

Get Whats Yours The Secrets To Maxing Out Your Social Security The Get Whats Yours Series

Jane Bryant Quinn

Get What's Yours Laurence J. Kotlikoff, Philip Moeller, Paul Solman, 2015-02-17 Learn the secrets to maximizing your Social Security benefits and earn up to thousands of dollars more each year with expert advice that you can't get anywhere else. Want to know how to navigate the forbidding maze of Social Security and emerge with the highest possible benefits? You could try reading all 2,728 rules of the Social Security system (and the thousands of explanations of these rules), but Kotlikoff, Moeller, and Solman explain Social Security benefits in an easy to understand and user-friendly style. What you don't know can seriously hurt you: wrong decisions about which Social Security benefits to apply for cost some individual retirees tens of thousands of dollars in lost income every year. How many retirees or those nearing retirement know about such Social Security options as file and suspend (apply for benefits and then don't take them)? Or start stop start (start benefits, stop them, then re-start them)? Or just as important when and how to use these techniques? *Get What's Yours* covers the most frequent benefit scenarios faced by married retired couples, by divorced retirees, by widows and widowers, among others. It explains what to do if you're a retired parent of dependent children, disabled, or an eligible beneficiary who continues to work, and how to plan wisely before retirement. It addresses the tax consequences of your choices, as well as the financial implications for other investments. Many personal finance books briefly address Social Security, but none offers the thorough, authoritative, yet conversational analysis found here. You've paid all your working life for these benefits. Now, get what's yours.

Get What's Yours for Medicare Philip Moeller, 2016-10-04 Explains for those 65 and older how to make [choices] in the annual Medicare enrollment period to maximize your health coverage without overpaying--

Social Security Made Simple Mike Piper, 2015-11-24 Find all of the following, explained in plain-English: How your Social Security retirement benefits, spousal benefits, and widow/widower benefits are calculated, How your benefits are affected if you have a government pension or if you continue working while claiming Social Security, How to decide when is the best age for you (and your spouse, if you're married) to claim Social Security in order to get the most out of your benefits, Whether or not it makes sense to take Social Security early in order to invest the money, How to check your earnings record

on the Social Security Administration's website to make sure you're getting the full benefit you deserve, and How Social Security benefits are taxed and how this affects retirement tax planning. Please note that this book does not cover Social Security disability benefits or Supplemental Security Income (SSI).

Money Magic Laurence J. Kotlikoff,2023-12-26 Drawing on the hard-nosed science of economics, years of research, and modern technological tools, Money Magic offers flexible, practical advice to help readers make costless financial moves that will leave them far richer, happier and safer than they might have dreamed--

Get What's Yours - Revised & Updated Laurence J. Kotlikoff,Philip Moeller,Paul Solman,2016-05-03 In 2016, Social Security rules changed radically. Do you know how - and how these changes might apply to you? Americans have left literally billions of Social Security dollars on the table - benefits we have earned, are eligible to take, but simply aren't aware of. Fully revised and carefully updated in light of the new law, Get What's Yours is the indispensable guide to collecting the maximum Social Security benefits possible.--Page 4 of cover.

Social Security Andy Landis,2018-01-10 Social Security and Medicare are the bedrock of your future financial security. You paid for them-now make them work for you, starting today! SOCIAL SECURITY: THE INSIDE STORY is detailed. Comprehensive. Easy to read. It's been hailed since 1993 as the best resource on Social Security and Medicare-the Social Security bible. Now the 2018 Silver Anniversary Edition is better than ever, with more examples, new graphics, new footnotes, and an expanded chapter on Maximizing Your Social Security, featuring fresh ideas to profit from the Bipartisan Budget Act of 2015. Inside are 308 pages packed with everything you need to know: clear explanations, helpful illustrations, realistic examples, new Nutshell summaries, and handy web links. This is the only source of useful Reform Targets, Tips for Success, and Inside Stories revealing how Social Security really works. ANDY LANDIS has been called the Social Security guru. His expertise is unmatched, with over 40 years' experience as a speaker, author, and former SSA representative. This is the proven and practical resource for taxpayers, retirees, financial advisors, and HR professionals-the essential guide for everyone with a stake in Social Security.

Get What's Yours for Health Care Philip Moeller,2021-01-12 At a time when healthcare and medical insurance are more important than ever comes this authoritative, unbiased new volume in the acclaimed Get What's Yours series. Healthcare expert Philip Moeller has written a reliable, concise guide to healthcare and health insurance basics. He provides tools that patients need before, during, and after they get medical care. He describes the care we need, the care we don't, and how to deal with doctors, hospitals, and other healthcare providers. Moeller explains telemedicine and healthcare apps that have become so important during the coronavirus epidemic. The book shares the stories of disruptive health innovators who have given us access to true health costs, cheaper prescription drugs, and low-cost care in and outside the US. You will learn how to avoid poor care, fight back against denied insurance claims and inflated bills, and use social media to connect

with powerful advocates. Throughout, *Get What's Yours for Healthcare* draws on stories of people who share their lessons on how to successfully navigate the healthcare system. This invaluable guide helps people get access to the care they need at a price they can afford. It's the book we all need now.

Get What's Yours for Medicare - Revised and Updated Philip Moeller, 2024-10-08 An updated and expanded edition of the top-selling consumer guide to Medicare. It explains how to choose the best plans, especially during Medicare's annual enrollment period, how to use Medicare's extensive health benefits, and changes to Medicare that are expanding what it will cover and moving care from hospitals into the home. Medicare is the primary insurance plan for 70 million retired and disabled Americans. Understanding how Medicare works is essential to their health and well-being. However, Medicare has become more complicated—and more confusing. *Get What's Yours for Medicare* is the authoritative consumer Medicare guide. It includes detailed chapters on when to enroll in Medicare, how to evaluate the often-bewildering choice of Medicare insurance plans, and, most importantly, how to use Medicare to find high-quality, affordable health care. The book also explains important upcoming changes to Medicare so consumers will know what to expect. Medicare in 2024 is far different from the program described in the first edition of *Get What's Yours*. The first part of this book discusses Medicare policies that affect the medical care you need now. The second part examines how Medicare is changing. These changes are part of the shift toward what is called managed care, which includes private Medicare Advantage plans. The newly updated *Get What's Yours for Medicare* explains managed care in detail to clarify any questions about these programs. *Get What's Yours for Medicare* is the definitive guide to help you get the most out of your healthcare and ultimately alleviate the stress surrounding the complicated world of Medicare.

Get What's Yours for Medicare Philip Moeller, 2016-10-04 A coauthor of the New York Times bestselling guide to Social Security *Get What's Yours* authors an essential companion to explain Medicare, the nation's other major benefit for older Americans. Learn how to maximize your health coverage and save money. Social Security provides the bulk of most retirees' income and Medicare guarantees them affordable health insurance. But few people know what Medicare covers and what it doesn't, what it costs, and when to sign up. Nor do they understand which parts of Medicare are provided by the government and how these work with private insurance plans—Medicare Advantage, drug insurance, and Medicare supplement insurance. Do you understand Medicare's parts A, B, C, D? Which Part D drug plan is right and how do you decide? Which is better, Medigap or Medicare Advantage? What do you do if Medicare denies payment for a procedure that your doctor says you need? How do you navigate the appeals process for denied claims? If you're still working or have a retiree health plan, how do those benefits work with Medicare? Do you know about the annual enrollment period for Medicare, or about lifetime penalties for late enrollment, or any number of other key Medicare rules? Health costs are the biggest unknown expense for older Americans, who are turning sixty-five at the rate of 10,000 a day. Understanding and navigating Medicare is the best

way to save health care dollars and use them wisely. In *Get What's Yours for Medicare*, retirement expert Philip Moeller explains how to understand all these important choices and make the right decisions for your health and wealth now—and for the future.

Summary, Analysis & Review of Philip Moeller's *Get What's Yours for Medicare* by Instaread

Instaread,2016-10-30 Summary, Analysis & Review of Philip Moeller's *Get What's Yours for Medicare* by Instaread Preview: *Get What's Yours for Medicare* by Philip Moeller is a detailed examination of the US Medicare health insurance system intended to help people ensure that they are making proper use of the system despite the bureaucratic and sometimes arcane rules built into it. The three most important aspects of getting full use from Medicare at the right cost are signing up without enrollment penalties, choosing coverage plans that complement each other and meet all the individual's needs, and understanding what is covered under different plans. An array of factors can affect the effectiveness of Medicare, the most prominent of which being that the Baby Boomer generation is approaching or has already reached the official Full Retirement Age under Social Security. This is age 65 for those born before 1939, and age 66 for those born from 1939 to 1959. At present, the Full Retirement Age for those born after 1959... PLEASE NOTE: This is a Summary, Analysis & Review of the book and NOT the original book. Inside this Summary, Analysis & Review of Philip Moeller's *Get What's Yours for Medicare* by Instaread · Overview of the Book · Important People · Key Takeaways · Analysis of Key Takeaways

Social Security: Simple & Smart Tom Margenau,2025-03-04 The Social Security program touches the lives of Americans young and old. Almost everyone has a Social Security number and a job that deducts Social Security taxes from his or her paycheck. And more than 60 million Americans, 1 out of every 6 people in the country, collect a monthly Social Security check. Social Security spending makes up about one-fourth of the entire federal budget. A program this big is bound to have complex laws and regulations. Tom Margenau has been helping people understand Social Security for almost 50 years, both as a Social Security Administration employee and as a nationally syndicated columnist for *Creators Syndicate*. Now, for the first time, he has gathered all of his knowledge and advice into a series of easy-to-read fact sheets and placed them in this book. Simply find the fact sheet that covers the topic you are interested in, and you will improve your understanding of how Social Security affects you and your family.

The Coming Generational Storm Laurence J. Kotlikoff, Scott Burns,2005 Who could survive a fiscal crisis? This preemptive manual teaches how to protect against skyrocketing tax rates, drastically reduced health and retirement benefits, high inflation and a ruined currency.

Retirement Planning Guidebook Wade Pfau,2023-03-15 *UPDATED IN JANUARY 2025* The Retirement Planning Guidebook helps you navigate through the important decisions to prepare for your best retirement. You will have the detailed knowledge and understanding to make smart retirement decisions: - Understand your personal retirement income style,

which can then help you navigate through the conflicting opinions about retirement strategies to choose your right path. - Learn about investment and insurance tools that may best resonate with your personal style. - Determine if you are financially prepared for retirement by quantifying your financial goals (annual spending, legacy, and reserves for the unexpected) and comparing them to your available assets. - Make smart decisions for when to start Social Security benefits, which could potentially support an additional \$100,000 or more of lifetime income from Social Security over your lifetime. - Develop a plan for making the best initial and ongoing choices from the alphabet soup of Medicare options, as well as how to find health coverage if you retire before Medicare eligibility. - Assess where you wish to live in retirement and whether there are helpful ways to incorporate housing wealth into your retirement strategy. - Decide how to manage your long-term care risk between self-funding, Medicaid, or private insurance, and take steps to support living at home for as long as possible. - Understand how to manage your taxes to pay less, to avoid common pitfalls, and to have more for your lifetime and your legacy. You will be able to apply tax diversification, asset location, tax bracket management, and Roth conversions to enhance the sustainability of your retirement assets. - Get your finances organized and understand how to get your estate and incapacity planning documents in order, including your will, account titling, beneficiary designations, financial power of attorney, and advance health care directives. - Identify whether there is a role for trusts in your estate plan for reasons related to avoiding probate, controlling how and when assets are disbursed, obtaining creditor protections, or helping to manage estate taxes. - Prepare for the non-financial aspects of retirement, including the need to find purpose and passion, to understand if there is a role for work in retirement, to enhance relationships and social connections, and to maintain an active and healthy lifestyle. Retirement has an entire vocabulary associated with it. We'll demystify the 4% rule, sequence-of-return risk, time segmentation and buckets, reverse mortgages, income annuities, variable annuities, fixed index annuities, long-term care insurance, living trusts, irrevocable trusts, budgeting, the funded ratio, Medicare Advantage, Medicare supplements, diversified investment portfolios, Roth conversions, the hazards of the Social Security tax torpedo and increased Medicare premiums, buffer assets, 401(k) plans and IRAs, the rollover decision, distribution options for defined-benefit company pensions, RMDs, QCDs, aging in place, cognitive decline, and so much more. The Retirement Planning Guidebook does not let important matters fall through the cracks. This is a comprehensive look at the key retirement decisions to achieve financial and non-financial success. You will have the foundation to make the most of your retirement years, and I hope you'll be able to do something great!

Social Security for Everyone Carl W. Battle, 2021-01-05 All the essential information everyone should know about social security, from maximizing benefits to planning and budgeting for a healthy, happy retirement. Nearly 70 million American citizens—1 in 5 people in the US—receive social security benefits each month, and that number is increasing rapidly. With so many people drawing from the system, it's critical for anyone about to start receiving benefits to be well-

informed and prepared, and for anyone already receiving social security to make sure they're aware of how to maximize their benefits and to plan ahead for the future. In *Social Security for Everyone*, lawyer and bestselling author Carl W. Battle's clear, matter-of-fact explanations will prepare any reader to deal with and understand every aspect of social security benefits. Important topics covered include: How to apply for social security Why many people never receive social security benefits How to maintain independence while receiving social security benefits Breakdowns of social security benefits for families, survivors, and the disabled Taxes and social security and how they interact How to manage and deal with the Social Security Administration *Social Security for Everyone* also includes dozens of crucial charts, graphs, and tables to help readers plan for retirement, budget for different situations, and maximize their benefits. It's essential reading for anyone preparing to use social security benefits and everyone who is already receiving social security, as well as anyone who wants to know more about this invaluable system.

My New Roots Sarah Britton,2015-03-31 At long last, Sarah Britton, called the “queen bee of the health blogs” by Bon Appétit, reveals 100 gorgeous, all-new plant-based recipes in her debut cookbook, inspired by her wildly popular blog. Every month, half a million readers—vegetarians, vegans, paleo followers, and gluten-free gourmets alike—flock to Sarah’s adaptable and accessible recipes that make powerfully healthy ingredients simply irresistible. *My New Roots* is the ultimate guide to revitalizing one’s health and palate, one delicious recipe at a time: no fad diets or gimmicks here. Whether readers are newcomers to natural foods or are already devotees, they will discover how easy it is to eat healthfully and happily when whole foods and plants are at the center of every plate.

Spend 'Til the End Laurence J. Kotlikoff,Scott Burns,2010-01-05 • Financial planning is more important than ever: The recession has demonstrated that lifetime financial planning is essential if we are going to survive and overcome the shocks and bruises that the economy brings.. • Takes on the financial-planning establishment: Economist Laurence J. Kotlikoff and syndicated financial columnist Scott Burns criticize major financial institutions such as Fidelity, Vanguard, and other mutual funds and insurers for offering what they call “rules of dumb,” financial planning information that is inadequate for most people’s needs.. • Unconventional, economics-based advice: You might be better off waiting until age seventy to take Social Security; you may be overestimating the tax benefits of your mortgage; you might be scrimping, saving, and struggling to fund your retirement when you could be spending and enjoying your money..

Making Social Security Work for You Emily Guy Birken,2016-06-04 Learn how to manage your Social Security benefits and understand the system and rules--

Ed Slott's 2021 Retirement Decisions Guide Ed Slott,2021 A comfortable retirement starts with accurate IRA advice. This educational guide will provide you with 125 essential ways to save and stretch your wealth so that you can spend your golden years how you have planned and envisioned them.

How to Make Your Money Last Jane Bryant Quinn, 2016-01-05 The challenges for everyone, at midlife and later, is finding ways of stretching your savings over a retirement that could last for 30 years or more. The new and updated edition of this popular book shows you how. -- page 4 of cover.

Retirement Reboot Mark Miller, 2023-01-10 For millions of Americans, the COVID shock has brought retirement saving to an abrupt halt—now it's time to get back on track. Even before the pandemic, a large share of households by Americans over age 50 faced the threat that their living standards would decline sharply in retirement. In the wake of COVID-19, these numbers will surely worsen. In *Retirement Reboot: Commonsense Financial Strategies for Getting Back on Track*, finance writer and regular New York Times retirement contributor Mark Miller offers practical strategies for Americans to improve their retirement prospects. If you're nearing retirement age and worry you haven't saved enough, *Retirement Reboot* will walk you through the core decisions to make now to improve your retirement outcomes—even if retirement is just a few years away. You'll learn how to make a plan, think through the timing of retirement, optimize Social Security, navigate Medicare, build savings, and tap home equity. You'll also explore ongoing strategies, such as careful budgeting, generating income from work even after retirement, planning for long-term care, and leveraging special assistance aimed at low-income workers. If you have low savings, or none at all, Miller's simple steps can help you make the most of your remaining working years and reboot the retirement you always imagined.
