"Thomas Goldstone. A man of billion dollar deals in custom-tailored suits, he demands more than your best. He's scary. Driven. Haunted by inner demons that have taken him to the brink. But beneath the arrogant, controlling façade lies a heart of gold. It makes me want to solve him one growly, messy piece at a time. To be the only one who sees the truth of the man. But I'm . . . me. A pink-haired, anime-loving, data-crunching geek with an office in the basement of Goldstone HQ. My chances with the big boss? Statistically insignificant. His burning gaze and clenched jaw say otherwise though. Gives me hope and ignites a flame so hot my glasses fog up. I shouldn't mix business with pleasure. Shouldn't tempt the beast upstairs. Shouldn't keep wondering . . . Do fairy tales really come true?" --

One girl. Seven sexy demon lords with dark, sinister powers. An unexpected detour to a beautiful kingdom of roses and magic. What could possibly go wrong? My name is Alfie, a girl who is magically transported to Aurora Realm and taken in by seven, sexy demon lords who rule the kingdom of Acaedien. After I discovered that I have strong pure qi—one of the three most powerful and rare types—stirred a bit of trouble that almost led to the destruction of a whole city, and acquired myself boyfriends with dark, sinister qi, my new companions and I are now on a journey to the Wulin Kingdom for the realm's international conference. Then, of course, the unexpected happens. My body's physiology is changing, and amongst these changes is the production of qi nectar, which has an overwhelmingly sweet scent that could drive demons mad. Making a pit stop to erase the unwelcome sweet scent is top priority and we land in the Forbidden Forest, a beautiful kingdom of roses and magic. Of course, need I mention that in the background, those who hunger for my power are hot on my heels and hunting me down? Alfie and the Seven Demon Lords story is a reverse harem fantasy romance. My name is Alfie. I'm nothing special. Just your average nineteen-year-old girl doing her best at life. Then that happens. The unexpected. The impossible. The magic. When I first set foot on St. James Manor, a charming old house my parents bought and turned into a retreat for writers, I feel a sense of connection with the magical place. One night, I'm inadvertently transported to another realm. Disorientated and afraid of my new, mysterious surroundings, I'm found by two dark warrior lords. Despite having a fun and adventurous soul, I find nothing exciting as these two gorgeous warriors, Caleb and Felix, take me back to their camp and proceed to grill me about my background. When a group of bandits pursues me, and I am lost in the wild, dangerous woods, an alluring vision-in-white of a lord appears. His name is Geoffrey, and his enthralling charm fascinates me.
