100% Unofficial Fortnite Essential Guide by Becker & Mayer! kids

Have you ever wondered why some Fortnite players are significantly better than everybody else? How do they manage to have way more fun at the game than other people? Have you ever wondered if there's a little secret here and there that they know, that you don't? After authoring the best-selling books on League of Legends, I established myself as a straightforward, to the point type of author, who absolutely loves producing information-dense content that serves people well. My books on League have sold thousands of copies and continue to help numerous players improve at the game. As of recently, I decided to turn all of my focus and attention towards a much needed new challenge. So I put a lot of time and effort into coming up with a comprehensive guide on Fortnite, and finally - here it is. I've done my absolute best to make it significantly better and more thorough than any other book you will find on the subject, which I am sure many readers will appreciate. Even though Fortnite is still a relatively new game, its player base is quickly evolving. To be the last man standing in such a competitive environment, you need to be guided by a solid set of principles and game knowledge. And that's what you're going to get in this book - plenty of applicable strategies that you can use, refine and apply to your own gameplay. This book will help you figure out what you're doing right and what you need to improve on, to make sure that you consistently win more Victory Royales. But most importantly, it will help you have a lot more fun with the game and get the most enjoyment out of it. Whatever your goal is - this book will help you achieve it. Here is a brief overview of what's inside: -How to determine if a certain area on the map is a good landing location, plus 6 specific examples of great landing spots -An in-depth description of the best technique for a quick and efficient landing -A guide to the basics of building in Fortnite -The various build designs you can use in fights -How to construct the best fort designs, including a sniper tower -How to build faster using the turbo mode feature -The specifics around harvesting resources in Fortnite -An expert harvesting technique that will allow you to harvest resources in the fastest way possible -A definitive guide to the weapons in Fortnite, including which ones to use and why -How to improve your aim and accuracy, including a couple of easy exercises that will help you tremendously -An in-depth guide to the art of sniping and all of its aspects -A guide on the various combat tactics and mechanics you can use, some of which include: -How to push an enemy base the right way -How to tackle close-range fights -How to utilize the different movement mechanics to your advantage -The importance of practicing situational awareness -How to balance your aggression with defence -What to do when you're low on materials and you're forced to fight -7 other major tips and strategies on how to improve as a player -The 8 most common mistakes that people make in Fortnite, and how to avoid them. If you use the advice in this book, it will make a major contribution to your development as a player. Good luck!
