If you're struggling to keep your projects organized, this book is for you. If you manage projects without the benefit of a team, this book is also for you. Change the way you think about project management—"project manager" may not be your official title or necessarily your dream job, but with the right

strategies, you can excel.

When COVID-19 became a global pandemic, somebody hit a reset button on the economy. Literally. Economists have begun referring to the 2020 event as the Great Reset as lockdowns and health scares caused dramatic shifts in the business and economic landscape across the world. In *Survive and Thrive*, readers learn what this reset means for their world and their place in the economy as they build (or rebuild) a business in 2020 and beyond. *Survive and Thrive* paves the path for any entrepreneur to start from scratch and build a profitable business in any economy, including this one, with a series of marketing, sales, and finance strategies that integrate together to help business owners survive and create a thriving business with lasting, long-term success. Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning ChooseFI podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Mirroring the format of the popular ChooseFI podcast, this book pulls from the collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation and "choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation: Developing a growth mindset Defining your values and aligning them with your spending Cutting years from your estimated retirement date Questioning the status quo on "required expenses" Cutting travel expenses and putting family vacations within your reach Learning how to earn more and live with abundance Updating the commonly accepted wisdom on college education and the debt associated with it Cutting through the noise on investing to discover strategies that work Showing how to implement investment strategies that enable the lifestyle you desire while controlling downside risk FI or Financial Independence is the new debt-free and getting back to 0 is just the beginning of a wonderful journey. Whether you have mountains of debt now or are recently debt free and wondering what to do next, *Choose FI: Your Blueprint to Financial Independence* will give you the information to guide your next move.

Having a clear, compelling vision--and getting buy-in from your team--is essential to effective leadership. If you don't know where you're going, how on earth will you get there? But how do you craft that vision? How do you get others on board? And how do you put that vision into practice at every level of your organization? In *The Vision Driven Leader*, New York Times bestselling author Michael Hyatt offers six tools for crafting an irresistible vision for your business, rallying your team around the vision, and distilling it into actionable plans that drive results. Based on Michael's 40 years of experience as an entrepreneur and executive, backed by insights from organizational science and

psychology, and illustrated by case studies and stories from multiple industries, *The Vision Driven Leader* takes you step-by-step from why to what and then how. Your business will never be the same.

NEW YORK TIMES BESTSELLER - Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."--Jenna Fischer, actor and cohost of the Office Ladies podcast
The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including: - Decide once - Start small - Ask the Magic Question - Go in the right order - Schedule rest
Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else's "shoulds." Do what matters, skip the rest, and be a person again. Great leaders are driven to win. Yet career wins can come at great cost to your health, relationships, and personal well-being. Why does it seem impossible to both win at work and succeed at life? A Total Productivity System to Achieve More by Doing Less
Baker Books
A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion.

Everyone gets 168 hours a week, but it never feels like enough, does it? Work gobbles up the lion's share--many professionals are working as much as 70 hours a week--leaving less and less for rest, exercise, family, and friends. You

know, all those things that make life great. Most people think productivity is about finding or saving time. But it's not. It's about making our time work for us. Just imagine having free time again. It's not a pipe dream. In *Free to Focus*, New York Times bestselling author Michael Hyatt reveals to readers nine proven ways to win at work so they are finally free to succeed at the rest of life--their health, relationships, hobbies, and more. He helps readers redefine their goals, evaluate what's working, cut out the nonessentials, focus on the most important tasks, manage their time and energy, and build momentum for a lifetime of success.
