The second edition of A Catalogue of Vocal Solos and Duets Arranged in Biblical Order serves as a companion volume to A Catalogue of Choral Music Arranged in Biblical Order (Second edition, 1996, and supplement, 2001, both published by Scarecrow Press). It is a necessary tool for the church musician to coordinate music with the scripture readings and/or the sermon topic and a valuable aid to the vocal soloist seeking a work using a particular biblical text. The work serves as a working document for the church musician, soloist, or voice teacher. Titles are arranged in the same order as found in the Bible. Each entry contains title, composer, voice range/type, and publisher information. Two indexes are also included: a title index and a composer index.

Made in Spain: Studies in Popular Music will serve as a comprehensive and rigorous introduction to the history, sociology and musicology of 20th century Spanish popular music. The volume will consist of 16 essays by leading scholars of Spanish music and will cover the major figures, styles and social contexts of pop music in Spain. Although all the contributors are Spanish, the essays will be expressly written for an international English-speaking audience. No knowledge of Spanish music or culture will be assumed. Each section will feature a brief introduction by the volume editors, while each essay will provide adequate context so readers understand why the figure or genre under discussion is of lasting significance to Spanish popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections.
