

## First Person Plural My Life As A Multiple

INSTANT NEW YORK TIMES BESTSELLER \* One of NPR's Best Books of 2020  
"A provocative, absorbing read." — People "A feast of a read... I finished *A Good Neighborhood* in a single sitting. Yes, it's that good." —Jodi Picoult, #1 New York Times bestselling author of *Small Great Things* and *A Spark of Light*  
In *A Good Neighborhood*, Valerie Alston-Holt is raising her bright and talented biracial son, Xavier, who's headed to college in the fall. All is well until the Whitmans—a family with new money and a secretly troubled teenage daughter—raze the house and trees next door to build themselves a showplace. With little in common except a property line, these two families quickly find themselves at odds: first, over an historic oak tree in Valerie's yard, and soon after, the blossoming romance between their two teenagers. *A Good Neighborhood* asks big questions about life in America today—what does it mean to be a good neighbor? How do we live alongside each other when we don't see eye to eye?—as it explores the effects of class, race, and heartrending love in a story that's as provocative as it is powerful.

*A Good Neighborhood* is a New York Times Bestseller  
The revered New York Times bestselling author returns with a novel set in 1960s Baltimore that combines modern psychological insights with elements of classic noir, about a middle-aged housewife turned aspiring reporter who pursues the murder of a forgotten young woman. In 1966, Baltimore is a city of secrets that everyone seems to know—everyone, that is, except Madeline "Maddie" Schwartz. Last year, she was a happy, even pampered housewife. This year, she's bolted from her marriage of almost twenty years, determined to make good on her youthful ambitions to live a passionate, meaningful life. Maddie wants to matter, to leave her mark on a swiftly changing world. Drawing on her own secrets, she helps Baltimore police find a murdered girl—assistance that leads to a job at the city's afternoon newspaper, the *Star*. Working at the newspaper offers Maddie the opportunity to make her name, and she has found just the story to do it: Cleo Sherwood, a missing woman whose body was discovered in the fountain of a city park lake. If Cleo were white, every reporter in Baltimore would be clamoring to tell her story. Instead, her mysterious death receives only cursory mention in the daily newspapers, and no one cares when Maddie starts poking around in a young Black woman's life—except for Cleo's ghost, who is determined to keep her secrets and her dignity. Cleo scolds the ambitious Maddie: You're interested in my death, not my life. They're not the same thing. Maddie's investigation brings her into contact with people that used to be on the periphery of her life—a jewelry store clerk, a waitress, a rising star on the Baltimore Orioles, a patrol cop, a hardened female reporter, a lonely man in a movie theater. But for all her ambition and drive, Maddie often fails to see the people right in front of her. Her inability to look beyond her own needs will lead to tragedy and turmoil for all sorts of people—including Ferdie, the man who shares

her bed, a police officer who is risking far more than Maddie can understand. The groundbreaking first-person account of successful recovery from dissociative identity disorder, now featuring a new preface by the author When Joan Frances Casey, a married twenty-six-year-old graduate student, “awoke” on the ledge of a building ready to jump, it wasn’t the first time she couldn’t explain her whereabouts. Soon after, Lynn Wilson, an experienced psychiatric social worker, diagnosed Joan with multiple personality disorder. She prescribed a radical program of reparenting therapy to individually treat her patient’s twenty-four separate personalities. As Lynn came to know Joan’s distinct selves—Josie, the self-destructive toddler; Rusty, the motherless boy; Renee, the people pleaser—she uncovered a pattern of emotional and physical abuse that had nearly consumed a remarkable young woman. Praise for *The Flock* “A testimony to [Casey’s] courage and the dedication of her therapist, who believed that a profoundly fragmented self has the capacity to heal within a loving therapeutic relationship.”—*The New York Times Book Review* “Absolutely mesmerizing . . . the first coherent autobiographical study of its kind.”—*The Detroit News* “A compelling psychological odyssey offering unique insights into a nightmare world.”—*Kirkus Reviews* “Extraordinary . . . deftly told and studded with striking images.”—*Publishers Weekly*

The National Book Award finalist and debut novel by the bestselling author of *The Dinner Party*: "A readymade classic of the office-novel genre. . . . A truly affecting novel about work, trust, love, and loneliness." --*Seattle Times* No one knows us quite the same way as the men and women who sit beside us in department meetings and crowd the office refrigerator with their labeled yogurts. Every office is a family of sorts, and the ad agency Joshua Ferris brilliantly depicts in his debut novel is family at its strangest and best, coping with a business downturn in the time-honored way: through gossip, pranks, and increasingly frequent coffee breaks. With a demon's eye for the details that make life worth noticing, Joshua Ferris tells a true and funny story about survival in life's strangest environment--the one we pretend is normal five days a week. NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE’S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper’s Bazaar • *St. Louis Post-Dispatch* • *Publishers Weekly* When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying

to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. *My Life on the Road* is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of *Ms.* magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for *My Life on the Road* “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [*My Life on the Road*] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of *My Life* is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in *Life on the Road* offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with *Ms.* Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. *My Life on the Road* abounds with fresh insights and is as populist as can be.”—The Boston Globe

From National Book Award Finalist Joshua Ferris comes a “murderously funny” novel about a modern American family and one man's attempt to come to understand the many lives of his father. (Janet Maslin, *New York Times*)

Someone is telling the story of the life of Charlie Barnes, and it doesn't appear to be going well. Too often divorced, discontent with life's compromises and in a house he hates, this lifelong schemer and eternal romantic would like out of his present circumstances and into the American dream. But when the twin calamities of the Great Recession and a cancer scare come along to compound his troubles, his dreams dwindle further, and an infinite past full of forking paths quickly tapers to a black dot. Then, against all odds, something goes right for a change: Charlie is granted a second act. With help from his storyteller son, he surveys the facts of his life and finds his true calling where he least expects it—in

a sacrifice that redounds with selflessness and love—at last becoming the man his son always knew he could be. *A Calling for Charlie Barnes* is a profound and tender portrait of a man whose desperate need to be loved is his downfall, and a brutally funny account of how that love is ultimately earned.

“A bold, wise, magical, and authentic novel about youthful infatuation and its legacy. Hannah Pittard’s beautifully confident prose is sure to make readers look back on their own teenage years with fresh wonder.” —Vendela Vida, author of *The Lovers Already* acclaimed for her short fiction—a McSweeney’s Amanda Davis Highwire Fiction Award winner whose work was selected by Salman Rushdie for inclusion in 2008 *Best American Short Stories’ 100 Distinguished Stories*—Hannah Pittard proves herself a master of long form fiction as well with her haunting, masterfully crafted debut novel, *The Fates Will Find Their Way*. A powerful and beautiful literary masterwork reminiscent of *The Virgin Suicides*, Pittard’s *The Fates Will Find Their Way* tells the unforgettable story of a teenaged girl gone missing, and the boys she grew up with who find themselves caught in the mysterious wake of her absence for the rest of their lives.

A rare and brilliant story from Zadie Smith, taking us deep into the life of a young woman, Fatou, domestic servant to the Derawals and escapee from one set of hardships to another. Beginning and ending outside the Embassy of Cambodia, which happens to be located in Willesden, NW London, Zadie Smith's absorbing, moving and wryly observed story suggests how the apparently small things in an ordinary life always raise larger, more extraordinary questions. 'It's scale is superficially small, but its range is lightly immense; in the first couple of pages, the world from Ghana to London to Cambodia enters. It is a fiction of consequences both global and heartrenchingly intimate. This voice is global, plural and local, with a delicate grip on historic consequences..... Works on an awesomely global scale, and the relations of slavery and mastership are traced in both personal and international scale.' Philip Hensher, *The Guardian* 'Reading it is a bit like having a starter in a restaurant that is so good you wish you had ordered a big portion as a main course, only to realise, as you finish it, that it was exactly the right amount.' 'A perfect stocking-filler of a book that shows that short-form fiction can be as vibrant and as healthy as any densely realised full-length novel.' Louise Doughty, *The Observer* 'Smith serves up a smasher.' Leyla Sanai, *The Independent On Sunday*

*Social Poetics* documents the imaginative militancy and emergent solidarities of a new, insurgent working class poetry community rising up across the globe. Part autobiography, part literary criticism, part Marxist theory, *Social Poetics* presents a people’s history of the poetry workshop from the founding director of the Worker Writers School. Nowak illustrates not just what poetry means, but what it does to and for people outside traditional literary spaces, from taxi drivers to street vendors, and other workers of the world.

*Life of Pi* is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on

religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Their average age was twenty-five. They came from Berkeley, Cambridge, Paris, London and Chicago – and arrived in New Mexico ready for adventure or at least resigned to it. But hope quickly turned to hardship in the desolate military town where everything was a secret, including what their husbands were doing at the lab. They lived in barely finished houses with a P.O. Box for an address, in a town wreathed with barbed wire, all for the benefit of 'the project' that didn't exist as far as the greater world was concerned. They were constrained by the words they couldn't say out loud, the letters they couldn't send home, the freedom they didn't have. Though they were strangers, they joined together – babies were born, friendships were forged, children grew up. But then 'the project' was unleashed and even bigger challenges faced the women of Los Alamos, as they struggled with the burden of their contribution towards the creation of the most destructive force in mankind's history – the atomic bomb. Contentious, gripping and intimate, *The Wives of Los Alamos* is a personal tale of one of the most momentous events in our history.

Fleeing home from his military service in Afghanistan when his wife dies in an apparent freak household accident, Dr. Mike Scanlon struggles with the tragedy, his inability to bond with his new baby daughter and a downsizing in his medical practice only to discover a shocking secret that changes his understanding of everything. By the Edgar Award-winning author of *Come Home*. 300,000 first printing.

"Some novelists hold a mirror up to the world and some, like Haruki Murakami, use the

mirror as a portal to a universe hidden beyond it.” —The Wall Street Journal A mind-bending new collection of short stories from the internationally acclaimed Haruki Murakami. The eight stories in this new book are all told in the first person by a classic Murakami narrator. From memories of youth, meditations on music, and an ardent love of baseball, to dreamlike scenarios and invented jazz albums, together these stories challenge the boundaries between our minds and the exterior world. Occasionally, a narrator may or may not be Murakami himself. Is it memoir or fiction? The reader decides. Philosophical and mysterious, the stories in First Person Singular all touch beautifully on love and solitude, childhood and memory. . . all with a signature Murakami twist.

Do people with multiple personalities have more than one self? The first full-length philosophical study of multiple personality disorder, First Person Plural maintains that even the deeply divided multiple personality contains an underlying psychological unity. Braude updates his work in this revised edition to discuss recent empirical and conceptual developments, including the charge that clinicians induce false memories in their patients, and the professional redefinition of "multiple personality disorder" as "dissociative identity disorder."

A victim of childhood sexual abuse, now a trained psychologist, chronicles his terrifying experience with multiple personalities later in life, detailing his road to recovery. Reprint.

Originally published in hardcover in 2020 by Viking.

An award-winning novel in stories surrounding a young, half-white, half-Puerto Rican boy grappling with life, love, and identity as he comes of age. In this groundbreaking debut, Justin Torres plunges us into the chaotic heart of one family, the intense bonds of three brothers, and the mythic effects of this fierce love on the people we must become. NOW A MAJOR MOTION PICTURE “A tremendously gifted writer whose highly personal voice should excite us in much the same way that Raymond Carver’s or Jeffrey Eugenides’s voice did when we first heard it.” —Washington Post “We the Animals is a dark jewel of a book. It’s heartbreaking. It’s beautiful. It resembles no other book I’ve read.”—Michael Cunningham “A miracle in concentrated pages, you are going to read it again and again.”—Dorothy Allison “Rumbles with lyric dynamite...Torres is a savage new talent.”—Benjamin Percy, Esquire “A fiery ode to boyhood...A welterweight champ of a book.”—NPR, Weekend Edition “A novel so honest, poetic, and tough that it makes you reexamine what it means to love and to hurt.”—O, The Oprah Magazine “The communal howl of three young brothers sustains this sprint of a novel...A kind of incantation.”—The New Yorker NAMED A BEST BOOK OF 2020 BY NPR, PEOPLE, AND O, THE OPRAH MAGAZINE A NEW YORK TIMES CRITICS’ TOP BOOK OF 2020 NATIONAL BESTSELLER “As good as The Friend, if not better.” —The New York Times “Impossible to put down . . . leavened with wit and tenderness.” —People “I was dazed by the novel’s grace.” —The New Yorker The New York Times—bestselling, National Book Award—winning author of The Friend brings her singular voice to a story about the meaning of life and death, and the value of

companionship A woman describes a series of encounters she has with various people in the ordinary course of her life: an ex she runs into by chance at a public forum, an Airbnb owner unsure how to interact with her guests, a stranger who seeks help comforting his elderly mother, a friend of her youth now hospitalized with terminal cancer. In each of these people the woman finds a common need: the urge to talk about themselves and to have an audience to their experiences. The narrator orchestrates this chorus of voices for the most part as a passive listener, until one of them makes an extraordinary request, drawing her into an intense and transformative experience of her own. In *What Are You Going Through*, Nunez brings wisdom, humor, and insight to a novel about human connection and the changing nature of relationships in our times. A surprising story about empathy and the unusual ways one person can help another through hardship, her book offers a moving and provocative portrait of the way we live now.

Conjoined twins Owen and Porter Jamison, inhabiting one body with two heads, one torso, and two very different hearts, find their tentative bond threatened when Owen discovers that he is gay, which nearly destroys Porter's marriage as a complicated romantic rectangle develops. Original.

“Watching a talented writer take a risk is one of the pleasures of devoted reading, and *On Such a Full Sea* provides all that and more. . . . With *On Such a Full Sea*, [Chang-rae Lee] has found a new way to explore his old preoccupation: the oft-told tale of the desperate, betraying, lonely human heart.”—Andrew Sean Greer, *The New York Times Book Review* “I've never been a fan of grand hyperbolic declarations in book reviews, but faced with *On Such a Full Sea*, I have no choice but to ask: Who is a greater novelist than Chang-rae Lee today?”—Porochista Khakpour, *The Los Angeles Times* From the beloved award-winning author of *Native Speaker*, *The Surrendered*, and *My Year Abroad*, a highly provocative, deeply affecting story of one woman's legendary quest in a shocking, future America. *On Such a Full Sea* takes Chang-rae Lee's elegance of prose, his masterly storytelling, and his long-standing interests in identity, culture, work, and love, and lifts them to a new plane. Stepping from the realistic and historical territories of his previous work, Lee brings us into a world created from scratch. Against a vividly imagined future America, Lee tells a stunning, surprising, and riveting story that will change the way readers think about the world they live in. In a future, long-declining America, society is strictly stratified by class. Long-abandoned urban neighborhoods have been repurposed as highwalled, self-contained labor colonies. And the members of the labor class—descendants of those brought over en masse many years earlier from environmentally ruined provincial China—find purpose and identity in their work to provide pristine produce and fish to the small, elite, satellite charter villages that ring the labor settlement. In this world lives Fan, a female fish-tank diver, who leaves her home in the B-Mor settlement (once known as Baltimore), when the man she loves mysteriously disappears. Fan's journey to find him takes her out

of the safety of B-Mor, through the anarchic Open Counties, where crime is rampant with scant governmental oversight, and to a faraway charter village, in a quest that will soon become legend to those she left behind.

First published in 1938, 'Anthem' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.

In the tradition of "Sybil" and "When Rabbit Howls", a gripping account of one man's heroic efforts to cope with Dissociative Identity Disorder. Line drawings.

It was the 1950s, a time of calm, a time when all things were new and everything seemed possible. A few years before, a noble war had been won, and now life had returned to normal. For one little boy, however, life had become anything but "normal." To all appearances, he and his family lived an almost idyllic life. The father was a respected professor, the mother a witty and elegant lady, someone everyone loved. They were parents to three bright, smiling children: two boys and a girl. They lived on a sunny street in a small college town nestled neatly in a leafy valley. They gave parties, hosted picnics, went to church—just like their neighbors. To all appearances, their life seemed ideal. But it was, in fact, all appearances. Lineage, tradition, making the right impression—these were matters of great importance, especially to the mother. But behind the facade this family had created lurked secrets so dark, so painful for this one little boy, that his life would never be the same. It is through the eyes of that boy—a grown man now, revisiting that time—that we see this seemingly serene world and watch as it slowly comes completely and irrevocably undone. Beautifully written, often humorous, sometimes sweet, ultimately shocking, this is a son's story of looking back with both love and anger at the parents who gave him life and then robbed him of it, who created his world and then destroyed it. As author Lee Smith, who knew this world and this family, observed, "Alcohol may be the real villain in this pain-permeated, exquisitely written memoir of childhood—but it is also filled with absolutely dead-on social commentary of this very particular time and place. A brave, haunting, riveting book."

NEW YORK TIMES BESTSELLER • "Driving, wild and hilarious" (The Washington Post), here is the incredible "memoir" of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre "one step below instruction manuals." Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, "Call it anything you damn like."

Kim Noble is an accomplished artist whose work has been exhibited around the world. She is a mother with a teenage daughter. She is a bubbly and vivacious woman. To meet her you wouldn't think anything was wrong. But when Kim was younger than five years old, her personality splintered and fractured. In 1995 she was finally diagnosed with Dissociative Identity Disorder (DID) which has been described as a creative way to cope with unbearable pain. Now her body plays host to more than 20 different personalities, or 'alters'. There are women and men, adults and children; there is a scared little boy who speaks only Latin, an elective mute, a gay man and an anorexic teenager. Some alters age with her body; others are stuck in time. ALL OF ME takes the reader through the extraordinary world of a woman for whom the very nature of reality is different. It will tell of her terrifying battles to understand her own mind; of her desperate struggle against all odds to win back the child she loved; and of her courage and commitment in trying to make sense of her life. It is by turns shocking,

inspiring, sometimes funny, and deeply moving.

An achingly beautiful story of female friendship, betrayal, and a mysterious disappearance set in the changing landscape of San Francisco Teenage Eulabee and her magnetic best friend, Maria Fabiola, own the streets of Sea Cliff, their foggy oceanside San Francisco neighborhood. They know Sea Cliff's homes and beaches, its hidden corners and eccentric characters—as well as the upscale all-girls' school they attend. One day, walking to school with friends, they witness a horrible act—or do they? Eulabee and Maria Fabiola vehemently disagree on what happened, and their rupture is followed by Maria Fabiola's sudden disappearance—a potential kidnapping that shakes the quiet community and threatens to expose unspoken truths. Suspenseful and poignant, *We Run the Tides* is Vendela Vida's masterful portrait of an inimitable place on the brink of radical transformation. Pre-tech boom San Francisco finds its mirror in the changing lives of the teenage girls at the center of this story of innocence lost, the pain of too much freedom, and the struggle to find one's authentic self. Told with a gimlet eye and great warmth, *We Run the Tides* is both a gripping mystery and a tribute to the wonders of youth, in all its beauty and confusion.

**FINALIST FOR THE NATIONAL BOOK AWARD FOR NONFICTION** This evocative memoir of food and family history is "somehow both mouthwatering and heartbreaking... [and] a potent personal history" (Shelf Awareness). Grace M. Cho grew up as the daughter of a white American merchant marine and the Korean bar hostess he met abroad. They were one of few immigrants in a xenophobic small town during the Cold War, where identity was politicized by everyday details—language, cultural references, memories, and food. When Grace was fifteen, her dynamic mother experienced the onset of schizophrenia, a condition that would continue and evolve for the rest of her life. Part food memoir, part sociological investigation, *Tastes Like War* is a hybrid text about a daughter's search through intimate and global history for the roots of her mother's schizophrenia. In her mother's final years, Grace learned to cook dishes from her parent's childhood in order to invite the past into the present, and to hold space for her mother's multiple voices at the table. And through careful listening over these shared meals, Grace discovered not only the things that broke the brilliant, complicated woman who raised her—but also the things that kept her alive. "An exquisite commemoration and a potent reclamation." —Booklist (starred review) "A wrenching, powerful account of the long-term effects of the immigrant experience." —Kirkus Reviews

First published in 1993, *The Virgin Suicides* announced the arrival of a major new American novelist. In a quiet suburb of Detroit, the five Lisbon sisters—beautiful, eccentric, and obsessively watched by the neighborhood boys—commit suicide one by one over the course of a single year. As the boys observe them from afar, transfixed, they piece together the mystery of the family's fatal melancholy, in this hypnotic and unforgettable novel of adolescent love, disquiet, and death. Jeffrey Eugenides evokes the emotions of youth with haunting sensitivity and dark humor and creates a coming-of-age story unlike any of our time. Adapted into a critically acclaimed film by Sofia Coppola, *The Virgin Suicides* is a modern classic, a lyrical and timeless tale of sex and suicide that transforms and mythologizes suburban middle-American life.

No one has written more feelingly and more beautifully than Nescio about the madness and sadness, courage and vulnerability of youth: its big plans and vague longings, not to mention the binges, crashes, and marathon walks and talks. No one, for that matter, has written with such pristine clarity about the radiating canals of Amsterdam and the cloud-swept landscape of the Netherlands. Who was Nescio? Nescio—Latin for "I don't know"—was the pen name of J.H.F. Grönloh, the highly successful director of the Holland-Bombay Trading Company and a father of four—someone who knew more than enough about respectable maturity. Only in his spare time and under the cover of a pseudonym, as if commemorating a lost self, did he let himself go, producing over the course of his lifetime a handful of utterly original stories that

contain some of the most luminous pages in modern literature. This is the first English translation of Nescio's stories.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

First Person Plural My Life As a Multiple Hyperion

By the first day of kindergarten, Olga Trujillo had already survived years of abuse and violent rape at the hands of her tyrannical father. Over the next ten years, she would develop the ability to numb herself to the constant abuse by splitting into distinct mental “parts.” Dissociative identity disorder (DID) had begun to take hold, protecting Olga's mind from the tragic realities of her childhood. In *The Sum of My Parts*, Olga reveals her life story for the first time, chronicling her heroic journey from survivor to advocate and her remarkable recovery from DID. Formerly known as multiple personality disorder, DID is defined by the presence of two or more identities. In this riveting story, Olga struggles to unearth memories from her childhood, and parallel identities—Olga at five years old, Olga at thirteen—come forth and demand to be healed. This brave, unforgettable memoir charts the author's triumph over the most devastating conditions and will inspire anyone whose life has been affected by trauma.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied

her larger-than-life presence—a presence absent during much of Angelou’s early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call “Lady,” revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life’s most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou’s rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* “*Mom & Me & Mom* is delivered with Angelou’s trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou’s forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible.”—*The Washington Post* “Moving . . . a remarkable portrait of two courageous souls.”—*People* “[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou’s spectacular canon.”—*Elle* “Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman.”—*Essence*

From E. Lockhart, author of the *New York Times* bestseller and Zoella Book Club 2016 title, *We Were Liars*, comes this hilarious and heart-warming series. Yes. *Boyfriends*, *Plural*. If *My Life Weren't Complicated*, *I Wouldn't Be Ruby Oliver*

From E. Lockhart, author of the best-seller *We Were Liars*, and the highly-acclaimed *The Disreputable History of Frankie Landau-Banks*, comes this hilarious and heart-warming series. Ruby Oliver is in love. Or it would be love, if Noel, her real live boyfriend, would call her back. Not only is her romantic life a shambles: \* her dad is eating nothing but Cheetos \* her mother's got a piglet head in the refrigerator \* Hutch has gone to Paris to play baguette air guitar \* Gideon shows up shirtless \* and the pygmy goat Robespierre is no help whatsoever Will Ruby ever control her panic attacks? Will she ever understand boys? Will she ever stop making lists? (No to that last one.) Ruby has lost most of her friends. She's lost her true love, more than once. She's lost her job, her reputation, and possibly her mind. But she's never lost her sense of humour. The Ruby Oliver books are the record of her survival.

Shortlisted for the Man Booker Prize, this big, brilliant, profoundly observed novel by National Book Award Finalist Joshua Ferris explores the absurdities of modern life and one man's search for meaning. Paul O'Rourke is a man made of contradictions: he loves the world, but doesn't know how to live in it. He's a Luddite addicted to his iPhone, a dentist with a nicotine habit, a rabid Red Sox fan devastated by their victories, and an atheist not quite willing to let go of God.

Then someone begins to impersonate Paul online, and he watches in horror as a website, a Facebook page, and a Twitter account are created in his name. What begins as an outrageous violation of his privacy soon becomes something more soul-frightening: the possibility that the online "Paul" might be a better version of the real thing. As Paul's quest to learn why his identity has been stolen deepens, he is forced to confront his troubled past and his uncertain future in a life disturbingly split between the real and the virtual. At once laugh-out-loud funny about the absurdities of the modern world, and indelibly profound about the eternal questions of the meaning of life, love and truth, *TO RISE AGAIN AT A DECENT HOUR* is a deeply moving and constantly surprising tour de force. Using in-depth case studies to explore how we grapple with compulsion in ourselves and those we love, *Can't Just Stop* examines the science behind both mild and extreme compulsive behavior—"a fascinating read about human behavior and how it can go haywire" (The Charlotte Observer). Whether shopping with military precision or hanging the tea towels just so, compulsion is something most of us have witnessed in daily life. But compulsions exist along a broad continuum and, at the opposite end of these mild forms, exist life-altering disorders. Sharon Begley's meticulously researched book is the first to examine all of these behaviors together—from obsessive-compulsive disorder (OCD) to hoarding, to compulsive exercise, even compulsions to do good. They may look profoundly different, but these behaviors are all ways of coping with varying degrees of anxiety. Sharing personal stories from dozens of interviewees, "Begley combines a personal topic with thoughtfulness and sensitivity" (Library Journal) and gives meaningful context to their plight. Along the way she explores the role of compulsion in our fast-paced culture, the brain science behind it, and strange manifestations of the behavior throughout history. *Can't Just Stop* makes compulsion comprehensible and accessible, with "fresh insight that could fundamentally alter how we think of, and treat, mental illness going forward" (Publishers Weekly).

**NATIONAL BESTSELLER • National Book Award Finalist • Winner of the PEN/Faulkner Award** The acclaimed author of *When the Emperor Was Divine* tells the story of a group of young women brought from Japan to San Francisco as "picture brides" a century ago in this "understated masterpiece ... that unfolds with great emotional power" (San Francisco Chronicle). In eight unforgettable sections, *The Buddha in the Attic* traces the extraordinary lives of these women, from their arduous journeys by boat, to their arrival in San Francisco and their tremulous first nights as new wives; from their experiences raising children who would later reject their culture and language, to the deracinating arrival of war. Julie Otsuka has written a spellbinding novel about identity and loyalty, and what it means to be an American in uncertain times. Don't miss Julie Otsuka's new novel, *The Swimmers*, coming in February 2022!

"A gorgeous debut" (Lauren Groff) from Dantiel W. Moniz, one of the most exciting discoveries in today's literary landscape, *Milk Blood Heat* depicts the

sultry lives of Floridians in intergenerational tales that contemplate human connection, race, womanhood, inheritance, and the elemental darkness in us all. A livewire debut from Dantiel W. Moniz, one of the most exciting discoveries in today's literary landscape, *Milk Blood Heat* depicts the sultry lives of Floridians in intergenerational tales that contemplate human connection, race, womanhood, inheritance, and the elemental darkness in us all. Set among the cities and suburbs of Florida, each story delves into the ordinary worlds of young girls, women, and men who find themselves confronted by extraordinary moments of violent personal reckoning. These intimate portraits of people and relationships scour and soothe and blast a light on the nature of family, faith, forgiveness, consumption, and what we may, or may not, owe one another. A thirteen-year-old meditates on her sadness and the difference between herself and her white best friend when an unexpected tragedy occurs; a woman recovering from a miscarriage finds herself unable to let go of her daughter—whose body parts she sees throughout her daily life; a teenager resists her family's church and is accused of courting the devil; servers at a supper club cater to the insatiable cravings of their wealthy clientele; and two estranged siblings take a road-trip with their father's ashes and are forced to face the troubling reality of how he continues to shape them. Wise and subversive, spiritual and seductive, *Milk Blood Heat* forms an ouroboros of stories that bewitch with their truth, announcing the arrival of a bright new literary star.
