As the number of available priests has declined, the Sunday Mass is becoming less and less available in some parishes and dioceses. Sunday Celebrations in the Absence of a Priest addresses this growing reality by providing the appropriate ritual to be used in the celebrating community. This revised ritual edition of Sunday Celebrations in the Absence of a Priest is fully bilingual, with Spanish and English printed side by side. It includes Morning Prayer, Evening Prayer, and two appendices, Directory for Sunday Celebrations in the Absence of a Priest and Gathered in Steadfast Faith. This beautifully bound ritual book includes three ribbons and is printed in two colors. It will be a welcome addition to the sacristy or library of every parish, school, convent, and religious house.

This book is the fascinating account of a family that took seriously the challenge to follow Christ... and to overtake Him. With warmth and realism, Venerable Tescelin, Blesseds Alice, Guy, Gerard, Humbeline, Andrew, Bartholomew, Nivard and St. Bernard step off these pages with the engaging naturalness that attracts imitation. Here is a book that makes centuries disappear, as each member of this unique family becomes an inspiration in our own quest of overtaking Christ. One of the Biggest figures in this book is Bernard of Clairvaux. He was called the man of his age, the voice of his century. His influence towered above that of his contemporaries, and his sanctity moved God Himself. Men flocked to him—some in wonder, others in curiosity, but all drawn by the magnetism of his spiritual giant hood. Bernard—who or what fashioned him to be suitable for his role of counseling Popes, healing schisms, battling errors and filling the world with holy religious and profound spiritual doctrine? Undoubtedly, Bernard is the product of God's grace. But it is hard to say whether this grace is more evident in Bernard himself or in the extraordinary family in which God chose to situate this dynamic personality.

El Acontecimiento Guadalupano está íntimamente unido al proceso histórico de la formación de la conciencia católica en el continente americano. Casi 500 años después de aquel 1531, fecha del «encuentro de la Virgen de Guadalupe y Juan Diego», el Acontecimiento Guadalupano continúa siendo un hecho eficaz hoy, en cada uno de sus elementos y de sus personajes, incluso con la fuerza y debilidades de los antiguos personajes. Los documentos antiguos, empezando por el Nican Mopoha, han llamado al indio Juan Diego «el mensajero de Santa María»; él, a pesar de haber estado en la penumbra de los documentos históricos, continúa cumpliendo con su misión. Por ello el papa Juan Pablo II lo canonizó el 31 de julio de 2002, proponiéndolo como «evangelista y profeta» de aquel Acontecimiento, el Guadalupano, que está en el origen del proceso histórico evangelizador del Nuevo Mundo.

In the words of Michael Laitman, "It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any act; without some personal gain, people are not prepared to extend themselves. That is why a quality such as altruism can only be imparted to a person from Above, and only those who have experienced it can understand it." Attaining The Worlds Beyond is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of their soul.

We are living through the consequences of a linguistic revolution. Dramatic linguistic change has left us at the beginning of a new era in the evolution of human language, with repercussions for many individual languages. In this book, David Crystal, one of the world's authorities on language, brings together for the first time the three major trends which he argues have fundamentally altered the world's linguistic ecology: first, the emergence of English as the world's first truly global language; second, the crisis facing huge numbers of languages which are currently endangered or dying; and, third, the radical effect on language of the arrival of Internet technology. Examining the interrelationships between these topics, Crystal encounters a vision of a linguistic future which is radically different from what has existed in the past, and which will make us revise many cherished concepts relating to the way we think about and work with languages. Everyone is affected by this linguistic revolution. The Language Revolution will be essential reading for anyone interested in language and communication in the twenty-first century.

Translated with Introduction and Notes by Richard Cusimano and Eric Whitmore Suger, the twelfth century abbot of Saint-Denis, has not received the respect and attention that he deserves. Bernard of Clairvaux and Peter the Venerable have garnered more attention, and students of medieval history know their names well. In one respect, however, Suger has earned due praise, for his architectural innovations to the church of Saint-Denis made it truly one of the most beautiful churches in Europe. Students of history and architecture know Suger best for his work on Saint-Denis, the burial site of medieval French kings, queens, and nobility. The abbot enlarged, decorated, improved, and redesigned the building so beautifully that it is safe to say that he became the foremost church architect of twelfth-century France. The man, however, was so much more than an architect. He served as a counselor and member of the courts of King Louis VI and VII, who sent him across Europe on diplomatic missions. He represented those kings at the papal curia and imperial diets. He was also a close friend and

confidante of King Henry I of England, whom he often visited on behalf of French royal interests. Never shy, Suger seems almost obsessed that his works and deeds not be forgotten. He acquired numerous properties and estates for his abbey, as well as improved the ones it already possessed. He built new buildings, barns, walls for villages, and increased the return of grain from all the abbey's lands. Readers interested in the medieval agricultural system and way of life will also enjoy these texts. Suger's texts also provide a wealth of information about the events of his era as well as a large amount of biographical material on his accomplishments. This translation of his writings intends to enhance his reputation and make his name better known by students at all levels and among those interested in medieval topics.

The most important figure of seventeenth-century Neapolitan music, Francesco Provenzale (1624-1704) spent his long life in the service of a number of Neapolitan conservatories and churches, culminating in his appointment as maestro of the Tesoro di S. Gennaro and the Real Cappella. Provenzale was successful in generating significant profit from a range of musical activities promoted by him with the participation of his pupils and trusted collaborators. Dinko Fabris draws on newly discovered archival documents to reconstruct the career of a musician who became the leader of his musical world, despite his relatively small musical output. The book examines Provenzale's surviving works alongside those of his most important Neapolitan

contemporaries (Raimo Di Bartolo, Sabino, Salvatore and Caresana) and pupils (Fago, Greco, Veneziano and many others), revealing both stylistic similarities and differences, particularly in terms of new harmonic practices and the use of Neapolitan language in opera. Fabris provides both a life and works study of Provenzale and a conspectus of Neapolitan musical life of the seventeenth century which so clearly laid the groundwork for Naples' later status as one of the great musical capitals of Europe.
