**Andrew Wommack**

**Facing Your Giants** Max Lucado, 2013-04-29 How long has your Goliath dominated your days and pilfered your peace? Like David, you know well the presence of Goliath. Your Goliath doesn't carry a sword or shield; he brandishes blades of unemployment, abandonment, or depression. Your giant doesn't parade up and down ancient hills; he prances through your office, your bedroom, your classroom. He brings bills you can't pay, addictions you can't resist, a past you can't shake, and a future you can't face. How long has your Goliath stalked you? Invaded your first thought of the morning and last worry of the night? David knows a little something about facing giants. The shepherd boy seemingly had little to offer against the nine-foot, nine-inch Goliath. You could read his story and wonder what God saw in him. Throughout his life, David fell as often as he stood, stumbled as often as he conquered. But for those who know the threat of a Goliath, David gives this reminder: Focus on Giants—You Stumble. Focus on God—Your Giants Tumble. Are you ready to face your giant? Let David's story inspire you. The same God who helped him will help you.

**Journey of a Worshiper** Kenneth J. Is Your Destiny Calculated? Rickey Jaikaran,2012-04-27 The world is baffled and in great distress when it comes to the future. The global financial crisis has shaken the foundation of the kingdoms of the world. History has proven that men who pursued their destiny in God lived the greatest and most secured life on Earth. They were answers to crisis, and crisis enhanced their destiny. They were unstoppable! When the nation of Israel was in slavery in Egypt, Moses stepped into his destiny and brought an end to their crisis. Joseph rose up and brought an end to crisis in his generation. Your destiny has power over crisis. God has your destiny calculated. God alone knows the future. This book is to encourage you to discover and show you how to fulfill your destiny in God. It will show you: Wrong labels you are carrying lead you in the wrong direction Ignorance to spiritual blockages in your destiny can be costly and cause delay How you are impressive with your gifts but making the wrong impact How your gifts will empower you into your destiny How leadership by the Holy Ghost is the greatest leadership To be the best, you need to be with the best and learn from the best Jesus Christ Your destiny is an answer to the world. You are sent to Earth by God to be an answer. Be that answer by fulfilling your destiny.

one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Word can beat the odds then we can do it too. Lee desires to be a difference-maker, believing God isn't finished with him yet. **Don't Limit God** Andrew Wommack,2014-10-01 God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. *Inspired* Rachel Held Evans,2018-06-12 If the Bible isn't a science book or an instruction manual, what is it? What do people mean when they say the Bible is inspired? When New York Times bestselling author Rachel Held Evans found herself asking these questions, she embarked on a journey to better understand what the Bible is and how it's meant to be read. What she discovered changed her--and it can change you, too. Evans knows firsthand how a relationship with the Bible can be as real and as complicated as a relationship with a family member or close friend. In *Inspired*, Evans explores contradictions and questions from her own experiences with the Bible, including: If the Bible was supposed to explain the mysteries of life, why does it leave the reader with so many questions? What does it mean to be chosen by God? To what degree did the Holy Spirit guide the preservation of these narratives, and is there something sacred to be uncovered beneath all these human fingerprints? If the Bible has given voice to the oppressed, why is it also used as justification by their oppressors? Drawing on the best in biblical scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry, short stories, and even a short screenplay. Undaunted by the Bible's most difficult passages and unafraid to ask the hard questions, Evans wrestles through the process of doubting, imagining, and debating the mysteries surrounding Scripture. Discover alongside Evans that the Bible is not a static text, but a living, breathing, captivating, and confounding book that can equip us and inspire us

to join God's loving and redemptive work in the world.
