In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in

corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. From the creator of the iconic Cathy comic strip comes her first collection of funny, wise, poignant, and incredibly honest essays about being a woman in what she lovingly calls "the panini generation." As the creator of Cathy, Cathy Guisewite found her way into the hearts of readers more than forty years ago, and has been there ever since. Her hilarious and deeply relatable look at the challenges of womanhood in a changing world became a cultural touchstone for women everywhere. Now Guisewite returns with her signature wit and warmth in this essay collection about another time of big transition, when everything starts changing and disappearing without permission: aging parents, aging children, aging self stuck in the middle. With her uniquely wry and funny admissions and insights, Guisewite unearths the humor and horror of everything from

the mundane (trying to introduce her parents to TiVo and facing four decades' worth of unorganized photos) to the profound (finding a purpose post-retirement, helping parents downsize their lives, and declaring freedom from all those things that hold us back). No longer confined to the limits of four cosmic panels, Guisewite holds out her hand in prose form and becomes a reassuring companion for those on the threshold of "what happens next." Heartfelt and humane and always cathartic, *Fifty Things That Aren't My Fault* is ideal reading for mothers, daughters, and anyone who is caught somewhere in between.

All fiction is character-driven, according to William Bernhardt, despite what you might have heard elsewhere. If your characters don't interest readers, even the most exciting plots will fail. "Action is character," Aristotle wrote, but what does that mean, and how can you use that fundamental principle to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story. Using examples spanning from The Odyssey to The Da Vinci Code, Bernhardt discusses the art of character creation in a direct and easily comprehended manner. The book also includes exercises designed to help writers apply these ideas

to their own work. William Bernhardt is the author of more than thirty novels, including the blockbuster Ben Kincaid series of legal thrillers. Bernhardt is also one of the most sought-after writing instructors in the nation. His programs have educated many authors now published by major houses. He is the only person to have received the Southern Writers Gold Medal Award, the Royden B. Davis Distinguished Author Award (U Penn) and the H. Louise Cobb Distinguished Author Award (OSU), which is given "in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large." The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals. What is a red sneaker writer? A committed writer seeking useful instruction and guidance rather than obfuscation and attitude. Red sneakers get the job done, and so do red sneaker writers, by paying close attention to their art and craft, committing to hard work, and never quitting. Are you a red sneaker writer? When Vivian left town for a three-month residency, she had no idea that she'd come back to find her life turned upside

down.

The casual boyfriend who'd seemed ready to commit?
Changed his mind.

The job she'd loved so much? Gone.

The parents she'd assumed would be there for emotional support? Off on the adventure of their lives.

When she realizes that she's essentially homeless, jobless and boyfriend-less, Vivian knows something has to change. She needs to take charge.

Inspired by her aunt's idea that a girl has to kiss at least fifty frogs to find her prince, Vivian comes up with a plan: she's going to go on a series of first dates only, and each one must end in a kiss. She'll chronicle each date--the good, the bad and the downright unbelievable--and turn the stories into an in-depth magazine series about the realities of dating in the twenty-first century.

While none of the frogs she meets--and kisses--make her heart leap, there's a guy closer to home who definitely does . . . and despite the fact that Charlie always seems to catch Vivian at her most awkward and embarrassing moments, she can't help wondering if it's time to ditch the plan . . . and kiss just one more frog.

A WONDROUS NEW BOOK OF MCPHEE'S PROSE PIECES—IN MANY ASPECTS HIS MOST PERSONAL IN FOUR DECADES The brief, brilliant essay "Silk Parachute," which first appeared in The New Yorker a decade ago, has become John McPhee's most anthologized piece of writing. In the nine other pieces here—highly varied in length and theme—McPhee ranges with his characteristic humor and intensity through lacrosse, long-exposure view-camera photography, the weird foods he has sometimes been served in the course of his reportorial travels, a U.S. Open golf championship, and a season in Europe "on the chalk" from the downs and sea cliffs of England to the Maas valley in the

Netherlands and the champagne country of northern France. Some of the pieces are wholly personal. In luminous recollections of his early years, for example, he goes on outings with his mother, deliberately overturns canoes in a learning process at a summer camp, and germinates a future book while riding on a jump seat to away games as a basketball player. But each piece—on whatever theme—contains somewhere a personal aspect in which McPhee suggests why he was attracted to write about the subject, and each opens like a silk parachute, lofted skyward and suddenly blossoming with color and form.
