Accompanys: 9780393932577 .

Pulitzer Prize-winning historian Eric Foner tells the story of how, between 1830 and 1860, three remarkable men from New York city - a journalist, a furniture polisher, and a black minister - led a secret network that helped no fewer than 3,000 fugitive slaves from the southern states of America to a new life of liberty in Canada.

A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. The leading United States History survey text, now available in a brief, full-color edition. In this collection of polemical pieces, Foner expounds on the relevance of Abraham Lincoln's legacy in the age of Obama and on the need for another era of Reconstruction. In addition to articles in which Foner calls out politicians and the powerful for their abuse and misuse of American history, Foner assesses some of his fellow leading historians of the late 20th century, including Richard Hofstadter, Howard Zinn and Eric Hobsbawm. Foner ends with an open letter to Bernie Sanders analysing the great tradition of radicalism that he has spent his career studying and which, he argues, Americans of progressive disposition should seek to celebrate and retrieve.

Assesses the impact of the Civil War

This is a preassembled package of Give Me Liberty!: An American History, combined volume (978-0-393-41822-4) and Voices of Freedom: A Documentary History, volumes 1 and 2 (978-0-393-69691-2 and 978-0-393-69692-9). Affordable at an exceptional value, this leading text in the U.S. survey course and its best-selling companion reader have both been updated for the Sixth Edition.

This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

In this landmark effort to understand African American people in the New World, Gunnar Myrdal provides deep insight into the contradictions of American democracy as well as a study of a people within a people. The title of the book, 'An American Dilemma', refers to the moral contradiction of a nation torn between allegiance to its highest ideals and awareness of the base realities of racial discrimination. The touchstone of this classic is the jarring discrepancy between the American creed of respect for the inalienable rights to freedom, justice, and opportunity for all and the pervasive violations of the dignity of blacks. The appendices are a gold mine of information, theory, and methodology. Indeed, two of the appendices were issued as a separate work given their importance for systematic theory in social research. The new introduction by Sissela Bok offers a remarkably intimate yet rigorously objective appraisal of Myrdal—a social scientist who wanted to see himself as an analytic intellectual, yet had an unbending desire to bring about change. 'An American Dilemma' is testimonial to the man as well as the ideas he espoused. When it first appeared 'An American Dilemma' was called "the most penetrating and important book on contemporary American civilization" by Robert S. Lynd; "One of the best political commentaries on American life that has ever been written" in *The American Political Science Review*; and a book with "a novelty and a courage seldom found in American discussions either of our total society or of the part which the Negro plays in it" in *'The American Sociological Review'*. It is a foundation work for all those concerned with the history and current status of race relations in the United States.

Chronicles the history of America's pursuit of liberty, tracing the struggles among freed slaves, union organizers, women rights advocates, and other groups to widen freedom's promise

Edited by Eric Foner and coordinated with each chapter of the text, this companion to *Give Me Liberty!* includes 139 primary-source documents touching on the theme of American freedom.

Freedom, the oldest of cliches and the most modern of aspirations, is the unifying theme in the new survey of American history by Eric Foner, the well-known historian and author of *The Story of American Freedom*. *Give Me Liberty!* examines the changing meanings of freedom, the social conditions that make freedom possible and its shifting boundaries from colonial times to the early twenty-first century.

Edited by Eric Foner and coordinated with each chapter of the text, this companion to *Give Me Liberty!* includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

Never HIGHLIGHT a Book Again Virtually all testable terms, concepts, persons, places, and events are included. Describes the changes brought about by the Civil War, discusses the impact of slavery's end, and looks at the political, economic, and social aspects of Reconstruction.

Give Me Liberty! An American History W W Norton & Company Incorporated

From the Pulitzer Prize-winning scholar, a timely history of the constitutional changes that built equality into the nation's foundation and how those guarantees have been shaken over time. The Declaration of Independence announced equality as an American ideal, but it took the Civil War and the subsequent adoption of three constitutional amendments to establish that ideal as American law. The Reconstruction amendments abolished slavery, guaranteed all persons due process and equal protection of the law, and equipped black men with the right to vote. They established the principle of birthright citizenship and guaranteed the privileges and immunities of all citizens. The federal government, not the states, was charged with enforcement, reversing the priority of the original Constitution and the Bill of Rights. In grafting the principle of equality onto the Constitution, these revolutionary changes marked the second founding of the United States. Eric Foner's compact, insightful history traces the arc of these pivotal amendments from their dramatic origins in pre-Civil War mass meetings of African-American "colored citizens" and in Republican party politics to their virtual nullification in the late nineteenth century. A series of momentous decisions by the Supreme Court narrowed the rights guaranteed in the amendments, while the states actively undermined them. The Jim Crow system was the result. Again today there are serious political challenges to birthright citizenship, voting rights, due process, and equal protection of the law. Like all great works of history, this one informs our understanding of the present as well as the past: knowledge and vigilance are always necessary to secure our basic rights.

"A masterwork [by] the preeminent historian of the Civil War era."—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

From the bestselling, award-winning author of *The Buddha in the Attic*, this commanding debut

novel paints a portrait of the Japanese internment camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty internment camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. *When the Emperor Was Divine* is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines.

The leading text in the U.S. survey course.

The leading text, in a compact, value edition.

Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize finalist Lydia Millet's sublime new novel—her first since the National Book Award long-listed *Sweet Lamb of Heaven*—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate, the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. *A Children's Bible* is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, *Give Me Liberty!* delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.
