"The Principles of Singapore Business Law, first published in 2009, was followed by a second edition in 2013. This third edition provides a timely update of the legal changes that have taken place since then, stating the law as on 4th May 2019. In keeping with the aims of this publication since the first edition, the volume sets out the law of relevance to business, with the lay reader in mind, while providing glimpses into some complex and unsettled areas of law that are of practical interest. In this vein, layman's language is adopted and pedagogical features are used to summarise, illustrate and provide mind-maps of basic concepts. Unsettled areas are separately highlighted in reflection boxes to provoke further thinking. This volume features some chapters that have been completely or extensively rewritten and others streamlined in both language and content to ensure greater accessibility to the lay reader." -- Back cover.

For one- or two-semester undergraduate courses in Business Law Take students beyond rote memorization and into true understanding of the concepts and their implications. This motivating, up-to-date text presents business law, ethics, and the legal environment in a way that intrigues students, spurs them to ask questions, and takes them beyond rote memorization as they learn the issues and concepts. With its emphasis on covering online law and e-commerce as key parts of the legal environment—as well as today's social, ethical, and international issues that are important to the study of business law—it's the ideal text for your one- or two-semester undergraduate course in Business Law. This text provides a better teaching and learning experience—for you and your students. Here's how: Tailor the material to your specific course with the Custom Database option. Draw students into the material with a rich selection of cases. Address issues critical to the field of business law today.

Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well – to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

Business: A Changing World is the fastest growing introduction to business text available today. Its success is due in large measure to the real-world, skill-building, decision-focused framework in a compact and timely format, as well as the authors' commitment to providing the content and teaching materials that instructors and students desire. Contemporary examples and boxed features help the fundamental concepts of business come alive for students. The authors provide an abundance of new real-world examples, cases, boxed features, and exercises to make the course interesting and exciting. Feedback from adopters and reviewers alike indicates that they have done an excellent job in providing a complete teaching package that engages and connects students to the realities of business. Authors O.C. Ferrell and Geoff Hirt emphasize the important issues and challenges facing business today, but they also believe that there must be a balance in coverage to avoid an over-emphasis of trendy topics. They believe that students must first learn some of the fundamental concepts that provide a foundation for understanding the world of business. trail-blazing tradition that made the 3rd edition so successful. In addition to Cybertrik icons throughout the text that lead the students directly to the wealth of information available on the online learning center, a new chapter on Information Technology and e-Business is a heralded feature of the new edition. And the new dot.comment boxes provide commentary on internet-related business issues. All chapters in the

new edition have been updated with the latest knowledge and best practices that are appropriate for coverage at the introduction to business level, including such important information as NBES, WTO, Mercosur, APEC, the future for small business, and 2000 census data.

This text's user-friendly format, manageable length, and up-to-date real world examples enable students to experience business firsthand. 'Business in Action' takes students on an engaging exploration of the fundamentals, strategies, and dynamics that make the business world work.
