A history of the office of U.S. Trade Representative discusses the part it plays in defining the U.S. role in world economics

Presents the history, accomplishments and key personalities of the Golden State Warriors basketball team. Includes timelines, quotes, maps, glossary and websites.

Warriors #1: Into the Wild (summer Reading)Harper Collins

The end of the stars draws near. Three must become four to battle the darkness that lasts forever. . . . After countless moons of treachery, Tigerstar's Dark Forest apprentices are ready to lay siege upon the warrior Clans. As Jayfeather, Dovewing, and Lionblaze prepare to lead their Clanmates into battle, they await the arrival of the mysterious fourth warrior who is prophesied to help lead the Clans to glory. The darkest hour the Clans have ever faced has dawned. Hopes will be shattered and heroes will rise as the warriors fight for their very survival.

Ever wonder how the Bravest Warriors got their super rad Sticker Pets? Or what would happen if Chris' Emotion Lord powers kicked in during a trip to the Dating Pool? Or what sort of trouble Wallow could find inside the Dream Dimension? Find out in these brand-new missions, written by Bravest Warriors showrunners Breehn Burns & Jason Johnson, Eric M. Esquivel (Loki: Ragnarok and Roll), and Tessa Stone (Regular Show: Hydration), illustrated by Mike Holmes (True Story), and featuring short stories from a handful of amazing artists including Three Word Phrase creator Ryan Pequin! Collects issues #13-16.

Since its founding more than two hundred years ago, the United States Coast Guard has rescued over a million people. On any given day, "Coasties" respond to 125 distress calls and save over a dozen lives. Yet despite having more than 50,000 active-duty and reserve members on every ocean and on our nation's coasts, great lakes, and rivers, most of us know very little about this often neglected but crucial branch of the military. In *Rescue Warriors*, award-winning journalist David Helvarg brings us into the daily lives of Coasties, filled with a salty maritime mix of altruism and adrenaline, as well as dozens of death-defying rescues at sea and on hurricane-ravaged shores. Helvarg spent two years with the men and women of the Coast Guard, from the halls of their academy in New London, Connecticut, to the frigid, storm-tossed waters of Alaska's Bering Sea, to the northern Persian Gulf, where they currently guard Iraqi oil terminals. The result is a

masterpiece of adventure reporting---the definitive book on America's "forgotten heroes."

When Rusty, an ordinary housecat, becomes ThunderClan's new apprentice, he realizes that his past life has not prepared him for the hardships he now faces and so must work extra hard to prove he can be a true warrior.

Born out of an engagement with anti-racist feminist struggles as women of color from the Global South, Feminist Freedom Warriors (FFW) is a project showcasing cross-generational histories of feminist activism addressing economic, anti-racist, social justice, and anti-capitalist issues across national borders. This feminist reader is a companion to the FFW video archive project that is currently available online. Using text and images, the book presents short narratives from the women featured in the FFW project and illustrates the intersecting struggles for justice in the fight against oppression. These are stories of sister-comrades, whose ideas, words, actions, and visions of economic and social justice continue to inspire a new generation of women activists.

A New York Times bestseller. From FOX & Friends Weekend cohost Pete Hegseth comes a collection of inspiring stories from fifteen of America's greatest heroes—highly decorated Navy SEALs, Army Rangers, marines, Purple Heart recipients, combat pilots, a Medal of Honor recipient, and more—based on FOX Nation's hit show of the same name. After three Army deployments—earning two Bronze Stars and a Combat Infantryman's Badge—Pete Hegseth knows what it takes to be a modern warrior. In *Modern Warriors* he presents candid, unfiltered conversations with fellow modern warriors and digs for real answers to key questions like: What inspired them to serve? What is their legacy? What does sacrifice really mean to them? How do they handle loss? And what can civilians learn from this latest generation of veterans? From the skies over Afghanistan to the seas of the Mediterranean to the treacherous streets of Iraq, these brave men and women take you inside the firefight, sharing the harrowing realities of war. Hegseth uses their experiences to facilitate conversations about the raw truths of combat, including the difficulties of transitioning back home, while also celebrating these soldiers' contributions to preserving our nation's most precious gift—freedom. In addition to the oral history, *Modern Warriors* presents dozens of personal, rarely shared photos from the battlefield and the home front. Together these stories and images provide an unvarnished representation of battlefield leadership, military morale, and the strain of war. This book is the perfect keepsake and gift for anyone who wants to know what it means, and what it truly takes, to be a patriot.

An epic stand-alone adventure in Erin Hunter's #1 nationally bestselling *Warriors* series! Also includes an exclusive ten-page *Warriors* manga adventure! In this Super Edition, set just after the events of *Omen of the Stars*, WindClan warrior Crowfeather must conquer the ghosts of his past to make way for his Clan's future. When a terrible threat rises within WindClan's territory, it heightens tensions that are already growing in the wake of the battle with the Dark Forest. Crowfeather is caught between his son, Breezepelt, and their Clanmates...but with the Clan in danger, the time for doubt is over. Join the legion of fans who have discovered the epic adventures, fierce warrior cats, and thrilling fantasy world of the mega-bestselling *Warriors* series. This stand-alone entry is perfect for new readers and dedicated fans alike. Using solid biblical exegesis, Chuck Lawless presents a well-rounded, proven model for fighting the enemy through the development of a spiritually healthy church. This unique book suggests workable strategies and resources for developing disciples prepared for spiritual warfare.

The Galactic Awakening Series is channeled information that encourages you to explore your physical world and all dimensions of existence. "Time Warriors" is the second book in the series and poses the question: what will you do with what you know? Have the Guardians

returned? If so, why?

Here is a book for finding your way as a warrior and adapting to a peaceful life at home. The techniques of yoga and meditation have extensive scientific support for their effectiveness in relaxing the stress response, sharpening mental acuity, boosting immunity and recovery time, and promoting a general sense of health and psychological well-being. In *Yoga for Warriors*, acclaimed teacher Beryl Bender Birch presents a beginner-friendly approach that she originally developed while working with civilians and first-responders in the aftermath of the 9/11 attacks. Adaptable for readers' individual needs, these step-by-step practices include: Basic Breathwork—learn the foundational skill of ujjayi breathing to get grounded, present, and in control Build Your Fire—yoga's traditional "sun salutations" to warm up the body while quieting the mind Power and Balance—standing postures to open up, stretch, and strengthen the joints and muscles Turning Inward—the practice of yoga nidra for a highly alert yet deeply peaceful state of mind that can lead to restorative sleep Powerful meditation techniques that help heal the body and balance energy War leaves more than physical scars. Military servicemen and women bear invisible wounds—including PTS (Post-Traumatic Stress), TBI (Traumatic Brain Injury), MST (Military Sexual Trauma), anxiety, and depression—all just as real and painful. If you or someone you know are just entering military service, preparing for deployment, or returning home, *Yoga for Warriors* offers the tools for one of the most challenging of transitions.

Over the course of two centuries, the region of the Middle Niger valley of the Western Sudan was dominated by three successive states: the indigenous Segu Bambara state, the Islamic Umarian state, and the French colonial state. In each of these states, warriors were the rulers, and not surprisingly warfare was the primary expression of state power. The survival of each state depended on its ability to reproduce its capacity to make war; in order to do so, the warrior state intervened in the economy. In each of the three states, the interrelationship of warfare, the state, and the economy produced different results. How the state actually intervened in the economy and how this intervention influenced the structure and performance of the economy is the subject of this book. During the 200 years under study, the regional economy of the Middle Niger valley expanded and contracted in response to the state's capacity to provide conditions favorable to commercial development, capital accumulation, and investment. When the Segu Bambara state was able to control the autonomy of its warriors, the state encouraged the expansion of the regional economy. The Umarians, on the other hand, preyed upon producers within the region, and created conditions that discouraged long-term investments. The very success of the French conquest initially encouraged investment, especially in the form of slaves. After 1894, however, conflict between civilian colonial authorities and the French military undermined the economic and social foundations erected by the military. From 1905 to 1914, slaves left their masters and helped once again to transform the structure and performance of the economy.

Statistics: Unlocking the Power of Data, 2nd Edition Loose-leaf Print Companion continues to utilize these intuitive methods like randomization and bootstrap intervals to introduce the fundamental idea of statistical inference. These methods are brought to life through authentically relevant examples, enabled through easy to use statistical software, and are accessible at very early stages of a course. The program includes the more traditional methods like t-tests, chi-square tests, etc. but only after students have developed a strong intuitive understanding of inference through randomization methods. The focus throughout is on data analysis and the primary goal is to enable students to effectively collect data, analyze data, and interpret conclusions drawn from data. The program is driven by real data and real applications.

As prophesized, a young house cat becomes an apprentice warrior in a clan of wild cats, where he faces many dangers and treachery both

within and outside of his new clan.

Growing up in Harlem, Jaz Brooks never imagined that there would be a day where she'd have two smoking hot alien husbands, Mavet and Xentix, who worshiped her. Or that she would be living on a Kadothian spaceship stationed on one of Saturn's moons as an Earth Ambassador. And she certainly never imagined her bondmates would be encouraging her to take a third husband, but that's exactly what's happening. Tandar Glycin has been fighting the Hive in the distant Bel'Tan galaxy for so long now he'd given up hope of ever finding his Matriarch. When word reaches him that his blood brother, Mavet, has bonded an Earth female Tandar is both elated and worried. Vicious rumors abound in the Bel'Tan galaxy about how horrible Earth women are and he worries that Mavet has taken a monster as his wife. When he first meets Jaz he quickly realizes that not all of the stories are true, and that the Lord of Life has blessed him with a kind, beautiful, and feisty alyah who is going to make him work to win her heart.

Justin was a Nephlium. His father was an angel and his mother human. His race was often referred to as light warriors. Justins race was the stuff of myth and legends and most beings believed that they did not exist. They will be born with several unique talents and abilities, one of which will be a shield around their souls which will hide their gifts, talents and abilities from angels, demons and humans. These warriors of light will walk among each race unknown and unseen until they need or choose to reveal themselves. Every one is operating under a misconception because they believe or assume that the battle of good and evil will be some epic future battle. Only the battle rages now; as we speak it is being fought, won or lost within each human soul. Justin was given a new and urgent assignment: a crossroads soul. These rare beings hold a great amount of power and could be an asset to either side. Justin was shocked beyond belief to find that this new crossroads soul was his mate.

****A New York Times Editors' Choice Pick**** ****Winner of the 2021 New Mexico-Arizona General Nonfiction Book Award**** "A heart-stomping, heart-stopping read. Unsentimental. Unforgettable. Astonishing. Brothers on Three captures the roar of a community spirit powered by blood history, loyalty, and ferocious love." —Debra Magpie Earling, author of *Perma Red* From journalist Abe Strep, the story of coming of age on a reservation in the American West and a team uniting a community March 11, 2017, was a night to remember: in front of the hopeful eyes of thousands of friends, family members, and fans, the Arlee Warriors would finally bring the high school basketball state championship title home to the Flathead Indian Reservation. The game would become the stuff of legend, with the boys revered as local heroes. The team's place in Montana history was now cemented, but for starters Will Mesteth, Jr. and Phillip Malatare, life would keep moving on—senior year was only just beginning. In *Brothers on Three*, we follow Phil and Will, along with their teammates, coaches, and families, as they balance the pressures of adolescence, shoulder the dreams of their community, and chart their own individual courses for the future. *Brothers on Three* is not simply a story about high school basketball, about state championships and a winning team. It is a book about community, and it is about boys on the cusp of adulthood, finding their way through the intersecting worlds they inhabit and forging their own paths to personhood. Erin Hunter's #1 bestselling *Warriors* series continues in *A Vision of Shadows #4: Darkest Night*. This edition includes a double-sided jacket with a bonus poster! SkyClan has returned to its rightful place among the other four warrior Clans, hoping to find a new territory to call home. But not every cat is convinced that this is where SkyClan belongs—and the fate of all five warrior Clans remains uncertain. Full of epic adventure and thrilling intrigue, this fifth *Warriors* series is the perfect introduction for readers new to the *Warriors* world—while for dedicated fans, it's a long-awaited return to the era of Bramblestar's ThunderClan, after the events of *Omen of the Stars*.

Dan and Ursula return to the present day after months in King Arthur's England. They sought a way back home for so long, but now find

themselves unable to cope with modern life. Ursula's incredible strength and Dan's experience on the battlefield make it impossible to fit in with friends. So when they have an opportunity to go back in time, neither can resist. They emerge in 878 AD, the age of King Alfred the Great. Vikings are rampaging through Britain and the King, defeated and weak, has retreated to the marshes. Dan finds him here, and he and Alfred's men begin plotting a counter-attack. But Dan cannot fight without Ursula. Consumed by her time-slip ability to wield magic, she has been captured by the Vikings who now revere her as a goddess. Everything hinges on Dan being able to rescue Ursula first from the Vikings, then from herself. This is an utterly page-turning, clever, and action-packed finale to the Warriors trilogy.

Master of driving pace, exotic setting, and complex plotting, Harold Lamb was one of Robert E. Howard's favorite writers. Here at last is every pulse-pounding, action-packed story of Lamb's greatest hero, the wolf of the steppes, Khlit the Cossack. Journey now with the unsung grandfather of sword and sorcery in search of ancient tombs, gleaming treasure, and thrilling landscapes. Match wits with deadly swordsmen, scheming priests, and evil cults. Rescue lovely damsels, ride with bold comrades, and hazard everything on your brains and skill and a little luck. Warriors of the Steppes is the second in a four-volume set that collects, for the first time, the complete Cossack stories of Harold Lamb and presents them in order: every adventure of Khlit the Cossack and those of his friends, allies, and fellow Cossacks, many of which have never before appeared between book covers. Compiled and edited by the Harold Lamb scholar Howard Andrew Jones, each volume features never-before reprinted essays Lamb wrote about his stories, informative introductions by popular authors, and a wealth of rare, exciting, swashbuckling fiction. This second volume collects all five tales of Khlit's greatest friend, the valorous Abdul Dost, and Dost's comrade Sir Ralph Weyand. Life across the Roof of the World is more dangerous than ever as Khlit teams up with Abdul to thwart a gang of kidnappers, stamp out a cult of stranglers, save the dazzling Retha, and reluctantly lead an Afghani rebellion against the forces of the Mogul. Contained herein are the three never-before-collected stories of Khlit the Cossack, including the short novel The Curved Sword. ø

For fans of Nancy Farmer and Lloyd Alexander comes international bestselling author Michelle Paver's second novel in the Bronze Age adventure series. While searching for his kidnapped sister, Outsider Hylas takes a dangerous detour when he's captured as a slave and sent to the copper mines of Thalakrea. Hylas faces brutal overseers and lethal cave-ins while evading his enemies, the Crows. With the aid of an orphaned lion cub and his friend Pirra, Hylas must escape the mines and shatter the power of the Crows for good. But the prophecy is still at work and Hylas cannot escape its grasp, especially when the anger of the oldest god is awakened.

"For too long the Left has tried to silence the Right through a war on words. Understanding their tactics and what we can do about it is crucial. Sam Sorbo lays it all out." — Sean Spicer, Host of Spicer&Co "Grab a copy and fight back!" — Eric Metaxas, New York Times bestselling author "Sam Sorbo knows words like I know MyPillows. Buy this book and get one for a friend." — Mike Lindell, Founder and CEO of My Pillow, Inc "They've hijacked words and then try to use them against us. But we're gonna take 'em back." — Sam Sorbo In Words for Warriors, with her trademark wit and intelligence, Sam Sorbo shows exactly how radical left-wingers have manipulated language to fit their own socialistic and anti-freedom agenda. Sam Sorbo is on a mission to reclaim today's hot button/culture war words for all freedom-loving Americans. After hearing all the hatred spewing from ideologues, mainstream media, social justice warriors, and political hacks, Sam Sorbo was fed up: "I'm tired of their games, so I'm calling BS on them. It's time to set the record straight, especially for the folks who are just trying to enjoy the lives the Lord gave them and want a few things explained in easy-to-understand prose." Arranged in an accessible "A-Z" glossary style, readers can dip in to discover the real meanings behind the acronyms, words, and phrases that the toxic liberal left loves to force on the rest of us. From Ad hominem, antifa, and anarchy... To woke, wonk, and zeitgeist Mixed with the newly-coined concepts like

covidiot, pizzagate, and TERF... Words for Warriors is a treasure trove of linguistic gymnastics the Democrats and other toxic lefties employ to further their anti-American agenda. Arm yourself with Words for Warriors, and fight back against political correctness that squashes real debate, free speech, and prosperity. As the culture war rages on, more and more Americans are unleashing their natural instinct to be a warrior for good over evil. They need to use Sam Sorbo's brilliant book Words for Warriors." — Ted Nugent, Legendary Singer-Songwriter and Political Activist "A heavy message from a light-hearted emissary, this book simplifies the confusing world of Leftist politics." — David Webb, SiriusXM Patriot Host and Fox News Contributor "Get Sam Sorbo's essential book for all of your confused and misguided friends, and keep a copy for yourself! With its smart insights, wry humor and patriot spirit, you won't want to put it down—and you'll always want to have it at the ready." — Monica Crowley, Bestselling Author of What the (Bleep) Just Happened?

Mustafah Dhada's compelling account of Guinea's struggle for independence from Portuguese rule. A Cape Verdian agronomist fully committed to nationalist unity in Luso-Africa and to the independence of Guinea, Amilar Lopes Cabral helped form the African Independence Party of Guinea Verde (PAIGC) (Partido Africano da Guine e Cabo). Through PAIGC's efforts, a nationalist army was established, a guerilla war was launched, and a protracted drive for a nation-state mounted. WARRIORS AT WORK addresses for the first time key questions regarding the fight to free Guinea: Was the PAIGC the only nationalist movement to emerge in Guinea? Was the mobilisation drive and nationalist war a straightforward march to victory with the PAIGC calling the shots? Was the campaign for statehood instigated solely to forge a new social order? Dhada cuts through revolutionary rhetoric to reveal a remarkable human drama fought at the front lines and beyond. She came from a race long thought dead Shaina C'Err belonged to the Olak'din, a secret race of warriors. With her people in danger she asked for help from the one warrior who owed her. With a Kabanian Warlord at her side, she might have a chance at defeating her enemies. He craved what his friends had attained Argan Kril never thought he'd long for love until his life changed forever. Now among the Raasa he watches his best friend and his fellow Warlord with the women who love them. His upbringing dictates that such a bond is for the weak but when his path crosses with Shaina he feels stronger and happier than he's ever been. Neither expected the battle they'd wage together would have such a steep reward.

An epic stand-alone adventure in Erin Hunter's #1 nationally bestselling Warriors series! Also includes an exclusive ten-page Warriors manga adventure! In this super edition, set during the events of A Vision of Shadows, one of ShadowClan's most loyal warriors must go on a perilous quest—one that will take him and the ThunderClan warrior Dovewing to the heart of a dangerous territory unlike any they have seen before. Long one of the proudest warrior Clans, ShadowClan now faces an unprecedented period of darkness and uncertainty. Its deputy, Tigerheart, is determined to help his Clan survive. But a crossroads is fast approaching...and when their medicine cat has an ominous vision, Tigerheart discovers that the only way to save his Clan may be to leave it behind forever. Join the legion of fans who have discovered the epic adventures, fierce warrior cats, and thrilling fantasy world of the mega-bestselling Warriors series. This stand-alone entry is perfect for new readers and dedicated fans alike.

Golden State Warriors is a beginner's history of the NBA's Golden State Warriors. Beginning with the franchise's early years, readers will experience the team's highest and lowest moments, meet the team's best players and managers, and gain the inside track on information that completes the team's story. Mini-biographies, fun facts, anecdotes, fantastic quotes, and sidebars combine with full-color, action-packed photographs to round out the story of the Warriors, allowing your readers Inside the NBA! SportsZone is an imprint of ABDO Publishing Company.

Command and leadership are very personal endeavours. The manner in which an individual commands others and exercises leadership speaks more to the character and personality of the individual in question than it does to the concept of command or leadership in and of themselves. Intrepid Warriors takes an intimate look at a number of Canada's finest military commanders and leaders during the crucible of war. Collectively, the chapters in this volume offer invaluable insights into different command and leadership approaches, behaviours, and styles. They also reinforce the timeless truth that the character and presence of courageous leaders are critical to military outcomes, particularly during times of ambiguity, uncertainty, and chaos.

God's Warriors, are you on God's team? Is your life being lived to the fullest in the Lord? Is your Christian walk matching your talk? Or are you part of the growing number of dead soul sitting between four walls with no clue how to really get to heave? Or do you know how to get to heave and still not living the life that God has for you? If you are open me and read, and be blessed.

"Medieval romance at its best!" --Virginia Henley, NY Times Bestselling Author HE WOULD NOT BE DENIED HIS PRIZE Sir Renaud de Pierrepont, the Norman knight known as the Red Wolf for the beast he slayed with his bare hands, hoped to gain lands with his sword. A year after the Conquest, King William rewards his favored knight with Talisand, the lands of an English thegn slain at Hastings, and orders him to wed Lady Serena, the heiress that goes with them. SHE WOULD LOVE HIM AGAINST HER WILL Serena wants nothing to do with the fierce warrior to whom she has been unwillingly given, the knight who may have killed her father. When she learns the Red Wolf is coming to claim her, she dyes her flaxen hair brown and flees, disguised as a servant, determined to one day regain her lands. But her escape goes awry and she is brought back to live among her people, though not unnoticed by the new Norman lord. Deprived of his promised bride, the Red Wolf turns his attention to the comely servant girl hoping to woo her to his bed. But the wench resists, claiming she hates all Normans. As the passion between them rises, Serena wonders, can she deny the Norman her body? Or her heart?

An account of Bighorse's life recalled by his daughter Tiana, providing glimpses into Navajo life and values of a century ago.

Betrayal. Brennan Garthran, half-elf prince of the island nation of Ganthrow, along with his twin sister, Lauren, abandon their ancestral home. Forced into exile by a traitorous noble family, they must fight to reclaim their birthright against fierce and cunning enemies. Meanwhile, an ancient cult strives to awaken long-forgotten gods from their slumber. The Warriors of Ganthrow:

Followers of the Unknown Road is an action-packed epic that will delight fans of fantasy fiction everywhere. In its pages, dragons, goblins, and monsters battle alongside warriors, priestesses, elves, and rogues. As readers accompany Brennan and his fast-talking companion, Kyle, over land and sea, they will meet a host of memorable, frightening, and sometimes quirky characters—not to mention gods like Magmellon, the Elder Goddess, and Morgean, God of Death. The Warriors of Ganthrow is the first book in the Followers of the Unknown Road series.

Newleaf is coming, and Leafstar is proud to see SkyClan thriving under her leadership. The woods are brimming with prey, the warriors den is full, and Leafstar is expecting kits of her own. But a stranger is lurking near SkyClan's territory, and Leafstar's newborn kits—and the rest of the young Clan—could be in serious danger.

The #1 bestselling Warriors series continues with the thrilling conclusion to the epic Broken Code story arc. When fear reigns supreme, only hope can save the Clans. The impostor's reign of terror has brought the Clans to the brink of destruction, and now,

every warrior—living and dead—must unite to defeat him before he delivers his final blow. To ensure their future and protect their past, StarClan, the Dark Forest, and all five Clans must band together to turn back the tide of darkness—before the impostor's fury destroys them all. Packed with action and intrigue, this sixth Warriors series unfolds after the events of A Vision of Shadows. In Book II, Tamras moved from her home into the lands beyond its border. In Book three, the stage widens further: she deals with the struggles of whole peoples. Caught up in intrigues that would once have been far above her, the heroine risks everything unless she can not only learn to swim in treacherous waters, but to master them. The heroine's inner journey continues to match her outer one. She must confront the meaning not only of personal love, but the love that extends beyond oneself and those we hold dear. Catherine Wilson's skill at tackling the big issues of love, meaning, and humanity is so deft that it all seemed, to me at least, to flow naturally from her narrative in a way I found technically quite breathtaking...." --from a review by Charles Ferguson on the Goodreads website "Being the third and last volume in a series I enjoyed immensely, I knew that I could expect this last book to deliver a happy and satisfying ending. What I didn't expect was the intricate and daring storyline of this last volume. It is bigger and broader than what has come before, and it is spectacular. ... this time the story unfolds on to a whole new level. More characters, more intrigue, greater losses, wonderful reunions. ... There's no taking the easy road here-the story opened up into unimagined dimensions to tell a tale that really is that of a hero. ..". When Women Were Warriors manages to blend mythic storytelling with characters who feel so real you could imagine stepping into the pages and having a conversation with them. A Hero's Tale skilfully weaves the questions of love, faith and fairness into a dramatic story; not only of a relationship between the main characters, but of a quest so much bigger it takes the breath away. There is everything you could wish for here - power struggles, forces for good and evil, dramatic tests of faith, daring rescues, fatal rivalry, but it is managed with such a deft hand that in the end it is all one beautiful story. What else is there to say? This is not just lesbian fiction, but a story about being human. It's not to be missed. --from a review by Kate Genet on the website, Kissed By Venus In Book III of the trilogy, Tamras must make her own hero's journey. She ventures into the unknown and encounters a more formidable enemy than any she has ever faced. Character is destiny, and the destiny of Tamras and all her people will depend upon choices that come less from the skills she has been taught than from the person she has become, from her own heart.

Most Golden State Warriors fans have attended a game at Oracle Arena, marveled at Stephen Curry's effortless shots, and remember where they were when the team won the 2015 NBA championship. But only real fans watched all 73 wins in the 2015-16 season, know where the Warriors played when they first moved to California, or can name whom the Warriors swept in the 1975 Finals. 100 Things Warriors Fans Should Know & Do Before They Die is the ultimate resource guide for true fans of Warriors basketball. Whether you're a die-hard fan from the Run TMC days or a new supporter of Curry, Klay Thompson, Draymond Green, and Kevin Durant, this book contains everything Warriors fans should know, see, and do in their lifetime. "Exiled after a battle that left all five Clans devastated, ThunderClan's deputy, Squirrelflight, reveals the identity of the fake Bramblestar and fights for the return of the real one"--
