When Marie brings the moon into her bedroom, it scares away the monsters who have tormented her but also causes problems which only the village cats can help solve.

Confucius is one of the most humane, rational, and lucid of moral teachers, concerned not with arcane metaphysics but with practical issues of life and conduct. What is virtue? What sort of life is most conducive to happiness? How should the state be ruled? What is the proper relationship between human beings and their environment? In this classic translation of The Analects by Arthur Waley, the questions Confucius addressed two and a half millennia ago remain as relevant as ever. (Book Jacket Status: Jacketed)

In queste pagine attraverso un dono speciale e particolare, il lettore sarà accompagnato in una lettura profonda dell'Anima, che permette di raccontare come si vive con la capacità di comprendere le paure, l'ansia, il dolore e l'amore delle persone. Il "profumo dell'Anima" è la parte migliore di te e quando ne riscopri la vera fragranza diventa qualcosa di così intensamente inebriante da non poterne più rinunciare.

Introducing Montessori-inspired early childhood activity books! This book--with eight pages of stickers--does more than simply stimulate learning through play: it enhances the cognitive development of the child. The activities become progressively more complex according to the three stages of a child's learning: getting to know the material through sensory experience, recognizing the material, and being able to explain the material. Squares and circles, triangles and rectangles: the world is full of shapes and this entertaining book teaches preschoolers to recognize each one.

Perché il gioco è una cosa seria! Quante volte abbiamo pensato, con una certa preoccupazione, che i nostri figli hanno troppi giocattoli? E quante ci siamo chiesti se quei giochi sono davvero ciò di cui hanno bisogno? Questo libro nasce dall'esigenza e dall'esperienza di un'insegnante d'asilo nido di dare non solo una risposta a quegli interrogativi, ma anche di fornire alternative più costruttive, stimolanti e perché no, anche economiche. Sfruttando materiali da riciclo, oggetti comuni e tanta fantasia, questo libro presenta 30 giochi differenti da costruire in casa e da proporre ai bambini da 0 a 36 mesi. Il tutto accompagnato da un'esauriente spiegazione sull'utilità del gioco proposto e sulle capacità del bimbo che va a influenzare.

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes

over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this book and why you need it. 1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. 2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages. 3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at homewherever you go, whether as a tourist or businessman. 4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer's. 5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.

Una porta di respiro dalla vita frenetica, un tuffo nel privato, bello, benedetto e gratuito nel mondo sentimentale, sperso nella natura e le sue profondità tra l'infinito e la terra, imbalsamato in sensazioni, voli e sogni..., dall'amore che controlla tutto con i suoi tentacoli, anche se non ce ne rendiamo conto. Una proiezione alcune volte fantastica, usando sentimenti e parole scritte per creare forze emozionanti, portali, nei quadri di versi persi nell'amore. Ronney is an introverted young woman with a disgraceful appearance. She lives humbly in one of the poorest neighborhoods of Sheryl Valley, a town corrupted by the mafia in Southern California. With no diploma, she works hard in her parents' restaurant and provides voice-overs for children's animated movies during the weekend. In accordance with a long-standing family tradition, Ronney's twenty-fifth birthday celebration comes with a dare from her cousins: she must knock on the front door of the infamous Khan household. The Khans' reputation precedes them, rumored to be in association with the mafia. But when Ronney knocks on the door, before she has the chance to run, the Khan family matriarch, Camilia, takes an interest in Ronney. It's an offer Ronney cannot refuse. To keep her job, Ronney's task is simple: do not fall in love with Yeraz. "Easy," she thinks. But what if destiny decides otherwise? Il titolo dell'opera, Grégale, implica un viatico romantico, simbolico ed evocativo: il nome di un vento che trasporti questi componenti in fuga, verso altri territori, altre culture, lettori, autori. All'interno di Grégale (nome che tanta importanza ha rivestito nella letteratura italiana, a partire da Dante) si susseguono, in ordine alfabetico: Maria Cristina Capatina con Implodo esplodo in uno strano modo, e amo il mondo; Angelo Casavola con Esser re Di versi; Alina Ciuciu con Pseudo filosofiche rime; Anna Cozzi con La ragazza dagli occhi verdi; Franca Eusepi con Poesie di Franca Eusepi; Mauro Montalto con Frammenti del cuore.
