A Gen-X librarian's laugh-out-loud funny, deeply moving collection of love letters and break-up notes to the books in her life. Librarians spend their lives weeding. Not weeds, but books! Books that have reached the end of their shelf life, both literally and figuratively. They remove the ones that patrons no longer check out, and they put back the ones they treasure. Annie Spence, who has a decade of experience as a Midwestern librarian, does this not only at her Michigan library but also at home, for her neighbors, at cocktail parties—everywhere. In Dear Fahrenheit 451, she addresses those books directly. We read her love letters to Just Kids and Frog and Toad Storybook Treasury, as well as her break-ups with The Giving Tree and Dear John. Her notes to The Goldfinch and The Time Traveler's Wife feel like classics. Through the lens of the books in her life, Annie comments on everything from feminism to health to poverty to childhood aspirations. Hilarious, compassionate, and wise, Dear Fahrenheit 451 is the consummate book-lover's book.

Contains a magical collection of folktales from around the world.

"Andy is small. Sandy is tall. Andy is quiet. Sandy is LOUD. When these two opposites-attract best friends play dress up, anything could happen"--

At home, work, and out in our ever-changing world, we're all just doing our best. In this modern parody, Frog and Toad are here to commiserate and lend some laughter. Full of wry humor and deep compassion for our modern vulnerabilities, the stories in Frog and Toad Are Doing Their Best perfectly capture the heartwarming authenticity of Lobel's famous amphibian friends while revealing razor-sharp truths about the world we live in today. Through Frog and Toad, we see the anxieties that are woven throughout our everyday existence, from our well-meaning but often-failed attempts at practicing self-care to our struggle to balance the gifts and burdens of technology. Toad ponders a variety of questionable schemes to pay off his credit cards, while Frog spends too much time scrolling through the newsfeed on his phone. But despite their daily frustrations and existential concerns, they know that having a friend to share life's burdens makes even the darkest days brighter.

Three hilarious Margaret Atwood tales, together in a chapter book for the first time! In Rude Ramsay and the Roaring Radishes, Ramsay runs away from his revolting relatives and makes a new friend with more refined tastes. The second tale, Bashful Bob and Doleful Dorinda, features Bob, who was raised by dogs, and Dorinda, who does housework for relatives who don't like her. It is only when they become friends that they realize they can change their lives for the better. And finally, to get her parents back, Wenda and her woodchuck companion have to outsmart Widow Wallop in Wandering Wenda and Widow Wallop's Wunderground Washery. Young readers will become lifelong fans of Margaret Atwood's work and the kind of wordplay that makes these tales such rich fare, whether they are read aloud or enjoyed independently. Reminiscent of Carl Sandburg's Rootabaga Stories, these compelling tales are a lively introduction to alliteration.
