Fun Home A Family Tragicomic Houghton Mifflin Harcourt

This queer quartet boldly goes where no man has gone before.

A dusty box discovered in the wreckage of a once prosperous plantation on Agate Hill in North Carolina contains the remnants of an extraordinary life: diaries, letters, poems, songs, newspaper clippings, court records, marbles, rocks, dolls, and bones. It's through these treasured mementos that we meet Molly Petree. Raised in those ruins and orphaned by the Civil War, Molly is a refugee who has no interest in self-pity. When a mysterious benefactor appears out her father's past to rescue her, she never looks back. Spanning half a century, *On Agate Hill* follows Molly's passionate, picaresque journey through love, betrayal, motherhood, a murder trial—and back home to Agate Hill under circumstances she never could have imagined.

'Show me something I've never seen before and will never be able to forget - if you can do that, you can do anything.' It's 1957, long before computers have replaced the trained eye and skilful hand. Our narrator at State University is determined to major in Art, and after several risible false starts, he accidentally ends up in a new class: 'Introduction to Graphic Design'. His teacher is the enigmatic Winter Sorbeck, equal parts genius, seducer and sadist. Sorbeck is a bitter yet fascinating man whose assignments hurl his charges through a gauntlet of humiliation and heartache, shame and triumph, ego-bashing and enlightenment. Along the way, friendships are made and undone, jealousies simmer, and the sexual tango weaves and dips. By the end of their 'Introduction to Graphic Design', Sorbeck's students will never see the world in the same way again. And, with Chip Kidd's insights into the secrets of graphic design, neither will you.

In this groundbreaking, bestselling graphic memoir, Alison Bechdel charts her fraught relationship with her late father. In her hands, personal history becomes a work of amazing subtlety and power, written with controlled force and enlivened with humor, rich literary allusion, and heartbreaking detail. Distant and exacting, Bruce Bechdel was an English teacher and director of the town funeral home, which Alison and her family referred to as the "Fun Home." It was not until college that Alison, who had recently come out as a lesbian, discovered that her father was also gay. A few weeks after this revelation, he was dead, leaving a legacy of mystery for his daughter to resolve. After discovering that who she thought was her father was indeed not, Portland-based "zinester" Nicole Georges embarks upon a journey of identity. Contributions by Michelle Ann Abate, Leah Anderst, Alissa S. Bourbonnais, Tyler

Bradway, Natalja Chestopalova, Margaret Galvan, Judith Kegan Gardiner, Katie Hogan, Jonathan M. Hollister, Yetta Howard, Katherine Kelp-Stebbins, Don L. Latham, Vanessa Lauber, Katherine Parker-Hay, Anne N. Thalheimer, Janine Utell, and Susan R. Van Dyne Alison Bechdel is both a driver and beneficiary of the welcoming of comics into the mainstream. Indeed, the seemingly simple binary of outside/inside seems perpetually troubled throughout the career of this important comics artist, known for *Fun Home*, *Are You My Mother?*, and *Dykes to Watch Out For*. This volume extends the body of scholarship on her work from a range of interdisciplinary perspectives. In a definitive collection of original essays, scholars cover the span of Bechdel's career, placing her groundbreaking early work within the context of her more well-known recent projects. The contributors provide new insights on major themes in Bechdel's work, such as gender performativity, masculinity, lesbian politics and representation, trauma, life writing, and queer theory. Situating Bechdel among other comics artists, this book charts possible influences on her work, probes the experimental traits of her comics in their representations of kinship and trauma, combs archival materials to gain insight into Bechdel's creative process, and analyzes her work in community building and space making through the comics form. Ultimately, the volume shows that Bechdel's work consists of performing a series of selves—serializing the self, as it were—each constructed and refracted across and within her chosen artistic modes and genres.

In the second volume of the acclaimed novel, the narrator recalls his adolescent discoveries of art and women in Belle Époque France. Following the events of *Swann's Way*, the nameless narrator shifts his attention to memories of his teenage years. His relationship with the Swann family is altered as his love for Gilberte fizzles out. Two years later, he accompanies his grandmother to the resort town of Balbec on the Normandy coast. There, he encounters figures who will change his life: Robert de Saint-Loup, who becomes his friend; the magnificent painter Elstir; and the new object of his affection, the beautiful Albertine, who causes him to reflect on the nature of love. Although it was originally meant to be published in 1914, *Within a Budding Grove's* release was delayed until 1919 due to World War I. The book was awarded the Prix Goncourt, which quickly garnered fame for Proust. It is the second of seven volumes in a saga Edmund White hailed as "the most respected novel of the twentieth century." Praise for Marcel Proust "Reading Proust . . . it's a whole world not just a book. Everyone wants to live more than one life and Proust is like 'here's another one you can live.'" —Francine Prose, *New York Times*—bestselling author of *Mister Monkey* "I can think of only one other writer capable of such breadth and humanity: Shakespeare." —André Aciman, *New York Times*—bestselling author of *Find Me* "When I want to restore my faith in literature, I read Proust. . . . Reading Proust is like watching a galaxy being put together, one particle at a time." —Aleksandar Hemon, author of *The Making of Zombie Wars*

Autobiographical writings have been a major cultural genre from antiquity to the

present time. General questions of the literary as, e.g., the relation between literature and reality, truth and fiction, the dependency of author, narrator, and figure, or issues of individual and cultural styles etc., can be studied preeminently in the autobiographical genre. Yet, the tradition of life-writing has, in the course of literary history, developed manifold types and forms. Especially in the globalized age, where the media and other technological / cultural factors contribute to a rapid transformation of lifestyles, autobiographical writing has maintained, even enhanced, its popularity and importance. By conceiving autobiography in a wide sense that includes memoirs, diaries, self-portraits and autofiction as well as media transformations of the genre, this three-volume handbook offers a comprehensive survey of theoretical approaches, systematic aspects, and historical developments in an international and interdisciplinary perspective. While autobiography is usually considered to be a European tradition, special emphasis is placed on the modes of self-representation in non-Western cultures and on inter- and transcultural perspectives of the genre. The individual contributions are closely interconnected by a system of cross-references. The handbook addresses scholars of cultural and literary studies, students as well as non-academic readers.

In his first novel, *A Happy Death*, written when he was in his early twenties and retrieved from his private papers following his death in 1960, Albert Camus laid the foundation for *The Stranger*, focusing in both works on an Algerian clerk who kills a man in cold blood. But he also revealed himself to an extent that he never would in his later fiction. For if *A Happy Death* is the study of a rule-bound being shattering the fetters of his existence, it is also a remarkably candid portrait of its author as a young man. As the novel follows the protagonist, Patrice Mersault, to his victim's house -- and then, fleeing, in a journey that takes him through stages of exile, hedonism, privation, and death -it gives us a glimpse into the imagination of one of the great writers of the twentieth century. For here is the young Camus himself, in love with the sea and sun, enraptured by women yet disdainful of romantic love, and already formulating the philosophy of action and moral responsibility that would make him central to the thought of our time. Translated from the French by Richard Howard

This book collects Lisa Kron's two extraordinary solo performance works. Best known for her ongoing work as a member of The Five Lesbian Brothers, Kron's solo pieces are very personal examinations of both herself and her family history. This is singularly clear in *2.5 Minute Ride*, where her writing deftly maneuvers between the tragic drama of the Holocaust and the wry comedy of her family's attempts to pursue pleasure at the local amusement park. This critically acclaimed work played to sold out audience for over six months at New York's Public Theatre. Also included is the riotous *101 Humiliating Stories*, which first premiered in 1993, and in fact only consists of seventeen tales but each, as the author observes, has several humiliations. It recounts the adventures and

misadventures of a self-described Big Lesbian as she tests the boundaries of decorum in social and professional situations.

DISCOVER the BESTSELLING GRAPHIC MEMOIR behind the 2019 Olivier Award nominated musical. 'A sapphic graphic treat' The Times A moving and darkly humorous family tale, pitch-perfectly illustrated with Alison Bechdel's gothic drawings. If you liked Marjane Satrapi's Persepolis you'll love this. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high-school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and the family babysitter. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic, and redemptive. Interweaving between childhood memories, college life and present day, and through narrative that is equally heartbreaking and fiercely funny, Alison looks back on her complex relationship with her father and finds they had more in common than she ever knew. "The rare work of fiction that has changed real life . . . If you don't yet know Molly Bolt—or Rita Mae Brown, who created her—I urge you to read and thank them both."—Gloria Steinem Winner of the Lambda Literary Pioneer Award | Winner of the Lee Lynch Classic Book Award A landmark coming-of-age novel that launched the career of one of this country's most distinctive voices, *Rubyfruit Jungle* remains a transformative work more than forty years after its original publication. In bawdy, moving prose, Rita Mae Brown tells the story of Molly Bolt, the adoptive daughter of a dirt-poor Southern couple who boldly forges her own path in America. With her startling beauty and crackling wit, Molly finds that women are drawn to her wherever she goes—and she refuses to apologize for loving them back. This literary milestone continues to resonate with its message about being true to yourself and, against the odds, living happily ever after. Praise for *Rubyfruit Jungle* "Groundbreaking."—*The New York Times* "Powerful . . . a truly incredible book . . . I found myself laughing hysterically, then sobbing uncontrollably just moments later."—*The Boston Globe* "You can't fully know—or enjoy—how much the world has changed without reading this truly wonderful book."—Andrew Tobias, author of *The Best Little Boy in the World* "A crass and hilarious slice of growing up 'different,' as fun to read today as it was in 1973."—*The Rumpus* "Molly Bolt is a genuine descendant—genuine female descendant—of Huckleberry Finn. And Rita Mae Brown is, like Mark Twain, a serious writer who gets her messages across through laughter."—Donna E. Shalala "A trailblazing literary coup at publication . . . It was the right book at the right time."—Lee Lynch, author of *Beggar of Love*

This thesis will examine how Alison Bechdel's 2006 graphic memoir "Fun Home: A Family Tragicomic" uses references to William Shakespeare, Oscar Wilde and their works to explore Bechdel's and her father's sexual identities and gender identities. First, I will argue that Bechdel's use of dramatic intertextuality is often ignored in favour of her use of modernist canonical fiction. Then I will proceed to explain why dramatic intertextuality is important for the graphic narrative and for *Fun Home* in particular. Afterwards, I will specifically focus on the dramatic intertextual references to Shakespeare and Wilde. I will argue that Bechdel explores her own gender identity by indirectly referencing Shakespeare's use of theatrical transvestitism. Then I will argue that she explores her father's sexuality by comparing him to Oscar Wilde and the homosexual archetypes he used in his plays. I will conclude my thesis with a discussion on how Bechdel employs indirect and direct dramatic intertextual references and what these references convey about her gender identity and her father's sexual identity.

Poetry. Richard Caddel began *WRITING IN THE DARK* after he was diagnosed with leukaemia in 1999; he regarded the series as ongoing, to be "finished" only by his death, which came in April 2003. The poems are an extended meditation on the many connotations of darkness and were originally drafted literally "in the dark," using a hand-held Psion with a backlit screen, in England and Japan. The book is a companion volume to his selected poems, *MAGPIE WORDS*, published in 2002 and also available

from SPD. 'Caddel continually finds the right way to say what he needs to say. Each form serves its occasion. Each occasion matters to Caddel, and subsequently to us' --Martin Corless-Smith.

Wrapped in the snowfall of a blustery Midwestern winter, *Blankets* is the tale of two brothers growing up in rural isolation, and of the budding romance between two young lovers. A tale of security and discovery, of playfulness and tragedy, of a fall from grace and the origins of faith, *Blankets* is a profound and utterly beautiful work.

A profound portrait of family dynamics in the rural South and “an essential novel” (*The New Yorker*) “As close to flawless as any reader could ask for . . . The publication of Dorothy Allison’s *Bastard Out of Carolina* was a landmark event that won the author a National Book Award nomination and launched her into the literary spotlight. Critics have likened Allison to Harper Lee, naming her the first writer of her generation to dramatize the lives and language of poor whites in the South. Since its appearance, the novel has inspired an award-winning film and has been banned from libraries and classrooms, championed by fans, and defended by critics. Greenville County, South Carolina, is a wild, lush place that is home to the Boatwright family—a tight-knit clan of rough-hewn, hard-drinking men who shoot up each other’s trucks, and indomitable women who get married young and age too quickly. At the heart of this story is Ruth Anne Boatwright, known simply as Bone, a bastard child who observes the world around her with a mercilessly keen perspective. When her stepfather Daddy Glen, “cold as death, mean as a snake,” becomes increasingly more vicious toward her, Bone finds herself caught in a family triangle that tests the loyalty of her mother, Anney—and leads to a final, harrowing encounter from which there can be no turning back.

The New York Times—bestselling graphic memoir about Alison Bechdel, author of Fun Home, becoming the artist her mother wanted to be. Alison Bechdel's Fun Home was a pop culture and literary phenomenon. Now, a second thrilling tale of filial sleuthery, this time about her mother: voracious reader, music lover, passionate amateur actor. Also a woman, unhappily married to a closeted gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood...and who stopped touching or kissing her daughter good night, forever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. It's a richly layered search that leads readers from the fascinating life and work of the iconic twentieth-century psychoanalyst Donald Winnicott, to one explosively illuminating Dr. Seuss illustration, to Bechdel's own (serially monogamous) adult love life. And, finally, back to Mother—to a truce, fragile and real-time, that will move and astonish all adult children of gifted mothers. A New York Times, USA Today, Time, Slate, and Barnes & Noble Best Book of the Year “As complicated, brainy, inventive and satisfying as the finest prose memoirs.”—New York Times Book Review “A work of the most humane kind of genius, bravely going right to the heart of things: why we are who we are. It's also incredibly funny. And visually stunning. And page-turningly addictive. And heartbreaking.”—Jonathan Safran Foer “Many of us are living out the un-lived lives of our mothers. Alison Bechdel has written a graphic novel about this; sort of like a comic book by Virginia Woolf. You won't believe it until you read it—and you must!”—Gloria Steinem

The groundbreaking graphic memoir that inspires breast cancer patients to fight back—and do so with style. “What happens when a shoe-crazy, lipstick-obsessed, wine-swilling, pasta-slurping, fashion-fanatic, about-to-get-married big-city girl cartoonist with a fabulous life finds . . . a lump in her breast?” That's the question that sets this powerful, funny, and poignant graphic memoir in motion. A charming, highly relatable graphic memoir about one woman’s coming out and coming of age that “brims with hope, and the joy that arises when one is finally ready to step out into the world” (OprahMag.com). Ellie always had questions about who she was and how she fit in. As a girl, she wore black, obsessed over Willow in Buffy the Vampire Slayer, and found dating boys much more confusing than many of her friends did. As she grew older, so did her fears and a deep sense of unbelonging. From her first communion to her first girlfriend via a swathe of self-denial, awkward encounters, and everyday courage, Ellie offers a fresh and funny self-portrait of a young woman becoming herself. This “heartwarming, delightful memoir of self-discovery” (Kirkus Reviews, starred review) reminds us that people sometimes come out not just once but again and again; that identity is not necessarily about falling in love with others, but about coming to terms with oneself. Full of vitality and humor, *The Times I Knew I Was Gay* will ring true for anyone who has taken the time to discover who they truly are.

Is it possible to die a happy death? This is the central question of Camus's astonishing early novel, published posthumously and greeted as a major literary event. It tells the story of a young Algerian, Mersault, who defies society's rules by committing a murder and escaping punishment, then experimenting with different ways of life and finally dying a happy man. In many ways *A Happy Death* is a fascinating first sketch for *The Outsider*, but it can also be seen as a candid self-portrait, drawing on Camus's memories of his youth, travels and early relationships. It is infused with lyrical descriptions of the sun-drenched Algiers of his childhood - the place where, eventually, Mersault is able to find peace and die 'without anger, without hatred, without regret'.

Amy Bloom was nominated for a National Book Award for her first collection, *Come to Me*, and her fiction has appeared in *The New Yorker*, *Story*, *Antaeus*, and other magazines, and in *The Best American Short Stories* and *Prize Stories: The O. Henry Awards*. In her new collection, she enhances her reputation as a true artist of the form. Here are characters confronted with tragedy, perplexed by emotions, and challenged to endure whatever modern life may have in store. A loving mother accompanies her daughter in her journey to become a man, and discovers a new, hopeful love. A stepmother and stepson meet again after fifteen years and a devastating mistake, and rediscover their familial affection for each other. And in "The Story," a widow bent on seducing another woman's husband constructs and deconstructs her story until she has "made the best and happiest ending" possible "in this world."

Alison Bechdel’s *Fun Home: A Family Tragicomic* has quickly joined the ranks of celebrated literary graphic novels. Set in part at a family-run funeral home, the book explores Alison’s complicated relationship with her father, a closeted gay man. Amid the tensions of her home life, Alison discovers her own lesbian sexuality and her talent for drawing. The coming-of-age story and graphic format appeal to students. However, the book’s nonlinear structure; intertextuality with modernist novels, Greek myths, and other works; and frank representations of sexuality and death present challenges in the classroom. This volume offers strategies for teaching *Fun Home* in a variety of courses, including literature, women’s and gender studies, art, and education. Part 1, “Materials,” outlines the text’s literary, historical, and theoretical allusions. The essays of part 2, “Approaches,” emphasize the work’s genres, including autobiography and graphic narrative, as well as its psychological dimensions, including trauma, disability, and queer identity. The essays give options for reading *Fun Home* along with Bechdel’s letters and drafts; her long-running comic strip, *Dykes to Watch Out For*; the Broadway musical adaptation of the book; and other stories of LGBTQ lives.

Research Paper (undergraduate) from the year 2018 in the subject American Studies -

Literature, grade: 1,0, University of Erfurt (Philosophische Fakultät), course: Literature in Images: Graphic Novels, language: English, abstract: This work analyzes the perception of authenticity in "Fun Home". Alison Bechdel's "Fun Home" from 2007 is a graphic memoir that tries to create a sense of truthfulness to the reality of the author's memories by employing various means. This paper examines the techniques Bechdel uses for the creation of what may look for the reader like authenticity. By using for example Philippe Lejeune's autobiographical pact the text closely analyzes the presentation of text and image concerning the protagonist Alison and the narrating voice as well as the role of photographs in the text. By investigating the protagonist's self-portrayal through text and images this paper tries to point out the successfulness of appearing truth of the story as well as distinguish in which instance a disruption of before identified means in form of fictionalization can be found in the text and how this influences the perception of its authenticity. The second part of the paper then focuses on photography as another means to invoke a perception of truthfulness in the text with special attention to photography as means of memory and truth, based on theories by Roland Barthes and Marianne Hirsch as well as its possible fictionalization through the confines of the graphic novel genre and its significance in relation to the text's authenticity.

Un relato tragicómico en formato de memorias de la vida de una familia americana. En 2006 Houghton Mifflin publicó sus memorias gráficas, *Fun Home: Una tragicomedia familiar*, el exitoso relato de maduración que se ha calificado como «proeza de retrato familiar» y un «raro y original ejemplo del porqué las novelas gráficas han ocupado la conversación sobre la Literatura Americana.» *Fun Home* está nominado al premio National Book Critics Circle de 2007. El padre de Alison, la protagonista (y autora del libro), es profesor de inglés, y tiene como hobby coleccionar antigüedades y la restauración, así que aplica su hobby a restaurar su casa victoriana, que es a la vez una funeraria. Es un padre distante que nunca ha hecho pública su inclinación sexual, claramente homosexual. A través de esta narrativa visual, que es a la vez cómica y desoladora, nos acercamos a los complejos de Alison, que lucha en soledad por encontrar su lugar. ** Una familia tragicómica ha sido seleccionado como uno de los 100 mejores libros del año por *The New York Times*. «Una autora esencial que toda biblioteca de diversidad debe incluir.» Nieves Gascón, 20 Minutos

Literary Nonfiction. Growing up queer in the deep South, Genevieve Hudson longed for stories about lives like her own. So she turned to Alison Bechdel's groundbreaking graphic memoir, *FUN HOME*. In its panels, she found sly references to Bechdel's personal influences. *A Little in Love with Everyone* is Hudson's journey down a rabbit hole of queer heroes like Audre Lorde, Eileen Myles, and Adrienne Rich, who turned their stories into art and empowered future generations to embrace their own truths.
