

First Certificate Trainer Answer Key Test 6

Practice Tests Plus offer teachers all they need to prepare their students for the Cambridge English exams. Practice Tests Plus provide authentic practice, comprehensive guidance and strategies for dealing with each exam paper.

Casper ter Kuile, a Harvard Divinity School fellow and cohost of the popular Harry Potter and the Sacred Text podcast, explores how we can nourish our souls by transforming common, everyday practices—yoga, reading, walking the dog—into sacred rituals that can heal our crisis of social isolation and struggle to find purpose—a message we need more than ever for our spiritual and emotional well-being in the age of COVID-19. “After half a decade of research and hundreds of conversations with people around the country, I am convinced we are in the midst of a paradigm shift. That what used to hold us in community no longer works, and that the spiritual offerings of yesteryear no longer help us thrive.”—Casper ter Kuile *What do Soul Cycle, gratitude journals, and tech breaks have in common?* For ter Kuile they offer rituals that create the foundation for our modern spiritual lives. We are in crisis today. Our modern technological society has left too many of us—no matter our ages—feeling isolated and bereft of purpose. Previous frameworks for building community and finding meaning no longer support us. Yet ter Kuile reveals a hopeful new message: we might not be religious, but that doesn't mean we are any less spiritual. Instead, we are in the midst of a paradigm shift in which we seek belonging and meaning in secular practices. Today, we find connection in: CrossFit and SoulCycle, which offer a sense of belonging rooted in accountability and support much like church groups Harry Potter and other beloved books that offer universal lessons Gratitude journals, which have replaced traditional prayer Tech breaks, which provide mindful moments of calm In *The Power of Ritual*, ter Kuile invites us to deepen these ordinary practices as intentional rituals that nurture connection and wellbeing. With wisdom and endearing wit, ter Kuile's call for ritual is ultimately a call to heal our loss of connection to ourselves, to others, and to our spiritual identities. *The Power of Ritual* reminds us that what we already do every day matters—and has the potential to become a powerful experience of reflection, sanctuary, and meaning.

The Teacher's Book is accompanied by a DVD-ROM with tests in both PDF and editable Word format, along with a series of teacher training videos. There is also additional photocopiable material in the Teacher's Book, with a focus on material for the Speaking test.

"Advanced Everyday English is designed in very much the same mode as the first book (*Practical Everyday English with audio CD*) in that all of the examples will contain vocabulary and expressions you have studied on earlier pages. You will also find many words from the first book, which will give you an opportunity to revise the material. In this second book there is more of what one might call "serious" vocabulary, but there are plenty of phrasal verbs and idioms as well. The book will be of particular benefit to those readers with an advanced level of English who wish to become (or who already are) interpreters, translators or teachers of English, or who simply want to be able to speak and understand English at a very high level. In addition, people who need to read English language journals or converse in English on a daily basis, either in business or for pleasure, will find it very useful."--Publisher's description.

Business Goals is a three-level course in communicative Business English. Each Student's Book provides 30 core hours of class work extendable to over 60 hours using the additional material provided. Functional language, vocabulary and grammar are introduced in manageable amounts. With a focus on listening and speaking, learners are given the opportunity to build their confidence in areas such as telephoning, ordering, networking and dealing with problems in authentic business contexts. The Business Goals Workbooks provide extra practice in all four skills and are also valuable for students preparing for the BEC examinations, with BEC-style activities and exam advice. Each Workbook comes with an audio CD and contains full transcripts of all recordings. Model answers for speaking tasks are included on the CD. An overview of how the Workbooks link to BEC exams is available on the Business Goals website.

"... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states called "zones," with each of four zones represented by a different color. In the activities, students also learn how to use strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD."--Publisher's website.
