In a stunning follow-up to his much-heralded masterpiece, *Kalooki Nights*, acclaimed author Howard Jacobson has turned his mordant and uncanny sights on Felix Quinn, a rare-book dealer living in London, whose wife Marisa is unfaithful to him. All husbands, Felix maintains, secretly want their wives to be unfaithful to them. Felix hasn't always thought this way. From the moment of his first boyhood rejection, surviving the shattering effects of love and jealousy had been the study of his life. But while he is honeymooning with Marisa in Florida an event occurs that changes everything. In a moment, he goes from dreading the thought of someone else's hands on the woman he loves to thinking about nothing else. Enter Marius into Marisa's affections. And now Felix must wonder if he really is a happy man. *The Act of Love* is a haunting novel of love and jealousy, with stylish prose that crackles and razor-sharp dialogue, praised by the *London Times* as "darkly transgressive, as savage in its brilliance, as anything Jacobson has written." It is a startlingly perceptive, subtle portrait of a marriage and an excruciatingly honest, provocative exploration of sexual obsession.

A haunting examination of groupthink and mass hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —*New York Post*

"To love is to act"-- "Aimer, c'est agir." These words, which Victor Hugo wrote three days before he died, epitomize his life's philosophy. His love of freedom, democracy, and all people--especially the poor and wretched--drove him not only to write his epic *Les Misérables* but also to follow his conscience. We have much to learn from Hugo, who battled for justice, lobbied against slavery and the death penalty, and fought for the rights of women and children. In a series of essays that interweave Hugo's life with *Les Misérables* and point to the novel's

### PSYCHOLOGY/POP PSYCHOLOGY

“Doctor Zhivago . . . Anna Karenina . . . A Hero of Our Time . . . The People’s Act of Love will remind you of all these books . . . Magnificent” (The Washington Post Book World). Set in a time of great social upheaval, warfare, and terrorism, and against a stark, lawless Siberia at the end of the Russian Revolution, The People’s Act of Love portrays the fragile coexistence of a beautiful, independent mother raising her son alone, a megalomaniac Czech captain and his restless regiment, and a mystical separatist Christian sect. When a mysterious, charismatic stranger trudges into their snowy village with a frighteningly outlandish story to tell, its balance is shaken to the core. “The narrative drive is amazing. So is the cold clarity of Meek’s imagination.” —Stephen King “Meeks builds multiple narratives to a bloody, satisfying, yet unsettling conclusion. People’s Act of Love stands not only as a keenly observed historical thriller but as a resonant tale of how one man’s moral fervor can turn to horror.” —Entertainment Weekly “Meek expertly renders each man’s devotion to the task of securing paradise on earth, and exposes the unsettling affinity between the devout servant of God and the cold, calculating murderer.” —The New Yorker “Set during the waning days of the Russian revolution, Meek’s utterly absorbing novel captivates with its depiction of human nature in all its wartime extremes.” —Publishers Weekly (starred review) “This ingenious, intricate novel, a meditation on grand ideas that is also a suspenseful page turner, avoids that too-easy wonder Russia often inspires in its admirers.” —The New York Times Book Review

Inspiring stories of individuals—aged 46 to 97—who experienced a resurgence of passion in their lives when they least expected it. F. Scott Fitzgerald believed there are no second acts in American lives. Yet at least as far as love is concerned, the statistics indicate otherwise. These days, more and more people are falling in love and embarking on deep and fulfilling romantic relationships in the later part of their lives. At a time when the specter of spending one's final years alone can seem only slightly less intimidating than Internet dating, the subjects profiled in this book tossed their hearts up in the air with the hope that love just might spring eternal. And just how different is the game at age seventy-five than it was at age twenty-five? This book forms an engaging meditation on the ways that love itself alters and matures as we grow older. Organized around the distinct and often surprising themes that emerged from Gold's conversations with lovers from all walks of life—love suddenly appearing out of the shadows following a determination to find it at whatever cost; second-act relationships that represent 180-degree turns for the parties involved; a sense of finally coming home to the one you were meant to be with in the final stages of life—Love in the Second Act will remind anyone, young or old, that the quest for love is never-ending.
