"A Cultural History of Education' is the first comprehensive and interdisciplinary overview of the cultural history of education from ancient times to the present day. With six illustrated volumes covering 2800 years of human history, this is the definitive reference work on the subject. Each volume adopts the same thematic structure, covering: church, religion and morality; knowledge, media and communications; children and childhood; family, community and sociability; learners and learning; teachers and teaching; literacies; life-histories. This enables readers to trace one theme throughout history, as well as providing them with a thorough overview of each individual period" --

On the eve of his thirtieth birthday, Miguel Santos leaves his high-powered life behind for a visit to the small town he grew up in... and the high school sweetheart whose wild passion he's never stopped craving. Faith Bennett loved Miguel the moment she saw him. But she always knew his future was in New York, while hers was tied to the auto shop that was her close-knit family's

livelihood. Pushing him away nearly broke her, but when he took her heart with him, he left something precious behind. Now he's back, demanding her body, her desire, her very soul as retribution for the pain he still carries. He won't settle for anything less than everything she's got, but she still can't leave with him and he still can't stay, and their past has secrets too explosive to share.

International Police Cooperation combines the efforts of leading practitioners and academics in criminology to address the challenges of such persistent international problems as organized crime and illegal immigration. Employing an innovative cross-cultural and comparative methodology, editors Daniel J. Koenig and Dilip K. Das and their eminent contributors present invaluable information for students of criminology and sociology which will fill a long-felt gap in the literature on policing.

Father Goriot is one of French novelist Honore de Balzac's most important pieces of writing. Three lives intertwine in Paris: an old man, a criminal and a law student. The novel evokes an unstable period in France, when many were desperate to climb the social ladder into the upper classes, and it questions social institutions such as marriage. The city is an important presence in this work.

Balzac was both praised and censured for his realistic portrayal of city life.
