A New York Times Notable Book | Lambda Literary Award Winner | Long-listed for the PEN Open Book Award “Charles Blow is the James Baldwin of our age.” — Washington Blade “[An] exquisite memoir Delicately wrought and arresting.” — New York Times Universally praised on its publication, *Fire Shut Up in My Bones* is a pioneering journalist’s indelible coming-of-age tale. Charles M. Blow’s mother was a fiercely driven woman with five sons, brass knuckles in her glove box, and a job plucking poultry at a factory near their segregated Louisiana town, where slavery’s legacy felt close. When her philandering husband finally pushed her over the edge, she fired a pistol at his fleeing back, missing every shot, thanks to “love that blurred her vision and bent the barrel.” Charles was the baby of the family, fiercely attached to his “do-right” mother. Until one day that divided his life into Before and After—the day an older cousin took advantage of the young boy. The story of how Charles escaped that world to become one of America’s most innovative and respected public figures is a stirring, redemptive journey that works its way into the deepest chambers of the heart. “Stunning . . . Every adult I have ever worked with has identified a broken, hurt or disillusioned child memory within; "The Children in my Chair." Susie had an intense phobia, Lucy was a compulsive over eater, Valerie believed women are subservient and had no voice, Noreen grew up with a lack mentality and was always broke, Erin never felt good enough, Julie believed she was unlovable, Doug was angry all the time and Katie distrusted her feelings and hide them inside. How did this happen? We are living in a world full of people living with shame, guilt, self blame, unhappiness, unworthiness, fear and obligation that was originally put upon them' unconsciously by their mentors and role models in early life. How we, as innocent children, learn about and what we come to believe about ourselves and about life are the teachings of this book. We've been conditioned! Conditioning begins with words we hear, think and speak. This book is a simple call to presence for all because everyone was once a child themselves. Take this opportunity to; recognize your own conditioning; break the chains of the past; learn what it is to be present; and learn how to consciously use words that empower, inspire, support and encourage both yourself and the children in your life now. Soulwinning is the energizing, ennobling life. We

have put into practice the truths shared in this book. For well over a half-century in more than eighty nations, we have communicated the good news publicly, out where the people are, addressing audiences of 20,000 to 300,000 people. Discover the secret, the pleasure, the exhilaration of sharing God's love in a hurting world. Experience new self-esteem. Winning others, you truly win Christ. Enriching people, your own life is enriched. -T.L. Osborn I am convinced this is the finest book that my father has yet authored. As a world evangelist, a teacher, a pastor, and a bishop, I know of no other literary work that brings such biblical focus to pastors and leaders, and such practical insight and uplifting self-esteem to Christian believers. This book has changed the world, lifting the laity from the gallery of spectators to the arena of action, revealing dignity and purpose for living. No wonder ministers call it A Classic on Biblical Christianity. -LaDonna Osborn

When Bill Mason set off alone into the wilderness in his red canoe, many people went with him, if only in their imaginations. Bill Mason was a filmmaker who gave us classics such as *Cry of the Wild* and *Paddle to the Sea*; he was author of the canoeist's bible, *Path of the Paddle*; he was the consummate outdoorsman. "No scholar of this generation has had a greater fire in his bones for communicating the word of God than Walter Brueggemann. These essays on Jeremiah exemplify his insistence that criticism should lead to interpretation, and remind us again why prophets like

Jeremiah still matter in the 21st century." - John J. Collins, Holmes Professor of Old Testament, Yale

"Like Fire in the Bones is a gift to the churches and to anyone interested in prophetic literature with its harsh rhetoric, blazing visions, and demanding yet merciful God. Jeremiah may have had fire in his bones, but Brueggemann sets fires with his pen. He shows how Jeremiah speaks into the abyss of historical catastrophe with speech that matches experience. He underlines the disputatious political character of theological speech. He reiterates Jeremiah's call to covenant loyalty even in the face of religious and government forces that suppress and silence words of life. He illuminates Jeremiah's bare-boned hope for a world in the thrall of empire and social amnesia. If ever there was need for imaginative rereading of Jeremiah and of the texts of common life, it is now. At this, Brueggemann is a master." - Kathleen M. O'Connor, William Marcellus McPheeters Professor of Old Testament, Columbia Theological Seminary

"Jeremiah, the longest book in the Bible, is neglected much too often by preacher and teacher alike. That neglect is due, in significant part, to the prophet's often-sharp words that strike too close to home, in his own generation and in ours. It is telling that the prophet Jeremiah, the focus of these essays that span much of Walter Brueggemann's prophetic ministry, has been in his head and heart for such a long time. Again and

again, Brueggemann's own words have mirrored Jeremiah to us, and the times in which we presently live could profit from hearing them again." - Terence E. Fretheim, Elva B. Lovell Professor of Old Testament, Luther Seminary

Gordon grew up in the south end of Seattle in the 1920s, where his family faced many struggles in the "New Land" to which they had moved after World War I. Geneva was raised on a small farm in Dust Bowl Kansas where faith in God was the family's greatest hope. Their adventures, escapes, and discoveries underscore these truths about their God: He is all powerful, all loving, and everywhere present.

Four hundred years after a nuclear apocalypse, all humans are born in pairs: the Alphas, and their deformed Omega twins, who are ruthlessly oppressed. But despite their claims of superiority, the Alphas cannot escape one harsh fact: Whenever one twin dies, so does the other. Following the events of *The Fire Sermon*, the Omega resistance has been brutally attacked, its members dead or in hiding. The Alpha Council's plan for permanently containing the Omegas has begun. But all is not entirely lost: the Council's seer, the Confessor, is dead, killed by her twin's sacrifice. Cass is left haunted by visions of the past, while her brother Zach's cruelty and obsession

Suspenseful and vividly imagined, *The Cold Is in Her Bones* is a novel about the dark, reverberating power of pain, the yearning to be seen and understood, and the fragile optimism of love. Glenn Hinson focuses on a single gospel program and offers a major contribution to our understanding not just of gospel but of the nature of religious experience. A key feature of African American performance is the layering of performative voices and the constant shifting of performative focus. To capture this layering, Hinson demonstrates how all the parts of the gospel program work together to shape a single whole, joining speech and song, performer and audience, testimony, prayer, preaching, and singing into a seamless and multifaceted service of worship. Personal stories ground the discussion at every turn, while experiential testimony fuels the unfolding arguments. *Fire in My Bones* is an original exploration of experience and belief in a community of African American Christians, but it is also an exploration of African American aesthetics, the study of belief, and the ethnographic enterprise.
