

Getting Things Done How To Achieve Stress Free Productivity

The book Lifehack calls "The Bible of business and personal productivity." "A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'"—Fast Company Since it was first published almost fifteen years ago, David Allen's Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

2013 Bestseller - Updated and Improved in August 2013 with Exclusive Bonus Hey! Do you want to make your life a whole lot easier? Is your current system working for you? Can you do with more free time and less stress? Do you feel like you have 'islands of productivity' amidst a sea of 'spinning your wheels'? Would you like to get things done faster and more efficiently so you can spend more time on those activities you really enjoy? Who wouldn't? Scores of high achievers already use the system described in this book to achieve greater productivity, freedom and control in their lives. If you are tired of sifting through endless emails, misplacing important memos and trying to 'keep it all together' in your mind, then read further. With ever-increasing distractions and an overload of information screaming for your attention, it can be really hard to consistently focus on what's important. Add to this the frustration of using incomplete systems that are supposed to help you, and the stress levels just shoot up. Get rid of 'stuff', eliminate stress and simplify every area of your life. Give you the satisfaction and freedom of feeling that you have every aspect of your life, both professional and personal, under control Frees up your time and mental resources Helps you to get everything on your to-do list done in an almost effortless way As you read these words, you realize that it makes so much sense to have a proven integrated system to make your work and personal life easier. Get your copy today.

A marvel of evolution is that humans are not solely motivated by their desire to experience positive emotions. They are also motivated, and even driven to achieve, by their attempt to avoid or seek relief from negative ones. What Motivates Getting Things Done: Procrastination, Emotions, and Success explains how anxiety is like a highly motivating friend, why you should fear failure, and the underpinnings of shame, distress, and fear in the pursuit of excellence. Many successful people put things off until a

deadline beckons them, while countless others can't resist the urge to do things right away. Dr. Lamia explores the emotional lives of people who are successful in their endeavors—both procrastinators and non-procrastinators alike—to illustrate how the human motivational system works, why people respond to it differently, and how everyone can use their natural style of getting things done to their advantage. The book illustrates how the different timing of procrastinators and non-procrastinators to complete tasks has to do with when their emotions are activated and what activates them. Overall, What Motivates Getting Things Done illustrates how emotions play a significant role in our style of doing, along with our way of being, in the world. Readers will acquire a better understanding of the innate biological system that motivates them and how they can make the most of it in all areas of their lives. Robert Kelsey's What's Stopping You? has become a self-help classic. His What's Stopping You? books have helped thousands of people worldwide overcome their limiting beliefs and bash through their barriers to success. Now Robert is back to help us defeat the obstacles that stop us achieving more in our everyday lives. Many of us have the greatest of intentions but find ourselves procrastinating, which results in low attainment and frustrated ambitions. Grounded in solid psychological research Robert helps us examine why we might have these tendencies and how to overcome them in order to feel more together, in control and on-top of everything. Looks at the psychology behind why we procrastinate, in order to understand and change our behaviour, forming new, effective habits Provides practical solutions to help us 'get things done' in real life situations including meetings, on the phone, with e-mail, looking for a job and starting a business Includes techniques to improve focus and aid concentration Examines how disorganisation is not innate and how we can learn processes that will allow us to be more effective How to bring control to certain areas of your life and reduce stress and uncertainty Get Things Done is emotional ergonomics for the organisationally-challenged individual – at home, at work, with themselves, and with others.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

The author of Getting Things Done makes recommendations for altering one's perspectives in order to see life as a game that can be won, offering suggestions for handling information overload, achieving focus, and trusting oneself while making decisions.

Learn how you can scale your business through 12 assignments that will make it leaner, more agile and more resilient.

#1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

Getting Things DoneThe Art of Stress-Free ProductivityPenguin

'A fun, interesting, and useful read!' David Allen, bestselling author of Getting Things Done Nearly all of us want to be more productive, but finding the method that works for you among the hundreds and hundreds of different tips, tricks and hacks can be a daunting prospect. After graduating college, Chris Bailey decided to dedicate a whole year to doing just that - experimenting with as many of the techniques as he could, and finding the things that work. Among the experiments that he undertook are: going several weeks on little to no sleep; cutting out caffeine and sugar; taking a daily siesta; living in total isolation for 10 days; stretching his workweek to 90 hours; and getting up at 5:30 every morning, all the while monitoring the impact of his experiments on the quality and quantity of his work. The results were often surprising! This book is the result of Chris's year-long journey, distilling the lessons he learned into a few core truths about how we get things done (or, indeed, don't). Among the many counterintuitive insights Chris discovered that had the biggest impact on his productivity were striving for imperfection; scheduling less time for important tasks; the 20 second rule to distract yourself from distractions; and the concept of productive procrastination. In this accessible and fun guide, Chris Bailey offers over 30 tried-and-tested best practices that will help everyone to accomplish more - and become more awesome.

The second edition of this best-selling Python book (over 500,000 copies sold!) uses Python 3 to teach even the technically uninclined how to write programs that do in minutes what would take hours to do by hand. There is no prior programming experience required and the book is

loved by liberal arts majors and geeks alike. If you've ever spent hours renaming files or updating hundreds of spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? In this fully revised second edition of the best-selling classic *Automate the Boring Stuff with Python*, you'll learn how to use Python to write programs that do in minutes what would take you hours to do by hand--no prior programming experience required. You'll learn the basics of Python and explore Python's rich library of modules for performing specific tasks, like scraping data off websites, reading PDF and Word documents, and automating clicking and typing tasks. The second edition of this international fan favorite includes a brand-new chapter on input validation, as well as tutorials on automating Gmail and Google Sheets, plus tips on automatically updating CSV files. You'll learn how to create programs that effortlessly perform useful feats of automation to:

- Search for text in a file or across multiple files
- Create, update, move, and rename files and folders
- Search the Web and download online content
- Update and format data in Excel spreadsheets of any size
- Split, merge, watermark, and encrypt PDFs
- Send email responses and text notifications
- Fill out online forms

Step-by-step instructions walk you through each program, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Don't spend your time doing work a well-trained monkey could do. Even if you've never written a line of code, you can make your computer do the grunt work. Learn how in *Automate the Boring Stuff with Python, 2nd Edition*.

"In *Stupid things I won't do when I get old*, Petro candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, 'I meant the list as a pointed reminder--to me--to make different choices when I eventually cross the threshold to 'old'" -- Excerpt from jacket flap.

An adaptation of the business classic *Getting Things Done* for teenage readers The most interconnected generation in history is navigating unimaginable amounts of social pressure, both in personal and online interactions. Very little time, focus, or education is being spent teaching and coaching this generation how to navigate this unprecedented amount of "stuff" entering their lives each day. How do we help the overloaded and distracted next generation deal with increasing complexity and help them not only survive, but thrive? How do we help them experience stress-free productivity and gain momentum and confidence? How do we help them achieve autonomy, so that they can confidently take on whatever comes their way? *Getting Things Done for Teens* will train the next generation to overcome these obstacles and flourish by coaching them to use the internationally renowned *Getting Things Done* methodology. In its two editions, David Allen's classic has been translated into dozens of languages and sold over a million copies, establishing itself as one of the most influential business books of its era, and the ultimate book on personal organization. *Getting Things Done for Teens* will adapt its lessons by offering a fresh take on the GTD methodology, framing life as a game to play and GTD as the game pieces and strategies to play your most effective game. It presents GTD in a highly visual way and frames the methodology as not only as a system for being productive in school, but as a set of tools for everyday life. *Getting Things Done for Teens* is the how-to manual for the next generation--a strategic guidebook for creating the conditions for a fruitful and effective future.

Struggling with debt? Frustrated about work? Just not satisfied with life? *The Simple Dollar* can change your life. Trent Hamm found himself drowning in consumer debt, working in a job he couldn't stand... and figured out how to escape that debt and build the fulfilling career he'd always dreamt about, all at the same time. Hamm shared his experiences at TheSimpleDollar.com—and built it into one of America's top personal finance websites. Now, *The Simple Dollar* is a book: packed with practical tips, tools, and lessons you can use to transform your life, too. This isn't just "another" personal finance book: it's profoundly motivating, empowering, practical, and 100% grounded in today's

American realities. Trent Hamm will show you how to rewrite the rules, creating healthier relationships with money... and with your loved ones, too. With his help, you can get out of debt, start moving forward, and build the strong personal community that offers true happiness—no matter what happens to the economy. · Escape the plastic prison, and stop running to stand still 5 simple steps to eliminate credit card debt... and 5 more to start moving forward · Shift your life's balance towards more positive, stronger relationships Learn how to put the golden rule to work for you · Discover the power of goals in a random world Then, learn how to overcome inertia, and transform goals into reality · Navigate the treacherous boundaries between love and money Move towards deeper communication, greater honesty, and more courage In his bestselling first book, *Getting Things Done*, veteran coach and management consultant David Allen presented his breakthrough methods to increase efficiency. Now “the personal productivity guru” (*Fast Company*) shows readers how to increase their ability to work better, not harder—every day. Based on Allen’s highly popular e-newsletter, *Ready for Anything* offers readers 52 ways to immediately clear your head for creativity, focus your attention, create structures that work, and take action to get things moving. With wit, inspiration, and know-how, Allen shows readers how to make things happen—with less effort and stress, and lots more energy, creativity, and effectiveness. *Ready for Anything* is the perfect book for anyone wanting to work and live at his or her very best.

"Have you ever found yourself stretched too thin? Do you simultaneously feel overworked and underutilized? Are you often busy but not productive? Do you feel your time is constantly being hijacked by other people's agendas? If you answered yes to any of these questions, the way out is the way of the Essentialist. Essentialism isn't about getting more done in less time. It's about getting only the right things done. Only once we discern what is absolutely essential and eliminate everything else can we make our highest possible contribution toward things that truly matter. By forcing us to apply more selective criteria for where to spend our precious time and energy, the disciplined pursuit of less empowers us to reclaim control of our own choices, instead of giving others the implicit permission to choose for us. Essentialism is not one more thing to do. It's a whole new way of doing less, but better, in every area of our lives"--Back cover.

The *Truth About Getting Things Done* pulls together the most powerful 'truths' that encourage you to focus on doing what is really necessary. The 'truth by truth' format is in short and easy to digest chapters that make it quick and easy to find the advice that will make all the difference to your productivity. The *Truth About Getting Things Done* combines the success principles provided by many motivational books, as well as the practical ideas and tools for getting things done provided by time management books. This book will inspire you to take action with its practical insights, ideas and examples. Once you have started to get things done, you will learn how to both build and maintain a high level of motivation. Part of The *Truth About* Series, each title covers an entire field of knowledge in a sharp and entertaining way. With approximately 50 honest answers to important questions in every book, you will find yourself thinking 'aha' as you read each page. The *Truth* and nothing but The *Truth*.

INSTANT NEW YORK TIMES and LOS ANGELES TIMES BESTSELLER “Brilliant... riveting, scary, cogent, and cleverly argued.”—Beth Macy, author of *Dopesick* As heard on *Fresh Air* This book is about pleasure. It’s also about pain. Most important, it’s about how to find the delicate balance between the two, and why now more than ever finding balance is essential. We’re living in a time of unprecedented access to high-reward, high-dopamine stimuli: drugs, food, news, gambling, shopping, gaming, texting, sexting, Facebooking, Instagramming, YouTubing, tweeting... The increased numbers, variety, and potency is staggering. The smartphone is the modern-day hypodermic needle, delivering digital dopamine 24/7 for a wired generation. As such we’ve all become vulnerable to compulsive overconsumption. In *Dopamine Nation*, Dr. Anna Lembke, psychiatrist and author, explores the exciting new scientific discoveries that explain why the relentless pursuit of

pleasure leads to pain...and what to do about it. Condensing complex neuroscience into easy-to-understand metaphors, Lembke illustrates how finding contentment and connectedness means keeping dopamine in check. The lived experiences of her patients are the gripping fabric of her narrative. Their riveting stories of suffering and redemption give us all hope for managing our consumption and transforming our lives. In essence, Dopamine Nation shows that the secret to finding balance is combining the science of desire with the wisdom of recovery. Presents both hard facts and military, social, and political histories of the world's one hundred most violent events, from the second Persian War in 480 BCE to the modern war in the Congo.

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to Eat That Frog!

"Whether you run your own business or work for someone else, you've probably got a lot on your plate. Along with the portion of your work that you truly feel like doing comes a generous helping of things you'd rather not do. As consultants, Steve Levinson and Chris Cooper have seen countless clients struggle--and often fail--to do the many success-producing things they know they should do but don't feel like doing. The Power to Get Things Done will teach you how to consistently turn your good intentions into action so that you can be as successful as possible in the work you do. Don't feel like filing those pesky tax forms or making the follow-up calls you've been putting off? The Power to Get Things Done will show you how to get yourself--and keep yourself--in gear, "--Amazon.com.

Secrets for Getting Things Done is chock full of useful and innovative strategies that will help you take your productivity to the next level. When you apply the strategies in this book, you'll find that getting things done is not only easier, and much faster, but that you enjoy the process as well.

In today's world, yesterday's methods just don't work. Veteran coach and management consultant David Allen recognizes that time management is useless the minute your schedule is interrupted; setting priorities isn't relevant when your e-mail is down; procrastination solutions won't help if your goals aren't clear. Instead, Allen shares with readers the proven methods he has already introduced in seminars and at top organizations across the country. The key to Getting Things Done? Relaxation. Allen's premise is simple: our ability to be productive is directly proportional to our ability to relax. Only when our minds are clear and our thoughts are organized can we achieve stress-free productivity. His seamless system teaches us how to identify, track, and-most important-choose the next action on all our tasks, commitments, and projects and thus master all the demands on our time while unleashing our creative potential. The book's stylish, dynamic design makes it easy to follow Allen's tips, examples, and inspiration to achieve what we all seek-energy, focus, and relaxed control.

Do you want to easily accomplish your to-do-list in a day? Do you want to be less busy in life? Do you wish to have more time? Here's the thing. Most people are so busy all the time that they no longer recognize that responsibilities are forgotten and relationships are not strengthened. With the huge pile of tasks undone, stack of mails unread, and heap of post-its that seem

cluttered all around, people get busier and life becomes more stressful. Take some time off and start organizing your strategy to get everything under control. Read on How to Get Things Done with OneNote and discover your way to productivity and efficiency. Dominic Wolff, a seasoned author and business owner, found success in his business career improvising David Allen's Getting Things Done (GTD) with Microsoft's OneNote. With the two systems combined, Wolff assures that you'll get your professional and personal lives under control. In Dominic Wolff's How to Get Things Done with OneNote, you can be more effective in maintaining a more organized and less stressful life. With this book, you get to learn the following: · The Basic Organizational Groups of GTD (Know the different ways on how you can classify items.) · Setting up OneNote for GTD Success (Get this done in just 15 minutes.) · Using OneNote while Laying the Foundations of GTD (Understand how to use OneNote with just a few clicks while putting GTD in place.) · Getting GTD and OneNote up and running (Follow 4 Simple Steps to run an effective personal management system.) · 7 Tips for Maximum Efficiency (Apply tips you can do on a weekly basis.) · Advanced Tips and Tricks (Know 7 apps, devices, and strategies to fully ensure maximum productivity.) Accomplish your to-do-list easily. Become less busy in life. Have more time. Live an organized life with just one click.

'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true. Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

"New York Times bestselling author and sales-performance trainer Rory Vaden brings his high-energy approach and can-do spirit to the most nagging problem in our professional lives: stalled productivity. Millions are overworked, organizationally challenged, or have a motivation issue that's holding them back. Vaden presents a simple yet powerful paradigm that will set readers free to do their best work--on time and without stress and anxiety"--

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers who have decimated native lands and resources. Hanging Maw, the raiders' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel

Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.

Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. New York Times bestseller * 4 starred reviews * A School Library Journal Best Book of the Year * A Kirkus Best Book of the Year * A Booklist Editors' Choice of 2017 * A Bustle Best YA Novel of 2017 * A Paste Magazine Best YA Book of 2017 * A Book Riot Best Queer Book of 2017 * A Buzzfeed Best YA Book of the Year * A BookPage Best YA Book of the Year On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: There's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of *Before I Fall* and *If I Stay*, *They Both Die at the End* is a tour de force from acclaimed author Adam Silvera, whose debut, *More Happy Than Not*, the New York Times called “profound.”

“A must-read for anyone interested in moving from inspiration to action.” —Cal Newport, author of *So Good They Can't Ignore You* Most of us fill our days with frantic activity, bouncing from task to task, scrambling to make deadlines and chase the next promotion. But by the end of each day we're often left wondering if any of it really mattered. We feel the ticking of the clock, but we're unsure of the path forward. *Die Empty* is a tool for people who aren't willing to put off their most important work for another day. Todd Henry explains the forces that lead to stagnation and introduces practices that will keep you on a true and steady course. The key is embracing the idea that time is finite, so you should focus on the unique contribution to the world that only you can make. Henry shows how to sustain your enthusiasm, push through mental barriers, and unleash your best work each day. *Sethe*, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. Reader's Guide available. Reprint. 60,000 first printing.

This business classic features straight-talking advice you'll never hear in school. Featuring a new foreword by Ariel Emanuel and Patrick Whitesell Mark H. McCormack, one of the most successful entrepreneurs in American business, is widely credited as the founder of the modern-day sports marketing industry. On a handshake with Arnold Palmer and less than a thousand dollars, he started International Management Group and, over a four-decade period, built the company into a multimillion-dollar enterprise

with offices in more than forty countries. To this day, McCormack's business classic remains a must-read for executives and managers at every level. Relating his proven method of "applied people sense" in key chapters on sales, negotiation, reading others and yourself, and executive time management, McCormack presents powerful real-world guidance on • the secret life of a deal • management philosophies that don't work (and one that does) • the key to running a meeting—and how to attend one • the positive use of negative reinforcement • proven ways to observe aggressively and take the edge • and much more Praise for What They Don't Teach You at Harvard Business School "Incisive, intelligent, and witty, What They Don't Teach You at Harvard Business School is a sure winner—like the author himself. Reading it has taught me a lot."—Rupert Murdoch, executive chairman, News Corp, chairman and CEO, 21st Century Fox "Clear, concise, and informative . . . Like a good mentor, this book will be a valuable aid throughout your business career."—Herbert J. Siegel, chairman, Chris-Craft Industries, Inc. "Mark McCormack describes the approach I have personally seen him adopt, which has not only contributed to the growth of his business, but mine as well."—Arnold Palmer "There have been what we love to call dynasties in every sport. IMG has been different. What this one brilliant man, Mark McCormack, created is the only dynasty ever over all sport."—Frank Deford, senior contributing writer, Sports Illustrated

A NEW YORK TIMES BESTSELLER! AS HEARD ON NPR MORNING EDITION AND ON BEING WITH KRISTA TIPPETT
"Katherine May opens up exactly what I and so many need to hear but haven't known how to name." —Krista Tippett, On Being
"Every bit as beautiful and healing as the season itself. . . . This is truly a beautiful book." —Elizabeth Gilbert "Proves that there is grace in letting go, stepping back and giving yourself time to repair in the dark...May is a clear-eyed observer and her language is steady, honest and accurate—capturing the sense, the beauty and the latent power of our resting landscapes." —Wall Street Journal
An intimate, revelatory book exploring the ways we can care for and repair ourselves when life knocks us down. Sometimes you slip through the cracks: unforeseen circumstances like an abrupt illness, the death of a loved one, a break up, or a job loss can derail a life. These periods of dislocation can be lonely and unexpected. For May, her husband fell ill, her son stopped attending school, and her own medical issues led her to leave a demanding job. Wintering explores how she not only endured this painful time, but embraced the singular opportunities it offered. A moving personal narrative shot through with lessons from literature, mythology, and the natural world, May's story offers instruction on the transformative power of rest and retreat. Illumination emerges from many sources: solstice celebrations and dormice hibernation, C.S. Lewis and Sylvia Plath, swimming in icy waters and sailing arctic seas. Ultimately Wintering invites us to change how we relate to our own fallow times. May models an active acceptance of sadness and finds nourishment in deep retreat, joy in the hushed beauty of winter, and encouragement in understanding life as cyclical, not linear. A secular mystic, May forms a guiding philosophy for transforming the hardships that arise before the ushering in of a new season.

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the

world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

With millions of users around the world, Todoist has quickly grown to be an incredibly popular task management app. Although it wasn't created specifically for David Allen's Getting Things Done (GTD) methodology, the powerful Todoist is very capable of helping you achieve the "mind like water" that David Allen suggests we all try to go for. As an avid GTD'er since 2002, this book is an actionable exploration into my GTD implementation in Todoist. If you're serious about being productive, this is a practical no-holds-barred guide to helping you implement GTD in Todoist. Chapter 1: Let's Meet! In this first chapter, we'll go over what you can expect to get out of this book. Chapter 2: Free vs. Premium Todoist has a free version that is extremely powerful in its own right. Should you spring for Todoist Premium? This chapter explores some reasons why you should or shouldn't. Chapter 3: Limitations and Workarounds for GTD Since Todoist isn't specifically meant for GTD, there are some limitations in the app that keeps it from being a pure GTD app. In this chapter, we'll look at some of those limitations and how to get around them. Chapter 4: Organizing Todoist This chapter is an in-depth explanation of how I have Todoist's projects, labels and filters set up for GTD. Chapter 5: Todoist or Not Todoist? Although Todoist is a great tool, it can't do everything. In this chapter, we'll look at some of the other tools I use to round out my GTD workflow. Chapter 6: Making It All Work By this point, you'll have a good idea of the tools used for GTD. This chapter is all about how I do my GTD reviews and the workflows I've spent over a decade honing to get stuff done. Chapter 7: Practical Guides In the final chapter, you'll get a practical look at some of the processes and workflows I use for implementing and automating GTD in Todoist.

An accessible, practical, step-by-step how-to guide that supplements Getting Things Done by providing the details, the how-to's, and the practices to apply GTD more fully and easily in daily life The incredible popularity of Getting Things Done revealed people's need to take control of their own productivity with a system that reduces the stress of staying on top of it all. Around the world hundreds of certified trainers and coaches are engaged full time in teaching the process, supported by a grassroots movement of Meetup groups, LinkedIn groups, Facebook groups, podcasts, blogs and dozens of apps based on it. While Getting Things Done remains the definitive way to gain perspective over work and create the mental space for creativity and mindfulness, The Getting Things Done Workbook enhances the original by providing an accessible guide to the GTD methodology in workbook form. The workbook divides the process into small, manageable segments to allow for easier learning and doing. Each chapter

identifies a challenge the reader may be facing--such as being overwhelmed by too many to-do lists, a messy desk, or email overload--and explains the GTD concept to address. The lessons can be learned and implemented in almost any order, and whichever is adopted will provide immediate benefits. This handy instructional manual will give both seasoned GTD users and newcomers alike clear action steps to take to reach a place of sustained efficiency.
