**Five Yards of Time/Πέντε Μέτρα Χρόνου** ,2020-05-12 Bilingual English-Greek Children's Book What happens if the world unexpectedly stands still for a moment? If, just like that, you are given a bit of time by sheer luck? This is exactly what happens in one of the biggest and busiest cities of the world, as a small snail crosses the street and makes traffic stop for half a day. A book about things that you always wanted to do but never had the time for. Reviews charming-Kirkus Reviews A proposal to improve the world-Westfälische Nachrichten humorous-Ehrensens interesting not just in its story or its message, but also in how it delivers that message. The colors and backgrounds have a rich sense of texture, unlike the majority of children's books.-ForeWord Clarion Reviews fabulous-Spiegel Online A creative bedtime story, which is also suitable for stressed adults. [...] In the bustle of the city, the animals seize the moment and become aware of how beautiful life can be without stress and hustle.-Designers in Action sets out to demonstrate what can happen when we're true to ourselves, when we seize our day, when we live in the present, when we actually feel and enjoy the weather, when we are spontaneous, when we break from routine, when we defy expectation, and how these rather small acts of joy can inspire others-Amazon.com Customer Review beautiful-Geizkragen The story of a little snail who triggers big changes.-Münstersche Zeitung Please note: This book is a bilingual picture book with a 1:1 translation created by human translators (see translator's credits for details).
