(Guitar Collection). There has never been a collection of fingerstyle repertoire like this one. Beginning with the roots of fingerstyle and artists like Robert Johnson and Reverend Gary Davis along with works of 20th century masters like Chet Atkins and John Fahey and a legion of modern pioneers like Andy McKee and Tommy Emmanuel the sheer scope of this collection makes it a must-own for all fingerstyle guitarists. This truly one-of-a-kind book covers an expansive and eclectic variety of styles and techniques, including modern innovations like percussive gestures and two hands on the fingerboard. Over 50 artists are featured, each represented by a single, characteristic piece. All songs are shown in standard notation and tab and include special historical and performance notes, making this book an incredibly valuable tool for any student of fingerstyle guitar. Artists featured include: Chet Atkins, Pierre Bensusan, Alex de Grassi, Tommy Emmanuel, Mississippi John Hurt, Robert Johnson, Jorma Kaukonen, Adrian Legg, Andy McKee, Jerry Reed, Doc Watson, and dozens more.

Book, 2 DVDs, 1 CD & 1 DVD-rom. Features: A comprehensive, lesson-by-lesson introduction to the guitar, covering notes on all six strings; Teaches music reading, picking technique and basic music theory. Covers time signatures, note values, sharps, flats and the chromatic scale; An easy to follow Guitar method for the complete beginner; This book also has special sections on tuning, how to read sheet music and a chord chart; Includes melodies from many well-known songs in a variety of styles; A carefully graded, lesson by lessons method that assumes no prior knowledge of Music or Guitar; All guitarists should know all of the information in this book.

This book is great for acoustic guitarists who have learned the basics and are ready to take the next step. Beginning with a brief review of reading standard music notation and TAB, this book takes you further into three major areas of study: sounds, grooves and special techniques; theory and improvisation; and alternate tunings. You'll be introduced to a variety of styles including acoustic funk, New Orleans, gypsy swing, Celtic, bluegrass, Cajun and more. Master the upper positions of the guitar fingerboard as you learn major scales, triads and pentatonic scales. Greg Horne makes learning fascinating concepts easy and fun as he introduces modes and several alternate tunings.

For voice and guitar and, in part, guitar solo; in standard notation and staff tablature; includes chord symbols.

Through the study of this method you will quickly master the fingerpicking technique. It is not a simple exposition of tedious exercises but rather a course of interest and learning. It will guide you through a step by step process that will allow the execution of complete songs of average technical difficulty. Is not important that you have a high level of ability at the start. The book is designed so that even absolute beginners can learn from using it. Every aspect of the technique is explained in detail and all the fingerings and techniques used are clearly indicated. The book is divided into three levels of increasing difficulty: - The first level is for absolute beginners and in it are numerous combinations of fingerings for the right hand. - The second level introduces new incremental technical difficulties and the first simple complete songs. - In the third level some intermediate guitar techniques are explained with some songs using these techniques. The method is completely written in tablature to be readily accessible to all students, many of whom can not read music. The use of tablature will allow everyone to play the music and do the exercises very quickly. Not only beginners but also intermediate level guitarists can find, especially in the second and third levels, exercises and songs useful to refine the technique of alternating bass. Once you have completed the book you will have acquired the basic technical skills needed to approach the study of advanced level songs

If you've been inspired to begin playing fingerstyle guitar or are an experienced player wanting to enhance your knowledge, this book is the perfect place to start. authentic blues tunes, graded exercises, illustrated tips, and standard notation and tablature.

Now complete in one volume, this time-honored method addresses the six-string lap steel guitar in E7 tuning. This approach incorporates both note reading and melody-chord playing. The melody chord approach is the one utilized and made famous by New Orleans' great guitarist and teacher, Roger Filiberto. This book constitutes one of the most practical, well-written methods available for the lap steel guitar; it teaches techniques and chord harmony applicable to Hawaiian, bottleneck/slide and even resonator styles.

The incomparable Australian guitarist Tommy Emmanuel presents four fingerstyle exercises plus an arrangement of the classic tune Freight Train and two signature compositions- Mister Guitar and Dixie McGuire. This book would serve either as a reference text for one of Tommy's workshops or as a helpful guide to developing fingerstyle guitarists working on their own. All selections are written in notation and tablature for the guitar in standard tuning. A convenient chord chart is provided in the appendix. All of the selections in the book appear on the companion CD. Intermediate to advanced in difficulty, playing these tunes literally involves the thumbs of both hands! Gaining flexibility and control of your left thumb, you too can play like TE!
