

Football School Season 2 Where Football Explains The World

Fabulous piece of writing. It is really quite astounding that Machen is largely forgotten as a writer. In *The Secret Glory*, I particularly loved Machen's satirical social comments about the class system, Christian hypocrisy and the sadistic puritanism of English Public Schools. This isn't always an easy book to read but it is very rewarding, and after reading, like the best literary works, carves out a place for itself in one's psyche. (M.J. Johnson)

Brody Jackson lives and breathes football as a wide receiver for an arena team. Focused on his aspirations to make the NFL, he's blindsided by the love that intercepts his plans during the first game of the season. Possessing all the skills and talent to be the best at his game, Brody isn't properly equipped for the playing field of romance. It's going to take all he's got to score a touchdown with love instead of fumbling his chance at winning one sweet girl's heart. Successful in business but woefully inept when it comes to men, Haven Haggarty has much to learn. Coached by her outgoing cousin how to pass and receive in the game of love, Haven keeps coming up short of the goal line. Falling for the local arena football team's handsome wide receiver, Haven realizes she needs to tackle her fears or lose a future with the man of her dreams. Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.
