

Fashions Of The Roaring Twenties Coloring Book Dover Coloring Books

Step back in time with 31 pages of styles from the 1950s. Then play fashion designer by adding color to men's and women's outfits, from full skirts to cardigans and capris.

How the Prohibition law of 1920 made alcohol, savored in secret, all the more delectable when the cocktail shaker was forced to go "underground" "Roaring Twenties" America boasted famous firsts: women's right to vote, jazz music, talking motion pictures, flapper fashions, and wondrous new devices like the safety razor and the electric vacuum cleaner. The privations of the Great War were over, and Wall Street boomed. The decade opened, nonetheless, with a shock when Prohibition became the law of the land on Friday, January 16, 1920, when the Eighteenth Amendment banned "intoxicating liquors." Decades-long campaigns to demonize alcoholic beverages finally became law, and America officially went "dry." American ingenuity promptly rose to its newest challenge. The law, riddled with loopholes, let the 1920s write a new chapter in the nation's saga of spirits. Men and women spoke knowingly of the speakeasy, the bootlegger, rum-running, black ships, blind pigs, gin mills, and gallon stills. Passwords ("Oscar sent me") gave entrée to night spots and supper clubs where cocktails abounded, and bartenders became alchemists of timely new drinks like the Making Whoopee, the Petting Party, the Dance the Charleston. A new social event—the cocktail party staged in a private home—smashed the gender barrier that had long forbidden "ladies" from entering into the gentlemen-only barrooms and cafés. From the author of *Gilded Age Cocktails*, this book takes a delightful new romp through the cocktail creations of the early twentieth century, transporting readers into the glitz and (illicit) glamour of the 1920s. Spirited and richly illustrated, *Jazz Age Cocktails* dazzles with tales of temptation and temperance, and features charming cocktail recipes from the time to be recreated and enjoyed.

Fashion took a dramatic turn during the Jazz Age, and this coloring book recaptures the bobbed hairdos, cloche hats, and other daring and distinctive style hallmarks of the era. Thirty pages of fashion feature sporty and casual outfits as well as glamorous evening gowns and dresses trimmed with fringe, beading, and sequins.

These are the styles that made the Twenties roar! Thirty-one gracefully rendered and historically accurate images recapture the era's fashions, depicting flappers and the occasional sheik in all their beaded, sequined, and glittering glory. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, *Jazz Age Fashions* and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

Examines American cultural life and its influences during the nineteen twenties, covering youth culture, entertainment, food, fashion, advertising, architecture, leisure activities, and the arts.

From platform shoes and bell-bottoms to miniskirts and hot pants, to Afghans and cheesecloth fabrics, the seventies remains one of the most diverse decades in clothing history. This volume explores the many facets of this exciting topic.

Attractive couples model fashionable apparel worn from the 1860s through 1910: frock coats, trousers, top hats for the men; gowns with hoop skirts, softly draped bustles, and bloomers for the ladies. 29 black-and-white illustrations.

If you love the way they dressed in the swinging '60s, this is the coloring book for you! Thirty-one pages of vintage styles range from chic formal ensembles to cool hippie threads.

Sojourner Truth, Mary McLeod Bethune, Zora Neale Hurston, Althea Gibson, Rosa Parks, Leontyne Price, Maya Angelou, Shirley Chisholm, 8 more.

More than 100 selections of day and evening wear from full-color French catalogs produced for the international market document changes in fashion from the stock market crash to the dawn of WWII.

The full-skirted, narrow-waisted styles of the Victorian society appear in a lavish collection of 45 ready-to-color line drawings.

Lovingly adapted from vintage fashion magazines of the era. Captions.

Meet Dolly, Polly, Holly, Lolly, Jolly and Molly, new fashion paper dolls Dollys and Friends. You can begin creating your collection of paper dolls with this book which has 3 paper dolls and more than 50 outfits in 1920s styles of fashion. This book is a perfect gift for fashion historians, fashion enthusiasts, costume history lovers, paper doll collectors or anyone interested in 1920s, flapper fashions and roaring twenties style of shoes, headpieces and dresses. Please be aware that these paper dolls require careful hand cutting. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. Younger children may need the help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, Dollys and Friends are modern fashion dolls. Still, most of their wardrobe pieces are vintage fashions or period costumes. While these clothes are created after research, each outfit may not be authentic for that time period. Although there are many costumes and designer fashions for vintage themed books, it is still best to describe them as inspired by historical periods but not exact period costumes. Especially undergarments are more modern for the dolls to be used with different wardrobe choices. Every new outfit from Dollys and Friends Originals Books you will get will be wearable by these Original Dollys. Collecting these paper dolls and sharing them with children can also make fashion and history become one of their passions. Paper doll fans and children of all ages can enjoy these creations. Anyone who is cutting out these dolls and trying the outfits can have a great time with this entertaining activity whether they are fashion enthusiasts, history lovers, paper doll collectors, children or adults.

This book reveals the impact of wartime and austerity on British fashion and tells the story of how a spirit of patriotism and make-do-and-mend unleashed a wave of new creativity among women who were starved of high fashion by shortages and rationing.

Many home dressmakers copied the high-end looks, and women involved in war work created a whole new aesthetic of less formal street wear. Fashion in the 1940s also shows how the Second World War shifted the centre of the international couture scene away from Paris, allowing British designers to influence Home Front style. Afterwards Paris fashion was re-born with Dior's extravagant New Look, while casual American trends were widely adopted by young British women and men.

'There isn't a more comprehensive source to Twenties fashion that I can think of ... An absolute must for anyone interested in

Twenties fashion or art deco' Style High Club 'A source of all the styles, colours, shapes, and silhouettes of the Golden Twenties' Vogue From the glitz and glamour of the Roaring Twenties came a fashion revolution. The 1920s is a decade synonymous with social change, reflected in its groundbreaking fashions: from the daring elegance of the 'New Woman' to never-before-seen silhouettes, the styles of the Roaring Twenties still capture the imagination a century later. Sumptuously illustrated with over 500 original photographs, sketches and prints, this extensive sourcebook documents the season-by-season fashions of the Jazz Age. Follow the evolving fashion trends and uncover a fascinating analysis of the progression from haute couture to ready-to-wear in this essential handbook for all fashion historians, students and vintage enthusiasts. Authored and edited by renowned design historian, Charlotte Fiell, this volume also contains an authoritative introduction by fashion historian Emmanuelle Dirix, as well as the biographies of the key designers and fashion houses of the period.

The love affair with one of the greatest American novels ever written has just as much to do with the dazzling fashions of the 1920s as it does with great story telling. F. Scott Fitzgerald, a dapper dresser, and his wife, Zelda, a notorious flapper, experienced the high life of fashion and culture in the twenties. It was only natural for Fitzgerald to include detailed descriptions of the clothing each character in *The Great Gatsby* wore. It is in his observations of their fashion that he unveils the characters' motivations and morals that play a critical part in the novel. Fitzgerald's audience in 1925 would have understood what color a "gas blue" dress was and would have known the sound of "clicking pottery bracelets." Today's readers miss the cultural context of those fashions, until now. Debbie Sessions brings *The Great Gatsby's* jazz age alive with illustrations and historical annotations of the clothing described in the novel. Sixty images of 1920s dresses, suits, shoes, hats, hairstyles and the people who wore them are included alongside descriptions of the clothing worn in the summer of 1922, the year in which *The Great Gatsby* is set. Additional cultural insights of the life and times of the roaring twenties are blended into the annotations creating an insightful view of the '20s wealthier class.

Accurate record of actual dress of the Roaring Twenties in over 150 pages of mail-order catalogs, selected and with text by Stella Blum. Over 750 illustrations, captions.

The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, *The Great Gatsby* was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, *The Great Gatsby* is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. *The Great Gatsby* is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's *The Great Gatsby* is a classic work of American literature reimagined for modern readers. A survey of women's patterns for the 1930's, from original garments, aimed at designers, costumers, historians and re-enactors, this book includes the patterns, sketches, notes and photographs of some original and reconstructed garments.

French fashions from 1640–1775, depicted in 45 full-page black-and-white illustrations. Portraits of farmers, street vendors, and aristocrats, all with informative captions.

The 'roaring twenties' were exciting years for women's fashion. The iconic image is of the young 'flapper' dancing the night away in a sparkling dress with fringes and tassels moving to the beat of the Jazz age. But, for all women in the post-war years of the 1920s, there was a new freedom in fashion as hemlines lifted and waistlines dropped. The simplified silhouette caused a boom in home dressmaking as women with basic sewing skills used tissue paper patterns to run up a new frock in the latest style. This practical book explains the background to these years and the trends in women's fashion, before introducing a range of garments that women would typically have worn. Suzanne Rowland gives a unique and detailed account of how to make vintage 1920s clothes for women based on the dress collections at the Royal Pavilion & Museums, Brighton & Hove, and Worthing Museum and Art Gallery. Fifteen detailed projects for garments and accessories include a pair of fashionably daring beach pyjamas, the wedding dress of a bride from East Sussex, and a simple striped frock suitable for wearing at a British seaside resort. Each project includes a detailed description of the original garment with an accompanying illustration alongside photographs of the original pieces. Scaled patterns are included with a list of materials and equipment required. Step-by-step instructions and close-up photographs are given for each stage of the making process with information about the original techniques used. Superbly illustrated with 314 close-up colour photographs.

"Edwardian Fashion 1910-1920 Styles" is an adult coloring book that features 30 single sided pages of hand drawn illustrations. Fans of vintage fashion and costume dramas like *Downton Abbey* and *Titanic* will enjoy coloring these drawings. So step back in time with your markers and pencils to the elegant world of Edwardian and La Belle Epoque inspired fashions. All hand drawn with my old time dip pens and india ink. -Single sided drawings printed on medium weight white paper -Designs are suitable for markers (some pages will require a fine tip), colored pencils, and gel pens.

"No more watching from the sidelines for Twyla Nightingale: her feet are firmly on the dance floor! She won't let anyone sour the delicious taste of freedom--especially not Forrest Reynolds, back in town after all this time. Forrest didn't expect a warm welcome from the Nightingale sisters, not after their lives had been so dramatically upturned. But seeing the challenge in Twyla's eyes, Forrest takes this rebel for a wild dance she won't forget!"--Page 4 of cover.

Inspired by the elegant dresses showcased in *Godey's Lady's Book*, *Harper's Bazar*, *Ladies' Home Journal*, and other Victorian-era magazines, these 31 ready-to-color illustrations depict the well-dressed woman of the late 1800s. Lace-

edged necklines, ruffled bodices, full skirts, extravagant bustles, and more period styles will inspire fashionistas and adult colorists alike. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Victorian Gowns and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

If you purchased the Happy Birthday 1920's Fashion Coloring Book then you will find the same 1920's fashion pages in this book as well. By popular demand, many people wanted a 1920's fashion coloring book that was not for a birthday. This is for you, my wonderful fans!! You will find 1920's fashion designs that were popular just after WWI. The US entered a prosperous era as a result of its role in the war. Social customs and morals were relaxed in the optimism brought on by the end of the war and the booming of the stock market. Women had just been given the vote and record numbers of women were working outside the home. Some of these fashionable women were called "Flappers"! This book is the perfect gift for a young lady, friend, spouse or family member who has everything or who will enjoy color designing each page to their own imagination. All the black and white images features some of the most popular fashions during the 1920's era for you to color design. There are 27 illustrations, both simple and complex, for you to creatively color away, while allowing yourself to relax and regroup. Each illustration is a single-sided page on 8 1/2" x 11" paper. I hope you enjoy these beautiful, intricate images. Please email me, I would love to hear from you and see your beautiful colored pages. Enjoy! America

Fashions of the Roaring Twenties Coloring Book Courier Corporation

- European fashion meets Asian traditional clothing- A lavishly illustrated catalog on Asian textiles from the 1920s- Published to accompany an exhibition at the Baur Foundation in Geneva (details to be confirmed) European fashion was profoundly influenced in the early decades of the 20th century by the style, textiles, patterns and color combinations of Asian clothing. The discovery of the kimono, in particular, with its loose cut, fluid lines and broad range of decorations, captivated the great couturiers of the period. It enabled adventurous women in the Roaring Twenties to cast out their corsets and social straightjackets, while offering a new, daring kind of elegance with exotic overtones. From the meeting of these two sartorial cultures has sprung an exhibition and this catalog, in which the drawings of Paris fashion designers are compared with examples of contemporary East-Asian textiles from the Baur Foundation in Geneva. The wonderful garments discussed include the collections of kimonos and other Japanese clothes gifted by Sato Mariko (2008) and Sugawara Keiko (2015), as well as Chinese textiles that are the pride of the Foundation.

Dubbed "The Jazz Age" by F. Scott Fitzgerald, the 1920s were characterized as a decade of frenetic fun. In the fashion world, clothes began to lose the last vestiges of the fussy, frilly Edwardian era as they grew more svelte and "simple." This wonderful, in-depth look at the styles of the Jazz Age and the people who wore them covers the first half of the 1920s -- years that served as a prelude to "The Party of the Century," as Fitzgerald called part two of this free-wheeling decade. A combination of vintage images, professional photographs of existing garments, and period artists' illustrations vividly display clothing and accessories for men, women, and children worn from 1920 through 1924. Clothing for all occasions is featured, including evening wear, day wear, the all-important sports fashions, lingerie, and even wedding attire. Fascinating timelines place the fashions in their proper setting, describing each year's film, music, literary, and couture trends. Among the book's many highlights are rare French pochoir fashion plates and photos of authentic signed haute couture gowns by Patou and Fortuny. This informative and visually engaging book will delight fashion and history connoisseurs alike. A companion volume covers fashions from the years 1925 to 1929.

Costume designers seeking to recreate an era, collectors looking for vintage clothing, and fashion designers looking for inspiration for today's looks will all find something new here. Fashion perspectives from the mid-1920s in more than 380 beautiful images featuring hundreds of clothing styles from the catalogs of Bellas Hess & Company, and the Charles William Stores, Inc.

Get yours today!

Millions of dollars were flooding into Florida's economy in the Roaring Twenties. By 1925, real estate transactions were taking place faster than county clerks could record them. Land sales had virtually eclipsed tourism and farming as the state's source of astounding economic growth. It was no different from other frenetic manias - the people who jumped in early, and got out early, were the winners. Those late to the game were the dreamers.

Experience the excitement, style, and drama of the 1920s fashion revolution! Every aspect of women's fashion is presented in 568 color photos and its origins, effect, and particular details discussed. Changing styles during the decade are followed so that clothing can be dated to within a year or two. Briefer sections on men's and children's wear provide a thorough and comprehensive insight into the complete fashion scene.

This volume captures the essence of the fashion sections seen in the Sears, Roebuck, and other mail-order catalogs of the Roaring Twenties. Over 150 representative pages — representing more than 750 illustrations with original captions — trace the evolution of dress modes from the vogue of stodgy postwar fashions to the impact on costume of the crash of '29.

Flappers, flag-pole sitting, and the Ford Model T--these are just a few of the things that instantly conjure up a unique era--the Roaring Twenties. It was the bees' knees, the cat's meow. If you're not familiar with 1920s slang, all the more reason to read this fascinating look at that wild, exciting decade. It began on the heels of one tragedy--the flu pandemic of 1918--and ended with another: the start of the Great Depression. But in between there were plenty of good times--the Model T cars that Henry Ford made were cheap enough for the masses, the new sound of jazz heated up speakeasies and nightclubs during the time of Prohibition. Women, recently given the right to vote, cut their long hair into bobs, wore short skirts and makeup, and danced the Charleston (sometimes in marathons that lasted days). Michele Mortlock hits all the highlights of this heady age that still feels modern even a hundred years later.

Thirty-one memorable outfits range from the hippie carryovers of bell-bottom jeans, peasant blouses, and maxi dresses to mid-decade tailored blazers and pantsuits to carefree disco dresses of the late '70s.

Illustrations portray people from every class of society, from farmers to courtiers.

This book contains 24 pages of authentic vintage line drawings of 1920s ladies' fashions. Relax, de-stress and become a fashion designer as you choose attractive colour schemes for these beautiful dresses and gowns from the Jazz Age. If you like this book you will also like 'The Old Fashioned Edwardian Fashion Colouring Book', also from Montpelier Publishing.

Bring this popular outfits of the mid-twenties to life using the most-loved colors of that time: plum blue, blue lavender, Lavender, green, wild rose, black, navy and more! Both men and women fashion are included as well as traditional vintage furniture and life situations. Fashion lovers will love this collection of the most loved outfits of the twenties....
