Vocabulary represents one of the essential skills necessary for teaching and learning a foreign language. It is the basis for developing all the other skills: reading comprehension, listening comprehension, speaking, writing, spelling, and pronunciation. Vocabulary is the primary tool for the students in their attempt to use English effectively. When confronted with a native English speaker, when watching a movie without subtitles or when listening to a favorite English song, when reading a text, or when writing a letter to a friend, students will always need to operate with words. This book is a great educational learning tool for your kids to play games and learn new essential words simultaneously. You can see your child's reading improvement!

Specially designed to meet the needs and interests of children starting to read on their own, the First Word Search series turns learning into an entertaining game. While they're playing, kids will master more and more new words and sounds; they can bring that new knowledge to books and to school. Phonics Word Search goes through such letter patterns as ai (braid, stain, trait); bl (blab, bleak, blizzard); the long ea (eager, peanut), and many others. Each search has a word list, so if the child isn't yet familiar with the vocabulary, he or she can still look for it in the grid--and then find out what it means.

Support your kids in becoming confident readers by helping them master high frequency words! Sight words are words that occur frequently enough in written language that a child should recognize them automatically on sight. Another characteristic that makes many sight words special is that they don't follow the rules of phonics. For these reasons, mastering sight words is of great importance for boosting your child's reading confidence and future success. Word search puzzles provide a powerful tool to review and reinforce high frequency words. The process of search and recognition of letters and words allows children to build their literacy skills in a fun and easy way. Lowercase letters. Since most of the words children encounter in reading materials are made up of lowercase letters, literacy experts recommend teaching sight words using lowercase. 50 word search puzzles with over 170 Dolch sight words for preschool, kindergarten, first grade and second grade. Word placement (horizontal and vertical, no diagonal or backwards) facilitates the learning process. Answers can be found at the back of the book.
