

Gary Moore Live Blues

Do you love sitting at home playing guitar, but find yourself playing the same old things over and over without making much progress? When other musicians invite you to jam, do you worry that you won't be able to keep up? Are you a veteran guitarist who has played for years, but you're embarrassed to admit you have no idea what you're doing? If you want to take your guitar playing to the next level, compose songs like you hear on the radio, and improvise your own music, then you need Fretboard Theory. Fretboard Theory by Desi Serna teaches music theory for guitar including scales, chords, progressions, modes and more. The hands-on approach to theory shows you how music "works" on the guitar fretboard by visualizing shapes and patterns and how they connect to make music. Content includes: * Learn pentatonic and major scale patterns as used to play melodies, riffs, solos, and bass lines * Move beyond basic chords and common barre chords by playing the types of chord inversions and chord voicings used by music's most famous players * Chart guitar chord progressions and play by numbers like the pros * Identify correct scales to play over chords and progressions so you can improvise at will * Create new sounds with music modes and get to know Ionian, Dorian, Phrygian, Lydian, Mixolydian, Aeolian and Locrian * Add variety to your playing by using intervals such as thirds, fourths, and sixths * Increase your chord vocabulary by using added chord tones and extensions to play chord types such as major 7, minor 7, sus2, sus4, add9, and more * Learn how all the different aspects of music fit together to make a great song * See how theory relates to popular styles of music and familiar songs Fretboard Theory will have you mastering music like a pro easier and faster than you ever thought possible. Plus, it's the ONLY GUITAR THEORY RESOURCE in the world that includes important details to hundreds of popular songs. You learn how to play in the style of pop, rock, acoustic, blues, and more! This guitar instruction is perfect whether you want to jam, compose or just understand the music you play better. The material is suitable for both acoustic and electric guitar, plus it features many references to bass. Level: Recommended for intermediate level players on up. Video Fretboard Theory is also available as a 21-hour video series that is sold separately on the author's GuitarMusicTheory.com website. Visit the website and sign up for email lessons to sample the footage. Fretboard Theory Volume II When you're ready to take your playing to the next level, get the second book in the series, Fretboard Theory Volume II, which is also available as a 12-hour video series.

In the post-apocalyptic United States, Derek, Teddy, John and Leggy cross the country in the hope of finding a rumored haven.

The GUITAR GODS series are the perfect books for music lovers and guitar aficionados. Nine books promote and cover over 200 of the best musicians of the genres with pictures of each guitarist, a short bio, a list of top videos with live performances and even Youtube guitar lessons. If you love guitar music then this book is for you! Discover the legendary axe-men and unknown virtuosos in Heavy Metal, Rock and Roll, Blues, Folk, Country, Jazz, Reggae and more! BOOK THREE: GUITAR GODS and the ELECTRIC BLUES MASTERS... This will be another Top 50 Countdown. Artists included are the wonderful Lil Ed and the Blues Imperials and the amazing Gary Moore.

Michael Urban chronicles the advent of blues music in Russia and explores the significance of the genre in the turbulent, postcommunist society. Russians, he explains, have taken a music originating in the "low" culture of the American South and transformed it into an object of "high" culture, fashioning a social identity that distinguishes blues adherents from both the discredited Soviet past and the vulgar consumerism associated with the country's Westernization. While adapting the idiom to their own conditions, Russia's bliuzmeny (bluesmen) have absorbed the blues ethos encoded in the music by their American forebears, using it to invert their social world, thus deriving dignity and satisfaction from those very things that give one the blues. Based on more than forty interviews with blues musicians and fans, nightclub managers, and others, Russia Gets the Blues reveals the fascinating history of blues in Russia, from the initial mimicry of British blues-rock to the recent emergence of a specifically "Russian blues." The gradual mastering of the idiom in Russia has been conditioned by the culture of the country's intelligentsia, a fact explaining why, on one hand, bliuzmeny feel compelled to proselytize on behalf of the music, to share with others this treasure of "world culture," while, on the other, they perform blues almost exclusively in English—which almost no one understands—and condemn any and all efforts to make the music commercially successful.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (music and lyrics not included). Pages: 24. Chapters: After Hours (Gary Moore album), After the War (album), A Different Beat (Gary Moore album), Back on the Streets (Gary Moore album), Back to the Blues, Bad for You Baby, Blues for Greeny, Close as You Get, Corridors of Power (album), Dark Days in Paradise, Dirty Fingers, G-Force (album), Gary Moore discography, Gary Moore - The Definitive Montreux Collection, Grinding Stone (album), Old New Ballads Blues, Power of the Blues, Run for Cover (album), Scars (Gary Moore album), Still Got the Blues, Victims of the Future, Wild Frontier. Excerpt: This is a discography of the rock guitarist Gary Moore. Notes Notes Notes Moore played in Thin Lizzy for several periods and worked with Phil Lynott subsequently in his solo career. Colosseum II is a band that came from the ashes of Colosseum and featured Don Airey, Neil Murray/John Mole, Mike Starrs, Jon Hiseman and Moore. Moore participated in the recording of Greg Lake's two solo albums, Greg Lake (1981) and Manoeuvres (1983). He also played live in Greg Lake's line-up. Some notable performances of his touring stint with Lake, were the live covers of King Crimson songs "21st Century Schizoid Man," "In the Court of the Crimson King," as well as "Parisienne Walkways." One concert on this tour was recorded for the King Biscuit Flower Hour, and released on CD in 1995 as King Biscuit Flower Hour Presents Greg Lake in Concert. Moore's 1980 album Dirty Fingers (which also featured ex-Ted Nugent vocalist Charlie Huhn, former Rainbow/Wild Horses and later Dio bassist Jimmy Bain, and ex-Black Oak Arkansas/Pat Travers and later Ozzy Osbourne/Whitesnake/Ted Nugent drummer Tommy Aldridge) had a song called "Nuclear Attack," which he also performed on the Greg Lake album. Still Got the Blues is a 1990 album by guitarist Gary Moore. Prior to this...

With striking intimacy and candor, Eric Clapton tells the story of his eventful and inspiring life in this poignant and honest autobiography. More than a rock star, Eric Clapton is an icon, a living embodiment of the history of rock music. Well known for his reserve in a profession marked by self-promotion, flamboyance, and spin, he now chronicles, for the first time, his remarkable personal and professional journeys. Born illegitimate in 1945 and raised by his grandparents, Eric never knew his father and, until the age of nine, believed his actual mother to be his sister. In his early teens his solace was the guitar, and his incredible talent would make him a cult hero in the clubs of Britain and inspire devoted fans to scrawl "Clapton is God" on the walls of London's Underground. With the formation of Cream, the world's first supergroup, he became a worldwide superstar, but conflicting personalities tore the band apart within two years. His stints in Blind Faith, in Delaney and Bonnie and Friends, and in Derek and the Dominos were also short-lived but yielded some of the most enduring songs in history, including the classic "Layla." During the late sixties he played as a guest with Jimi Hendrix and Bob Dylan, as well as the Beatles, the Rolling Stones, and longtime friend George Harrison. It was while working with the latter that he fell for George's wife, Pattie Boyd, a seemingly unrequited love that led him to the depths of despair, self-imposed seclusion, and drug addiction. By the early seventies he had overcome his addiction and released the bestselling album 461 Ocean Boulevard, with its massive hit "I Shot the Sheriff." He followed that with the platinum album Slowhand, which included "Wonderful Tonight," the touching love song to Pattie, whom he finally married at the end of 1979. A short time later, however, Eric had replaced heroin with alcohol as his preferred vice, following a pattern of behavior that not only was detrimental to his music but contributed to the eventual breakup of his marriage. In the eighties he would battle and begin his recovery from alcoholism and become a father. But just as his life was coming together, he was struck by a terrible blow: His beloved four-year-old son, Conor, died in a freak accident. At an earlier time Eric might have coped with this tragedy by fleeing into a world of addiction. But now a much stronger man, he took refuge in music, responding with the achingly beautiful "Tears in Heaven." Clapton is the powerfully written story of a survivor, a man who has achieved the pinnacle of success despite extraordinary demons. It is one of the most compelling memoirs of our time.

The summer of 1969 was a momentous one in modern history. It was a season punctuated with change. Apollo 11 landed on the moon, thousands of young fans flocked to rock 'n' roll festivals like Woodstock and the controversial Altamont Freeway concert, the Manson Family cult were on a high-profile killing spree, and the first uprisings that would become the Stonewall Riots began. It was an electric summer of violent endings, new beginnings, and social unrest. It was also the summer that a myth was born—beginning with the tragic, untimely death of Rolling Stones founder, Brian Jones. The world soon lost two more huge music stars: Janis Joplin and Jimi Hendrix. Not only did losing these three beacons of music culture seem to signal the end of a musical era, it also felt like a foreboding sign; they had all died at exactly the same age. All three had lost their lives at the pinnacle of their creative output, and all three were exactly 27 years old. People have speculated that there could be a dastardly lineage, from the poisoning of blues pioneer Robert Johnson in 1938, through these icons of the 60s, and more recently to rebel chanteuse Amy Winehouse's death from alcohol poisoning in 2011. Could it be a twisted fate that the world's very best creative souls come to early, often violent, deaths at just 27 years old? Over time, this idea began to be known as, "the 27 club," and it has persisted in the public imagination. In *27: The Legend and Mythology of the 27 Club*, rock 'n' roll icon Gene Simmons takes a deep dive into the life stories of these legendary figures, without giving credence to the romanticized idea that being in the "club" is somehow a perverse privilege. Simmons wills us to acknowledge the extraordinary lives, not the sensational deaths, of the musicians and artists who left an indelible mark on the world.

(Play Like). Study the trademark songs, licks, tones and techniques that made Stevie Ray Vaughan a legend. Each book comes with a unique code that will give you access to audio files of all the music in the book online. This pack looks at 15 of Vaughan's most influential songs including: *Couldn't Stand the Weather* * *Honey Bee* * *Love Struck Baby* * *Pride and Joy* * *Scuttle Buttin'* * *Texas Flood* * *Tightrope* * and more.

A major portrait of the legendary American rock-and-roll band draws on exclusive interviews to track their career from 1969 to the present and is complemented by previously unpublished photographs and memorabilia. 100,000 first printing.

(Guitar Educational). This comprehensive source for learning blues guitar is designed to develop both your lead and rhythm playing. Blues styles covered include Texas, Delta, R&B, early rock & roll, gospel and blues/rock. The book also features: 21 complete solos * blues chords, progressions and riffs * turnarounds * movable scales and soloing techniques * string bending * utilizing the entire fingerboard * using 6ths * chord-melody style * music notation and tab * audio with leads and full band backing * video lessons * and more. This second edition now includes audio and video access online!

These photographs document George Mitchell's trip to Mississippi, where he searched for then unrecorded blues musicians including R. L. Burnside, Jessie Mae Hemphill, and Othar Turner. This journey yielded recordings of music now on cherished and touted albums and CDs. From Mitchell's fieldwork many others discovered the region and its distinctive style of blues. Some of the musicians Mitchell recorded had their lives transformed following his visit. The historic photographs in *George Mitchell's Mississippi Hill Country Blues 1967* capture a vibrant blues tradition at the moment of its discovery. Intimate, without posturing or pandering, these photographs provide a raw, authentic look at African American blues musicians, their families, and their stomping grounds in the Mississippi Hill Country at a time when blues music remained a lively, though waning, part of their community and blues musicians were viewed with respect and pride. Blues musicians brought pleasure and release to people wrestling with severe poverty and pervasive discrimination. Mitchell's ability to connect with his subjects is evident in his arresting images. The musicians-- and their families and friends--welcomed him in their homes and at rent parties and fife and drum picnics. They posed for portraits. They let him hang around with his camera while they cooked supper or danced up a storm. The book includes Mitchell's interviews, conducted at the time he took the photos, with four of the musicians, who talk about their music, their lives, and the times in which they live. Running throughout is the author's recounting of his experience of the seminal musicological odyssey.

A one-of-a-kind new guide to recorded blues This informative, insightful, and easy-to-use A-Z guide surveys the recorded work of more than a thousand blues artists. From towering figures of the past like Charley Patton, Bessie Smith, and Robert Johnson to stars of the modern era such as B. B. King, Buddy Guy, and Stevie Ray Vaughan, this valuable resource provides crisp, expert, and witty reviews of almost six thousand recordings and is required reading for blues aficionados as well as anyone just starting a collection.

(Berklee Guide). Increase your command of the guitar. Joe Stump reveals licks, techniques, and exercises to build your guitar technique. Learn licks and techniques common in rock/metal styles, and commit them to finger memory. The audio tracks include drum tracks for exercise practice, and backing tracks for Joe's technical etudes/solo transcriptions, which are notated in both tablature and traditional notation.

One hundred years on from the Dangerous Drugs Act of 1920, this book examines the money, politics and exploitation behind drugs and raises the question nobody asks: 'What kind of drugs policy do we actually want in the UK?'

Walk the halls of the famous studio that produced hits for Otis Redding, Isaac Hayes, Sam and Dave, and Booker T. and the MGs. *Soulsville, U.S.A.* provides the first history of the groundbreaking label along with compelling biographies of the promoters, producers, and performers who made and sold the music. Over 45 photos. Winner of the 1998 ASCAP-Deems Taylor Award Winner of the ARSC Award for Best Research in Record Labels

These guitar workshops are powerful learning tools that will help extend your stockpile of licks and fills and help develop your improvisational skills. Features play-along songs in standard notation and tab, and on the CD with and without guitar parts. Titles are: *Cold Day in Hell* * *Empty Rooms* * *The Loner* * *Oh Pretty Woman* * *Parisienne Walkways* * *Still Got the Blues* * *Story of the Blues* * *Walking by Myself*.

Based on Martin Strong's *The Great Rock Discography*, this is a compact version featuring 500 of the most influential figures in the history of popular music. It expands on the format of the previous title, in which full track listings for all albums, b-sides for all singles, labels, UK and US chart positions, band members, recommended listening, style analysis, band histories - from original line-ups to dissolution, solo projects, potted biographies, a pricing guide for rare albums and release dates are given.

A memoir of fathers and sons, baseball, a world at war, and second chances. "I loved [it]. You will, too" (Jim Morris, author of *The Oldest Rookie*). Gene Moore was a small-town Illinois farm boy whose passion for "America's Pastime" made him a local legend. It wasn't long before word spread, and the Brooklyn Dodgers came calling on the teenage phenom who could hit a ball a country mile. Headed for stardom, and his dream within reach, Gene's future in the majors was cut short by World War II. In 1944, after joining the US Navy, Gene found himself on a top-secret mission: guarding German sailors captured from U-505, a submarine carrying one of the infamous Enigma decoders. Stuck with guard duty, he decided to bide the time by doing what he loved. Gene taught the POWs how to play baseball. It was a decision that would change Gene's life forever. The story of a remarkable man told by his inspired son, "Gene's journey from promise to despair and back again, set against a long war and an even longer post-war recovery . . . [is] a 20th-century epic that demonstrates how, sometimes, letting go of a dream is the only way to discover one's great fortune" (Publishers Weekly, starred review).

When Alice Cooper became the stuff of legend in the early '70s, their shows were monuments of fun and invention. Riding on a string of hits like "I'm 18" and "School's Out," they became America's highest-grossing act, producing four platinum albums and hitting number one on the U.S. and U.K. charts with *Billion Dollar Babies* in 1973. As teenagers in Phoenix, Dennis Dunaway and lead singer Vince Furnier, who would later change his name to Alice Cooper, formed a hard-knuckles band that played prisons, cowboy bars and teen clubs. Their journey took them from Hollywood to the ferocious Detroit music scene. From struggling for

recognition to topping the charts, the Alice Cooper group was entertaining, outrageous, and one-of-a-kind. Dennis Dunaway, the bassist and co-songwriter for the band, tells a story just as over-the-top crazy as their (in)famous shows. Snakes! Guillotines! Electric Chairs! is the riveting account of the band's creation in the '60s, strange glory in the '70s, and the legendary characters they met along the way.

(Guitar Recorded Versions). 14 of this blues/rock axe master's transcriptions, from his Thin Lizzy days as well as his solo career. Songs: Bad for You Baby * Cold Day in Hell * Empty Rooms * The Loner * Midnight Blues * Oh Pretty Woman * Out in the Fields * Over the Hills and Far Away * Parisienne Walkways * Since I Met You Baby * Still Got the Blues * Texas Strut * Victims of the Future * Walking by Myself.

There is a common misconception about KISS, one of the greatest hard-rock/heavy metal-bands of all-time: that their 'non-makeup' era of 1983-1996 is not as enduring as the period when they stalked stages as the Starchild, the Demon, the Spaceman, and the Cat. This is untrue. In fact, this period helped resuscitate KISS's career, as they reestablished themselves in arenas, on the charts, and via MTV, and yielded some of their most popular songs – including Lick It Up, Heaven's On Fire, Tears Are Falling, Crazy Crazy Nights, Hide Your Heart, Forever, Unholy, and more – many of which consistently found their way into the band's set lists. While the majority of KISS books are focused on the glitz and glamour of the iconic makeup era, the non-makeup years are ripe to be explored in book form, and Take It Off does just that, zeroing in on the eleven albums KISS issued during this period – including such gold- and platinum-certified hits as Lick It Up, Animalize, Revenge, and Alive III – as well the resulting tours, videos, and other escapades. Take It Off draws on all-new interviews with KISS experts and associates, including the band's lead guitarist throughout most of this period, Bruce Kulick, plus Crazy Nights producer Ron Nevison and video director Paul Rachman (Unholy/I Just Wanna/Domino). Among the other contributors are Charlie Benante (Anthrax), K.K. Downing (ex-Judas Priest), Derek Sherinian (ex-Dream Theater), and rock music experts Eddie Trunk, Katherine Turman, and Lonny Friend. The book also includes a foreword by Fozzy frontman Chris Jericho and an afterword by acclaimed producer Andreas Carlsson, as well as rare photographs and memorabilia from the period. With KISS currently in the midst of their last ever tour, now is the time to get Truly Unmasked.

Based on a true story, this edition of Devil's Knot will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three innocent teenagers. For weeks in 1993, after the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In Devil's Knot, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story - one of the greatest miscarriages of justice in American legal history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.

From the photographer of the critically acclaimed 108 Rock Star Guitars comes a new collection of beautifully shot guitar photos, documenting the legendary instruments of B.B. King, Kurt Cobain, St. Vincent, the Beatles, Jimi Hendrix, and more than one hundred and fifty icons of rock.

The Virgin Encyclopaedia of the Blues is a complete handbook of information and opinion about the history of the most classically simple, enduring and inspiring genre in the history of popular music. All entries have been created from the massive database of The Encyclopaedia of Popular Music, which has swiftly and firmly established itself as the undisputed champion of contemporary music reference books. Brand new research ensures that the 1000 entries are bang up-to-date and cover everyone - the musicians, bands, songwriters, producers and record labels - who has made a significant impact on the development of the blues. It brings together pioneers like Robert Johnson and Blind Lemon Jefferson, the influence of Muddy Waters and Willie Dixon on the blues boom of the 1960s, and the most recent blues resurgence featuring Keb'Mo, Larry Garner and Jonny Lang. As well as the giants of the blues, this encyclopaedia has the range and depth to include performers who flew the blues flag during fallow periods, the 1980s band Roomful of Blues for example, or acts like Paul Butterfield, Chicken Shack, Stevie Ray Vaughan, who took the music to a wider, whiter, audience. Some blues musicians, including John Lee Hooker and Taj Mahal, seem to last forever. Others simply defined the genre, like Lead Belly, Bessie Smith and Howlin' Wolf. Whomever you remember or want to know more about, each entry gives the essential elements - dates, career facts, discography and album ratings - as well as a sense of context, striking a balance between the extremes of the self-opinionated and the bland.

"We think a monster can at least be killed; it's flesh and blood. Therefore it can die. If it doesn't die, it will always be there-lurking in our shadows." Dangers Untold isn't your normal horror anthology; not a vampire, zombie or werewolf to be found. Filled with unusual monsters and unexpected terror, Dangers Untold is a series of seventeen short stories from horror industry professionals who have a different take on what makes for good horror. From a legend come true to hidden artifacts in the ice to a child's playmate, these tales will creep in through the cracks when you aren't looking to linger in your mind long after you have closed the book. Keep the lights on because you're about to read Dangers Untold. Featuring stories by Gary Braunbeck, Erik Scott de Bie, Jason V Brock, Lillian Cohen-Moore, Nathan Crowder, and Ryan Macklin. Haunted by Erik Scott de Bie Absolution of the Fallen Star by Nathan Crowder House of Decay by T. Fox Dunham Black Box by Jason V Brock Innards by Erik Gustafson The Beacon by Ryan Macklin The Madness by Joseph Mulak The Visit by Adrienne Dellwo A Monstrous Touch by Marty Young Mutes by Rob Smales Nuckelavee by David Price Stone Heart, Vinyl Floors by Jeff Parish Peepers by Scott M. "I want to be the guy who puts back into print the bands all the other rock anthologies strip out when their careers are deemed too unimportant. Nobody cares?! I care!" (Martin Popoff) "The Collector's Guide to Heavy Metal" was a 540 page mammoth of a book crammed with 3700 reviews of metal albums through the decades. It elicited tons of discussion, including dozens of reviews and close to 70 fan evaluations at the book's Amazon page and counting. Now it is being split in three and, along the way, more than doubled in size and scope. The long-awaited and most-requested "The Collector's Guide To Heavy Metal - Volume 2: The Eighties" is Martin's most ambitious undertaking since the legendary original volume. Martin stuffs the pages full of reviews and recollections of hundred upon hundreds of rarities and monster catalogues from '80s bands not covered in the seminal original tome. As well, many of the original reviews get complete overhauls as Martin re-evaluates the classics and adds trivia titbits that make these records come to life. Come join Martin's look at metal's golden decade and check out dozens of bands and hundreds of albums you won't see covered in any other rock anthology. This indeed is the book that brings back to the printed page, long-lost acts that rocked hard for their times, bands that built the foundation for the mountainous heavy metal sound of today. Includes a CD of Eighties Rarities.

Written by an experienced musician, recording artist, and music journalist, The Everything Rock & Blues Piano Book with CD offers the basics of rock and blues piano playing in a fun, easy-to-follow manner. This practical guide is packed with advice on playing in this exciting style, including how to: play with soul; learn basic and advanced techniques for playing rock and roll; and perform 12 Bar Blues, Shuffle, and Boogie-Woogie. The accompanying audio CD includes over 50 examples of rock and blues piano, played by the author. Music lovers and students will enjoy learning the rich history and development of blues and rock music while mastering the art and science of piano playing.

Long neglected in the annals of American music, the Nutmeg State's influence on the history of rock'n'roll deserves recognition. Connecticut's musical highlights include the beautiful harmonies of New Haven's Five Satins, Gene Pitney's rise to fame, Stamford's the Fifth Estate and notable rockers such as Thurston Moore of Sonic Youth, Rivers Cuomo of Weezer and Saturday Night Live Band's Christine Ohlman. Rock Hall of Famers include Tina Weymouth and Chris Frantz of the Talking Heads and Dennis Dunaway of the Alice Cooper Band. Some events became legend, like Jimi Hendrix's spellbinding performance at Yale's Woolsey Hall, Jim Morrison's onstage arrest at the New Haven Arena and teenage Bob Dylan's appearance at Branford's Indian Neck Folk Festival. With in-depth interviews as well as rare, never-before-seen photos, author Tony Renzoni leads a sonic trip that captures the spirit and zenith of the local scene.

"What a romp...Alan Paul walked the walk, preaching the blues in China. Anyone who doubts that music is bigger than words needs to read this great tale." —Gregg Allman "An absolute love story. In his embrace of family, friends, music and the new culture he's discovering, Alan Paul leaves us contemplating the love in our own lives, and rethinking the concept of home." —Jeffrey Zaslow, coauthor, with Randy Pausch, of The Last Lecture Alan Paul, award-winning author of the Wall Street Journal's online column "The Expat Life," gives his engaging, inspiring, and unforgettable memoir of blues and new beginnings in Beijing. Paul's three-and-a-half-year journey reinventing himself as an American expat—while raising a family and starting the revolutionary blues band Woodie Alan, voted Beijing Band of the Year in the 2008—is a must-read adventure for anyone who has lived abroad, and for everyone who dreams of rewriting the story of their own future.

An A-Z of everything to do with the guitar, covers all styles, from folk to rock, from flamenco to the blues, full chord dictionary, entries on the great guitarists, easy-to-use instructions, comprehensive entries on equipment, notation and guitar tabs, includes special features like 'how to read music' and 'simple repairs'

Two great Robben Ford videos packaged as a set. In Playin' the Blues, Robben teaches favorite blues scales and phrases. He also reveals his unique fingerings for string bending and vibrato. Included are chord voicings, rhythm guitar ideas, and some great 12-bar solos featuring many of Robben's classic blues guitar phrases. (60 min.) In The Blues and Beyond, Robben reveals his advanced concepts for improvising and comping. He demonstrates how he plays over chord changes including altered and chord substitutions. He also discusses phrasing and playing "outside" using pentatonic, diminished and melodic minor scales. The accompanying booklet has examples in music and tab. (75 min.)

Presents a comprehensive encyclopedia of rock guitar legends examining over three hundred artists beginning in the 1950s and covering a wide range of styles and includes performers such as Chuck Berry, Eric Clapton, Duane Eddy, Buddy Holly, Keith Richards, and more.

Jam with Gary MooreFaber & Faber

Rory Gallagher is a hero and icon of rock music. He inspired guitar players from The Edge to Johnny Marr, Slash to Gary Moore, Johnny Fean to Philip Donnelly, Declan Sinnott to Brian May. He toured incessantly and sold over 30 million albums worldwide. Acknowledged as one of the world's leading guitarists, he collaborated with his boyhood hero Muddy Waters, and played with Jerry Lee Lewis, Albert King and Lonnie Donegan. In this compelling biography, contemporaries, fellow musicians, film maker Tony Palmer and Taste drummer John Wilson tell stories about Rory from his meteoric rise in the late 1960s with Taste to his remarkable solo career. This is a compelling testament to the musical life of a shy and retiring working-class hero, distinguished by his checked shirts and his astounding dexterity on acoustic and electric guitar – the guitarist and blues man who blazed a trail for others to follow.
