With over one million books sold in her career, Joyce Rupp presents her newest undertaking: a unique collection of daily meditations that draw from Christian, Jewish, Muslim, Hindu, and other sources, offering wisdom and insight about the God who is beyond all names. Bestselling author Joyce Rupp once again proves herself a wise and gentle spiritual midwife, drawing forth 365 names of God from the world’s spiritual treasury. *Fragments of Your Ancient Name*—whose title comes from a poem by German mystic Rainer Maria Rilke—assembles a remarkable collection of reflections for each day of the year. This unique and profound devotional will heighten awareness of the many names by which God is known around the world. Whether drawing from the Psalms, Sufi saints, Hindu poets, Native American rituals, contemporary writers, or the Christian gospels, Rupp stirs the imagination and the heart to discover a new dimension of God. Each name is explored in a ten-line poetic meditation and is complemented by a simple sentence that serves as a reminder of the name of God throughout the day.

On ending up in a too familiar situation after years of emotional and physical pain, I began searching for answers as to why all these difficulties kept happening. It was at this life threatening time that I was first approached by the energy vibration of the four archangels. Due to the fact I had always seen spirits as physical people, I didn’t believe the angels instructions, but after another very special visitation where they showed themselves to me — which is no easy feat for them,— I agreed to write their words; and that’s how this book manifested. As I wrote, my life began to make sense, which now enables me to live with more awareness of

what part I have to play in my soul's journey opening my eyes to wonderful new possibilities. When angels speak, do you listen? I did, and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence, and how you can work with your soul to ease life's impact. So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before.

Long beloved for her artful prayers, best-selling author Joyce Rupp presents an entirely new collection of 106 meditative poems on a theme she has woven masterfully through all her writing--the pain of loss and the hope of restoration. *My Soul Feels Lean* is a journey into compassion. Drawing on insights from her Christian faith and a lifelong connection to the Iowa farmland of her birth, Joyce Rupp explores themes of loss and restoration in this luminous collection of poems. Returning to an undercurrent in her work since the publication of *Praying Our Goodbyes*, Rupp offers here sensitive

insights on the pain of loss and the hope she finds when she is willing to let go and trust. Rupp's leanness of soul has taught her to observe and celebrate the harsh beauty of life. "Loss has encouraged me to find joy and meaning here instead of pining for it elsewhere," she writes, "to live more simply and be content with less, to appreciate more fully what I now have."

Author Dan Wells is back with the sequel to the sci-fi blockbuster *Partials*, which Pittacus Lore called a "thrilling sci-fi adrenaline rush, with one of the most compelling and frightening visions of Earth's future I've seen yet." After discovering the cure for RM, Kira Walker sets off on a terrifying journey into the ruins of postapocalyptic America and the darkest desires of her heart in order to uncover the means—and a reason—for humanity's survival. Dan Wells extends his richly imagined, gritty world and introduces new memorable characters in this second installment in the *Partials Sequence*.

Many of us are born into this world with the feeling and knowing of what being loved by another person should feel and be like, but we lack the feeling and knowing of how to fulfill this desire in the highest and best way. The desire for a soul mate is the ancient need to become the divine couple whose union breathes new life into the world. Seen from this context, finding your soul mate has deeper ramifications than a purely romantic desire; the union of a soul mate is about the creation of an energy that is a candle to bring illumination to the world. The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us, and that two people are brought together for a divine plan that will contribute towards a higher purpose. Based on Vianna Stibal's own experience of finding her soul mate, this book will reaffirm your belief in true love and will explain how, using ThetaHealing®, you can bring your soul mate into your life.

In *THE SOUL CONNECTION*, healer Anne Jones helps you to connect with your soul and access your divine powers. Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? *Your Soul's Plan* (which was originally published under the title *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling

profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Visit Robert online at www.yoursoulsplan.com.

What if we could find out what really happens to our souls after we die – from someone who is already there? This unique book is the true story of a man who in death has found a new purpose: to help us let go of the fear of dying and live differently now. To do this, he has channeled this information from the afterlife, in his new incarnation of an Earth Angel. The book tells what happened to his soul during death, and afterwards in the spirit world. This illuminates our cycles of soul rebirth, the connection to divine love and your soul family, the purpose for incarnating on Earth, and much more. After Life shows that after death we experience only love and belonging, healing and new purpose. This will not only comfort those grieving the loss of a loved one. It helps you to connect to your spirit's purpose while in life, let go of old wounds, and appreciate the 'big picture' of your soul's journey. In this revised and updated edition, you will discover: - the belief and feeling work that can instantly change the thinking within you that creates illness - the 7 Planes of Existence, a concept that allows you to connect to the highest level of love and energy of All That Is - how to develop the ability to change on all levels: physically, mentally, emotionally and spiritually, using the Creator of All That Is.

Even at birth, everyone is unique. Can heredity alone account for the complex differences in people's temperaments and styles?

The Michael teachings, an extraordinary body of channeled work, propose that we are each unique souls who deliberately take on a specific combination of traits to give us the experiences we seek. In this fascinating book, Shepherd Hoodwin expertly discusses these teachings from his vantage point as a Michael channel. "Michael" is a group of souls who teach that we are eternal beings journeying from the Tao and back again in an adventure of exploration and creativity. Each step along the way, we make choices that shape our experience. For example, after committing to a series of lifetimes, we choose one of seven roles, or soul types: server, priest, artisan, sage, warrior, king, or scholar. These teachings address many age-old questions, such as "How did we become who we are?" "Why are we here?" "Where are we going?" and "How does the universe work?" In addition, *Journey of Your Soul* sheds light on the channeling process itself, answering questions such as "How does channeling work?" "Why do different channels receive conflicting information?" and "What does it take to become a channel?" Hoodwin shows us that it is possible, and indeed beneficial, to engage all parts of the human consciousness. His unique analytical approach to channeling will help readers gain a firm intellectual understanding of what is involved. In his foreword, Jon Klimo, PhD, author of *Channeling: Investigations on Receiving Information from Paranormal Sources*, says, "Shepherd Hoodwin has given us one of the best books to date about the phenomenon of channeling. *Journey of Your Soul* may well also be the best of the Michael books due to its clarity, thoroughness, and detail, and thanks to the fact that the author, an exceptionally clearheaded Michael channel himself, brings real integrity and authenticity to our understanding of Michael in particular and to the channeling process in general."

Born of magic in the final days of war, Draeken's power is near absolute-until his soul shatters, leaving five fragments. Each possesses a single magic, and a consciousness of his own. Trained by the Hauntress, they secretly quell threats throughout the kingdoms, and their mastery grows with every passing age. But their time of unity has come, for a dangerous new foe has arrived. Long thought extinct, the ancient race of krey has returned to Lumineia, and they seek dominion over what they had lost. With an Eternal at his side, the fragment of Water is sent north in search of their lair. But in the ruins of an abandoned temple he will discover a darker truth. Kept secret since the Dawn of Magic, the Order of Ancients has members hidden among thieves, assassins, and even kings. After a millennia of waiting they rise . . . from anonymity to war.

We live in an age of global revolution. The world around us is raging, in constant movement in different directions. The evolution of the human race is marching towards a powerful spiritual breakthrough. This illuminating book marks the way for us as we move through this change - it is a pointed arrow that lights the way the world must follow, from duality to unity, from separation to love. Ilana Bahat communicates with a spiritual guide who leads her, hand in hand, to an understanding and internalization of the way of One. It is the entity of a great master of light manifested in a body, from the period of Jesus. His name was Rabbi Akiva. Master Akiva was one of the greatest leading lights in the history of man, a teacher of Rabbi Shimon Bar Yochai, author of the *Book of Zohar*, the foundation of Kabbalah. Here, humanity is given the possibility of choosing a higher truth, to walk the "path of pain" to the "path of love"; the opportunity of unconditional love that connects spirit and matter, and allows for the realization of the vision of peace. Master Akiva speaks via Ilana on the subjects of divinity, truth, couplehood, reincarnation, war and peace, learning, health

and energetic purification. He touches on questions of creating reality, abundance, karma, life and death.

The Family of God: We wish to bring forth new understandings to support you in these changing times. To achieve what you want from your day, when you wake up in the morning, call forth all supportive energies available to you. There are many supportive energies, and when you call them forth, they will flock to you. Do not focus on the challenges but rather on the results you want. You should acknowledge and observe your body when you wake up. Your body is a finely tuned instrument that carries billions of cells. It has tremendous wisdom and consciousness. Each of your organs (along with the muscles, tissues, blood, bones, skin, hair, nails, and teeth) contains energy — karmic as well as deep wisdom. Observe the body. Then communicate with it to open its inherent wisdom, and these energies will support you throughout your day in a much more aware state. When you create a friendship with your body, it will support you with solutions to the problems you seek to resolve in your daily life. Your body is the greatest friend you can have. Spirit of Success: There are pockets in your body and auric fields that contain codes and embedded energies that, when awakened, will give you the essence and the power to create what you desire. These codes and embedded energies are in everybody, and you must awaken to this truth within you so that as you grow spiritually, you are also able to create abundantly in your material life. Peacocks: What I observe in your earthly world is that human beings have great difficulty accepting themselves. They always want to be someone else or like someone else. It's time to be still and consider: "Why do I think this way? What drives me to want to be like someone else?" I have observed that many human beings do not accept their physical bodies. Some go to great lengths to modify them. Everyone has inner beauty, for all of you were built with that. It is only a matter of finding it. When you see a beautiful flower, sunset, or rainbow, you often feel joy or splendor in your heart. Where did that appreciation for beauty come in? It was always there. You focused on it, and you found it. How about focusing on your inner beauty every moment of the day and night? That could become your reality. What you focus on is what you create. When you are in that space, not only will you see beauty everywhere but you will also draw forth beautiful experiences through the law of attraction. Know in your hearts that you are all magnificent in the eyes of the Creator. There is no judgment other than the judgment you pass on yourselves. You often accept the judgment of others as truth. In these powerful times, you must consciously work on getting rid of false belief systems that keep you prisoners in your own minds.

Who is showing us the way? In ancient Palestine, when Jesus Christ asked people who they thought he was, one of their top guesses was

the Old Testament prophet, Jeremiah. "Who do people say that I am?" "Some say Jeremiah or one of the prophets." There was something about Jesus that reminded people of Jeremiah. In our moment in history, when we desperately need leaders and role models to show us a better way, Jeremiah stands as a human cornerstone, a blueprint for dynamic living in the middle of desperate times. With compassion and biblical insight, author Chris Jackson shows us how ancient wisdom from Jeremiah's life can lead us into towering, dynamic living today. Does the other side of the starry sky really exist? Split souls, strange memories, a strange and bizarre world of immortals, it was a scene from a legend. That year, he had revealed his true strength at the age of the weak crown. He had achieved his goals at a young age, and had smiled as he looked at the world. That year, he returned and looked around. His aura was like a mountain, and no one could compare to him. There Is a Place You Can Go - That place is a New Earth free from sickness, crime, and war. The Earth is shifting to a higher vibration - from third density to fourth and fifth density. For you to survive on the New Earth you must also change your frequency to match that of the New Earth. Unless you make that change your body frequency will be incompatible with these new frequencies and you will have to leave. You have a choice, prepare to ascend or transfer to another third density planet. Ascension is available for those who choose to move out of duality consciousness into Unity Consciousness. Dr. Pettit explains some of the requirements and preparations needed to ascend from the Old Earth. In this vivid musical ethnography, Timothy Rice documents and interprets the history of folk music, song, and dance in Bulgaria over a seventy-year period of dramatic change. From 1920 to 1989, Bulgaria changed from a nearly medieval village society to a Stalinist planned industrial economy to a chaotic mix of capitalist and socialist markets and cultures. In the context of this history, Rice brings Bulgarian folk music to life by focusing on the biography of the Varimezov family, including the musician Kostadin and his wife Todora, a singer. Combining interviews with his own experiences of learning how to play, sing and dance Bulgarian folk music, Rice presents one of the most detailed accounts of traditional, aural learning processes in the ethnomusicological literature. Using a combination of traditionally dichotomous musicological and ethnographic approaches, Rice tells the story of how individual musicians learned their tradition, how they lived it during the pre-Communist era of family farming, how the tradition changed with industrialization brought under Communism, and finally, how it flourished and evolved in the recent, unstable political climate. This work—complete with a compact disc and numerous illustrations and musical examples—contributes not only to ethnomusicological theory and method, but also to our understanding of Slavic folklore, Eastern European anthropology, and cultural processes in Socialist states.
