The ladies of Iceland have a problem: the birds lay their eggs in nooks on the sides of steep cliffs, so the ladies have a very difficult time getting any of the eggs for baking. They go to town to buy chickens to lay eggs for them instead. For a while, everyone is happy: there are plenty of eggs to bake plenty of yummy things. But the ladies' problems are far from solved, for the more time the chickens spend with the ladies, the more they begin to act like them too, until eventually they stop laying eggs all together. Now this is a problem indeed, but you can be sure, the clever ladies will find a solution. Full of fun and silliness, this lighthearted tale and vibrant illustrations are a delight.

In the days of King Arthur there stood a mighty oak tree within the walls of a castle. Peace reigned in the castle until the fearsome night when Lionel, longlost brother of Lord Weldon, returned to cause trouble and unhappiness. It was then that Shan, the son of Lord Weldon, took on the duties of a knight and hid the sword in the hollow of the giant oak. The days that followed were filled with adventures that tried the courage of the young boy. Shan was surprised by bearded robbers in the woods. He met noble knights in plumed helmets, and eventually he even made a trip to high-towered Camelot. His story is filled with the pageantry and color of England in King Arthur's time. It creates a vivid picture of the Knights of the Round Table and the wisdom of King Arthur himself. Mr. Bulla captures the spirit of those romantic days in a straightforward, exciting manner. The result is another delightful book for his wide audience of young readers. Paul Galdone's vigorous illustrations are as evocative as the text.

A Wall Street Journal writer's conversation-changing look at how reading aloud makes adults and children smarter, happier, healthier, more successful and more closely attached, even as technology pulls in the other direction. A miraculous alchemy occurs when one person reads to another, transforming the simple stuff of a book, a voice, and a bit of time into complex and powerful fuel for the heart, brain, and imagination. Grounded in the latest neuroscience and behavioral research, and drawing widely from literature, The Enchanted Hour explains the dazzling cognitive and social-emotional benefits that await children, whatever their class, nationality or family background. But it's not just about bedtime stories for little kids: Reading aloud consoles, uplifts and invigorates at every age, deepening the intellectual lives and emotional well-being of teenagers and adults, too. Meghan Cox Gurdon argues that this ancient practice is a fast-working antidote to the

fractured attention spans, atomized families and unfulfilling ephemera of the tech era, helping to replenish what our devices are leaching away. For everyone, reading aloud engages the mind in complex narratives; for children, it's an irreplaceable gift that builds vocabulary, fosters imagination, and kindles a lifelong appreciation of language, stories and pictures. Bringing together the latest scientific research, practical tips, and reading recommendations, *The Enchanted Hour* will both charm and galvanize, inspiring readers to share this invaluable, life-altering tradition with the people they love most.

Two friends share experiences.

One cold rainy day when my father was a little boy, he met an old alley cat on his street. The cat was very drippy and uncomfortable so my father said, "Wouldn't you like to come home with me?" This surprised the cat—she had never before met anyone who cared about old alley cats—but she said, "I'd be very much obliged if I could sit by a warm furnace, and perhaps have a saucer of milk."
