Far Side The Diary

A woman trying to escape her past and the wife of a powerful diplomat become caught up in the bloodshed and greed in Nassau, Bahamas, during World War II. By the author of The Russian Concubine. Original. 40,000 first printing.

A BuzzFeed “Best Book of June 2021” From sixteen-year-old Dara McAnulty, a globally renowned figure in the youth climate activist movement, comes a memoir about loving the natural world and fighting to save it. Diary of a Young Naturalist chronicles the turning of a year in Dara’s Northern Ireland home patch. Beginning in spring—when “the sparrows dig the moss from the guttering and the air is as puffed out as the robin’s chest”—these diary entries about his connection to wildlife and the way he sees the world are vivid, evocative, and moving. As well as Dara’s intense connection to the natural world, Diary of a Young Naturalist captures his perspective as a teenager juggling exams, friendships, and a life of campaigning. We see his close-knit family, the disruptions of moving and changing schools, and the complexities of living with autism. “In writing this book,” writes Dara, “I have experienced challenges but also felt incredible joy, wonder, curiosity and excitement. In sharing this journey my hope is that people of all generations will not only understand autism a little more but also appreciate a child’s eye view on our delicate and changing biosphere.” Winner of the Wainwright Prize for UK nature writing and already sold into more than a dozen territories, Diary of a Young Naturalist is a triumphant debut from an important new voice.

Collection of cartoons based on the enormously popular, syndicated series, which ran in daily newspapers until 1995, features thirteen new cartoons along with more than 140 cartoons that have never appeared in a book form.

A young woman, An unfair father, A pair of spoil siblings, And a shrouded secret, Meet, Anora, a talented young woman who saw the demise of her beloved grandparents few months ago. The subject of abuse from her father, Anora is pursuing an advance degree. But is being forced to leave herself behind and help her siblings to get through school. In hopes to get her father’s love and the memories of her grandma, she is losing herself. When Anora tries to recollect pieces of her life in her grandma’s house, she attracts strange events. Why does her father want to keep her away from her grandma’s estate? Who is the lady in her dreams? And what secrets does her grandma’s garden hold? Walk down “The Other Side of Vine Street” with Anora, and join her on her journey to find freedom.

Distributed by the University of Nebraska Press for Caxton Press Eastern Oregon is less well known than the West of that state. The two "sides" of Oregon differ dramatically in climate and geography. But it is the people and their stories that set the east apart and which take center stage in this, another of veteran author Ralph Friedman's odes to Oregon.

A journal in recognition of the passengers whose lives were changed forever in a tragic bus-train collision and in memory of those who died. “David Gibson’s reality was altered in a moment on September 18, 2013. His eloquent and poignant requiem chronicles his efforts to re-orient himself to a world whose boundaries and reference points abruptly disappeared...he chronicles his experiences in a way that helps us understand the hidden struggle of Post-Traumatic Stress Disorder, or PTSD.” — Dr. Larry Cebulski, clinical psychologist.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the
contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

"Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review

Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Experience postwar Europe through the diary of a fascinating and witty twentieth-century writer and artist. Recording his travels in France and Switzerland, Curzio Malaparte encounters famous figures such as Cocteau and Camus and captures the fraught, restless spirit of Paris after the trauma of war. In 1947 Curzio Malaparte returned to Paris for the first time in fourteen years. In between, he had been condemned by Mussolini to five years in exile and, on release, repeatedly imprisoned. In his intervals of freedom, he had been dispatched as a journalist to the Eastern Front, and though many of his reports from the bloodlands of Poland and Ukraine were censored, his experiences there became the basis for his unclassifiable postwar masterpiece and international bestseller, Kaputt. Now, returning to the one country that had always treated him well, the one country he had always loved, he was something of a star, albeit one that shines with a dusky and disturbing light. The journal he kept while in Paris records a range of meetings with remarkable people—Jean Cocteau and a dourly unwelcoming Albert Camus among them—and is full of Malaparte’s characteristically barbed reflections on the temper of the time. It is a perfect model of ambiguous reserve as well as humorous self-exposure. There is, for example, Malaparte’s curious custom of sitting out at night and barking along with the neighborhood dogs—dogs, after all, were his only friends when in exile. The French find it puzzling, to say the least; when it comes to Switzerland, it is grounds for prosecution!

"On this the tenth anniversary of drawing The Far Side, I thought it might be time to reveal some of the background, anecdotes, foibles and "behind the scenes" experiences related to this cartoon panel. (This may or may not be of interest to anyone, but my therapist says it should do me a lot of good)"... A chronicle of The Far Side's birth and evolution complete with various mutations and annotations from readers and the author.

They seem a loud bunch of people, a socially unwanted class whose presence is not welcome almost anywhere till a wedding or childbirth happens. But try to delve deeper and you will understand how day-to-day existence is a struggle for people who weren't lucky enough to be born as fully formed males or females. Forced to live in shanties far from city limits, they don't have fixed jobs and can't even dare to live a normal life. And yet, life goes on for them despite the
hardships that they mask with garish makeup and bright saris. They are sensible like you and me - they laugh, cry and fall in love. They are just like us, in more ways than you know. You will realise all that and more when you read this touching tale. Rasaathi is the story of every aravani, of every transgender.
The saga of Johnu Benin and his family continues (circa 2052-2096) from THE OTHER SIDE OF TOMORROW, Books I & II.
More lunatic outpourings from America's bestselling cartoonist- wilder than wild, blacker than black and funny enough to be a major health hazard...
There is little in life that rocks us like the death of a husband or wife. Whether you're feeling alone, drowning under an ocean of emotions, or you've worked your way through to the darkest nights of the soul and are now wondering how to get on with your life, you'll find comfort and guidance from the authors of this book. One a clinical psychologist, the other a pastor and professor, both suffered the loss of a spouse at a relatively young age. Their empathy, valuable psychological insights, biblical observations, and male and female perspectives will help you experience your grief in the healthiest and most complete way so that you can move forward to embrace the new life that is waiting for you on the other side.
A true account of a teacher who confronted a room of "at-risk" students details their life-changing journey and includes diary excerpts
By the acclaimed journalist and bestselling author of The Rise and Fall of the Third Reich, this day-by-day, eyewitness account of the momentous events leading up to World War II in Europe is now available in a new paperback edition. CBS radio broadcaster William L. Shirer was virtually unknown in 1940 when he decided there might be a book in the diary he had kept in Europe during the 1930s—specifically those sections dealing with the collapse of the European democracies and the rise of Nazi Germany. Berlin Diary first appeared in 1941, and the timing was perfect. The energy, the passion, the electricity in it were palpable. The book was an instant success, and it became the frame of reference against which thoughtful Americans judged the rush of events in Europe. It exactly matched journalist to event: the right reporter at the right place at the right time. It stood, and still stands, as so few books have ever done—a pure act of journalistic witness.
Offers a compilation of selected cartoons from "Cows of Our Planet," "The Chickens Are Restless," and "The Curse of Madame C"
St. Ignatius Mission on the Flathead Indian Reservation in western Montana was a bustling place in the early 1890s. Each year well over three hundred Native American students attended the schools and over a thousand tribal members and Indian visitors camped at the mission for the Christmas, Easter, and St. Ignatius Day celebrations. The mission was also a training center for aspiring Jesuit priests. Here Indian students and parishioners learned useful skills and received spiritual consolation, even as the
missionaries worked to undermine valuable aspects of Salish and Kootenai culture. Documents in Zealous in All Virtues describe the schools and the student exhibitions of drama, song, oratory, and music. Although direct Indian reminiscences from the period have not survived, Zealous in All Virtues assembles government reports, newspaper accounts, St. Ignatius church records, letters from missionaries, and other sources to offer general readers and historians an intriguing glimpse into life at a nineteenth-century mission.

The Complete Far Side Leather-Bound Edition
Andrews McMeel Publishing
The seventh collection of The Far Side
The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS’s The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist--books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Ah, what would popular culture be without characters such as Lindsay Lohan and Mel Gibson, along with the pop culture--centrific media that covers them? For starters, Doug Bratton's The Deranged Stalker's Journal of Pop Culture Shock Therapy might not exist, and, well, that would be very sad indeed. Inside The Deranged Stalker's Journal of Pop Culture Shock Therapy, Bratton skewers pop culture icons ranging from Sesame Street's Bert and Ernie to Harry Potter. Fashioned as a mock-style journal whose author is just a little bit unstable, The Deranged Stalker's Journal of Pop Culture Shock Therapy lambasts the best--and worst--of popular culture, one cartoon panel at a time. From recent news headlines to celeb-inspired mockumentaries, Bratton offers a humorously skewed view of fame, popular culture, and American Idol-worship. So if you are one of the millions of people who often wonders what it would be like if a psychopath and his imaginary friend kept a journal of a funny-yet-obscure comic that will most likely never appear in your newspaper, this is certainly the book to read!

Sam's peaceful existence in his wilderness home is disrupted when his sister runs away and his pet falcon is confiscated by a conservation officer.

In spring 1918, British Lieutenant Colin Mabry receives an urgent message from a woman he once loved but thought dead. Feeling the need to redeem himself, he travels to France only to find the woman's half-sister, Johanna, who believes her sister is alive and the prisoner of a German spy. As they seek answers across Europe, danger lies at every turn.
This Exodus 3 1 Bible Verse Notebook / Journal (New International Version) makes an excellent Birthday, School, Graduation or Christmas gift for any Christian and Bible Verse Lover. It is 7x10 inches and has 109 blank pages.
The celebrated comic artist introduces a new character--a whiny, cantankerous worm whose complaints about finding a hair in his dirt leads to a hilarious memoir of his life. Reprint.
Kerry D. Soper reminds us of The Far Side's groundbreaking qualities and cultural significance in Gary Larson and "The Far Side." In the 1980s, Gary Larson (b. 1950) shook up a staid comics page by introducing a set of aesthetic devices, comedic tones, and philosophical frames that challenged and delighted many readers, even while upsetting and confusing others. His irreverent, single panels served as an alternative reality to the tame comedy of the family-friendly newspaper comics page, as well as the pervasive, button-down consumerism and conformity of the Reagan era. In this first full study of Larson's art, Soper follows the arc of the cartoonist's life and career, describing the aesthetic and comedic qualities of his work, probing the business side of his success, and exploring how The Far Side brand as a whole--with its iconic characters and accompanying set of comedic and philosophical frames--connected with its core readers. In effect, Larson reinvented his medium by creatively working within, pushing against, and often breaking past institutional, aesthetic, comedic, and philosophical parameters. Due to the comic's great success, it opened the door for additional alternative voices in comics and other popular mediums. With its intentionally awkward, minimalistic lines and its morbid humor, The Far Side expanded Americans' comedic palate and inspired up-and-coming cartoonists, comedians, and filmmakers. Soper re-creates the cultural climate and media landscape in which The Far Side first appeared and thrived, then assesses how it impacted worldviews and shaped the comedic sensibilities of a generation of cartoonists, comedy writers, and everyday fans.
First Published in 2015. Routledge is an imprint of Taylor & Francis, an informa company.

In spring 1918, Lieutenant Colin Mabry, a British soldier working with MI8 after suffering injuries on the front, receives a message by carrier pigeon. It is from Jewel Reyer, the woman he once loved and who saved his life--a woman he believed to be dead. Traveling to France to answer her urgent summons, he desperately hopes this mission will ease his guilt and restore the courage he lost on the battlefield. Colin is stunned, however, to discover the message came from Jewel's half sister, Johanna. Johanna, who works at a dovecote for French Army Intelligence, found Jewel's diary and believes her sister is alive in the custody of a German agent. With spies everywhere, Colin is skeptical of Johanna, but as they travel across France and Spain, a tentative trust begins to grow between them. When their pursuit leads them straight into the midst of a treacherous plot, danger and deception turn their search for answers into a battle for their lives.

Cartoons from BRIDE OF THE FAR SIDE, VALLEY OF THE FAR SIDE and IT CAME FROM THE FAR SIDE.

The eighth collection of The Far Side.

In June 2016, the people of the United Kingdom voted to leave the European Union. As the EU’s chief negotiator, for four years Michel Barnier had a seat at the table as the two sides thrashed out what ‘Brexit’ would really mean. The result would change Britain and Europe forever. During the 1600 days of complex and often acrimonious negotiations, Michel Barnier kept a secret diary. He recorded his private hopes and fears, and gave a blow-by-blow account as the negotiations oscillated between consensus and disagreement, transparency and lies. From Brussels to London, from Dublin to Nicosia, Michel Barnier’s secret diary lifts the lid on what really happened behind the scenes of one of the most high-stakes negotiations in modern history. The result is a unique testimony from the ultimate insider on the hidden world of Brexit and those who made it happen.

This collection of "The Far Side" cartoons is taken from "Hound of the Far Side", "The Far Side Observer" and "Night of the Crash-Test Dummies". Yet again, the author’s odd and dark sense of humour is expressed in the doings of man and beast.

The publication of this book in 1981 profoundly changed the way in which we understand the history of relations between Indigenous Australians and European settlers. Describes in meticulous and compelling detail the ways in which Aboriginal Australians responded to the arrival of Europeans.
