Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to Red Sparrow—CIA insider Jason Matthews's compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash “shimmers with authenticity. The villains are richly drawn...the scenes of them on the job are beyond chilling” (The New York Times Book Review). Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin's Russia—but what no one knows is that she is also working for the CIA. Her “sparrow” training in the art of sexual espionage further complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin's threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, Palace of Treason is a story “as suspenseful and cinematic as the best spy movies” (The Philadelphia Inquirer)—one that feels fresh and so possible, in fact, that it's doubtful this novel can ever be published in Russia.

For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to “The Hillary Beat” ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became – both personally and professionally – intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But Chasing Hillary is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, Chasing Hillary is a campaign book like never before that reads like a fast-moving political novel.

Coiled like a snake at the base of the spine, kundalini is the spiritual force that lies dormant in every human being. Once awakened, often through meditation and yoga practices, it rises up the spine and finds expression in the form of spiritual knowledge, mystical vision, psychic powers, and ultimately, enlightenment. This is the classic first-person account of Gopi Krishna, an ordinary Indian householder who, at the age of thirty-four, after years of unsupervised meditation, suddenly experienced the awakening of kundalini during his morning practice. The story of this transformative experience, and the author's struggle to find balance amid a variety of powerful physiological and psychic side effects, forms the core of the book. His detailed descriptions of his dramatic inner experiences and symptoms such as mood swings, eating disorders, and agonizing sensations of heat—and of how, with the help of his wife, he finally stabilized at a higher level of consciousness—make this one of the most valuable classics of spiritual awakening available.

Even forty years after the civil rights movement, the transition from son and grandson of Klansmen to field secretary of SNCC seems quite a journey. In the early 1960s, when Bob Zellner's professors and classmates at a small church school in Alabama thought he was crazy for even wanting to do research on civil rights, it was nothing short of remarkable. Now, in his long-awaited memoir, Zellner tells how one white Alabamian joined ranks with the black students who were sitting-in, marching, fighting, and sometimes dying to challenge the Southern “way of life” he had been raised on but rejected. Decades later, he is still protesting on behalf of social change and equal rights. Fortunately, he took the time, with co-author Constance Curry, to write down his memories and reflections. He was in all the campaigns and was close to all the major figures. He was beaten, arrested, and reviled by some but admired and revered by others. The Wrong Side of Murder Creek, winner of the 2009 Lillian Smith Book

Award, is Bob Zellner's larger-than-life story, and it was worth waiting for.

An in-depth look at how this double feature was made includes working and post-production photographs, the screenplay to "Planet Terror," and interviews with the cast and crew of "Death Proof" about such topics as the plot, stunts, wardrobe, vehicles, creatures, and special effects.

A fitting tribute to the Bond tradition, *Devil May Care* stands on its own as a triumph of witty prose and plenty of double-0 action. "In his house in Jamaica, Ian Fleming used to write a thousand words in the morning, then go snorkeling, have a cocktail, lunch on the terrace, more diving, another thousand words in the late afternoon, then more martinis and glamorous women. In my house in London, I followed this routine exactly, apart from the cocktails, the lunch, and the snorkeling." —Sebastian Faulks

The harrowing, utterly original debut novel by Uzodinma Iweala about the life of a child soldier in a war-torn African country—now a critically-acclaimed Netflix original film directed by Cary Fukunaga (*True Detective*) and starring Idris Elba (*Mandela*, *The Wire*). As civil war rages in an unnamed West-African nation, Agu, the school-aged protagonist of this stunning debut novel, is recruited into a unit of guerilla fighters. Haunted by his father's own death at the hands of militants, which he fled just before witnessing, Agu is vulnerable to the dangerous yet paternal nature of his new commander. While the war rages on, Agu becomes increasingly divorced from the life he had known before the conflict started—a life of school friends, church services, and time with his family, still intact. As he vividly recalls these sunnier times, his daily reality continues to spin further downward into inexplicable brutality, primal fear, and loss of selfhood. In a powerful, strikingly original voice, Uzodinma Iweala leads the reader through the random travels, betrayals, and violence that mark Agu's new community. Electrifying and engrossing, *Beasts of No Nation* announces the arrival of an extraordinary new writer.

Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. From Scratch chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. This collection brings together for the first time a range of contributions aimed at a new understanding of the Italian horror cinema genre. In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.
