

Fred And Rose The Full Story Of Fred And Rose West And The Gloucester House Of Horrors

The first book about a key Soviet spy and Canadian communist. Fred Rose was deeply involved in Atomic espionage.

FRED & ROSE WEST: The Couple Who Killed Some of Britain's most horrific crimes took place in a seemingly normal home. Fred and Rosemary West lived with their nine children at 25 Cromwell Street, in Gloucester, England. The large family was tight knit and was fairly well-liked in the community, but the West household was far from a normal, wholesome home. Fred and Rose used their house as equal parts brothel and torture dungeon. They put their children, lodgers, and strangers through horrific abuse, torture, and even murder. They did unspeakable things behind closed doors that would eventually give their house the nickname The Gloucester House of Horrors.

The poignant and horrifying life story of Anne Marie West, Fred West's eldest daughter, brought up by Fred and Rose West until the age of 15, when she ran away from home. Anne's mother and two sisters were murdered, but her story unfolds as one of hope and survival.

'A small boy finds shelter from the rain in an old house and meets a ghost named Fred. Colorful illustrations plus a mystery which will delight 1st- and 2nd-grade readers.' 'SLJ. Children's Books of 1968 (Library of Congress)

Half-Alien, Half-Sisters - Aliens from the planet Clarion Six visit Earth on a scientific study with the mandate of non-interference. The alien Roxpinzwat Whieieiteir violated protocol and followed the concepts of his thesis. He dated and wed Earth college women. His fellow scientist had declared there could be no issue from their mating, but they were wrong. The exploratory team departed leaving pregnant ladies with half alien babies. The adventures of the half sisters take many twists and turns.

Fred and Rose West, between them were charged with the serial murder of twelve young women and girls, spanning a period of over twenty years. While they were known to the police, incredibly the monsters that lurked within remained undetected, concealed in a cocoon of mundane domesticity, surrounded by children and the frenetic humdrum of Gloucester working-class life. Yet their crimes had a depth of depravity and horror quite beyond belief, where this psychopathic folie à deux acted out uncontrollable sexual perversions on innocent young women before their lives were taken and their bodies destroyed. Fred committed suicide awaiting trial. Rose West was convicted in 1995 of ten murders after a lengthy trial at Winchester Crown Court. So, who were Fred and Rose West, and how did they become the monsters they were? What in their respective nurturing and personalities made them do what they did? These are the questions the law does not ask. Rose West's solicitor for twelve years, Leo Samuel Goatley, uses an eclectic mix of experience and knowledge to offer some philosophical leads to consider and apply in a subjective and innovative psychoanalysis to the aberrant lives of Fred and Rose West.

Explores the childhood and teenage years of Rose and Fred West, serial killers who raped, tortured, and murdered ten young

women, in order to uncover possible reasons why they committed the crimes.

Book Excerpt: ...n to the drawing of live frogs out of his ears. But after a while they turned on him, and said his tricks were dull and a shade unholy, and set the cross on his shoulders again. Another half-mile on the way, and he asked them to stop and hear him jest for them, for he knew, he said, all the jests of Conan the Bald, upon whose back a sheep's wool grew. And the young friars, when they had heard his merry tales, again bade him take up his cross, for it ill became them to listen to such follies. Another half-mile on the way, he asked them to stop and hear him sing the story of White-breasted Deirdre, and how she endured many sorrows, and how the sons of Usna died to serve her. And the young friars were mad to hear him, but when he had ended they grew angry, and beat him for waking forgotten longings in their hearts. So they set the cross upon his back and hurried him to the hill. When he was come to the top, they took the cross from him, and began to dig a hole to stand it in, while the beggars gathered ro...

Having earned her official SAR (Search and Rescue) vest in Sierra Becomes a Search Dog, our hero is called upon to save the day once more. Sierra has grown since her last adventure and the little Golden Retriever puppy's sense of smell is better than ever! This time, it's Ted who needs help: his free-spirited roommate Fred has gone missing! After a whiff of Fred's stinky sneaker Sierra sets out on another exciting search, full of twists and turns, humor and suspense. Will she find Fred while he dances to the beat of his own drum? With whimsical rhyme, colorful illustrations, and educational facts, Sierra the Search Dog Finds Fred is the second in a series of books for all who love dogs and adventure. The series, Sierra the Search Dog, is inspired by the author's own experience training and leading SAR dogs and is dedicated to the memory of his real-life canine partner.

On 22 February 2006, £53 million was stolen from a cash warehouse belonging to the Securitas company in Tonbridge, Kent. In terms of value, the robbery puts previous British capers, such as the Great Train Robbery, in the shade. This was a crime notable for its audacity, carried out by an unlikely crew of players that included a used car salesman, two Albanian casual workers and a roofer. Five men were convicted at the Old Bailey in January 2008, which attracted nationwide media coverage. A sixth man, Paul Allen, was sentenced in October 2009 for his part. Having become close to the Tonbridge gang and the police during three years of research, Sounes relates a classic crime caper in irresistible, almost forensic detail. After the robbery comes the exciting, sometimes comical story of the getaway. Money is found and arrests are made but key characters slip out of the country, and millions of pounds are still missing. HEIST is the definitive account of these compelling events, is wildly entertaining, and a must for all fans of well-written true crime. Since the book has been written, Darren Aronofsky (director of *The Wrestler*) has announced he will direct a British-made film about the robbery.

The definitive account of one of Britain's most notorious killer couples, who loved, tortured, and slayed together as husband and wife. Updated with a new afterword from the author on the twenty-fifth anniversary of the arrests From the outside, 25 Cromwell Street in Gloucester, England, looked as commonplace as the married couple who lived there. But in 1994, Fred and Rose West's home would become infamous as a "house of horrors" when the remains of nine young women—many of them decapitated,

dismembered, and showing evidence of sexual torture—were found interred under its cellar, bathroom floor, and garden. And this wasn't the only burial ground: Fred's first wife and nanny were unearthed miles away in a field, while his eight-year-old stepdaughter was found entombed under the Wests' former residence. Yet, for more than twenty years, the twosome maintained a façade of normalcy while abusing and murdering female boarders, hitchhikers, and members of their own family. Howard Sounes, who first broke the story about the Wests as a journalist and covered the murder trial, has written a comprehensive account of the case. Beginning with Fred and Rose's bizarre childhoods, Sounes charts their lives and crimes in forensic detail, constructing a fascinating and frightening tale of a marriage soaked in blood. Indeed, the total number of the Wests' victims may never be known. A case reminiscent of the "Moors Murders" committed in the 1960s in Manchester by Myra Hindley and Ian Brady—as if Hindley and Brady had married and kept on killing for decades—Fred & Rose "is a story of obsessive love as well as obsessive murder" (The Times, London).

This is a book about the most prolific and brutal serial murderers in American history. Like Jeffrey Dahmer, John Wayne Gacy, Ted Bundy and Dennis Rader also known as the BTK killer the murderers described in this book committed every act of violence with their own hands and for their own entertainment. They systematically and ritually tortured, raped, beat, stabbed, burned, blinded, severed body parts and shot each victim until the victim's mind finally broke and they went insane. Death eventually came much later for their victims as an almost unintended consequence of their countless injuries. Like a powerful mafia, they openly robbed victims, pillaging their savings and possessions to sell for profit. They snatched and murdered entire families. They sold their services and committed murder for hire. They arrested or murdered any who opposed them. I penned this book as a journey of discovery into my past to release the ghosts haunting me and set the captives free. The secrets I found buried there shocked even me. This is the story of a boy growing up in a house of horrors where unspeakable acts occurred daily and no one left the same way they entered. These criminals falsely convicted more than 500 persons of sex crimes to prevent testimony against them. They stole one billion dollars and murdered more victims than any serial killers in human history. The murders continue today.

Bullets, car bombs, brutal murder and more explode from the pages of this fast-paced mystery of lust, love, fraud and desperation. Private detective Charlie Komensky, in true murder mystery form, never fires a shot as he investigates an apparent double homicide. The ex-Chicago cop is hired by a rich, seductive client from Iowa, who insists that the murder of her lover, Danny Flatwood, can be solved by pinning it on the widow. As a train fanatic extraordinaire, Charlie also manages to get in as much railroading as possible as he heads off to Iowa City.

What Fred and Rose West did for decades before getting caught in their house of 25 Cromwell street, nicknamed the house of horrors, goes beyond anything anyone could ever imagine... As a society, we are fascinated by murder. It is a constant theme throughout much of our media and many news outlets will prioritise a murderous story, knowing that it will enthrall readers. There is something about those who decide to take a life that makes them so incredibly interesting to the rest of us. While many of the most famous murderers are known across the world, there are those whose crimes are relatively less known. One of the strangest

stories involves the married couple Fred and Rose West. Together, they killed. Up until the time they were caught, they engaged in a string of murders, each motivated by hate, jealousy, passion, and a fundamental lack of morals. In this book, we will go in-depth and learn about the history of the murderers. We will examine Fred and Rose's early lives, their relationship, their personalities, and will ultimately try and discover what it was that drove them to become two of the most notorious killers in the history of the British Isles. Though their crimes made front page news at the time, few people outside of the country know the extent of their criminality. In this book, we will learn exactly what made their killings so infamous. For those who are in any way interested in the depths of human morality, the Wests represent some of the most depraved and sadistic murderers to have ever lived. Not only did they prey on unsuspecting young girls, but their attentions were even turned towards their own daughters. In a case involving kidnap, rape, and murder, Fred and Rose went beyond the realms of what many of us consider possible as people. Read on to learn exactly what drove Fred and Rose West to become two of history's greatest monsters. Scroll back up and order your copy today!

An account of two people - Fred and Rose West - who lived together, raised (and killed) children, provided sexual services for anyone interested, and pretended to provide social services for single women. Investigated and told by one of the greatest journalists and writers of the last twenty years, this is the most powerful and upsetting true crime book you will ever read. AS FEATURED ON FRED AND ROSE WEST: REOPENED. NOW ON ITV. FRED & ROSE IS THE DEFINITIVE ACCOUNT OF THIS INFAMOUS TRUE CRIME CASE - NOW UPDATED WITH A POSTSCRIPT FROM THE AUTHOR Fred and Rose West are virtually unique in British criminal history: a husband and wife who loved and killed together. During their long relationship, the Wests murdered a series of young women, burying the remains of nine victims under their home at 25 Cromwell Street, Gloucester, including those of their daughter. What was left of Fred West's eight-year-old stepdaughter was dug up from under the Wests' previous Gloucester home; his first wife and nanny were buried in open country. Most victims had been decapitated and dismembered, their remains showing signs of sexual torture. These twelve are just the ones police found when the Wests were arrested in 1994. There may be more whose bones have not been located . . . Howard Sounes broke the first major story about the Wests as a journalist, and covered the murder trial of Rosemary West, before writing Fred & Rose, the definitive account of this infamous case. Beginning with Fred's and Rose's bizarre childhoods, Sounes charts their lives and crimes in forensic detail, creating a fascinating and truly frightening account of a marriage soaked in blood.

Garden of Bones - A True Crime Quickie is the third book in a compelling series of true crime short stories for readers who don't have time to read a full-length novel. "The Story of Fred and Rosemary West" examines the horrifying account of an incestuous butcher and his wife, a bisexual nymphomaniac who kept their deadly secrets buried in their garden at 25 Cromwell Street.

Fred & Rose The Full Story of Fred and Rose West and the Gloucester House of Horrors Open Road Media

Bonnie Cannelli, 15, sees her mob boss grandfather murder a family friend. Prepared to testify and enter Witness Protection, Bonnie and her mother, Rita pack the car to go to a safe house. Rita is convinced they won't be safe, so, with fake IDs, they run.

Fred & Rose West - Britain's Most Infamous Killer Couples On the 24th of February 1994, police knocked on the door of an aging house in the English town of Gloucester. They'd come to serve a search warrant in the case of a missing girl - the daughter of the house's inhabitants. What they uncovered would shock the world: decades of child abuse, an underground torture chamber, and a burial ground containing the bodies of the spent victims of the torture - including that of the missing daughter. The address was 25 Cromwell Street, and these discoveries would earn it the moniker "The House of Horrors". At the end of the investigation, the number of the murdered was twelve - all young females, including one daughter and one stepdaughter. The couple responsible were Rosemary and Frederick West, and this book will tell you their story. We'll start from the very beginning, with the killers' childhoods and upbringings, exploring in detail the factors that contributed to their later depravities. From there we'll detail the crimes themselves, following the tragic tales of their victims, including the mechanisms that led them to their grim fates. We'll examine how the full extent of their crimes was uncovered in the subsequent investigation. Finally, we'll dig into the malignancies both surrounding the killers and within themselves that drove them to perpetrate their heinous acts. This book is not one for the faint of heart. It enters into graphic details that may upset those of a delicate constitution. It is a true life report on real events. If you believe as I do that we are better served knowing and understanding the full depths of darkness the human soul is capable of, and if you are able to stomach this knowledge, then read on and discover the story of one of Britain's most infamous killer couples. Scroll up and click on the Buy Now button at the top of this page, and begin looking into the life and minds of Fred & Rose West.

Get Inside the Mind of a Vicious Serial Killer Serial killers are a different breed of killer. They're people you know. People with families. They're often polite and cordial in public settings. They're often educated. And most times, they're just the guy-or girl-next door. But deep beneath the polite and innocent looking exterior, lays a deranged sociopath that kills habitually-and without a shred of mercy or remorse. Now, inside this book you'll gain a firsthand understanding of why serial killers do what they do. You'll discover the thought patterns, motives, and behavioral traits that set serial killers apart. You'll know the inner working of a serial killers mind, and what REALLY drives them to commit their horrendous acts. This is unlike any other book you've read on criminal psychology, as the content can get quite detailed and graphic. We're not here to make you feel good, only to share the real facts and theories associated with serial killer behavior. When you're finished reading this book you should understand a serial killer's world, the though process of a serial killer, and the background of a serial killer. Real life serial killers will be used as examples throughout this book as well. Download this book today and also discover The definition of a serial killer What separates serial killers from other kinds of killers The four subcategories of serial killers Elaborate tactics serial killers use to ensnare their victims How serial killers are NEVER what you'd expect A list of serial killers along with their crimes, motives, and personal lives detailed Belle Gunness, the famous man killer who was never found The theory of organized and disorganized serial killers The category of missionary killers Children who are serial killers!?! The surefire sign that reveals if one will grow up to be a serial killer Jeffery Dahmer's thought processes The kinds of living conditions that breed serial killers How head trauma at an early age could lead to serial killing How moving around a lot at an early age can lead one to become a serial killer An inside look at the notorious Ted Bundy The psychology of Son of Sam and how he would choose his victims Much, much more So whether you work in healthcare, law, or would just like to be an informed citizen-this book will help you grasp and identify serial killer behavior at a deeper level. Download This Book Today and Discover the Inner workings of a Serial Killer's Twisted Mind

Captivated by the hit ITV true crime drama DES? Uncover the truth behind the trial of Rosemary West, another of Britain's most infamous serial killers. 'Anyone reading this brilliant book will wonder whether justice was really done.' Evening Standard In 1994, Frederick West was

arrested and accused of murdering twelve young women. But it was the trial of his wife, Rosemary West, that became Britain's serial-killer trial of the century... Detained for the murder of the twelve women found at 25 Cromwell Street, Gloucester, Frederick West hung himself on New Year's Day 1995. The case had enraged the nation, and the subsequent trial of Rosemary for the same crimes caused a media sensation. How are ordinary human beings driven to become serial killers? How did this psychopath ensnare so many women? And how much was Rosemary truly involved? Brian Masters attended the Rosemary West trial on a daily basis. In "She Must Have Known" he produces a penetrating study of the sexual obsession that led to a series of horrifying and measured killings, ultimately leaving the reader to make up their own mind on the guilt of Rosemary West. _____ 'By far the most interesting book on the subject... profound and illuminating.' Sunday Telegraph 'Another serious, compelling account of a serial killer.' The Sunday Times 'A classic of criminological literature.' Spectator

When Caroline Roberts accepted a job at 25 Cromwell Street, the infamous address of Fred and Rose West, she was only 16. Realizing that there was something very malevolent about the couple, she left their employment soon after, glad to be rid of them. The story should have ended there, but a month later she was abducted by the Wests and suffered violent sexual abuse at their hands before being told that she would be killed and buried. Through a combination of luck and quick thinking, despite the trauma of what had happened, Caroline managed to escape to freedom. This is her story of those fateful days and the appalling aftermath.

At the time, the 8th Day Era of America was seen as enlightened. It stood as a testament to scientific advancement and of man's triumph over nature and instinct. Violent crime was relegated to the history books. Viewed as nothing but a barbaric scourge of the past. Murder went extinct, it had been cured. Mickey Moore grew up in this sanitized version of America. He was a drifter and a small-time cheat. As Mickey matured, he sharpened his con-game, and got by on the misfortunes of others. But trickery and dumb-luck eventually betrayed Mickey, and he found himself broke and homeless as he approached middle age. Destitute and desperate, Mickey was hitching a ride across the New Mexico desert when fate shoved a new path before him. Under the bright rays of a dying sun, Mickey saw the impossible, he witnessed a murder. Shocked still in disbelief, he marveled at this primal display of man's feral past. The violence before him came at Mickey like a revelation. He was frightened, terrified in fact, but the con-man in him saw an opportunity. The sensation that Mickey felt was so strong, he felt as it awakened areas of his mind that the 8th Day Era's medicine had put to sleep. To package and sell such an experience was a million-dollar idea, and for the first time, Mickey actually believed in something. He would erect CrimeSpree, an amusement park, an interactive museum of man at his worst. Mickey's venture offered the American public the chance to participate in violence once again. At CrimeSpree, customers paid to play the parts of the victims of violent crime. It was all scary and lecherous fun, as a bored and uninspired public lined up to take part in the charade. But the fun and the games eventually put out the proverbial eye. The monster that Mickey created came to life and it dug human instinct out of the grave. The past was coming back around again. It was coming for America, and it was coming for Mickey. Too often struggles for jobs and economic justice have been divided from social goals such as peace or protecting the environment. How do we create an economy where both the process and product of work serve life-sustaining goals? Coalitions across the Class Divide argues that the seeds of this new society are being sown by those who learn to bridge working and middle-class movements and cultures. A new generation of activists is seizing a historic opportunity to organize coalitions across the labor, peace, environmental, and other movements that have previously worked in isolation or at odds. Fred Rose brings the

challenges and potential of coalition organizing to life through an in-depth look at cases of conflict and cooperation. From the timber wars in the Pacific Northwest to military conversion coalitions emerging with the end of the Cold War, these cases teach practical lessons about the processes and pitfalls of organizing across movements and classes.

Two Foot Fred, country music celebrity, shares the story of his life, overcoming dwarfism to achieve success.

"I STAYED UP UNTIL 1 A.M. FINISHING THIS BOOK... I tried going to sleep, I really did. But every time I closed my eyes, I just kept thinking about this book, and I neeedddddd to know how it finished. I was shocked at how much I liked this book."

Goodreads Reviewer, ????? I was eleven the first time my brother tried to kill me. These days, Della is a loving wife, a dedicated teacher, a woman trying to do her best. She has put her past far behind her. But she hasn't forgotten the lessons she learned. It's just a regular morning when Della welcomes Zoey to her English class. She treats her like any other new student: assigns her a desk, hands out the work. But then she meets Zoey's cold, calculating eyes and freezes as terrifying memories threaten to overwhelm her. Della knows what evil looks like when it hides behind a confident smile. Her own brother, the town's darling, couldn't keep his true nature hidden for ever. Della has been watching out for people like him ever since, determined to stop them before it's too late. When a student is viciously attacked and Della is sent a detailed account of the crime, she's more convinced than ever that Zoey has darkness inside her. But to make people believe her, she needs proof. Will she risk everything to get it? And without it, can she be sure she's right? Dustin is a seventeen-year-old young man who finds out that his girlfriend, Sandy

She's been waiting her whole life to meet a man like Alex. But he's been waiting too. And once he has her, he'll never let her go... Hannah has done everything to make sure her life is safe and secure. A long way from her unstable childhood growing up in foster care, she's content with her sweet, little, messy apartment and her satisfying job as a social worker. She quietly worries that, aged 36, she might never fall in love. But otherwise her life is where she wants it to be. Until, encouraged by her best friend to join a dating app, she meets Alex. He's irresistibly handsome. He loves the same music as her. The same food as well. They both dream of travelling the world but agree they'd be equally happy escaping to a cottage by the beach in Devon. Both of them would love to own a Labrador one day. It's like he's made for her. It's like he's too good to be true. Hannah's friends aren't so sure about him. But Hannah thinks he's perfect. Which is good. Because Alex knows she's perfect for him too. In fact, she's exactly the girl he's been looking for... And nothing Hannah's done to make her life safe will

ever be enough. A gripping and suspenseful psychological thriller about dark obsession and internet dating. Fans of *The Wife Between Us*, *Friend Request* and *Gone Girl* will adore this unputdownable twisted love story. What real readers are saying about *First Date*: 'Had me gripped... I was so tense... I had no idea what was going to happen from one chapter to the next... BOOM!! I WAS NOT EXPECTING THAT ENDING AT ALL! I loved it! If I could rate it more than a 5, I would. This has been one of, if not the best thrillers I have read!... Loved loved loved it!' *Kindlewithdanni* ????? 'I cannot believe it's taken me THIS long to discover this queen of the psychological thriller... I've read a lot of psychological fiction in my time and don't think I've ever come across such a good twist at the end.' *Ceri's Little Blog* ????? 'Utterly addictive and I had huge trouble putting it down! This psychological thriller will make you doubt everything and everyone, it is so cleverly put together – just when you think you've got something sussed out, a whole new slant is added... Be warned, there are twists and turns aplenty and don't take anything at face value... ever!' *Read and Rated* ????? 'Oh flipping hell, what an absolutely thrilling and suspenseful domestic thriller... Honestly couldn't put it down... Finishing this book gave me goosebumps, it was that good.' *Goodreads Reviewer* ????? 'Sue Watson, just what have you done to me?! You gave me what I thought would be a fairly predictable story only to twist me all up and leave my jaw hanging! That ending, WOW!' *Misty's Corner Review* ????? 'Utterly impossible to put down. I devoured this book in just one sitting... Gripped me from the beginning... There is absolutely no way I could predict where this was going... Will definitely keep you on the edge of your seat. You'll be gripped.' *Little Miss Book Lover 86* ????? 'Oh my goodness Sue Watson has knocked it out of the ballpark... My head is still spinning... Twist after twist, jaw dropper after jaw dropper, bombshell after bombshell.' *Goodreads Reviewer* ????? 'Oh. My. Gosh. This, this book right here, is the thriller I've been looking for... Ho. Lee. Cow. Folks. I feel like calling it a "plot twist" is an understatement. Literally the author created this reality which she then COMPLETELY flipped on its head... Clear your schedule because you will not be wanting to set this down.' *Lily Michaels* ?????

Rest A While.By Porter

Fred Rose's life takes us through rip-roaring tales from Australia's northern frontier to enthralling intellectual tussles over kinship systems and political dramas as he runs rings around his Petrov inquisitors. More than any other injustice, the abuse of Aborigines leads him into the Communist Party in 1942. His move to academic life in what he insisted on calling the German Democratic Republic made him a dissident against anthropological orthodoxies in the Soviet Bloc as he had been in Australia. Those final three decades also see his informing on his children to his Stasi handlers. Out of relentless research, Peter Monteath and Valerie Munt present an engrossing portrait of the short twentieth century from Rose's birth during the Great War to his death in Berlin shortly after the Wall comes down. The result is unputdownable for its sweep of events while causing us to reflect on how someone can be heroic and horrendous, appalling and admirable. 'A CHILLING new memoir by the daughter of mass murderer Fred West and his wife Rose describes the savage cruelty of her upbringing in 25 Cromwell Street, Gloucester' *DAILY MAIL* 'Mae, I mean this ... I'm not a good person and I let all you children down ...' *Rose West, HM PRISON DURHAM* It has taken over 20 years for Mae West to find the perspective and strength to tell her remarkable story: one of an abusive, violent childhood, of her serial killer parents and how she has rebuilt her life in the shadow of their terrible crimes. Through her own memories, research and the letters her mother wrote to her from prison, Mae shares her emotionally powerful account of her life as a West. From a toddler locked in the deathly basement to a teen fighting off the sexual advances of her father, Mae's story is one of survival. It also answers the questions: how do you come to terms with knowing your childhood bedroom was a graveyard? How do you accept the fact your parents sexually tortured, murdered and dismembered young women? How do you become a mother yourself when you're haunted by the

knowledge that your own mother was a monster? Why were you spared and how do you escape the nightmare? What other readers are saying about Love as Always, Mum xxx: 'A fascinating read. Mae West seems like such a warmhearted and caring person. It was heart-breaking to hear about what she went through.' 5* Goodreads 'This book is truly moving in many ways and as much as I want to say I enjoyed it, I didn't, because it was heart-wrenching, but that's why it's a 5-star read. So much emotion and truth. It's definitely hard not to be moved by this.' 5* Goodreads 'This is an extremely important story to read, giving Mae a voice to be verbal about breaking the cycle of abuse and surviving a terror she never thought she would be a part of. And because of that, it deserves five stars.' 5* Goodreads 'This has got to be the most heartbreaking and emotionally demanding book I have ever read ... a heart wrenching and powerful read.' 5* Goodreads 'As an avid reader of true crime books I had read a lot about Fred and Rose West. However with all of those books I had never considered their surviving children. This feels like such a raw, honest and real account of day to day life in 25 Cromwell Street. Good on you Mae for your strength to tell your story.' 5* Goodreads 'A hauntingly tragic book. I couldn't put it down from start to finish.' 5* Goodreads
