now and sin no more, lest some worse thing happen to you." (John 5:14) Since these come from timeless older works, they have been updated by this author to include the sins that are so easily committed with modern technology, such as radio, television, movies, the computer and the internet. We hope all will benefit from the sage advice contained in this book.

A collection of crime stories by authors including John Mortimer, Ellis Peters, Charlotte Armstrong, Ralph McInerney and G.K. Chesterton. The Christian longing to share anguish, fear, gratitude, and awe has found expression in many forms of prayer, beginning in Scripture and the practices and words of Jesus. Over the centuries many fruitful approaches to prayer have taken hold, but often there is a certain unease about what is right or what is best. In this welcome and welcoming book, Fr. James Martin eases these concerns with thoughtful, practical encouragement about prayer in all of its forms. In *All Seasons, For All Reasons* is drawn from "Teach Us to Pray," Fr. Martin's very popular monthly column in *Give Us This Day*.

Catholic pamphlet.

An illuminating, reassuring explanation of the Catholic Church's teachings on confession and forgiveness by the bestselling author of *The Lamb's Supper* and *Hail, Holy Queen*. Jesus told his first clergy, "If you forgive the sins of any, they are forgiven; if you retain the sins of any, they are retained." In *Lord, Have Mercy*, Scott Hahn explores the sacrament of reconciliation and shows why it is the key to spiritual growth, particularly in these times of intense anxiety and uncertainty. Drawing on the history of ancient Israel, the Gospels, the writings of the early Church, and the lives of the saints, Hahn reveals the living, scriptural heart of the Church's teachings on penance, forgiveness, and reconciliation. It is a story that begins with the sin of Adam and Eve, continues in the biographies of Moses, King David, and the Apostle Peter, and reverberates in the lives of believers today. Hahn presents the Catholic and biblical perspective on sin and mercy, elucidating in clear, easily understood language the true import of Jesus' simple, yet profound promise—"I am the door; if anyone enters by Me, he will be saved (John 10:9). Like Hahn's earlier books, *Lord,*

This is a study of the role of Lutheran private confession in the German Reformation, which was part of a fundamental transformation to rid the Church and society of alleged clerical abuses and had profound implications for the use of religious authority in 16th-century Germany.

Following the example of St. Ignatius, we believe that praying the Examen will lead to a better life. The 500-year-old daily practice of honest self-assessment and reflection is a founding principle of Ignatian spirituality. What we don't know is if St. Ignatius ever felt like changing it up a bit. Jesuit speaker and author Mark Thibodeaux, SJ, is confident that St. Ignatius wouldn't mind a little flexibility in his prayer. Join Thibodeaux as he guides you through new and unique versions of the Examen, totally flexible and adaptable to your life. In ten minutes, you can tailor your daily prayer practice to fit your personal and situational needs, further enhancing and deepening your meditation. Reimagining the Ignatian Examen—the only book of its kind—will lead you through a fresh and stimulating reflection on your past day, your present state of being, and your spiritual desires and needs for tomorrow.

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

This is an excellent examination of conscience, focusing on a different virtue each month of the year. January is Faith February is Hope March is Charity or the Love of God April is proper Reverence for God May covers the positive aspects of Love of Neighbor June covers the negative aspects of Love of Neighbor July is on Justice August discusses Chastity September covers Temperance October covers Obedience November covers Meekness and finally December covers Humility After each instruction is a prayer to be said each day of the month. This is followed by an examination of conscience, where the mortal and venial sins against the virtue are considered. This section is followed by a practical list of suggestions to help in the practice of virtue. This book is excellent for the Catholic who is serious about becoming a saint.

Because many Catholics are unhappy with, or just don't understand their confessions, here is a booklet you can offer to your parishioners to help them with this sometimes difficult practice. This wonderful, faith-filled booklet is designed to help readers gain a deeper understanding of how to make a more meaningful confession. It helps them unmask deep attitudes which lie at the root of sin. Through soul searching, readers can begin the process of self-discovery and reconciliation that will lead to more satisfying and meaningful confessions. Referenced to the Catechism of the Catholic Church, it is useful for Catholics of any age -- even those who may have left the Church. "Making a Better Confession" will serve as a special reminder that you care about your parishioners' well-being. Those who receive it will surely appreciate it.

Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet--the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

An unflinching examination of the moral and professional dilemmas faced by physicians who took part in the Manhattan Project. After his father died, James L. Nolan, Jr., took possession of a box of private family materials. To his surprise, the small secret archive contained a treasure trove of information about his grandfather's role as a doctor in the Manhattan Project. Dr. Nolan, it turned out, had been a significant figure. A talented ob-gyn radiologist, he cared for the scientists on the project, organized safety and evacuation plans for the Trinity test at Alamogordo, escorted the "Little Boy" bomb from Los Alamos to the Pacific Islands, and was one of the first Americans to enter the irradiated ruins of Hiroshima and Nagasaki. Participation on the project challenged Dr. Nolan's instincts as a healer. He and his medical colleagues were often conflicted, torn between their duty and desire to win the war and their oaths to protect life. *Atomic Doctors* follows these physicians as they sought to maximize the health and safety of those exposed to nuclear radiation, all the while serving leaders determined to minimize delays and maintain secrecy. Called upon both to guard against the harmful effects of radiation and to downplay its hazards, doctors struggled with the ethics of ending the deadliest of all wars using the most lethal of all weapons. Their work became a very human drama of ideals, co-optation, and complicity. A vital and vivid account of a largely unknown chapter in atomic history, *Atomic Doctors* is a profound meditation on the
