

## **Fight To Survive A Post Apocalyptic Thriller After The Outbreak Book 1**

How far are you willing to go to survive? Tragedy has struck. The United States has been left without power and no formidable help appears to be on the way. With the country left in shambles, many fight to survive, others struggle to restore what was lost, and some rise to power. While the world is in chaos, Levi and Amelia Jones, a morally questionable set of twins, embrace the end of the world and use every advantage around them to make the new world theirs, but nothing happens without consequence and at a cost.

The fight for survival continues. Enemy forces have unleashed an EMP over the heartland of America, causing the power grid, transportation, and communications to fail. Meanwhile, in Houston, Texas, amid the devastation from a monster hurricane, the battle for survival continues. In the aftermath of the storm, reality sets in for Will Fontenot. Life as he knew it is over. He's battered and bruised from his previous battles but more determined than ever to escape Houston. There's no other choice. Houston is a powered keg ready to blow, and it's only a matter of time before the city falls. When Will, Cayden, and Isabella are again drawn back into the enemy's plan for the nation's final destruction, they'll have to once again fight for their lives against seemingly insurmountable odds when insurgents unleash their attack on Houston. Meanwhile, Will's sister, Savannah, must pull her community together to defeat the trouble lurking in her neighborhood. She'll be tested in ways she never dreamed possible in her fight to keep her children safe. No Other Choice is the second book in the Fall of Houston

If modern society collapsed, could you survive? Captain Joel Baker has spent his entire life preparing for the worst, but he could never have prepared for the end of the world. So after an unprecedented solar storm triggers an EMP and sends the airplane he's flying careening into chaos, he has to fight to survive—and find his way back to his family. Therapist Shelby Baker's job is to help her clients manage their emotions. But when the lights go out and her husband doesn't come home to save her, Shelby must face her own demons if she's to have any hope of keeping herself and her two teenage kids alive. Ashley Jenkins is trying to rebuild her life after being discharged from the military. When her meditation retreat is interrupted by a plane crash in the nearby mountains, she can't resist the old urge to put service before self—even as the values of her fellow citizens unravel before her eyes. Does Joel have what it takes to survive long enough to reunite with his family? Can Shelby and her kids defend their home from looters and gangs? Will Ashley be able to hold it together when rules and order cease to exist? Collapse is book one in After the Blast, a post-apocalyptic thriller series detailing the lives of real people fighting to survive in the wake of a catastrophic geomagnetic storm.

Guard, things have only become worse for Roy, Josie, and Alex. Taken prisoner by the National Guard, Josie is transported to a prison camp many miles away from her family, and her only ally just may be Ben, one of the few members of the prison gang to survive the assault on the family's homestead. Meanwhile, Roy and Alex are left on their own at their homestead, but with Roy's combat injuries and Alex's badly needed medication running low, things look bleak especially when new forces begin to close in. Knowing she has to get back to her family quickly, Josie finds herself with no choice but to join forces with Ben in an attempt to escape the camp and fight their way through a ruined city filled with hostiles. But is Ben really as trustworthy as he claims, or does he have other plans up his sleeve? A Day To Fight is the second entry in The Grid Down Series, a thrilling post-apocalyptic episodic series full of action and suspense as Roy, Josie, and Alex struggle to survive following a harrowing EMP attack. Includes Part 1A: Books, Part 1B: Pamphlets, Serials and Contributions to Periodicals and Part 2: Periodicals. (Part 2: Periodicals incorporates Part 2, Volume 41, 1946, New Series)

Could you push past your limits to survive the apocalypse? After the deadliest virus known to man, law and order have collapsed. The surviving few are left to find their way among the ashes of civilization. Chaos reigns. What if your preparations weren't enough? Nick thought he was ready. He has a lodge in the mountains in New Mexico, packed full of supplies and ammo. He thought he could protect his family, but the virus took them anyway. Soon, he finds others that rely on him. With everything lost, can he find the strength in himself to go on? Could you face your greatest fears? Liz is trapped in Albuquerque. A dangerous battle rages around her, and she doesn't have long to live if she stays. The only way out is through the mountains, and there's only one man who can take her. But can she put her faith in a stranger's promise? Only

a few survived the outbreak, but that was just the beginning. Now they'll have to fight harder than ever to stay alive. Fight to Survive is Book 1 in a post-apocalyptic thriller series about people pushing past their limits as they try to survive the end of the world. Two strangers. No electricity. Even less hope. When a massive cyber breach hits every U.S. hydroelectric station just as the Gulf Coast refineries are decimated by a volatile storm, the attack knocks out the nation's entire power supply, throwing America into a deadly new dark age in the blink of an eye. For Army veteran Cash Bishop, getting back to his family before it's too late to save them becomes a fight for survival in a race against time. His only ally? A brilliant energy scientist who may be the only person still alive with more things to be afraid of than the impending apocalypse. Dr. Hannah Carter doesn't know who's after her or when she became a target. But getting captured is not an option—not that she has many. Seems the stranger she meets on her dangerous cross-country trek is the only person she can trust now to help get her home. And keep her alive. With chaos escalating and the country on the brink of collapse, Cash and Hannah need to figure out who executed the attacks on the U.S. power grid, and why these people are so willing to kill him to get to her. The DEEP STATE DOWN Series - Hard Way Home - Dark Road Back New York Times bestselling author Christa Wick (writing as Dana Fraser) brings readers a high-octane grid-down survival thriller, recommended for post-apocalypse fiction fans of SM Anderson, Kyla Stone, Mark Goodwin and Grace Hamilton. Publisher's Note: Previously released as Long Haul Home (c) 2016, a serial trilogy (Blind Spot, Down Shift, and Dead Head), re-issued with edits and updates, but no storyline changes.

When The Body Bears the Burden made its debut in 2001, it changed the way people thought

about trauma, PTSD, and the treatment of chronic stress disorders. Now in its third edition, this revered text offers a fully updated and revised analysis of the relationship between mind, body, and the processing of trauma. Here, clinicians will find detailed, thorough explorations of some of neurobiology's fundamental tenets, the connections between mind, brain, and body, and the many and varied ways that symptoms of traumatic stress become visible to those who know to look for them.

What would happen if the power grid failed? Would you be ready? Family is everything for the Conner, and they have finally reunited at Dwight's compound. Little do they know that Sheriff Murphy is after their resources. The Sheriff and the new mayor want to pillage Dwight's homestead and distribute Dwight's hard-earned and expensive stockpile to the townspeople. Meanwhile, the Conner's eldest son is helping Prue with bringing her parents back to Dwight's compound. The Conners are learning the hard way, the best way to rely on anything is to create it yourself. What is worse is when all you have worked for, for this very situation, is at risk. What cost would you defend it? When our nation is attacked, will you survive? The Conner family has finally reunited, but they are in for a worse fight than they had got to Dwight's compound. Now the real fight begins. They must protect and defend what is theirs. The apocalypse brings out the best and the worst in all of us. It is survival of the fittest at its finest. When anarchy and

chaos descend upon Dwight's compound, the Conners find themselves in the fight for their lives. The world as they once knew it completely gone in a blink of an eye. Can the Conners defend Dwight's compound? Will Liam help Prue bring her parents to safety? The Pulse is only the beginning. Forge Faith is the final installment in the post-apocalyptic thriller series by following ordinary people doing extraordinary things after the United States experiences a disaster, destroying their entire infrastructure.

In an ordinary day, a devastating event will change lives forever. Alex Reid, a U.S. Coast Guard is on the brink of divorce. On the day his wife arrives on the east coast to have him sign papers, the nation's crippled by a string of increasingly bizarre disasters. When the internet, communication and power grid goes down, and explosions erupt across America, they soon find themselves fighting to stay alive. Desperate to protect family, together they're forced to venture across a chaotic and powerless country in search of their daughter. As the world ends and panic takes hold, they must overcome more challenges than a broken marriage to survive. As Our World Ends is book one in the Cyber Apocalypse series, a post-apocalyptic survival thriller that follows a husband and wife as they fight to stay alive after an unknown attacker destroys the country and power supply.

Thomas finds himself assuming the leadership role to get his family to safety while under relentless pursuit from Lewis Butler and the Compound's militia. Meanwhile, Randall has been taken prisoner by Joe's brutal gang in the woods miles away. Alone, under constant watch, and subjected to hard physical labor, it seems his options have run out...until an unlikely opportunity presents itself with a small but possible way to escape. With life threatening danger lurking around every corner, will Thomas be able to lead his family to a safe haven and will Randall be able to escape and find them? Or will Butler and his forces catch up and will Randall's narrow window of opportunity close off on him? Either way, it's going to be a true fight for survival every step of the way. Facing The Enemy is the third entry in the EMP Brothers Series, an action-packed episodic series that follows Randall and Thomas as they struggle to survive and protect their loved ones after a devastating EMP attack. A new episode will be published every 1-2 weeks.

Everything to lose. Ready to leave the safety of Gwen  
The fight for their lives has only just begun. As the survivors finally reached higher ground, they quickly realized they wouldn't be able to relax anytime soon. They weren't alone. The torturous rain continued to fall. Skies were gray and dreary for as far as the eye can see. Each step became harder than the last but

their only choice was to continue forward in search of safety. It's every man for himself as the clock continues to tick. Will the survivors have what it takes to survive the end of the world or will they lose the battle for their lives?

The end of a powerless world will be deadly. On the cusp of a nation seeing the power grid restored since an EMP sent it into darkness seven months ago, Colby and Alicia are riding out the final days of chaos at his Grandfather's cabin in Upper Klamath Lakes, Oregon. When they discover a boy believed to be dead, the two of them find themselves at the center of a conspiracy of silence that holds answers about the blackout. As the ruthless close in and society continues to collapse, Colby enters a post-apocalyptic battleground where he vows to keep the boy safe as they seek to unravel the mystery of those who want to keep him silent. Meanwhile, in Humboldt, the newfound peace the Riker family gained through the battle of Eureka is once again disrupted. Now a fight between the Stricklands and the Rikers is inevitable, and not everyone will survive. From International Bestselling author Jack Hunt comes the final chapter in the epic end of the world saga. A Powerless World is an EMP thriller series about two ordinary families fighting for survival in a world gone dark.

Two weeks into the apocalypse, would your switch be flipped? Colt isn't a family man. As an air marshal, he doesn't have time for commitment. When his plane

emergency lands outside of Eugene, Oregon, he knows it's the beginning of the end. When he sets off on his own, he's ready to face the future alone. Rescuing a kid isn't part of his plan. When you have nothing left, can you find the will to survive? Dani's only fifteen, but she's no stranger to hardship. When the pangs of hunger drive her to the brink, Dani makes the difficult choice to steal. She knows she might get caught. She never expects a stranger to save her. The end of the world brings out the best and worst in all of us. Colt and Dani will have to fight to survive in this post-apocalyptic world. Joining forces isn't part of the plan, but desperate times call for desperate measures. With danger around every corner, will they find the strength to trust each other? Or will the past ruin any chance of seeing the future? The EMP is only the beginning. Chaos Comes is book four in the After the EMP series, a post-apocalyptic thriller series following ordinary people trying to survive after a geomagnetic storm destroys the nation's power grid. Although Chaos Comes follows the chronological events of After the EMP series, it is book one in a new trilogy featuring new characters. It can be read first.

A massive cyber-attack crippled half the nation's power grid. A super EMP took care of the rest. While a cyber-attack crippled half the nation's power grid, enemies of the United States launched a super EMP over the midwest sending the nation back to the stone age. For Raine

Chaos Series Seeking Safety Seeking Refuge Seeking Justice Seeking Hope Seeking Sanctuary (Coming soon!)

As Nuclear Winter wrapped its gloomy arms around the planet, man experienced a state of anguished misery and desolation. In order to survive, some became territorial, shunning outsiders. Those in positions of leadership wielded it like a club. While others resisted. International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide. "Masterful and suspenseful!" This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past. Nuclear winter enveloped the planet with its relentless barrage of dark, sooty air. With each passing day, more and more people died. In a desperate attempt to give people a chance to survive, some government leaders chose to marshal the assets of their community. It was a polite way of saying take from those who have and give to those who have not. Hank Albright and his family were not selfish people. However, they were survivors and they'd prepared for the worst. "Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!" What happens when an all-powerful government sets its sights on what you own? Will you willingly give away the food and necessary to keep your family alive? Or, will you fight for what is yours? For the Albright's, they stood shoulder to shoulder and declared, I would rather die on my feet than live on my knees. Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price. "I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite

## Download Ebook Fight To Survive A Post Apocalyptic Thriller After The Outbreak Book 1

possibly the best he has ever written." This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys. While they fight for survival, they trek across a rapidly deteriorating landscape wrought with danger from both the elements and their fellow man. It was not our fight, but it became our problem. "I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R." Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Everything changes in an instant when the nation's power grid fails. An EMP attack knocks planes out of the sky and turns roads into disaster zones. And that's just the first minute. The attack leaves Cade Bowman stranded a thousand miles from home and the family he holds dear. A weekend in Las Vegas turns deadly for his daughter Lily and her best friend. She knows she has to get out of the city before it's too late. But with junkies and opportunists on the hunt for easy prey, she'll have to be stronger than ever to survive. *Fight the Shock* is the first book in the heart-stopping *World in Collapse* series.

Dakota Jade wasn't planning on writing a book, but when she began to review her journals of her fight with PTSD she wanted to share her story with others. Dakota was abused as a child and at the age of thirty three she was hit with Post-Traumatic Stress Disorder. The results were crippling. Like a hamster on a wheel, the painful flashbacks and distorted thoughts raced through her mind. Referencing her pain to the speed of her hamster became Dakota's way of gauging and explaining her pain. Together with PTSD, Dakota also suffered from severe anxiety, adjustment disorder and depression. Dakota's story will be a help to supporters of

## Download Ebook Fight To Survive A Post Apocalyptic Thriller After The Outbreak Book 1

people who battle with mental illness and give insight on what dealing with mental illness means on a day to day basis. Although everyone's battle is unique, Dakota Jade's emotional story of her fight to survive gives valuable insight into life with post-traumatic stress disorder, anxiety and depression. From hospitalization to suicidal thoughts and self-harm, Taming the Hamster is a record of Dakota's fight to survive PTSD.

Four months after an EMP brought the power grid down, Landon Gray and Beth 'Bluebird' Sullivan scrambling to survive. With no power, no internet, no phones, no transportation, and over a thousand miles from his home in Castine, Maine, they set off on a perilous journey using the Appalachian Trail. But as chaos forces the worst of society into their path, they must fight to survive.

After being separated from her friends, Ros strikes out on her own. She has every intention to try and find them, if only she can locate HOME again. If she can find it, will her friends still be there or is she destined to fight to survive in this world alone? Isolation. Desperation. Survival. The fight to live continues in Finding HOME the second book in The Ravaged Land Series.

He hated the rules until the power grid failed. Tyler Ford is a tour guide, a brother, and the son of a prepper from Whitefish, Montana. Robbed of a childhood and forced to learn his father's stringent rules of survival for every kind of apocalypse, he couldn't wait to leave home, but when an EMP obliterates the United States electrical grid, takes out communication and stalls vehicles, Tyler must face the past and remember what he taught him if he hopes to make it out of Vegas alive. When chaos erupts, will you know the rules to survive? Erika Lyons just wanted an evening away from the hectic world of hotel management but she got more than she expected. There's only one thing worse than a bad date, that's relying on them to keep you

## Download Ebook Fight To Survive A Post Apocalyptic Thriller After The Outbreak Book 1

alive. Demanding guests were a challenge, desperate ones, pure hell. As food stops being delivered, vehicles clog up the streets, and society begins to unravel, sin city could be the most dangerous place in America. In a world without power, fighting to stay alive may be the only rule that matters. With no warning, no communication, and planes falling out of the sky, the Ford's may be the only ones who know what it takes to thrive. Can Tyler, and two ordinary strangers survive the perilous journey home to Montana? Can the Ford family hold it together long enough to push back the tide of violence, looters and roving gangs? And will they help the community survive as the world is thrown into darkness? Rules of Survival is book one in Survival Rules, a post-apocalyptic EMP thriller series following the Ford family and their community as they fight to survive after an EMP destroys the nation's power grid.

COULD YOU SURVIVE THE END OF CIVILISATION? What if you woke to find the electricity off, the internet down and the streets deserted? What if you were forced to run for your life, no longer top of the food chain? What if the government had no interest in keeping you alive? Those around every corner were intent on hunting you down, but you'd found a reason to struggle on, a new meaning to this life? Meet Logan. That's me. The first to believe the world had changed forever. The first to urge our friends to run. The first to kill, but not the first victim. I was the first to see for myself as nature twisted before my eyes. With death surrounding, getting ever closer, they looked to me for answers. Can Logan overcome his fears and find what it takes to get them all to safety, or will it be the end for humanity? In The End is the debut novel from GJ Stevens, a compelling apocalyptic thriller that will leave you breathless, immersing you in their fight for survival.

As a prepper, Grayson Rowan was prepared for almost anything....anything other than being

## Download Ebook Fight To Survive A Post Apocalyptic Thriller After The Outbreak Book 1

totally alone when the sh\*t hits the fan. While he sat back and watched the United States rattle swords with Korea, play chicken with Russia, and strong-arm China, he felt sure if the lights went out, that he and his family would be ready and safe-whether it was due to a natural disaster or a man-made event. They had everything they needed at their homestead. What he wasn't prepared for, was his family not being home if it ever happened. Olivia Rowan is with her sisters, Gabby and Emma, on a girls-only trip to Myrtle Beach. When chaos erupts and there's no gas, their journey home is a nightmare, filled with predators and danger-and apparently, Olivia hadn't learned a thing her husband tried to teach her. When your neighbors run out of water and turn on each other, what will you do? Jake, a country boy mechanic, never believed in TEOTWAWKI, but he'd heard his brother-in-law preach about it many times. He knew what to do; but he didn't prepare. He lazily left it all up to Grayson-he was the prepper after all. When catastrophe strikes, will he continue to keep his head stuck in the sand while his clueless neighbors destroy each other, and his wife is stuck out on the road; or will he stand up and fight like a man? And if you're alone? Bug in or Bug out? Graysie Rowan, a freshman at University, just wants to go home. When no word comes from the government, and the state capital is overrun with looters, chaos and mayhem, the college administration puts the students on lock-down. But her dad, Grayson, had prepared her for this. Now, if she can only remember what it was he said to do...If they want to survive this post-apocalyptic event, they'll all have to learn to fight like a man. The end came not with boots on the ground, nuclear weapons or an EMP. It snuck in with a quiet clatter at the back door and flipped the switch, covering the states in darkness and sending this family on three divergent paths that ultimately lead home. When they collide in this surreal and gripping family drama, it won't be without bullets and bloodshed.

## Download Ebook Fight To Survive A Post Apocalyptic Thriller After The Outbreak Book 1

Incisive insights into contemporary pop culture and its apocalyptic bent The world is going to hell. So begins this book, pointing to the prevalence of apocalypse — cataclysmic destruction and nightmarish end-of-the-world scenarios — in contemporary entertainment. In *How to Survive the Apocalypse* Robert Joustra and Alissa Wilkinson examine a number of popular stories — from the Cylons in *Battlestar Galactica* to the purging of innocence in *Game of Thrones* to the hordes of zombies in *The Walking Dead* — and argue that such apocalyptic stories reveal a lot about us here and now, about how we conceive of our life together, including some of our deepest tensions and anxieties. Besides analyzing the dystopian shift in popular culture, Joustra and Wilkinson also suggest how Christians can live faithfully and with integrity in such a cultural context.

A new colony of humans. But are they truly human? Their whole life has been one big experiment. But the relationships, the love, and the loss have been real. Surviving the wasteland was only the beginning; and meeting the Founders only brought Rhun and Jordan more questions. They

"When society begins to unravel, there's no putting it back together. Jim and the others have made it to the lake house. They have some supplies, and they're still alive. But that doesn't mean they're safe. Rationing the food is necessary, and the meager portions are beginning to take their toll. Imagining hunger and fatigue is one thing, but living it is another. Can they survive like this long term? What happens now that the hordes are fleeing the cities, looking for shelter? The lake appealed to Jim, and that means it will appeal to others. How many will invade, and how hard will they fight? Jim

## Download Ebook Fight To Survive A Post Apocalyptic Thriller After The Outbreak Book 1

knows they need to strengthen their defenses, to deal with the coming onslaught, but they're getting weaker and more desperate by the day as it is. What will it take to save them?"--page 4 of cover.

Provides insights into university partnerships with urban schools.

In an instant everything stops. No lights. No phones. No transportation. How would you get home? When coordinated EMP and Cyber attacks wipe out the nation's power grid, communications and transportation systems, ultra marathon runner, Maddie Langston is forced to run for her life. Stranded in a Chicago airport when the lights go out, Maddie is in a race against time. According to her father, she doesn't have long before the city descends into chaos. She must leave the airport before it is too late. Although she knows she must flee the Windy City, Maddie's first battle is to overcome fear of the violence she knows is coming. She's a fighter; she just doesn't know it yet. The perilous journey out of the city becomes even more difficult when Maddie takes responsibility for an orphaned ten-year-old girl. Together, they must fight to survive as chaos fills the streets and struggle to survive in a Turbulent new world. Would you have what it takes to survive? This heart-stopping post-apocalyptic thriller is the first book in T. L. Payne's Days of Want Series. Look for Hunted: Days of Want Series Book Two June 2019. For lovers of books by Jack Hunt, Bobby Akart, Kyla Stone, Chris Pike, Ryan Westfield, Harley Tate, and Mike Sheridan. Buy Now or Read for FREE in Kindle Unlimited.

Some refugees who survive wars recover and thrive; others do not. This study sets out to discover what successful survivors of the Khmer Rouge regime found instrumental for both their survival and their mental health. The aim is to contribute to the understanding of resilience, here understood as the ability to recover from misfortune or change, in order to contribute to the psychosocial rehabilitation of survivors of war crimes and other traumatic events – to discover how war-refugees may be best assisted in processes of recovery and normalisation. The resilience found here was based largely on informants' cultural and religious resources. Psychosocial guidelines for accessing clients' backgrounds are available, but health and social workers often fail to access the cultural explanatory models used by survivors in building personal and group resilience. Proposals from the project are incorporated in a cultural resilience interview scheme for the use of health and social workers wishing to conduct resilience work with war survivors.

### Fight to Survive A Post-Apocalyptic Thriller

Imagine the end of the world. Now imagine something far worse. Could you survive? After the earth shook, there was only darkness. After the fear, there was only violence. After the chaos, only disease. After the attacks, only survivors. The catastrophic event was just the beginning. When Logan and his family move from Dakota to the small town of Moab, Utah, he could have never imagined the devastating chain of events that would unfold and the unspoken danger lurking in the shadows. In a matter of days his

family and the rest of the world are thrust into the darkness of a post-apocalyptic world full of terrifying threats at every turn. Fear everyone, trust no one. Now, in a town on the brink of collapse, Logan tries to grapple with the mystery surrounding the event that's brought the country to its knees, and the arrival of a hidden threat that kills and spreads like wildfire. Joined with a ragtag group of survivors, their only hope is to run, fight and find out how to stop it before it's too late. Will humanity have what it takes to deal with the unexpected? With real people in deadly circumstances, fighting for survival, Darkest Hour is a pulse-pounding story for fans of post-apocalyptic survival thrillers.

In a dangerous world that is burning and without power, only the strong will survive. After five weeks the survivors thought the worst was behind them, they were wrong. When rumors of state safe zones are broadcast over the radio, Alex and Garcia journey north to investigate a glimmer of hope. But what they find will shatter their lives forever. Still reeling from a second attack, Danielle Gardiner uncovers more secrets about Ryan and a potential third wave. With higher stakes and even more to lose, Sophie is drawn away to assist Homeland Security in a plan that will either save the nation or destroy it. Without oversight, Liam is on a warpath seeking vengeance for the death of his friend, but with justice comes consequences, and a rash decision made in the heat of the moment could lead to the death of them all. Read the epic conclusion to the Cyber Apocalypse series and see who survives. As Our World Burns is book three of the Cyber Apocalypse series, a post-apocalyptic survival thriller that follows a
