Great Paintings is a sumptuous, visual guided tour of 66 of the world's greatest paintings. Ranging from works by Zhang Zeduan, a 12th-century Chinese master, to modern masterpieces by Rothko and Anselm Kiefer, the paintings are arranged chronologically, providing an excellent visual introduction to the history of art. The book starts with how to "read" a painting. Annotated paintings show how to identify the key elements of a picture. The major part of the book is a magnificent visual gallery of iconic paintings. The story behind each painting is fully explained, unlocking the often hidden meanings of symbols and details. Each painting is then analyzed visually, using pull-out details and overlays, to help the reader understand the key features, composition, and techniques. Artists' biographies and features on historical and social context explore how landmark paintings have been influenced by what has gone before and how they go on to inspire what comes after them. Reading Great Paintings is like being taken around a gallery by a personal guide who helps you to look at paintings-both familiar and new-in fresh and fascinating ways.

Note: this is a 5.5" x 8.5" (13.97 x 21.59 cm) size coloring book, similar to A5 padfolio size; perfect for purses, briefcases, backpacks. "Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy." These are just some of the worst clichs that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from your manager. To combat this, we've created this corporate clichs adult coloring book as much needed stress therapy; a fun, passive-aggressive way to take out your angst against these ridiculous office sayings that have taken over your meetings, memos and emails from your company's higher ups. We've taken 19 of the most annoying corporate clichs and translated them into hilarious,

literal translations that you can color and poke fun at. Most are even workplace friendly so you can hang them on your wall without your manager giving you the stink eye (well, depending on where you work ... hmmm time for the disclaimer: we make no promises on whether you'll get the stink eye if you pin pages of this book to your office / cubicle wall, so you assume the risk on that!). ***Benefits*** -We've taken 19 of the most ridiculous corporate clichs that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichs on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate clichs over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! -Unlike most coloring books, each illustration is a carefully crafted theme, tied to a specific clich and not simply random patterns. -Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put some fun stuff on the reverse side of each page: a corporate-speak definition, fun trivia and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time!

Who doesn't need a little more self-love and cartoons in their life? Art to Self is the cartoon notes and messages we need in moments of growth, change, challenge and triumph. Whether we're at the beginning of something new, in the middle of a major change, or on the edge of something big, this book reminds us to accept where we are, believe we're enough, love the messiness of life and let go and live boldly. Presented in four sections---You Are Here, You Are Enough, Embrace the Messiness and Live Bolder---Art to Self has a message and a cartoon for wherever we are on the journey of life. Steph Halligan, a motivational cartoonist, started creating daily cartoon notes on ArtToSelf.com as a way to add more positivity and art into her everyday her life. What started as a personal practice turned into an incredible community of fans and followers. She describes her motivation for launching Art to Self: "I've always had two sides to me: if you asked me right now to describe myself, I'd say a lot of good things: I'm positive, caring, curious and joyful. But ask me in a not-so-good moment? I feel like an over-analytical, self-critical perfectionist. Every day I deal with that duality: one side of me that believes I can do anything versus the other side that's scared to do anything. Which is why my room is covered in sticky notes with quotes and doodles to remind me of my 'awesomeness.' I started Art to Self as a place where I could create what I loved every day, remind myself that I'm doing a good job in life and share my thoughts and art with the world." "I absolutely LOVE getting the Art to Self emails in my inbox every day and I was so excited to find out it'll be a book! This book is inspiring and helps start every day off perfectly. The messages are real and a wonderful daily reminder to be true to yourself. I can't wait for my hard copy to arrive so I can display it on my coffee table and have everyone that comes over see it!" - Elina L. "I signed up for the Art to Self daily emails as soon as they started and it has been the best gift I could give myself. Each day, I wake up with a sense of inspiration and joy thanks to Stephanie's beautiful art and moving words. I love the art so much that I took my favorite emails and turned them into an inspiration board that hangs over my desk. This book gives me the same sense of inspiration and joy as the emails but thankfully I get to see them in one place." - Shannon M.

This was a gift, indeed, and it's a fascinating process to witness." —The Christian Science Monitor With an editor's note by Rupert Pole and a preface by Joaquin Nin-Culmell

Is Paris really the eternal City of Love? Dumped suddenly by her Parisian boyfriend, sultry expat Lily is left wondering if *je t'aime* still exists. Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: *une aventure*. Supported by her faithful friends and trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer amoureux, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her amorous mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.

Explores the dynamic nature of Christ worship in the U.S., addressing how his image has been visually remade to champion the causes of white supremacists and civil rights leaders alike, and why the idea of a white Christ has endured.

With The Schmillustrator's Coloring Book, you can do both - at the same time! Take in the joys of short poems about aliens, monsters, monkeys, old guys, a wizard, a turtle, an aspiring president, a bizarre character named Crackersauce, and many others while you bring the drawings to life with splashes of color. The Schmillustrator's Coloring Book is a collection of more than thirty goofy poems in the spirit of Shel Silverstein, accompanied by equally goofy and detailed illustrations to color. Perfect for kids and adults, boys and girls, dogs and cats, heroes and villains, and everyone in between.

A richly illustrated look at some of the most important photobooks of the 20th century France experienced a golden age of photobook production from the late 1920s through the 1950s. Avant-garde experiments in photography, text, design, and printing, within the context of a growing modernist publishing scene, contributed to an outpouring of brilliantly designed books. Making Strange offers a detailed examination of photobook innovation in France, exploring seminal publications by Brassai, Henri Cartier-Bresson, Robert Frank, Pierre Jahan, William Klein, and Germaine Krull. Kim Sichel argues that these books both held a mirror to their time and created an unprecedented modernist visual language. Sichel provides an engaging analysis through the lens of materiality, emphasizing the photobook as an object with which the viewer interacts haptically as well as visually. Rich in historical context and beautifully illustrated, Making Strange reasserts the role of French photobooks in the history of modern art.
