

Global Hydraulic Hose Fittings Market Research Report 2017

Fluid Power Valves & Hose Fittings World Summary Product Values & Financials by Country

Some issues include special catalog, survey and directory number.

New trends are emerging are this book is out another trend that might be just in the corner of disrupting Various domains of interest such an engineering and other areas. This book is about the progress that is happening in the field of hydraulics.

Includes articles on international business opportunities.

The Rubber & Plastics Hoses & Belting World Summary Paperback Edition provides 7 years of Historic & Current data on the market in up to 100 countries. The Aggregated market comprises of the 50 Products / Services listed. The Products / Services covered (Rubber & plastics hoses & belting manufactures) are classified by the 5-Digit NAICS Product Codes and each Product and Services is then further defined by each 6 to 10-Digit NAICS Product Codes. In addition full Financial Data (188 items: Historic & Current Balance Sheet, Financial Margins and Ratios) Data is provided for about 100 countries. Total Market Values are given for 50 Products/Services covered, including: RUBBER + PLASTICS HOSES + BELTING 1. Rubber & plastics hoses & belting manufactures 2. Rubber & plastics hoses & belting manufactures 3. Flat rubber & plastics belts & belting 4. Lightweight flat rubber & plastics belts & belting 5. Heavy-duty flat rubber & plastics belts & belting 6. Other flat rubber & plastics belts & belting, incl transmission 7. Rubber & plastics belts & belting, flat, nsk 8. Rubber & plastics transmission belts & belting other than flat 9. Motor vehicle rubber & plastics transmission belts & belting other than flat 10. All other rubber & plastics belts & belting other than flat 11. Industrial (exc. fractional horsepower) rubber & plastics transmission belts & belting other than flat 12. All other rubber & plastics belts & belting incl agricultural & fractional horsepower, other than flat 13. Rubber & plastics transmission belts & belting other than flat, nsk 14. Hose for on- & off-highway motor vehicles (made of rubber & other materials, incl plastics & nylon) 15. High-pressure rubber & plastics hose (greater than 300 psi working pressure), incl air-conditioning, brake line, etc., for on- & off-highway motor vehicles 16. Low-pressure rubber & plastics hose (less than 300 psi working pressure), incl value of pre-positioned sleeves, clamps, etc., for on- & off-highway motor vehicles 17. Hose for on- & off-highway motor vehicles (made of rubber & other materials; e.g., plastics, nylon), nsk 18. Industrial rubber & plastics hose without fittings (chemical handling, food & beverage, petroleum curb pump, dock, transfer, etc.) 19. Rubber & plastics water hose (incl fire, irrigation, water suction-discharge & other water hose), nec 20. Rubber & plastics garden hose with or without fittings 21. Rubber & plastics garden hose (with or without fittings) 22. Plastics garden hose, with or without fittings, incl perforated sprinkler 23. Rubber garden hose, with or without fittings 24. Rubber & plastics garden hose (with or without fittings), nsk 25. Rubber & plastics inner tube type airhose other than pneumatic power transfer 26. Rubber & plastics inner tube type airhose (other than pneumatic power transfer) 27. Rubber inner tube type airhose, incl rubber & plastics combinations (other than pneumatic power transfer) 28. Nonrubber inner tube type airhose (other than pneumatic power transfer) 29. Airhose (other than pneumatic power transfer), nsk 30. Pneumatic & hydraulic inner tube type hose without fittings (made of rubber & other materials, incl plastics & nylon), nec 31. Pneumatic & hydraulic inner tube type hose, nec, without fittings (made of rubber & other materials, incl plastics & nylon) 32. Rubber inner tube type pneumatic & hydraulic hose, nec (incl rubber & plastics combinations), without fittings 33. Nonrubber inner tube type pneumatic & hydraulic hose, nec, without fittings 34. Pneumatic & hydraulic hose, nec, without fittings (made of rubber & other materials - e.g., plastics, nylon), nsk /.. etc.

The Fluid Power Valves & Hose Fittings World Summary Paperback Edition provides 7 years of Historic & Current data on the market in up to 100 countries. The Aggregated market comprises of the 40 Products / Services listed. The Products / Services covered (Fluid power valves & hose fittings) are classified by the 5-Digit NAICS Product Codes and each Product and Services is then further defined by each 6 to 10-Digit NAICS Product Codes. In addition full Financial Data (188 items: Historic & Current Balance Sheet, Financial Margins and Ratios) Data is provided for about 100 countries. Total Market Values are given for 40 Products/Services covered, including: FLUID POWER VALVES + HOSE FITTINGS 1. Fluid power valve & hose fitting manufactures 2. Aerospace type hydraulic fluid power valves 3. Aerospace type pneumatic fluid power valves 4. Nonaerospace type hydraulic directional control valves 5. Nonaerospace type hydraulic valves, exc. directional control 6. Nonaerospace type pneumatic directional control valves 7. Nonaerospace type pneumatic valves, exc. directional control 8. Parts for fluid power valves 9. Aerospace type hydraulic & pneumatic fluid power hose or tube end fittings & assemblies 10. Nonaerospace type flared (metal) fittings, couplings for & assemblies of tubing used in fluid power transfer systems 11. Nonaerospace type flareless fittings & couplings, incl nonmetal fittings, used in fluid power transfer systems 12. Nonaerospace type hydraulic & pneumatic fittings & couplings for hose 13. Nonaerospace type hydraulic & pneumatic assemblies of hose 14. Fluid power valves & hose fittings, nsk, total 15. Fluid power valves & hose fittings, nsk, nonadministrative-record 16. Fluid power valves & hose fittings, nsk, administrative-record There are 188 Financial items covered, including: Total Sales, Pre-tax Profit, Interest Paid, Non-trading Income, Operating Profit, Depreciation, Trading Profit, Intangible Assets, Intermediate Assets, Fixed Assets (Structures, P + E, Misc.), Capital Expenditure (Structures, P + E, Vehicles, IT, Misc.), Retirements (Structures, P + E, Misc.), Total Fixed Assets, Stocks (Finished Product, Work in Progress, Materials), Total Stocks / Inventory, Debtors, Total Maintenance Costs, Services Purchased, Misc. Current Assets, Total Current Assets, Total Assets, Creditors, Short Term Loans, Misc. Current Liabilities, Total Current Liabilities, Net Assets / Capital Employed, Shareholders Funds, Long Term Loans, Misc. Long Term Liabilities, Workers, Hours Worked, Total Employees, Costs (Raw Materials, Finished Materials, Fuel, Electricity), Total Input Supplies / Materials + Energy Costs, Payroll, Wages, Director Remunerations, Employee Benefits, Commissions, Total Employees Remunerations, Sub Contractors, Rental & Leasing (Structures, P + E), Total Rental & Leasing Costs, Maintenance (Structures, P + E), Communications Costs, Misc. Expenses, Sales Personnel Costs, Sales Expenses, Sales Materials, Total Sales Costs, Distribution (Fixed + Variable Costs), Premises (Fixed + Variable Costs), Physical Handling (Fixed + Variable Costs), Physical Process (Fixed + Variable Costs), Total Distribution Costs, Correspondence Costs, Advertising (Media, Materials, POS & Display Costs, Events Costs), Total Advertising Costs, Product (Handling, Support, Service Costs), Customer Costs, Total After-Sales Costs, Total Marketing Costs, New Technology + New Production Technology Expenditure, Research + Development Expenditure, Operational & Process Costs, Debtors + Debts. /.. etc.

The Jan. 1956 issue includes Fluid power engineering index, 1931-55.

The Fluid Power Valves & Hose Fittings World Summary Paperback Edition provides 7 years of Historic & Current data on the market in about 100 countries. The Aggregated market comprises of the 40 Products / Services listed. The Products / Services covered (Fluid power valves & hose fittings) are classified by the 5-Digit NAICS Product Codes and each Product and Services is then further defined by each 6 to 10-Digit NAICS Product Codes. In addition full Financial Data (188 items: Historic & Current Balance Sheet, Financial Margins and Ratios) Data is provided for about 100 countries. Total Market Values are given for 40 Products/Services covered, including: FLUID POWER VALVES + HOSE FITTINGS 1. Fluid power valve & hose fitting manufactures 2. Aerospace type hydraulic fluid power valves 3. Aerospace type pneumatic fluid power valves 4. Nonaerospace type hydraulic directional control valves 5. Nonaerospace type

hydraulic valves, except directional control 6. Nonaerospace type pneumatic directional control valves 7. Nonaerospace type pneumatic valves, except directional control 8. Parts for fluid power valves 9. Aerospace type hydraulic & pneumatic fluid power hose or tube end fittings & assemblies 10. Nonaerospace type flared (metal) fittings, couplings for & assemblies of tubing used in fluid power transfer systems 11. Nonaerospace type flareless fittings & couplings, incl nonmetal fittings, used in fluid power transfer systems 12. Nonaerospace type hydraulic & pneumatic fittings & couplings for hose 13. Nonaerospace type hydraulic & pneumatic assemblies of hose 14. Fluid power valves & hose fittings, nsk, total 15. Fluid power valves & hose fittings, nsk, nonadministrative-record 16. Fluid power valves & hose fittings, nsk, administrative-record There are 188 Financial items covered, including: Total Sales, Pre-tax Profit, Interest Paid, Non-trading Income, Operating Profit, Depreciation, Trading Profit, Intangible Assets, Intermediate Assets, Fixed Assets (Structures, P + E, Misc.), Capital Expenditure (Structures, P + E, Vehicles, IT, Misc.), Retirements (Structures, P + E, Misc.), Total Fixed Assets, Stocks (Finished Product, Work in Progress, Materials), Total Stocks / Inventory, Debtors, Total Maintenance Costs, Services Purchased, Misc. Current Assets, Total Current Assets, Total Assets, Creditors, Short Term Loans, Misc. Current Liabilities, Total Current Liabilities, Net Assets / Capital Employed, Shareholders Funds, Long Term Loans, Misc. Long Term Liabilities, Workers, Hours Worked, Total Employees, Costs (Raw Materials, Finished Materials, Fuel, Electricity), Total Input Supplies / Materials + Energy Costs, Payroll, Wages, Director Remunerations, Employee Benefits, Commissions, Total Employees Remunerations, Sub Contractors, Rental & Leasing (Structures, P + E), Total Rental & Leasing Costs, Maintenance (Structures, P + E), Communications Costs, Misc. Expenses, Sales Personnel Costs, Sales Expenses, Sales Materials, Total Sales Costs, Distribution (Fixed + Variable Costs), Premises (Fixed + Variable Costs), Physical Handling (Fixed + Variable Costs), Physical Process (Fixed + Variable Costs), Total Distribution Costs, Correspondence Costs, Advertising (Media, Materials, POS & Display Costs, Events Costs), Total Advertising Costs, Product (Handling, Support, Service Costs), Customer Costs, Total After-Sales Costs, Total Marketing Costs, New Technology + New Production Technology Expenditure, Research + Development Expenditure, Operational & Process Costs, Debtors + Debts. /.. etc.

This reference book is a complete guide to the trends and leading companies in the engineering, research, design, innovation and development business fields: those firms that are dominant in engineering-based design and development, as well leaders in technology-based research and development. We have included companies that are making significant investments in research and development via as many disciplines as possible, whether that research is being funded by internal investment, by fees received from clients or by fees collected from government agencies. In this carefully-researched volume, you'll get all of the data you need on the American Engineering & Research Industry, including: engineering market analysis, complete industry basics, trends, research trends, patents, intellectual property, funding, research and development data, growth companies, investments, emerging technologies, CAD, CAE, CAM, and more. The book also contains major statistical tables covering everything from total U.S. R&D expenditures to the total number of scientists working in various disciplines, to amount of U.S. government grants for research. In addition, you'll get expertly written profiles of nearly 400 top Engineering and Research firms - the largest, most successful corporations in all facets of Engineering and Research, all cross-indexed by location, size and type of business. These corporate profiles include contact names, addresses, Internet addresses, fax numbers, toll-free numbers, plus growth and hiring plans, finances, research, marketing, technology, acquisitions and much more. This book will put the entire Engineering and Research industry in your hands. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Low-pressure rubber & plastics hose (less than 300 psi working pressure), incl value of pre-positioned sleeves, clamps, etc., for on- & off-highway motor vehicles 17. Hose for on- & off-highway motor vehicles (made of rubber & other materials; e.g., plastics, nylon), nsk 18. Industrial rubber & plastics hose without fittings (chemical handling, food & beverage, petroleum curb pump, dock, transfer, etc.) 19. Rubber & plastics water hose (incl fire, irrigation, water suction-discharge & other water hose), nec 20. Rubber & plastics garden hose with or without fittings 21. Rubber & plastics garden hose (with or without fittings) 22. Plastics garden hose, with or without fittings, incl perforated sprinkler 23. Rubber garden hose, with or without fittings 24. Rubber & plastics garden hose (with or without fittings), nsk 25. Rubber & plastics inner tube type airhose other than pneumatic power transfer 26. Rubber & plastics inner tube type airhose (other than pneumatic power transfer) 27. Rubber inner tube type airhose, incl rubber & plastics combinations (other than pneumatic power transfer) 28. Nonrubber inner tube type airhose (other than pneumatic power transfer) 29. Airhose (other than pneumatic power transfer), nsk 30. Pneumatic & hydraulic inner tube type hose without fittings (made of rubber & other materials, incl plastics & nylon), nec 31. Pneumatic & hydraulic inner tube type hose, nec, without fittings (made of rubber & other materials, incl plastics & nylon) 32. Rubber inner tube type pneumatic & hydraulic hose, nec (incl rubber & plastics combinations), without fittings 33. Nonrubber inner tube type pneumatic & hydraulic hose, nec, without fittings 34. Pneumatic & hydraulic hose, nec, without fittings (made of rubber & other materials - e.g., plastics, nylon), nsk 35. Rubber & plastics hoses & belting, nsk /.. etc.

The first point of reference for design engineers, hydraulic technicians, chief engineers, plant engineers, and anyone concerned with the selection, installation, operation or maintenance of hydraulic equipment. The hydraulic industry has seen many changes over recent years and numerous new techniques, components and methods have been introduced. The ninth edition of the Hydraulic Handbook incorporates all these developments to provide a crucial reference manual for practical and technical guidance.

This book presents the necessary information about the constructional features, performance specifications, and other details of pipes, tubing, and hoses and their fittings. The book uses the SI system of

units. The language of the book is simple, the topics are logically arranged, and information is most up-to-date. A fluid power professional should possess exceptional knowledge about hydraulic pipes, tubes, and hoses for his/her continuing professional development and career advancement. A keen faculty or a student in an engineering institution must acquire the knowledge of fluid conductors to upgrade his/her knowledge. As the knowledge and skill of the reader improve, professional life is undoubtedly going to be more outstanding and comfortable. The book has been written by a professional trainer who has vast experience in the fluid power area and trained thousands of professionals and students, over 25 years. If you are looking for a more in-depth knowledge into fluid power, then this book is a valuable resource that will assist you in your quest for professional development.

This basic source for identification of U.S. manufacturers is arranged by product in a large multi-volume set. Includes: Products & services, Company profiles and Catalog file.

This multi-volume directory which lists more than 40,000 companies is indexed by company name, geographic area, non-U.S. parent companies, technology, product code, CorpTech code, and SIC code. Profiles are provided for each company listed, and company rankings given under each industry.

Master the #1 Principle for Long-Term Market Dominance! The Phoenix Principle "Create Marketplace Disruption is as thought-provoking as it is entertaining. Adam Hartung offers business managers and leaders new insights to long-term success that apply across markets and industries." –Steve Burke, President, Comcast Cable Communications, Philadelphia, PA "Talking innovation is easier than practicing innovation. Adam offers an excellent approach for corporations to identify how to innovate to gain competitive advantage. A must read." –Praveen Gupta, Editor-in-Chief, International Journal of Innovation Science and Chairman, Accelper Consulting, Schaumburg, IL Some companies can't change in response to market disruptions. Those companies die. Other companies do respond...eventually. They survive, but they see their profits squeezed, their growth flattened. Then, there are the long-term winners: companies that create their own disruptions and thrive on change. In Create Marketplace Disruption, Adam Hartung shows how to become one of those rare companies, creating lasting growth and profits. This book reveals why so many companies behave in ways that are utterly incompatible with long-term success...and why even "good to great" companies are struggling for air. You'll discover how to reposition your organization away from the Flats and Swamps of traditional Defend and Extend Management and back into the Rapids of accelerated growth. Hartung demonstrates how to attack competitors' Lock-ins, make their Success Formulas obsolete, and create the White Space needed to invent your own new formulas for success. Create Marketplace Disruption shows how disrupting yourself is critical to reaping the benefits of market changes, and part of a process that executives and strategists can reproduce over and over again for improved results. How we got into this mess—and how to get out of it The myth of perpetuity and the dark side of success Reinventing success: no more Defend and Extend Creating your new Success Formulas and keeping them competitively advantaged Why "thinking outside the box" doesn't work First, get outside the box. Then, think! Maintaining "The Phoenix Principle" for long-term success Practicing Disruption until it comes naturally
