A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

This book supports students preparing for the AQA GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.

Our revision resources are the smart choice for those revising for Edexcel GCSE (9-1) Mathematics.

In May, Ofqual asked Edexcel to re-submit sample materials. At present, they fail to differentiate effectively across grades. Our All-in-one revision & practice books include exam-style papers. Collins Revision aims to fully support students preparing for the new GCSEs and we will publish this product in September when new materials are approved.
