Amber's human life has ended. Her new life begins, but not without trials. She soon learns protecting her friends and those she loves is a full time job. The council will stop at nothing to bring her and the Douglas family down before they corrupt more liliths. All traitors and anyone who align themselves with Jack must die. Amber thought after her big change, life would be easy. Immortality and invincibility is not what it's cracked up to be. Amber Rising is the sequel to J. B. Fisher's debut work, Sunset. Continuing Amber Gardner's story of applying love and sacrifice to become something unimaginable.

****THE INSTANT NEW YORK TIMES BESTSELLER**** "WORKS BEAUTIFULLY... If you like being terrified, The Whisper Man has your name on it." —The New York Times, Editor's Pick "SUPERB" —Publisher's Weekly, Starred Review "BRILLIANT... will satisfy readers of Thomas Harris and Stephen King." —Booklist, Starred Review "POIGNANT AND TERRIFYING" —Entertainment Weekly In this dark, suspenseful thriller, Alex North weaves a multi-generational tale of a father and son caught in the crosshairs of an investigation to catch a serial killer preying on a small town. After the sudden death of his wife, Tom Kennedy believes a fresh start will help him and his young son Jake heal. A new beginning, a new house, a new town. Featherbank. But the town has a dark past. Twenty years ago, a serial killer abducted and murdered five residents. Until Frank Carter was finally caught, he was nicknamed "The Whisper Man," for he would lure his victims out by whispering at their windows at night. Just as Tom and Jake settle into their new home, a young boy vanishes. His disappearance bears an unnerving resemblance to Frank Carter's crimes, reigniting old rumors that he preyed with an

James Ellroy: *Demon Dog of Crime Fiction* is a study of all of Ellroy's key works, from his debut novel *Brown's Requiem* to the epic *Underworld USA* trilogy. This book traces the development of Ellroy's writing style and the importance of his *Demon Dog* persona to carving out his unique place in American crime fiction.

A young knight must fulfill his destiny in this second book in a trilogy perfect for fans of *Ranger's Apprentice*. The door between our world and the world of the dark has been blasted open. Now the Knights must face the court of the Endless King. Denizen finally feels like a true Knight, and the court has requested a meeting to thank him for saving the King's daughter. It's either an honor . . . or a trap. When the Knights encounter the members of the Forever Court, the meeting almost immediately dissolves into a battle. And that's not the worst of it. There is another order of people who can communicate with the monsters of the dark. A family who worship the dark. And they will stop at nothing to bring the shadows back to power. This first novel in Jack Whyte's riveting Arthurian series tells how the story of Camelot may have actually come to be. We all know the story—how Arthur pulled the sword from the stone and how Camelot came to be. But how did it really happen? The Roman citizens of Britain faced a deadly choice: leave to live in a corrupt Roman world, or stay amidst the violence of the warring factions of Picts, Celts, and invading Saxons. For Publius Varrus and Caius Britannicus, there is only one answer. They will stay, try to preserve the best of Roman life, and create a new culture from the wreckage. In doing so, they will plant the seeds of a legend.

For these two men are Arthur's great-grandfathers and their actions will shape a nation...and forge the sword known as Excalibur. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From the two-time Booker Prize-winning author: an irrepressible, audacious, trenchantly funny new novel set in the 19th century and inspired in part by the life of Alexis de Tocqueville. With dazzling exuberance and all the richness of characterization, story, and language that we have come to expect from this superlative writer, Peter Carey explores the birth of democracy, the limits of friendship and whether people really can remake themselves in a New World. The two men at the heart of the novel couldn't be any more different: Olivier is the son of French aristocrats who (barely) survived the French Revolution. Parrot is the motherless son of an itinerate English printer. But when young Parrot is separated from his father (after a stupendous conflagration at a house of forgery) he runs into the powerful embrace of a one-armed marquis who will be his conduit - like it or not - into a life as closely (mis)allied with Olivier's as if they were connected by blood. And when Olivier sets sail for America - ostensibly to make a study of the American penal system, but more precisely to save his neck from the latest guillotineurs - Parrot, unable to loosen the Marquis's grip, is there too: as spy, scribe, comptroller, protector, foe and foil. As the narrative unfurls, shifting between the perspectives of Olivier and Parrot, between their picaresque adventures apart and together, in love and politics, prisons and finance, homelands and brave new lands - a most unlikely friendship begins to take hold.

A Christian Science Monitor best book of 2020 "Relentlessly accessible. . . . This is that rare history that tells what influential thinkers failed to think, what famous writers left unwritten." --Jill Leovy, The American Scholar By the bestselling author of American Nations, the story of how the myth of U.S. national unity was created and fought over in

the nineteenth century--a myth that continues to affect us today Union tells the story of the struggle to create a national myth for the United States, one that could hold its rival regional cultures together and forge an American nationhood. On one hand, a small group of individuals--historians, political leaders, and novelists--fashioned and promoted the idea of America as nation that had a God-given mission to lead humanity toward freedom, equality, and self-government. But this emerging narrative was swiftly contested by another set of intellectuals and firebrands who argued that the United States was instead the homeland of the allegedly superior "Anglo-Saxon" race, upon whom divine and Darwinian favor shined. Colin Woodard tells the story of the genesis and epic confrontations between these visions of our nation's path and purpose through the lives of the key figures who created them, a cast of characters whose personal quirks and virtues, gifts and demons shaped the destiny of millions.

The oldest of the children drafted from humanity's devastated planet, Joe is impressed into service by the alien Congressional Ground Force—and becomes the unwitting centerpiece in a millennia-long alien struggle for independence. Once his training begins, one of the elusive and prophetic Trith appears to give Joe a spine chilling prophecy that the universe has been anticipating for millions of years: Joe will be the one to finally shatter the vast alien government known as Congress. And the Trith cannot lie.... But first Joe has to make it through bootcamp.

In a small Montana town, a poor boy gets a chance at being a lawman Mac McPherson shivers beside the open grave, taking notes for a newspaper story for which he has been promised twenty-five cents. When he files his piece, the editor gives him only two dimes, but Mac is not too proud to take it. Only fourteen years old, he has his mother to think of and his own hungry belly to feed. One night, town sheriff Frank Drinkwaller gives Mac a better offer: an apprenticeship in riding and shooting that may one day lead to a deputy's star. The sheriff will need Mac's help sooner than either of them realizes. The devil lies behind the eyes of blacksmith Jack Galt, whom Drinkwaller suspects of savagely murdering a series of innocent women. But without proof, there is nothing Drinkwaller can do but watch and wait. When the blacksmith threatens the woman he loves, Drinkwaller has no choice but to call on Mac. In Montana, a boy must grow up

fast if he wants to wear a deputy's star.

For the mercenary group employed by the city of Jenaut, Demons seem to remain as the only great threat they would ever see. Five years and the burden of life begin to set and stress bonds. Yet, a lone power sits upon the horizon and grows ever increasingly hostile towards them. A tense anger carried on the air in whispers and remains on the tips of tongues. A constricting and fearful power, it seems the mercenaries stand powerless before it. Aid comes from places unexpected and emerges from shadows of nightmares only to disappear when they turn. Shortly, they begin to understand that Sylsteruin, their world, contains more frightening entities than they ever could dream. One such entity, watching with a growing hunger, begins to question the very foundations the Gods set forth as the world tips closer to war between Summoners, heralds of Gods. Will they find themselves lost in the maws of creatures mad? Will they change the words as Fate reads them? She cannot know, no one can know.

"David Thomson, in his usual brilliantly insightful way, shines a light on the visionary directors who have shaped modern cinema and, through their work, studies the very nature of film direction... Thomson analyzes both landmark works and forgotten films from classic directors such as Orson Welles, Alfred Hitchcock, Jean Renoir and Jean-Luc Godard, as well as contemporary powerhouses such as Jane Campion, Spike Lee and Quentin Tarantino.
