The vast majority of teachers enjoy teaching and are positive about their workplace and colleagues, but they are disappointed by the profession. According to the UK's Health and Safety Executive, teaching staff and education professionals report the highest rates of work-related stress, depression and anxiety in Britain. The book includes true and tested strategies which continue to work well for me, and I'm confident they will work for you. I'll provide you with 'real world' tools from someone who, just like you, is in the classroom Monday to Friday. I'm going to demonstrate how you can tackle your ever-increasing workload, including both ways of reducing it and ways to improve your own productivity.
