

Galatians Zondervan Exegetical Commentary On The New Testament

This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow.

These lessons, based on his Galatians commentary in the Zondervan Exegetical Commentary on the New Testament series, offer a detailed overview of this important biblical book.

Paul's project, he often says, is building--not building with bricks and mortar but rather with people. He lays the foundation with the shockingly good news of one true God who raised Jesus from the dead, in order to build a new family with no divisions, all of whom can call God Father. In a world of widespread ethnic rivalry and trenchant divisiveness, Paul's strong corrective message in Galatians demands to be heard and reheard. In these studies by Tom Wright, we hear once again what remains shockingly good news.

Jobes writes to bridge the distance between academic biblical studies and pastors, students, and laypeople who are looking for an in-depth treatment of the issues raised by these New Testament books. She approaches the three letters of John as part of the corpus that includes John's gospel, while rejecting an elaborate redactional history of that gospel that implicates the letters. Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus, an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God.

Translation and Graphical Layout: Presents each commentator's translation of the Greek text in a graphical layout to help the reader visualize, and thus better understand, the flow of thought within the text. Structure: Describes the flow of thought in the passage and explains how certain interpretive decisions regarding the relationship of the clauses were made in the passage. Exegetical Outline: The overall structure of the passage is described in a detailed exegetical outline. This will be particularly helpful for those who are looking for a way to concisely explain the flow of thought in the passage in a teaching or preaching setting. Explanation of the Text: Commentators examine words and images, grammatical details, relevant Old Testament and Jewish background to a particular concept, historical and cultural context, important text-critical issues, and various interpretive issues that surface. Theology in Application: The theological message of the passage is summarized. The author discusses the theology of the text in terms of its place within the book and in a broader biblical-theological context. Finally, each commentator provides some suggestions on what the message of the passage is for the church today. The Zondervan Exegetical Commentary on the New Testament series is the go-to resource for pastors and Bible teachers looking for deep but accessible study that equips them to connect the needs of Christians today with the biblical text.

New volume in a favorite Bible commentary series Writing a commentary on Galatians is a daunting task. Despite its relative brevity, this Pauline letter raises a number of foundational theological issues, and it has played a vital role in shaping Christian thought and practice over the centuries. In this replacement of Ronald Y. K. Fung's 1988 New International Commentary volume, David deSilva ably rises to the challenge, providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul's converts in Galatia and the underlying questions that gave rise to them. Paying careful attention to the history, philology, and theology of the letter, and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus, deSilva's exegetically sound commentary will serve as an essential resource for pastors and

theological students.

This volume by Dr. Thomas R. Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions & Answers series. Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law, but also writes clearly and engagingly for the student. The pastor, student, and layperson can easily understand Schreiner's biblical theology of the Law.

After the Apostle Paul returned from his first missionary journey, he heard that a certain group of legalistic Jewish Christians had infiltrated the churches he had established. These false teachers were teaching that new Christians had to be circumcised and follow the Old Testament law in order to be truly saved. Paul, realizing the gospel was at stake, wrote this letter in response. In Galatians Verse by Verse, experienced New Testament scholar sets forth Paul's laser-focused argument: Jesus is not only the Messiah; he came to inaugurate a new era in salvation history. In this new era, Christians are not made right with God by obeying the law; justification is by faith alone. This frees believers to live their lives not trying to earn salvation, but instead joyfully keeping in step with the Spirit. Pastors, Bible study leaders, and invested laypeople will all benefit from Osborne's careful reading of the text and commitment to making sense of the New Testament without scholarly jargon. The Osborne New Testament Commentary Series is a set of commentaries on every New Testament book. In each volume, Grant R. Osborne seeks to carefully exposit the text in plain language, bringing out the treasures in each book and making them accessible for today's readers.

Paul's letter to the Galatians stands as a key book in the Bible, especially as it relates to the Old Testament Law and to the Christian's "freedom in Christ." Paul's emphasis on Jesus's substitutionary death, justification by faith, and the work of the Spirit makes the letter crucial for a complete understanding of the New Testament's teaching on salvation through faith in Christ. Combining scholarly depth with practical wisdom, pastor Todd Wilson has written a commentary based on years of ministry experience and biblical reflection, resulting in a resource that is exegetically engaged, theologically informed, and pastorally relevant. Paul's passionate exhortation for the Galatians to return and cling to the gospel that saved them remains relevant today, reminding modern readers of the importance of God's grace for all of life. Part of the Preaching the Word series.

Philip Graham Ryken interprets Galatians in line with Reformation teaching on this epistle, especially with respect to the doctrine of justification by faith alone. "Properly understood, the gracious gospel of Galatians liberates us from legalism," Ryken writes. "But since we are legalists by nature, the book challenges many of our preconceptions about what it means to have a right relationship with God." Ryken employs primarily the ESV. The Reformed Expository Commentary is biblical (committed to comprehensive exposition of the text), doctrinal (committed to the Westminster Standards), redemptive-historical (committed to a Christ-centered view of the Old Testament), and practical (committed to applying the text to people today). Coeditors are Philip Ryken and Richard Phillips; biblical editors are Iain Duguid and Dan Doriani. - Publisher.

This new commentary in the New Testament Library series is not a systematic study of Pauline theology; rather, the aim of this study is to trace Paul's theology as it unfolds in his letter to the church at Galatia, and to attempt to illuminate, as far as possible, how the Galatians likely comprehended it, at the time they received it. The author asks readers to imagine themselves as silent witnesses to Paul's dictation of the letter and to observe, through a historical perspective, how the Galatian Christians might have understood Paul's words.

Galatians Zondervan Academic

This commentary on Galatians seeks to provide an originalist understanding of the epistle by viewing Paul as a Torah-observant apostle of the Messiah who was arguing against compulsory proselyte conversion into Pharisaic Judaism and not the Old Testament law of God in general. As such, this commentary pays closer attention to the perpetuity of the Old Testament law of God, Paul's nuanced use of "law" (nomos), Jewish oral tradition, and the historical context of gentile proselyte conversion in Paul's time. The goal of this commentary is to combine the

strengths of evangelical hermeneutics and recent advances in Pauline studies to arrive at a more accurate understanding of the original author's intended meaning within his own historical context.

Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the New Testament examines the biblical text in its original environment. Notable evangelical scholars carefully attend to grammatical detail, literary context, rhetorical flow, theological nuance, and historical setting in their interpretation. Critical scholarship informs each step, but does not dominate the commentary, allowing readers to concentrate on the biblical author's message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find this series beneficial. The general editor for this enterprising series is Clinton E. Arnold. The following focused sections help readers understand the text:

- Translation in Graphic Layout: Presents a translation through a diagram that helps readers visualize the flow of thought within the text
- Exegetical Outline: Gives the overall structure of the passage
